#	ARTICLE	IF	CITATIONS
1	The political economy of universal health coverage: a systematic narrative review. <i>Health Policy and Planning</i> , 2020, 35, 364-372.	1.0	44
2	Leaving no one behind: lessons from implementation of policies for universal HIV treatment to universal health coverage. <i>Globalization and Health</i> , 2020, 16, 17.	2.4	13
3	Water and health interlinkages of the sustainable development goals in remote Indigenous Australia. <i>Npj Clean Water</i> , 2020, 3, .	3.1	25
4	Global health security and universal health coverage: Understanding convergences and divergences for a synergistic response. <i>PLoS ONE</i> , 2020, 15, e0244555.	1.1	16
5	Primary health care contributions to universal health coverage, Ethiopia. <i>Bulletin of the World Health Organization</i> , 2020, 98, 894-905A.	1.5	37
6	Title is missing!. , 2020, 15, e0244555.		0
7	Title is missing!. , 2020, 15, e0244555.		0
8	Title is missing!. , 2020, 15, e0244555.		0
9	Title is missing!. , 2020, 15, e0244555.		0
10	Title is missing!. , 2020, 15, e0244555.		0
11	Title is missing!. , 2020, 15, e0244555.		0
12	Health and the Sustainable Development Goals: Challenges for four Pacific countries. <i>International Journal of Health Planning and Management</i> , 2019, 34, e844-e859.	0.7	4
13	The evolution of domestic violence prevention and control in Vietnam from 2003 to 2018: a case study of policy development and implementation within the health system. <i>International Journal of Mental Health Systems</i> , 2019, 13, 41.	1.1	9
14	Community health extension program of Ethiopia, 2003â€“2018: successes and challenges toward universal coverage for primary healthcare services. <i>Globalization and Health</i> , 2019, 15, 24.	2.4	208
15	Cambodiaâ€™s health professionals and the ASEAN Mutual Recognition Arrangements: registration, education and mobility. <i>Human Resources for Health</i> , 2019, 17, 14.	1.1	11
16	Australiaâ€™s overseas development aid commitment to health through the sustainable development goals: a multi-stakeholder perspective. <i>Globalization and Health</i> , 2019, 15, 66.	2.4	8
17	Towards achieving the fast-track targets and ending the epidemic of HIV/AIDS in Ethiopia: Successes and challenges. <i>International Journal of Infectious Diseases</i> , 2019, 78, 57-64.	1.5	19
18	Exploring governance for a One Health collaboration for leptospirosis prevention and control in Fiji: Stakeholder perceptions, evidence, and processes. <i>International Journal of Health Planning and Management</i> , 2018, 33, 677-689.	0.7	7

#	ARTICLE	IF	CITATIONS
19	Access to hepatitis C virus treatment: Lessons from implementation of strategies for increasing access to antiretroviral treatment. <i>International Journal of Infectious Diseases</i> , 2018, 70, 65-68.	1.5	9
20	Correspondence regarding "Assefa Y, et al., <i>BMC Health Services Research</i> . 2011; 11 (1):81 and 2014; 14(1):45"™: The Positive-Deviance approach for translating evidence into practice to improve patient retention in HIV care. <i>BMC Health Services Research</i> , 2018, 18, 193.	0.9	0
21	Future-proofing global health: Governance of priorities. <i>Global Public Health</i> , 2018, 13, 519-527.	1.0	50
22	The Possums Infant Sleep Program: parents' perspectives on a novel parent-infant sleep intervention in Australia. <i>Sleep Health</i> , 2018, 4, 519-526.	1.3	28
23	Effectiveness and sustainability of a diagonal investment approach to strengthen the primary health-care system in Ethiopia. <i>Lancet, The</i> , 2018, 392, 1473-1481.	6.3	34
24	Primary health care and universal health coverage: competing discourses?. <i>Lancet, The</i> , 2018, 392, 1374-1375.	6.3	4
25	The impact of ASEAN economic integration on health worker mobility: a scoping review of the literature. <i>Health Policy and Planning</i> , 2018, 33, 957-965.	1.0	16
26	The power of talk and power in talk: a systematic review of Indigenous narratives of culturally safe healthcare communication. <i>Australian Journal of Primary Health</i> , 2018, 24, 109.	0.4	75
27	What did the Go4Health policy research project contribute to the policy discourse on the sustainable development goals? A reflexive review. <i>Globalization and Health</i> , 2018, 14, 51.	2.4	3
28	Validation of verbal autopsy methods using hospital medical records: a case study in Vietnam. <i>BMC Medical Research Methodology</i> , 2018, 18, 43.	1.4	11
29	Great expectations: An analysis of researchers' and policy makers' perceptions of the potential value of the Australian indigenous burden of disease study for policy. <i>International Journal of Health Planning and Management</i> , 2018, 33, e181-e193.	0.7	1
