#	Paper	IF	Citations
104	Professionalism in Family Planning Care Workshop.. <i>MedEdPORTAL: the Journal of Teaching and Learning Resources</i> , 2022 , 18, 11212	1.2	0
103	Residents' Experiences of Negative Emotions toward Patients: Challenges to their Identities. <i>Teaching and Learning in Medicine</i> , 2021 , 1-9	3.4	
102	Twenty Years of the Ryan Residency Training Program in Abortion and Family Planning. <i>Contraception</i> , 2021 , 103, 305-309	2.5	2
101	Management of Obesity During Pregnancy and Periconception: Case-Based Learning for OB/GYN Clerkships. <i>MedEdPORTAL: the Journal of Teaching and Learning Resources</i> , 2021 , 17, 11129	1.2	
100	Abortion Training in the USA 2021 , 101-109		
99	Integrating Sexual and Reproductive Health-Care Training into Family Medicine 2021 , 151-161		
98	The Role of Students in Advocating for Training in Sexual and Reproductive Health Care 2021 , 211-220		
97	Family Planning Training at Catholic and Other Faith-Based Hospitals 2021 , 136-142		
96	The History of Integrated Training in Abortion and Contraception for Obstetrician-Gynecologists in the USA 2021 , 32-47		
95	Impact of Integrated Family Planning Training 2021 , 83-93		
94	The Benefits of and Strategies for Supporting Residents' Partial Participation in Abortion Training 2021 , 229-239		
93	Starting and Optimizing an Academic Abortion Service 2021 , 110-122		
92	Conscientious Provision and Objection in Medical Training in the Context of the Abortion Controversy 2021 , 94-100		
91	A Systems Approach to Medical Education 2021 , 7-20		
90	Building Evidence through Research 2021 , 74-82		
89	Greasing the wheels: The impact of COVID-19 on US physician attitudes and practices regarding medication abortion. <i>Contraception</i> , 2021 , 104, 289-295	2.5	1
88	Influence of a values clarification workshop on residents training at Catholic Hospital programs. <i>Contraception: X</i> , 2021 , 3, 100054	1.9	2

87	Breaking the silence in the primary care office: patients' attitudes toward discussing abortion during contraceptive counseling. <i>Contraception: X</i> , 2020 , 2, 100029	1.9	1
86	Family planning training at Catholic and other religious hospitals: a national survey. <i>American Journal of Obstetrics and Gynecology</i> , 2020 , 222, 273.e1-273.e9	6.4	11
85	Patient-provider communication before and after implementation of the contraceptive decision support tool My Birth Control. <i>Patient Education and Counseling</i> , 2020 , 103, 315-320	3.1	5
84	Contraceptive use among women with medical conditions: Factors that influence method choice. <i>Seminars in Perinatology</i> , 2020 , 44, 151310	3.3	
83	Racial diversity in abortion education and intention to provide abortion in postresidency practice: data from the Ryan Program. <i>American Journal of Obstetrics and Gynecology</i> , 2020 , 222, 271.e1-271.e8	6.4	1
82	A mixed-methods study of provider perspectives on My Birth Control: a contraceptive decision support tool designed to facilitate shared decision making. <i>Contraception</i> , 2019 , 100, 420-423	2.5	7
81	Sources of support for and resistance to abortion training in obstetrics and gynecology residency programs. <i>American Journal of Obstetrics and Gynecology</i> , 2019 , 221, 156.e1-156.e6	6.4	13
80	Characterizations of motivation and identity in medical students' reflections about challenging patient interactions. <i>Medical Teacher</i> , 2019 , 41, 1178-1183	3	3
79	Disseminated Intravascular Coagulation and Hemorrhage After Dilatation and Evacuation Abortion for Fetal Death. <i>Obstetrics and Gynecology</i> , 2019 , 134, 708-713	4.9	3
78	What Do Medical Students Do and Want When Caring for "Difficult Patients"?. <i>Teaching and Learning in Medicine</i> , 2019 , 31, 238-249	3.4	2
77	The effect of immediate postpartum levonorgestrel contraceptive implant use on breastfeeding and infant growth: a randomized controlled trial. <i>Contraception</i> , 2019 , 99, 87-93	2.5	5
