#	ARTICLE	IF	CITATIONS
1	Exploring the acceptability of a WHO school-based mental health program in Egypt: A qualitative study. <i>SSM Mental Health</i> , 2022, 2, 100075.	1.8	0
2	Compliance to playpen usages to enhance parental supervision of under-five children in rural community of Bangladesh. <i>PLoS ONE</i> , 2022, 17, e0264902.	2.5	1
3	An investigation of the relationship between the performance and management practices of health facilities under a performance-based financing scheme in Nigeria. <i>Health Policy and Planning</i> , 2022, 37, 836-848.	2.7	2
4	Facilitators and barriers of infectious diseases surveillance activities: lessons from the Global Polio Eradication Initiative - a mixed-methods study. <i>BMJ Open</i> , 2022, 12, e060885.	1.9	2
5	Does Long-Term Enrollment in Day-Care Maintain or Increase Early Developmental Gains? Findings from an Intervention Study in Rural Bangladesh. <i>Children</i> , 2022, 9, 929.	1.5	1
6	How service delivery implementation strategies can contribute to attaining universal health coverage: lessons from polio eradication using an implementation science approach. <i>BMC Public Health</i> , 2022, 22, .	2.9	2
7	Impact and effect mechanisms of mass campaigns in resource-constrained health systems: quasi-experimental evidence from polio eradication in Nigeria. <i>BMJ Global Health</i> , 2021, 6, e004248.	4.7	4
8	The effects of polio eradication efforts on health systems: a cross-country analysis using the Developâ€œDistort Dilemma. <i>Health Policy and Planning</i> , 2021, 36, 707-719.	2.7	6
9	Developing a systematic approach for Population-based Injury Severity Assessment (PISA): a million-person survey in rural Bangladesh. <i>BMJ Open</i> , 2021, 11, e042572.	1.9	1
10	Addressing the Consequences of the COVID-19 Lockdown for Childrenâ€™s Mental Health: Investing in School Mental Health Programs. <i>Psychiatric Services</i> , 2021, 72, 729-731.	2.0	22
11	30 years of polio campaigns in Ethiopia, India and Nigeria: the impacts of campaign design on vaccine hesitancy and health worker motivation. <i>BMJ Global Health</i> , 2021, 6, e006002.	4.7	8
12	A mixed methods study to develop a tool to assess institutional readiness to conduct knowledge translation activities in low-income and middle-income countries. <i>BMJ Open</i> , 2021, 11, e050049.	1.9	1
13	Cost-effectiveness analysis of a large-scale crÃ“che intervention to prevent child drowning in rural Bangladesh. <i>Injury Epidemiology</i> , 2021, 8, 61.	1.8	1
14	Measuring the resilience of health systems in low- and middle-income countries: a focus on community resilience. <i>Health Research Policy and Systems</i> , 2020, 18, 81.	2.8	25
15	Sampling method for surveying complex and multi-institutional partnerships: lessons from the Global Polio Eradication Initiative. <i>BMC Public Health</i> , 2020, 20, 1197.	2.9	10
16	Synthesis and translation of research and innovations from polio eradication (STRIPE): initial findings from a global mixed methods study. <i>BMC Public Health</i> , 2020, 20, 1176.	2.9	24
17	Predictors of non-fatal violence or assault among adolescents in rural Bangladesh: cross-sectional study. <i>BMJ Paediatrics Open</i> , 2020, 4, e000676.	1.4	0
18	What can over 30â€™s years of efforts to eradicate polio teach us about global health?. <i>BMC Public Health</i> , 2020, 20, 1177.	2.9	5

#	ARTICLE	IF	CITATIONS
19	Lessons learned from the polio eradication initiative in the Democratic Republic of Congo and Ethiopia: analysis of implementation barriers and strategies. BMC Public Health, 2020, 20, 1807.	2.9	17
20	Large-scale evaluation of interventions designed to reduce childhood Drownings in rural Bangladesh: a before and after cohort study. Injury Epidemiology, 2020, 7, 17.	1.8	15
21	Measuring management practices in primary health care facilities – development and validation of management practices scorecard in Nigeria. Global Health Action, 2020, 13, 1763078.	1.9	13
22	Identifying pathways for large-scale implementation of a school-based mental health programme in the Eastern Mediterranean Region: a theory-driven approach. Health Policy and Planning, 2020, 35, ii112-ii123.	2.7	7
23	A multi-pronged scoping review approach to understanding the evolving implementation of the Smallpox and Polio eradication programs: what can other Global Health initiatives learn?. BMC Public Health, 2020, 20, 1698.	2.9	5
24	Understanding the role of community resilience in addressing the Ebola virus disease epidemic in Liberia: a qualitative study (community resilience in Liberia). Global Health Action, 2019, 12, 1662682.	1.9	64
