#	ARTICLE	IF	CITATIONS
1	Interventions to prevent child maltreatment and associated impairment. Lancet, The, 2009, 373, 250-266.	13.7	522
2	A systematic review of universal approaches to mental health promotion in schools. Health Education, 2003, 103, 197-220.	0.9	299
3	The clinical effectiveness of different parenting programmes for children with conduct problems: a systematic review of randomised controlled trials. Child and Adolescent Psychiatry and Mental Health, 2009, 3, 7.	2.5	265
4	Do Evidence-Based Interventions Work When Tested in the ‘Real World’? A Systematic Review and Meta-analysis of Parent Management Training for the Treatment of Child Disruptive Behavior. Clinical Child and Family Psychology Review, 2013, 16, 18-34.	4.5	228
5	Forgiveness Therapy for the Promotion of Mental Well-Being: A Systematic Review and Meta-Analysis. Trauma, Violence, and Abuse, 2018, 19, 107-122.	6.2	174
6	Behavior Problems and Group-Based Parent Education Programs. Journal of Developmental and Behavioral Pediatrics, 2000, 21, 356-370.	1.1	161
7	Psychological Maltreatment. Pediatrics, 2012, 130, 372-378.	2.1	137
8	Role of home visiting in improving parenting and health in families at risk of abuse and neglect: results of a multicentre randomised controlled trial and economic evaluation. Archives of Disease in Childhood, 2007, 92, 229-233.	1.9	127
9	Parenting programmes: a systematic review and synthesis of qualitative research. Child: Care, Health and Development, 2007, 33, 784-793.	1.7	123
10	Group-based parent-training programmes for improving emotional and behavioural adjustment in children from birth to three years old. , 2010, , CD003680.		123
11	Group-based parent training programmes for improving parental psychosocial health. , 2012, , CD002020.		121
12	Group-based parent training programmes for improving emotional and behavioural adjustment in young children. The Cochrane Library, 2016, , CD003680.	2.8	109
13	Improving mental health through parenting programmes: block randomised controlled trial. Archives of Disease in Childhood, 2002, 87, 472-477.	1.9	99
14	The Effectiveness of Parenting Programs. Research on Social Work Practice, 2018, 28, 99-102.	1.9	95
15	Group-based parent training programmes for improving parental psychosocial health. The Cochrane Library, 2014, 2014, CD002020.	2.8	91
16	Parent-training programmes for improving maternal psychosocial health. , 2003, , CD002020.		82
17	Meta-analysis of the effectiveness of parenting programmes in improving maternal psychosocial health. British Journal of General Practice, 2002, 52, 223-33.	1.4	82
18	The effectiveness of individual and group-based parenting programmes in improving outcomes for teenage mothers and their children: a systematic review. Journal of Adolescence, 2003, 26, 79-103.	2.4	73

#	ARTICLE	IF	CITATIONS
19	Hard-to-reach or out-of-reach? Reasons why women refuse to take part in early interventions. <i>Children and Society</i> , 2005, 19, 199-210.	1.7	71
20	Individual and group based parenting programmes for improving psychosocial outcomes for teenage parents and their children. <i>The Cochrane Library</i> , 2011, , CD002964.	2.8	71
21	A systematic review of reviews of interventions to promote mental health and prevent mental health problems in children and young people. <i>Journal of Public Mental Health</i> , 2007, 6, 25-32.	1.1	67
22	Individual and group-based parenting programmes for the treatment of physical child abuse and neglect. <i>The Cochrane Library</i> , 2006, , CD005463.	2.8	63
23	Parent-infant psychotherapy for improving parental and infant mental health. <i>The Cochrane Library</i> , 2015, 2015, CD010534.	2.8	61
24	Group-based parent-training programmes for improving emotional and behavioural adjustment in 0-3 year old children. , 2003, , CD003680.		55
25	Health-related Interventions in the Early Years to Enhance Infant and Maternal Mental Health: A Review of Reviews. <i>Child and Adolescent Mental Health</i> , 2010, 15, 178-185.	3.5	49
26	Massage intervention for promoting mental and physical health in infants aged under six months. , 2006, , CD005038.		47
27	Working in partnership: user perceptions of intensive home visiting. <i>Child Abuse Review</i> , 2007, 16, 32-46.	0.8	38
28	Economic evaluation of an intensive home visiting programme for vulnerable families: a cost-effectiveness analysis of a public health intervention. <i>Journal of Public Health</i> , 2009, 31, 423-433.	1.8	37
29	Massage for promoting mental and physical health in typically developing infants under the age of six months. <i>The Cochrane Library</i> , 2013, , CD005038.	2.8	37
30	Understanding the Relationship Between State Forgiveness and Psychological Wellbeing: A Qualitative Study. <i>Journal of Religion and Health</i> , 2017, 56, 450-463.	1.7	37
31	Overdose among mothers: The association between child removal and unintentional drug overdose in a longitudinal cohort of marginalised women in Canada. <i>International Journal of Drug Policy</i> , 2021, 91, 102977.	3.3	37
32	Systematic review of instruments designed to predict child maltreatment during the antenatal and postnatal periods. <i>Child Abuse Review</i> , 2003, 12, 416-439.	0.8	35
33	Parenting programmes: some unintended consequences. <i>Primary Health Care Research and Development</i> , 2004, 5, 219-227.	1.2	34
34	Global estimates of violence against children with disabilities: an updated systematic review and meta-analysis. <i>The Lancet Child and Adolescent Health</i> , 2022, 6, 313-323.	5.6	34
35	A randomized controlled trial and economic evaluation of the Parents Under Pressure program for parents in substance abuse treatment. <i>Drug and Alcohol Dependence</i> , 2019, 194, 184-194.	3.2	32
36	Enhancing parental reflective functioning through early dyadic interventions: A systematic review and meta-analysis. <i>Infant Mental Health Journal</i> , 2021, 42, 21-34.	1.8	32