30	Implementing the United Nations'™ sustainable development goals for water and beyond in Australia: A proposed systems approach. <i>Australian Journal of Water Resources</i> , 2018, 22, 29-38.	1.6	13
31	Frenotomy for tongue-tie in Australian children, 2006"™2016: an increasing problem. <i>Medical Journal of Australia</i> , 2018, 208, 88-89.	0.8	37
32	Completeness and reliability of mortality data in Viet Nam: Implications for the national routine health management information system. <i>PLoS ONE</i> , 2018, 13, e0190755.	1.1	11
33	Regulating the for-profit private healthcare providers towards universal health coverage: A qualitative study of legal and organizational framework in Mongolia. <i>International Journal of Health Planning and Management</i> , 2018, 33, 185-201.	0.7	10
34	Performance of the Antiretroviral Treatment Program in Ethiopia, 2005-2015: strengths and weaknesses toward ending AIDS. <i>International Journal of Infectious Diseases</i> , 2017, 60, 70-76.	1.5	34
35	Global health governance in the sustainable development goals: Is it grounded in the right to health?. <i>Global Challenges</i> , 2017, 1, 47-60.	1.8	70
36	Dorsal longitudinal foreskin cut is associated with reduced risk of HIV, syphilis and genital herpes in men: a cross-sectional study in Papua New Guinea. <i>Journal of the International AIDS Society</i> , 2017, 20, 21358.	1.2	10

#	ARTICLE	IF	CITATIONS
37	Successes and challenges of the millennium development goals in Ethiopia: lessons for the sustainable development goals. <i>BMJ Global Health</i> , 2017, 2, e000318.	2.0	99
38	Limited understanding, limited services, limited resources: patients's experiences with managing hypertension and diabetes in Cambodia. <i>BMJ Global Health</i> , 2017, 2, e000235.	2.0	15
39	Access to medicines and hepatitis C in Africa: can tiered pricing and voluntary licencing assure universal access, health equity and fairness?. <i>Globalization and Health</i> , 2017, 13, 73.	2.4	30
40	Did the right to health get across the line? Examining the United Nations resolution on the Sustainable Development Goals. <i>BMJ Global Health</i> , 2017, 2, e000353.	2.0	9
41	A process for developing multisectoral strategies for zoonoses: the case of leptospirosis in Fiji. <i>BMC Public Health</i> , 2017, 17, 671.	1.2	5
42	Role of emerging private hospitals in a post-Soviet mixed health system: a mixed methods comparative study of private and public hospital inpatient care in Mongolia. <i>Health Policy and Planning</i> , 2016, 32, czw157.	1.0	12
43	How Did Youth Mental Health Make It Onto Australia's 2011 Federal Policy Agenda?. <i>SAGE Open</i> , 2016, 6, 215824401668085.	0.8	10
44	Does evidence influence policy? Resource allocation and the Indigenous Burden of Disease study. <i>Australian Health Review</i> , 2016, 40, 705.	0.5	1
45	Universal Health Coverage's evolving location in the post-2015 development agenda: Key informant perspectives within multilateral and related agencies during the first phase of post-2015 negotiations. <i>Health Policy and Planning</i> , 2016, 31, 514-526.	1.0	16
46	Preliminary evaluation of a primary care intervention for cry-fuss behaviours in the first 3-4 months of life (The Possums Approach): effects on cry-fuss behaviours and maternal mood. <i>Australian Journal of Primary Health</i> , 2015, 21, 38.	0.4	15
47	The individual, the government and the global community: sharing responsibility for health post-2015 in Vanuatu, a small island developing state. <i>International Journal for Equity in Health</i> , 2015, 14, 102.	1.5	5
48	Hañti and the health marketplace: the role of the private, informal market in filling the gaps left by the state. <i>BMC Health Services Research</i> , 2015, 15, 424.	0.9	13
49	Managing non-communicable diseases at health district level in Cambodia: a systems analysis and suggestions for improvement. <i>BMC Health Services Research</i> , 2015, 16, 32.	0.9	26
50	From knowing our needs to enacting change: findings from community consultations with indigenous communities in Bangladesh. <i>International Journal for Equity in Health</i> , 2015, 14, 126.	1.5	9
51	Proposed changes to Medicare: undermining equity and outcomes in Australian primary health care?. <i>Australian and New Zealand Journal of Public Health</i> , 2015, 39, 106-108.	0.8	2
52	Cautionary Notes on a Global Tiered Pricing Framework for Medicines. <i>American Journal of Public Health</i> , 2015, 105, 1290-1293.	1.5	11
53	Countdown for health to the post-2015 UN Sustainable Development Goals. <i>Medical Journal of Australia</i> , 2015, 202, 289-290.	0.8	7
54	Human resources for health in six healthcare arenas under stress: a qualitative study. <i>Human Resources for Health</i> , 2015, 13, 14.	1.1	17