76	Abortion training in US obstetrics and gynecology residency programs. <i>American Journal of Obstetrics and Gynecology</i> , 2018 , 219, 86.e1-86.e6	6.4	31
75	Ensuring our research reflects our values: The role of family planning research in advancing reproductive autonomy. <i>Contraception</i> , 2018 , 98, 4-7	2.5	20
74	Development of a patient-reported measure of the interpersonal quality of family planning care. <i>Contraception</i> , 2018 , 97, 34-40	2.5	23
73	What Makes "Difficult Patients" Difficult for Medical Students?. <i>Academic Medicine</i> , 2018 , 93, 1359-1366	3.9	13
72	Proposed changes to the Title X Family Planning Program. <i>Lancet, The</i> , 2018 , 392, e6	4.0	3
71	Promoting medical student self-awareness through a challenging patient workshop. <i>Medical Education</i> , 2018 , 52, 1193-1194	3.7	
70	Decision satisfaction among women choosing a method of pregnancy termination in the setting of fetal anomalies and other pregnancy complications: A qualitative study. <i>Patient Education and Counseling</i> , 2018 , 101, 1859-1864	3.1	13

69	Shared decision making in contraceptive counseling. <i>Contraception</i> , 2017 , 95, 452-455	2.5	92
68	Development and field testing of a decision support tool to facilitate shared decision making in contraceptive counseling. <i>Patient Education and Counseling</i> , 2017 , 100, 1374-1381	3.1	40
67	Racial/Ethnic Differences in Young Women's Health-Promoting Strategies to Reduce Vulnerability to Sexually Transmitted Infections. <i>Journal of Adolescent Health</i> , 2017 , 60, 556-562	5.8	10
66	Exploring How Residents Who Partially Participate in Family Planning Training Determine Their Level of Participation. <i>Womens Health Issues</i> , 2017 , 27, 614-619	2.6	1
65	Immediate versus delayed postpartum use of levonorgestrel contraceptive implants: a randomized controlled trial in Uganda. <i>American Journal of Obstetrics and Gynecology</i> , 2017 , 217, 568.e1-568.e7	6.4	10
64	Quality and Content of Patient-Provider Communication About Contraception: Differences by Race/Ethnicity and Socioeconomic Status. <i>Womens Health Issues</i> , 2017 , 27, 530-538	2.6	26
63	Institutional Religious Policies That Follow Obstetricians and Gynecologists Into Practice. <i>Journal of Graduate Medical Education</i> , 2017 , 9, 447-450	1.6	3
62	What Women Want from Their Health Care Providers about Pregnancy Options Counseling: A Qualitative Study. <i>Womens Health Issues</i> , 2017 , 27, 715-720	2.6	15
61	Provider self-disclosure during contraceptive counseling. <i>Contraception</i> , 2017 , 95, 161-166	2.5	4
60	Association of the quality of interpersonal care during family planning counseling with contraceptive use. <i>American Journal of Obstetrics and Gynecology</i> , 2016 , 215, 78.e1-9	6.4	101
59	Applying to subspecialty fellowship: clarifying the confusion and conflicts!. <i>American Journal of Obstetrics and Gynecology</i> , 2016 , 214, 243-246	6.4	9
58	Influence of clinician referral on Nebraska women's decision-to-abortion time. <i>Contraception</i> , 2016 , 93, 236-43	2.5	18
57	Reproductive and gynecologic health after uterine artery embolization for postabortion hemorrhage. <i>International Journal of Gynecology and Obstetrics</i> , 2015 , 129, 85-6	4	
56	Grief after second-trimester termination for fetal anomaly: a qualitative study. <i>Contraception</i> , 2015 , 91, 234-9	2.5	39
55	Choice of the levonorgestrel intrauterine device, etonogestrel implant or depot medroxyprogesterone acetate for contraception after aspiration abortion. <i>Contraception</i> , 2015 , 92, 553-9 ⁵	2.5	14
54	A qualitative analysis of approaches to contraceptive counseling. <i>Perspectives on Sexual and Reproductive Health</i> , 2014 , 46, 233-40	3.7	49
53	Buccal misoprostol plus laminaria for cervical preparation before dilation and evacuation at 21-23 weeks of gestation: a randomized controlled trial. <i>Contraception</i> , 2014 , 89, 307-13	2.5	24