#	ARTICLE	IF	CITATIONS
37	Parenting interventions for the prevention of unintentional injuries in childhood. , 2007, , CD006020.		31
38	Tactile stimulation in physically healthy infants: results of a systematic review. Journal of Reproductive and Infant Psychology, 2010, 28, 11-29.	1.8	30
39	A Public Health Approach to Safeguarding in the 21 st Century. Child Abuse Review, 2011, 20, 238-255.	0.8	29
40	Interventions to prevent or ameliorate child physical abuse and neglect: findings from a systematic review of reviews. Journal of Children's Services, 2006, 1, 6-28.	0.7	28
41	Review: Attachment and attachment-related outcomes in preschool children – a review of recent evidence. Child and Adolescent Mental Health, 2016, 21, 11-20.	3.5	27
42	Parent-infant psychotherapy: a systematic review of the evidence for improving parental and infant mental health. Journal of Reproductive and Infant Psychology, 2016, 34, 464-482.	1.8	26
43	Quality of Caregiving in Mothers With Illicit Substance Use: A Systematic Review and Meta-analysis. Substance Abuse: Research and Treatment, 2017, 11, 117822181769403.	0.9	26
44	Working in partnership: the development of a home visiting service for vulnerable families. Child Abuse Review, 2003, 12, 172-189.	0.8	25
45	Individual and group-based parenting programmes for improving psychosocial outcomes for teenage parents and their children. , 2001, , CD002964.		24
46	Group-based parent training programmes for improving parental psychosocial health. Campbell Systematic Reviews, 2012, 8, 1-197.	3.0	24
47	The Neonatal Behavioral Assessment Scale (NBAS) and Newborn Behavioral Observations (NBO) system for supporting caregivers and improving outcomes in caregivers and their infants. The Cochrane Library, 2018, 2018, CD011754.	2.8	24
48	Video feedback for parental sensitivity and attachment security in children under five years. The Cochrane Library, 2019, 2019, CD012348.	2.8	24
49	How does video interaction guidance contribute to infant and parental mental health and well-being?. Clinical Child Psychology and Psychiatry, 2017, 22, 500-517.	1.6	23
50	Mums 4 Mums: structured telephone peer-support for women experiencing postnatal depression. Pilot and exploratory RCT of its clinical and cost effectiveness. Trials, 2011, 12, 88.	1.6	21
51	An evaluation of the parents under pressure programme: a study protocol for an RCT into its clinical and cost effectiveness. Trials, 2013, 14, 210.	1.6	21
52	Pilot RCT of the use of video interactive guidance with preterm babies. Journal of Reproductive and Infant Psychology, 2016, 34, 511-524.	1.8	21
53	Giving birth in a pandemic: women's birth experiences in England during COVID-19. BMC Pregnancy and Childbirth, 2022, 22, 304.	2.4	19
54	Randomized controlled trial and economic evaluation of nurse-led group support for young mothers during pregnancy and the first year postpartum versus usual care. Trials, 2017, 18, 508.	1.6	17

#	ARTICLE	IF	CITATIONS
55	Individual and Group Based Parenting for Improving Psychosocial Outcomes for Teenage Parents and Their Children. Campbell Systematic Reviews, 2011, 7, 1-77.	3.0	16
56	Assessing Capacity to Change in High-Risk Pregnant Women: A Pilot Study. Child Abuse Review, 2018, 27, 72-84.	0.8	15
57	Promoting the social and emotional health of children: where to now?. Perspectives in Public Health, 2005, 125, 64-70.	0.4	14
58	First steps: study protocol for a randomized controlled trial of the effectiveness of the Group Family Nurse Partnership (gFNP) program compared to routine care in improving outcomes for high-risk mothers and their children and preventing abuse. Trials, 2013, 14, 285.	1.6	14
59	Effectiveness of child protection practice models: a systematic review. Child Abuse and Neglect, 2020, 108, 104632.	2.6	14
60	A Longitudinal Study of Emotional and Behavioral Problems among Malaysian School Children. Annals of Global Health, 2019, 85, .	2.0	14
61	Psychological adversity in pregnancy: what works to improve outcomes?. Journal of Children's Services, 2014, 9, 96-108.	0.7	13
62	A Scoping Review of Interventions Designed to Support Parents With Mental Illness That Would Be Appropriate for Parents With Psychosis. Frontiers in Psychiatry, 2021, 12, 787166.	2.6	13
63	Child abuse and neglect. Lancet, The, 2005, 365, 1750-1752.	13.7	12
64	Outsourced austerity or improved services? A systematic review and thematic synthesis of the experiences of social care providers and commissioners in quasi-markets. Social Science and Medicine, 2021, 276, 113844.	3.8	12
65	A REALIST EVALUATION OF THE PROCESSES AND OUTCOMES OF INFANT MASSAGE PROGRAMS. Infant Mental Health Journal, 2013, 34, 483-495.	1.8	10
66	An Evidence-Based, Pre-Birth Assessment Pathway for Vulnerable Pregnant Women. British Journal of Social Work, 2016, 46, 960-973.	1.4	10
67	Assessing Parental Capacity when there are Concerns about an Unborn Child: Pre-Birth Assessment Guidance and Practice in England. Child Abuse Review, 2018, 27, 97-107.	0.8	10