#	ARTICLE	IF	CITATIONS
55	Policy context and narrative leading to the commissioning of the Australian Indigenous Burden of Disease study. <i>Health Research Policy and Systems</i> , 2015, 13, 17.	1.1	2
56	Universal Health Coverage and the Right to Health. <i>International Journal of Health Services</i> , 2015, 45, 495-506.	1.2	22
57	“Everywhere but not specifically somewhere”: a qualitative study on why the right to health is not explicit in the post-2015 negotiations. <i>BMC International Health and Human Rights</i> , 2015, 15, 22.	2.5	12
58	Ten best resources on conditional cash transfers. <i>Health Policy and Planning</i> , 2015, 30, 742-746.	1.0	12
59	Health, equity and the post-2015 agenda: raising the voices of marginalized communities. <i>International Journal for Equity in Health</i> , 2014, 13, 82.	1.5	13
60	Could international compulsory licensing reconcile tiered pricing of pharmaceuticals with the right to health?. <i>BMC International Health and Human Rights</i> , 2014, 14, 37.	2.5	8
61	The “empty void” is a crowded space: health service provision at the margins of fragile and conflict affected states. <i>Conflict and Health</i> , 2014, 8, 20.	1.0	32
62	Aboriginal medical services cure more than illness: a qualitative study of how Indigenous services address the health impacts of discrimination in Brisbane communities. <i>International Journal for Equity in Health</i> , 2014, 13, 56.	1.5	46
63	Facilitating health and wellbeing is “everybody’s role”: youth perspectives from Vanuatu on health and the post-2015 sustainable development goal agenda. <i>International Journal for Equity in Health</i> , 2014, 13, 80.	1.5	6
64	Achieving equity within universal health coverage: a narrative review of progress and resources for measuring success. <i>International Journal for Equity in Health</i> , 2014, 13, 72.	1.5	73
65	Indicators for Universal Health Coverage: can Kenya comply with the proposed post-2015 monitoring recommendations?. <i>International Journal for Equity in Health</i> , 2014, 13, 123.	1.5	23
66	The Holy See on sexual and reproductive health rights: conservative in position, dynamic in response. <i>Reproductive Health Matters</i> , 2014, 22, 114-124.	1.3	6
67	‘Desa SIAGA’, the ‘Alert Village’: the evolution of an iconic brand in Indonesian public health strategies. <i>Health Policy and Planning</i> , 2014, 29, 409-420.	1.0	17
68	Building social currency with foreskin cuts: a coping mechanism of Papua New Guinea health workers and the implications for new programmes. <i>Health Policy and Planning</i> , 2014, 29, 902-911.	1.0	2
69	Community participation in formulating the post-2015 health and development goal agenda: reflections of a multi-country research collaboration. <i>International Journal for Equity in Health</i> , 2014, 13, 66.	1.5	10
70	Advancing the application of systems thinking in health: advice seeking behavior among primary health care physicians in Pakistan. <i>Health Research Policy and Systems</i> , 2014, 12, 43.	1.1	14
71	How can health remain central post-2015 in a sustainable development paradigm?. <i>Globalization and Health</i> , 2014, 10, 18.	2.4	39
72	Back to the future: what would the post-2015 global development goals look like if we replicated methods used to construct the Millennium Development Goals?. <i>Globalization and Health</i> , 2014, 10, 19.	2.4	7

#	ARTICLE	IF	CITATIONS
73	“In the driver’s seat”: The Health Sector Strategic Master Plan as an instrument for aid coordination in Mongolia. <i>Globalization and Health</i> , 2014, 10, 23.	2.4	6
74	Sexual and reproductive health and rights in the evolving post-2015 agenda: perspectives from key players from multilateral and related agencies in 2013. <i>Reproductive Health Matters</i> , 2014, 22, 65-74.	1.3	11
75	Central Asian Post-Soviet health systems in transition: has different aid engagement produced different outcomes?. <i>Global Health Action</i> , 2014, 7, 24978.	0.7	20
76	A case study in the use of evidence in a changing political context: an Aboriginal and Torres Strait Islander health service re-examines practice models, governance and financing. <i>Australian Health Review</i> , 2014, 38, 383.	0.5	5
77	Evidence and decision making: tobacco control policy and legislation in Vietnam. <i>International Journal of Health Planning and Management</i> , 2013, 28, e72-94.	0.7	6
78	Sociocultural and individual determinants for motivation of sexual and reproductive health workers in Papua New Guinea and their implications for male circumcision as an HIV prevention strategy. <i>Human Resources for Health</i> , 2013, 11, 7.	1.1	13
