#	ARTICLE	IF	CITATIONS
1	Aminopeptidase A (ENPEP) gene polymorphisms and preeclampsia: Descriptive analysis. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2021, 258, 70-74.	0.5	2
2	Aspirin in the prevention of preeclampsia. <i>Medicine (United States)</i> , 2021, 100, e27916.	0.4	3
3	An imperative to offer pregnant and lactating women access to the COVID-19 vaccination roll-out programme. <i>South African Medical Journal</i> , 2021, 111, 567-569.	0.2	3
4	The impact of the duration of HAART on cytokine profiles in pregnancy. <i>Inflammation Research</i> , 2020, 69, 1053-1058.	1.6	0
5	The Screening of Nails for Selected Essential and Toxic Elements in Normotensive and Pre-Eclamptic Women. <i>Biological Trace Element Research</i> , 2019, 189, 28-33.	1.9	9
6	Adherence to iron prophylactic therapy during pregnancy in an urban regional hospital in South Africa. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2019, 61, 203-208.	0.2	3
7	Reducing maternal deaths by skills-and-drills training in managing obstetric emergencies: A before-and-after observational study. <i>South African Medical Journal</i> , 2019, 109, 241.	0.2	17
8	Effects of emergency obstetric care training on maternal and perinatal outcomes: a stepped wedge cluster randomised trial in South Africa. <i>BMJ Global Health</i> , 2019, 4, e001670.	2.0	7
9	Hypertensive disorders in pregnancy: 2019 National guideline. <i>South African Medical Journal</i> , 2019, 109, 12723.	0.2	15
10	Maternal and perinatal outcomes after caesarean delivery in early and late onset preeclampsia with HIV positive and HIV negative South African Women. <i>Nigerian Journal of Clinical Practice</i> , 2019, 22, 591.	0.2	1
11	Anemia and pregnancy outcomes: a longitudinal study. <i>Journal of Maternal-Fetal and Neonatal Medicine</i> , 2018, 31, 2594-2598.	0.7	33
12	Spontaneous liver haematoma rupture associated with pre-eclampsia in a low- to middle-income country: Lessons to be learnt from maternal death assessments. <i>South African Medical Journal</i> , 2018, 108, 809.	0.2	6
13	Obstetrics knowledge and skills training as a catalyst for change. <i>South African Medical Journal</i> , 2018, 108, 748.	0.2	11
14	Analysis of hepatocyte growth factor immunostaining in the placenta of HIV-infected normotensive versus preeclamptic pregnant women. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2018, 227, 60-66.	0.5	5
15	The effect of pregnancy and delivery on anal function in black Africans and Indians. <i>South African Journal of Surgery</i> , 2018, 56, 22-28.	0.1	1
16	Association of gene polymorphisms of four components of renin-angiotensin-aldosterone system and preeclampsia in South African black women. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2017, 215, 180-187.	0.5	22
17	HIV transmission in twin pregnancy: Maternal and perinatal outcomes. <i>Southern African Journal of Infectious Diseases</i> , 2017, 32, 54-56.	0.3	1
18	The role of trophoblast cell receptor expression in HIV passage across the placenta in preeclampsia: an observational study. <i>BJOG: an International Journal of Obstetrics and Gynaecology</i> , 2017, 124, 920-928.	1.1	6

#	ARTICLE	IF	CITATIONS
19	Maternal cardiac haemodynamics in severe pre-eclampsia complicated by acute pulmonary oedema: A review. <i>Journal of Maternal-Fetal and Neonatal Medicine</i> , 2017, 30, 2769-2777.	0.7	14
20	Maternal and obstetric complications among HIV-infected women treated with highly active antiretroviral treatment at a Regional Hospital in Durban, South Africa. <i>Nigerian Journal of Clinical Practice</i> , 2017, 20, 1360.	0.2	13
21	Eclampsia: Still a major problem in rural KwaZulu-Natal Province, South Africa. <i>South African Journal of Obstetrics and Gynaecology</i> , 2016, 22, 13.	0.1	5
22	Pre-eclampsia: its pathogenesis and pathophysiology. <i>Cardiovascular Journal of Africa</i> , 2016, 27, 71-78.	0.2	262
23	Hypertensive disorders in primigravid black South African women: A one-year descriptive analysis. <i>Hypertension in Pregnancy</i> , 2016, 35, 529-535.	0.5	21