25	How is implementation research applied to advance health in low-income and middle-income countries?. BMJ Global Health, 2019, 4, e001257.	4.7	86
26	Animal-related injuries and fatalities: evidence from a large-scale population-based cross-sectional survey in rural Bangladesh. BMJ Open, 2019, 9, e030039.	1.9	9
27	Developing a framework of core competencies in implementation research for low/middle-income countries. BMJ Global Health, 2019, 4, e001747.	4.7	21
28	A systematic approach to injury policy assessment: introducing the assessment of child injury prevention policies (A-CHIPP). Injury Prevention, 2019, 25, 199-205.	2.4	6
29	PW 1671 – A systematic approach to injury policy assessment: introducing the assessment of child injury prevention policies (A-CHIPP). , 2018, , .		0
30	PW 2226 – Sustaining community centres in rural bangladesh: a case study. , 2018, , .		0
31	PW 1608 – The burden of suicide in rural bangladesh: magnitude and risk factors. , 2018, , .		0
32	PW 2397 – Child drowning prevention in a low- and middle-income setting: lessons from bangladesh. , 2018, , .		0
33	PW 2470 – Effectiveness of childhood drowning prevention interventions: evidence review. , 2018, , .		0
34	Child injuries in Ethiopia: A review of the current situation with projections. PLoS ONE, 2018, 13, e0194692.	2.5	15
35	PA 08-2-1720 – Caregiver supervision practices and risk of childhood unintentional injury mortality in bangladesh. , 2018, , .		0
36	PW 1703 – Fatal and non-fatal injury outcomes: results from a purposively sampled census of seven rural sub-districts in bangladesh. , 2018, , .		0

#	ARTICLE	IF	CITATIONS
37	Primary health care workers' views of motivating factors at individual, community and organizational levels: a qualitative study from Nasarawa and Ondo states, Nigeria. International Journal of Health Planning and Management, 2017, 32, 217-233.	1.7	26
38	Drowning among the lakeside fishing communities in Uganda: results of a community survey. International Journal of Injury Control and Safety Promotion, 2017, 24, 363-370.	2.0	24
39	Fatal and non-fatal injury outcomes: results from a purposively sampled census of seven rural subdistricts in Bangladesh. The Lancet Global Health, 2017, 5, e818-e827.	6.3	58
40	Shifting disease burden in low and middle-income countries: a 14-year survival analysis of childhood mortality in Bangladesh. Journal of Epidemiology and Community Health, 2017, 71, 882-888.	3.7	4
41	Improving health systems performance in low- and middle-income countries: a system dynamics model of the pay-for-performance initiative in Afghanistan. Health Policy and Planning, 2017, 32, 1417-1426.	2.7	18
42	Epidemiology of Burns in Rural Bangladesh: An Update. International Journal of Environmental Research and Public Health, 2017, 14, 381.	2.6	36
43	Care-Seeking Patterns and Direct Economic Burden of Injuries in Bangladesh. International Journal of Environmental Research and Public Health, 2017, 14, 472.	2.6	7
44	Epidemiology of Drowning in Bangladesh: An Update. International Journal of Environmental Research and Public Health, 2017, 14, 488.	2.6	42
45	Caregiver Supervision Practices and Risk of Childhood Unintentional Injury Mortality in Bangladesh. International Journal of Environmental Research and Public Health, 2017, 14, 515.	2.6	18
46	Impact of First Aid on Treatment Outcomes for Non-Fatal Injuries in Rural Bangladesh: Findings from an Injury and Demographic Census. International Journal of Environmental Research and Public Health, 2017, 14, 762.	2.6	14
47	Epidemiology of Fall Injury in Rural Bangladesh. International Journal of Environmental Research and Public Health, 2017, 14, 900.	2.6	19
48	The Burden of Suicide in Rural Bangladesh: Magnitude and Risk Factors. International Journal of Environmental Research and Public Health, 2017, 14, 1032.	2.6	40
49	Developmental Assessments during Injury Research: Is Enrollment of Very Young Children in CrÃches Associated with Better Scores?. International Journal of Environmental Research and Public Health, 2017, 14, 1130.	2.6	7
50	10 Best resources for community engagement in implementation research. Health Policy and Planning, 2017, 32, 1457-1465.	2.7	35
51	Pattern of Road Traffic Injuries in Rural Bangladesh: Burden Estimates and Risk Factors. International Journal of Environmental Research and Public Health, 2017, 14, 1354.	2.6	26
52	166â€¦Epidemiology of burns in rural Bangladesh: an update. Injury Prevention, 2016, 22, A61.1-A61.	2.4	0
53	736â€¦Epidemiology of fall injury in rural Bangladesh. Injury Prevention, 2016, 22, A264.2-A264.	2.4	1
54	Children and road traffic injuries: can't the world do better?. Archives of Disease in Childhood, 2016, 101, 1063-1070.	1.9	31
