|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------|
| 1 | Research on Contract Coordination in the Manufacturing Supply Chain Given China's Work Safety Constraints. Complexity, 2021, 2021, 1-17.                                                                                                                        | 0.9 | 3         |
| 2 | Driving Mechanism Model for the Supply Chain Work Safety Management Behavior of Core Enterprises—An Exploratory Research Based on Grounded Theory. Frontiers in Psychology, 2021, 12, 807370.                                                                   | 1.1 | 1         |
| 3 | Effects of organizational safety on employees' proactivity safety behaviors and occupational health and safety management systems in Chinese high-risk small-scale enterprises. International Journal of Occupational Safety and Ergonomics, 2020, 26, 101-111. | 1.1 | 18        |
| 4 | Dual-effects of core enterprise management and media attention on occupational health and safety of small and medium suppliers in China. Technology in Society, 2020, 63, 101419.                                                                               | 4.8 | 14        |
| 5 | Agent-Based Modeling of Employee Protection-Oriented Safety Proactivity Behaviors at Small Scale Enterprises. BioMed Research International, 2019, 2019, 1-14.                                                                                                  | 0.9 | 1         |
| 6 | Nonlinear analysis and chaos control of the complex dynamics of multi-market Cournot game with bounded rationality. Mathematics and Computers in Simulation, 2019, 162, 45-57.                                                                                  | 2.4 | 22        |
| 7 | Study on the Influence of Government Intervention on the Occupational Health and Safety (OHS) Services of Small- and Medium-Sized Enterprises (SMEs). BioMed Research International, 2018, 2018, 1-15.                                                          | 0.9 | 4         |
| 8 | Analysis of Managing Safety in Small Enterprises: Dual-Effects of Employee Prosocial Safety Behavior and Government Inspection. BioMed Research International, 2018, 2018, 1-12.                                                                                | 0.9 | 12        |
