| #  | ARTICLE                                                                                                                                                      | IF  | CITATIONS |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------|
| 1  | Convergence of Stochastic Processes. Springer Series in Statistics, 1984, , .                                                                                | 0.9 | 1,143     |
| 2  | Simulation and the Asymptotics of Optimization Estimators. Econometrica, 1989, 57, 1027.                                                                     | 4.2 | 1,015     |
| 3  | Asymptotics for Least Absolute Deviation Regression Estimators. Econometric Theory, 1991, 7, 186-199.                                                        | 0.7 | 501       |
| 4  | A Central Limit Theorem for $k$ -Means Clustering. Annals of Probability, 1982, 10, 919.                                                                     | 1.8 | 165       |
| 5  | New Ways to Prove Central Limit Theorems. Econometric Theory, 1985, 1, 295-313.                                                                              | 0.7 | 122       |
| 6  | A central limit theorem for empirical processes. Journal of the Australian Mathematical Society Series A Pure Mathematics and Statistics, 1982, 33, 235-248. | 0.3 | 91        |
| 7  | Asymptotics via Empirical Processes. Statistical Science, 1989, 4, .                                                                                         | 2.8 | 76        |
| 8  | Limit theorems for empirical processes. Zeitschrift für Wahrscheinlichkeitstheorie Und Verwandte Gebiete, 1981, 57, 181-195.                                 | 0.8 | 27        |
| 9  | Beyond the heuristic approach to Kolmogorov-Smirnov theorems. Journal of Applied Probability, 1982, 19, 359-365.                                             | 0.7 | 4         |
| 10 | Beyond the heuristic approach to Kolmogorov-Smirnov theorems. Journal of Applied Probability, 1982, 19, 359-365.                                             | 0.7 | 2         |