24	Morphometrical analysis of placental functional efficiency in normotensive versus preeclamptic South African black women. <i>Hypertension in Pregnancy</i> , 2016, 35, 361-370.	0.5	5
25	Obstetric perineal injury: risk factors and prevalence in a resource-constrained setting. <i>Tropical Doctor</i> , 2015, 45, 252-254.	0.2	3
26	Prevalence of anaemia in pregnancy in a regional health facility in South Africa. <i>South African Medical Journal</i> , 2015, 106, 101.	0.2	32
27	Maternal death and caesarean section in South Africa: Results from the 2011 - 2013 Saving Mothers Report of the National Committee for Confidential Enquiries into Maternal Deaths. <i>South African Medical Journal</i> , 2015, 105, 287.	0.2	45
28	Basic and comprehensive emergency obstetric and neonatal care in 12 South African health districts. <i>South African Medical Journal</i> , 2015, 105, 256.	0.2	27
29	Uterine rupture in a primigravida term pregnancy: A case report and lessons to learn. <i>South African Journal of Obstetrics and Gynaecology</i> , 2015, 21, 12.	0.1	0
30	Ruptured subcapsular hematoma of the liver due to pre-eclampsia presenting as interstitial pregnancy and the role of intra-abdominal packing. <i>Nigerian Journal of Clinical Practice</i> , 2015, 18, 300.	0.2	9
31	Assigning appropriate and comprehensive diagnosis for scientific report. <i>Medical Hypotheses</i> , 2014, 83, 681-684.	0.8	8
32	The confidential enquiry into maternal deaths in South Africa: a case study. <i>BJOG: an International Journal of Obstetrics and Gynaecology</i> , 2014, 121, 53-60.	1.1	85
33	Characteristics of women having first-trimester termination of pregnancy at a district hospital in Kwazulu-Natal. <i>The Southern African Journal of Epidemiology & Infection: Official Journal of the Sexually Transmitted Diseases, Infectious Diseases and Epidemiological Societies of Southern Africa</i> , 2013, 28, 102-105.	0.2	3
34	Maternal and fetal outcomes of HIV-infected and non-infected pregnant women admitted to two intensive care units in Pietermaritzburg, South Africa. <i>South African Medical Journal</i> , 2013, 103, 543.	0.2	10
35	Is the prevalence of pre-eclampsia affected by HIV/AIDS? A retrospective case-control study : cardiovascular topics. <i>Cardiovascular Journal of Africa</i> , 2013, 24, 24-27.	0.2	48
36	Cardiovascular haemodynamics in pre-eclampsia using brain natriuretic peptide and tissue Doppler studies : cardiovascular topics. <i>Cardiovascular Journal of Africa</i> , 2013, 24, 130-136.	0.2	22

#	ARTICLE	IF	CITATIONS
37	Impact of HIV on the incidence of pre-eclampsia. <i>Cardiovascular Journal of Africa</i> , 2013, 24, 5.	0.2	3
38	The profile of maternal deaths in a district hospital: a five-year review of maternal deaths from 2006-2010. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2012, 54, 518-524.	0.2	5
39	An audit of surgical termination of pregnancy at a level 1 health facility in South Africa. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2012, 54, 72-76.	0.2	2
40	The role of podocytes in the early detection of pre-eclampsia. <i>Pregnancy Hypertension</i> , 2012, 2, 43-47.	0.6	6
41	The Effect of Kraussianone (Kr2), a Natural Pyranoisoflavone from <i>Eriosema kraussianum</i> , in an L-NAME-induced Pre-eclamptic Rat Model. <i>Phytotherapy Research</i> , 2012, 26, 1375-1380.	2.8	12
42	Managing pregnancy with HIV, HELLP syndrome and low platelets. <i>Best Practice and Research in Clinical Obstetrics and Gynaecology</i> , 2012, 26, 133-147.	1.4	3
43	An audit of pregnant women with prosthetic heart valves at a tertiary hospital in South Africa. <i>Cardiovascular Journal of Africa</i> , 2012, 23, 216-221.	0.2	39
44	Hypertensive disorders in pregnancy and the general practitioner: a vignette and lessons to learn. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2011, 53, 135-137.	0.2	0