52	Immediate versus delayed initiation of the contraceptive patch after abortion: a randomized trial. <i>Contraception</i> , 2014 , 89, 42-7	2.5	9

51	Women's social communication about IUDs: a qualitative analysis. <i>Perspectives on Sexual and Reproductive Health</i> , 2014 , 46, 141-8	3.7	39
50	Counseling about IUDs: a mixed-methods analysis. <i>Perspectives on Sexual and Reproductive Health</i> , 2014 , 46, 133-40	3.7	16
49	A qualitative assessment of Ugandan women's perceptions and knowledge of contraception. <i>International Journal of Gynecology and Obstetrics</i> , 2014 , 124, 30-3	4	24
48	Impact of partial participation in integrated family planning training on medical knowledge, patient communication and professionalism. <i>Contraception</i> , 2014 , 89, 278-85	2.5	15
47	Availability and characteristics of abortion training in US ob-gyn residency programs: a national survey. <i>Contraception</i> , 2014 , 89, 271-7	2.5	21
46	Dilation and evacuation training in maternal-fetal medicine fellowships. <i>American Journal of Obstetrics and Gynecology</i> , 2014 , 210, 569.e1-5	6.4	6
45	Caring for Challenging Patients Workshop. <i>MedEdPORTAL: the Journal of Teaching and Learning Resources</i> , 2014 , 10,	1.2	5
44	Women's questions after postabortion insertion of intrauterine contraception. <i>Contraception</i> , 2013 , 88, 396-400	2.5	4
43	Management of postabortion hemorrhage: release date November 2012 SFP Guideline #20131. <i>Contraception</i> , 2013 , 87, 331-42	2.5	59
42	Women's preferences for contraceptive counseling and decision making. <i>Contraception</i> , 2013 , 88, 250-6	2.5	170
41	The benefits of family planning training: a 10-year review of the Ryan Residency Training Program. <i>Contraception</i> , 2013 , 88, 275-80	2.5	29
40	Barriers to D&E practice among family planning subspecialists. <i>Contraception</i> , 2013 , 88, 561-7	2.5	9
39	Opting out of abortion training: benefits of partial participation in a dedicated family planning rotation for ob-gyn residents. <i>Contraception</i> , 2013 , 87, 88-92	2.5	15
38	Psychological distress and post-abortion contraceptive method effectiveness level chosen at an urban clinic. <i>Contraception</i> , 2013 , 88, 717-24	2.5	24
37	The Papaya Workshop: Using the Papaya to Teach Intrauterine Gynecologic Procedures. <i>MedEdPORTAL: the Journal of Teaching and Learning Resources</i> , 2013 , 9,	1.2	2
36	Women's decision making regarding choice of second trimester termination method for pregnancy complications. <i>International Journal of Gynecology and Obstetrics</i> , 2012 , 116, 244-8	4	47
35	Characteristics of women who undergo second-trimester abortion in the setting of a fetal anomaly. <i>Contraception</i> , 2012 , 85, 63-8	2.5	10
34	Effect of shared contraceptive experiences on IUD use at an urban abortion clinic. <i>Contraception</i> , 2012 , 85, 198-203	2.5	18

33	Multi-specialty family planning training: collaborating to meet the needs of women. <i>Contraception</i> , 2012 , 86, 188-90	2.5	3
32	Maternal-fetal medicine subspecialists' provision of second-trimester termination services. <i>American Journal of Perinatology</i> , 2012 , 29, 709-16	3.3	13
31	Neisseria gonorrhoea and Chlamydia trachomatis screening at intrauterine device insertion and pelvic inflammatory disease. <i>Obstetrics and Gynecology</i> , 2012 , 120, 1314-21	4.9	64
30	Racial and ethnic disparities in contraceptive method choice in California. <i>Perspectives on Sexual and Reproductive Health</i> , 2011 , 43, 173-80	3.7	32
29	A study of physician recommendations for reversible contraceptive methods using standardized patients. <i>Perspectives on Sexual and Reproductive Health</i> , 2011 , 43, 224-9	3.7	13
28	Health care providers' knowledge about contraceptive evidence: a barrier to quality family planning care?. <i>Contraception</i> , 2010 , 81, 292-8	2.5	108
27	Future abortion provision among US graduating obstetrics and gynecology residents, 2004. <i>Contraception</i> , 2010 , 81, 531-6	2.5	20