45	Potentially increasing rates of hypertension in women of childbearing age and during pregnancy - be prepared!. <i>Cardiovascular Journal of Africa</i> , 2011, 22, 330-334.	0.2	10
46	Sexual activity during pregnancy: a questionnaire-based study. <i>The Southern African Journal of Epidemiology & Infection: Official Journal of the Sexually Transmitted Diseases, Infectious Diseases and Epidemiological Societies of Southern Africa</i> , 2011, 26, 33-35.	0.2	4
47	Male Circumcision as a Public Health Measure for the Prevention of HIV Transmission. <i>The Southern African Journal of Epidemiology & Infection: Official Journal of the Sexually Transmitted Diseases, Infectious Diseases and Epidemiological Societies of Southern Africa</i> , 2011, 26, 262-265.	0.2	3
48	Strengthening HIV services for pregnant women: an opportunity to reduce maternal mortality rates in Southern Africa/sub-Saharan Africa. <i>BJOG: an International Journal of Obstetrics and Gynaecology</i> , 2011, 118, 219-225.	1.1	36
49	Maternal deaths associated with hypertension in South Africa : lessons to learn from the Saving Mothers report, 2005-2007. <i>Cardiovascular Journal of Africa</i> , 2011, 22, 31-35.	0.2	29
50	Maternal deaths associated with eclampsia in South Africa: Lessons to learn from the confidential enquiries into maternal deaths, 2005 - 2007. <i>South African Medical Journal</i> , 2010, 100, 717.	0.2	14
51	Breech presentation at a district level hospital in South Africa. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2010, 52, 64-68.	0.2	2
52	Immune evaluation of HIV-infected and noninfected pre-eclamptics. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2010, 52, 159-160.	0.2	1
53	Sildenafil citrate improves fetal outcomes in pregnant, L-NAME treated, Sprague-Dawley rats. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2010, 149, 22-26.	0.5	59
54	Second-stage primary Caesarean deliveries: Are maternal complications increased?. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2009, 51, 328-331.	0.2	4

#	ARTICLE	IF	CITATIONS
55	An audit of PMTCT services at a regional hospital in South Africa. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2009, 51, 492-495.	0.2	6
56	Determinants of postpartum infectious complications among HIV uninfected and antiretroviral naïve-HIV infected women following vaginal delivery: A prospective cohort study. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2009, 145, 158-162.	0.5	8
57	Rising rates of Caesarean sections: an audit of Caesarean sections in a specialist private practice. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2009, 51, 254-258.	0.2	20
58	Prophylactic antibiotics for the prevention of postpartum infectious morbidity in women infected with human immunodeficiency virus: a randomized controlled trial. <i>American Journal of Obstetrics and Gynecology</i> , 2008, 198, 189.e1-189.e6.	0.7	26
59	Maternal deaths due to hypertensive disorders in pregnancy. <i>Best Practice and Research in Clinical Obstetrics and Gynaecology</i> , 2008, 22, 559-567.	1.4	41
60	Cardiac disease in pregnancy. <i>Cardiovascular Journal of Africa</i> , 2008, 19, 145-51.	0.2	21
61	Complications associated with caesarean delivery in a setting with high HIV prevalence rates. <i>European Journal of Obstetrics, Gynecology and Reproductive Biology</i> , 2007, 131, 138-145.	0.5	12
62	Maternal deaths due to hypertensive disorders in pregnancy: Saving Mothers report 2002-2004. <i>Cardiovascular Journal of Africa</i> , 2007, 18, 358-61.	0.2	20
63	HIV-associated maternal mortality—primary causes of death at King Edward VIII Hospital, Durban. <i>South African Medical Journal</i> , 2007, 97, 363-6.	0.2	20
64	Healthcare attendance patterns by pregnant women in Durban, South Africa. <i>South African Family Practice: Official Journal of the South African Academy of Family Practice/Primary Care</i> , 2006, 48, 17-17e.	0.2	13
65	Splenic rupture in pregnancy associated with domestic violence. <i>International Journal of Gynecology and Obstetrics</i> , 2006, 94, 52-53.	1.0	2
66	Emergency gynaecology. <i>Best Practice and Research in Clinical Obstetrics and Gynaecology</i> , 2006, 20, 729-750.	1.4	20
67	A Review of the Management of Eclampsia: Practical Issues. <i>Hypertension in Pregnancy</i> , 2006, 25, 47-62.	0.5	25
68	Management of human immunodeficiency virus infection in pregnancy. <i>Best Practice and Research in Clinical Obstetrics and Gynaecology</i> , 2005, 19, 169-183.	1.4	12
69	Atypical eclampsia. <i>Journal of Obstetrics and Gynaecology</i> , 2005, 25, 352-352.	0.4	4
70	Medical vs. surgical evacuation of first-trimester spontaneous abortion. <i>International Journal of Gynecology and Obstetrics</i> , 2005, 91, 21-26.	1.0	32
71	S-nitrosothiol and S-nitrosoalbumin levels in pre-eclampsia plasma. <i>Journal of Obstetrics and Gynaecology</i> , 2004, 24, 756-759.	0.4	2
72	Role of cerebral computerised tomography scans in eclampsia. <i>Journal of Obstetrics and Gynaecology</i> , 2004, 24, 778-779.	0.4	1

#	ARTICLE	IF	CITATIONS
73	In utero HIV infection in pregnancies complicated by tuberculosis in Durban, South Africa. Archives of Disease in Childhood: Fetal and Neonatal Edition, 2004, 89, F468-F469.	1.4	13
74	A randomized controlled trial comparing medical and expectant management of first trimester miscarriage. Human Reproduction, 2004, 19, 266-271.	0.4	124
75	Lymphocyte changes in pregnancy: a comparison of the human immunodeficiency virus infected and non-infected women. Journal of Obstetrics and Gynaecology, 2004, 24, 498-503.	0.4	5
76	Serum Cystatin C for Assessment of Glomerular Filtration Rate in Hypertensive Disorders of Pregnancy. Hypertension in Pregnancy, 2004, 23, 309-317.	0.5	9
77	Human immunodeficiency virus (HIV) infection and ovarian granulosa cell tumour in association with endocrine manifestations. Journal of Obstetrics and Gynaecology, 2004, 24, 185-186.	0.4	3
78	Imaging techniques to identify morbidly adherent placenta praevia: a prospective study. Journal of Obstetrics and Gynaecology, 2004, 24, 742-744.	0.4	24
79	Audit of severe acute morbidity in hypertensive pregnancies in a developing country. Journal of Obstetrics and Gynaecology, 2004, 24, 387-391.	0.4	22
80	Perinatal tuberculosis and HIV-1: considerations for resource-limited settings. Lancet Infectious Diseases, The, 2004, 4, 155-165.	4.6	76
81	Successful use of anti-retroviral therapy in combination with cytotoxic chemotherapy for persistent molar pregnancy: A case report. International Journal of Gynecological Cancer, 2003, 13, 246-248.	1.2	1
82	Absence of Factor V Leiden, thrombomodulin and prothrombin gene variants in Black South African women with pre-eclampsia and eclampsia. BJOG: an International Journal of Obstetrics and Gynaecology, 2003, 110, 327-328.	1.1	26
83	Vulval cytomegalovirus coexisting with herpes simplex virus in a patient with human immunodeficiency virus infection. BJOG: an International Journal of Obstetrics and Gynaecology, 2003, 110, 1123-1124.	1.1	4
84	Gestational trophoblastic syndrome and human immunodeficiency virus (HIV) infection: A retrospective analysis. International Journal of Gynecological Cancer, 2003, 13, 875-878.	1.2	8
85	Human immunodeficiency virus infection in gynaecology. Reviews in Gynaecological Practice, 2003, 3, 65-69.	0.1	0
86	Successful use of anti-retroviral therapy in combination with cytotoxic chemotherapy for persistent molar pregnancy: A case report. International Journal of Gynecological Cancer, 2003, 13, 246-248.	1.2	1
87	Domestic abuse—an antenatal survey at King Edward VIII Hospital, Durban. South African Medical Journal, 2003, 93, 455-7.	0.2	19
88	Unsafe abortions in a developing country: has liberalisation of laws on abortions made a difference?. African Journal of Reproductive Health, 2003, 7, 34-8.	1.1	3
89	Induction or caesarean section for preterm pre-eclampsia?. Journal of Obstetrics and Gynaecology, 2002, 22, 353-356.	0.4	25
90	Syphilis “ An Endemic Disease in Kwazulu, Natal: A Plea for Generalized Screening. Tropical Doctor, 2002, 32, 249-249.	0.2	0