26	Obstetrician-gynecologist experiences with abortion training: physician insights from a qualitative study. <i>Contraception</i> , 2010 , 81, 525-30	2.5	16
25	The effect of patient gynecologic history on clinician contraceptive counseling. <i>Contraception</i> , 2010 , 82, 281-5	2.5	16
24	Effect of prior cesarean delivery on risk of second-trimester surgical abortion complications. <i>Obstetrics and Gynecology</i> , 2010 , 115, 760-764	4.9	34
23	Obstacles to the integration of abortion into obstetrics and gynecology practice. <i>Perspectives on Sexual and Reproductive Health</i> , 2010 , 42, 146-51	3.7	51
22	Disparities in family planning. <i>American Journal of Obstetrics and Gynecology</i> , 2010 , 202, 214-20	6.4	237
21	Recommendations for intrauterine contraception: a randomized trial of the effects of patients' race/ethnicity and socioeconomic status. <i>American Journal of Obstetrics and Gynecology</i> , 2010 , 203, 319.e1-8	6.4	127
20	Preferences for decision-making about contraception and general health care among reproductive age women at an abortion clinic. <i>Patient Education and Counseling</i> , 2010 , 81, 343-8	3.1	57
19	Insertion of intrauterine contraceptives immediately following first- and second-trimester abortions. <i>Contraception</i> , 2009 , 79, 397-402	2.5	40
18	First impressions: what are preclinical medical students in the US and Canada learning about sexual and reproductive health?. <i>Contraception</i> , 2009 , 80, 74-80	2.5	47
17	Complications of surgical abortion. <i>Clinical Obstetrics and Gynecology</i> , 2009 , 52, 205-12	1.7	27
16	Medical Students for Choice's Reproductive Health Externships: impact on medical students' knowledge, attitudes and intention to provide abortions. <i>Contraception</i> , 2008 , 78, 31-5	2.5	20

15	Measuring the effects of unintended pregnancy on women's quality of life. <i>Contraception</i> , 2008 , 78, 204-19	4.9	42
14	Uterine artery embolization in postabortion hemorrhage. <i>Obstetrics and Gynecology</i> , 2008 , 111, 881-9	4.9	39
13	Predictors of abortion provision among practicing obstetrician-gynecologists: a national survey. <i>American Journal of Obstetrics and Gynecology</i> , 2008 , 198, 39.e1-6	6.4	54
12	Training medical students in intrauterine procedures using papayas. <i>Medical Education</i> , 2007 , 41, 1099-109	4.9	10
11	Risk factors for repeat elective abortion. <i>American Journal of Obstetrics and Gynecology</i> , 2007 , 197, 575.e1-6	4.9	53
10	Impact of formal family planning residency training on clinical competence in uterine evacuation techniques. <i>Contraception</i> , 2007 , 76, 372-6	2.5	11
9	Abortion training in United States obstetrics and gynecology residency programs. <i>Obstetrics and Gynecology</i> , 2006 , 108, 303-8	4.9	60
8	Abortion training in Canadian obstetrics and gynecology residency programs. <i>Obstetrics and Gynecology</i> , 2006 , 108, 309-14	4.9	17
7	Postmenopausal hormone therapy: does it cause incontinence?. <i>Obstetrics and Gynecology</i> , 2005 , 106, 940-5	4.9	61
6	Obstetrics and gynecology resident satisfaction with an integrated, comprehensive abortion rotation. <i>Obstetrics and Gynecology</i> , 2005 , 105, 1335-40	4.9	7
5	Systematic review of mifepristone for the treatment of uterine leiomyomata. <i>Obstetrics and Gynecology</i> , 2004 , 103, 1331-6	4.9	122
4	MSJAMA. Educational and legislative initiatives affecting residency training in abortion. <i>JAMA - Journal of the American Medical Association</i> , 2003 , 290, 1777-8	27.4	10
3	The effect of training on the provision of elective abortion: a survey of five residency programs. <i>American Journal of Obstetrics and Gynecology</i> , 2003 , 188, 1161-3	6.4	36
2	How Available Is Abortion Training?. <i>Family Planning Perspectives</i> , 2001 , 33, 88		4
1	Training Family Practice Residents in Abortion and Other Reproductive Health Care: A Nationwide Survey. <i>Family Planning Perspectives</i> , 1997 , 29, 222		29
