#	ARTICLE	IF	CITATIONS
1	OUP accepted manuscript. Journal of the Pediatric Infectious Diseases Society, 2022, , .	0.6	0
2	Rapid streptococcal pharyngitis testing and antibiotic prescribing before and during the coronavirus disease 2019 (COVID-19) pandemic. Antimicrobial Stewardship & Healthcare Epidemiology, 2022, 2, .	0.2	3
3	Respiratory virus testing and clinical outcomes among children hospitalized with pneumonia. Journal of Hospital Medicine, 2022, 17, 693-701.	0.7	3
4	Association between antibiotic prescribing and visit duration among patients with respiratory tract infections. Infection Control and Hospital Epidemiology, 2021, , 1-4.	1.0	1
5	Short- Versus Prolonged-Duration Antibiotics for Outpatient Pneumonia in Children. Journal of Pediatrics, 2021, 234, 205-211.e1.	0.9	3
6	Factors Associated With Corticosteroid Treatment for Pediatric Acute Respiratory Tract Infections. Journal of the Pediatric Infectious Diseases Society, 2021, , .	0.6	0
7	National Trends in Incidence of Purulent Skin and Soft Tissue Infections in Patients Presenting to Ambulatory and Emergency Department Settings, 2000â€“2015. Clinical Infectious Diseases, 2020, 70, 2715-2718.	2.9	35
8	Ambulatory Antibiotic Prescribing for Children with Pneumonia After Publication of National Guidelines: A Cross-Sectional Retrospective Study. Infectious Diseases and Therapy, 2020, 9, 69-76.	1.8	10
9	Contribution of Penicillin Allergy Labels to Second-Line Broad-Spectrum Antibiotic Prescribing for Pediatric Respiratory Tract Infections. Infectious Diseases and Therapy, 2020, 9, 677-681.	1.8	7
10	Unnecessary Antibiotic Prescribing in US Ambulatory Care Settings, 2010â€“2015. Clinical Infectious Diseases, 2020, 72, 133-137.	2.9	27
11	Identifying Patients at Lowest Risk for Streptococcal Pharyngitis: A National Validation Study. Journal of Pediatrics, 2020, 220, 132-138.e2.	0.9	4
12	Association between use of diagnostic tests and antibiotic prescribing for pharyngitis in the United States. Infection Control and Hospital Epidemiology, 2020, 41, 479-481.	1.0	7
13	Antibiotic Prescriptions Associated With Dental-Related Emergency Department Visits. Annals of Emergency Medicine, 2019, 74, 45-49.	0.3	17
14	Antibiotic Prescribing for Children in United States Emergency Departments: 2009â€“2014. Pediatrics, 2019, 143, .	1.0	62
15	Geographic Variability in Diagnosis and Antibiotic Prescribing for Acute Respiratory Tract Infections. Infectious Diseases and Therapy, 2018, 7, 171-174.	1.8	23
16	Viral Features and Testing for Streptococcal Pharyngitis. Pediatrics, 2017, 139, e20163403.	1.0	30
17	Outpatient Macrolide Antibiotic Prescribing in the United States, 2008â€“2011. Open Forum Infectious Diseases, 2017, 4, ofx220.	0.4	12
18	Outpatient Macrolide Antibiotic Prescribing in the United States, 2008-2011. Open Forum Infectious Diseases, 2016, 3, .	0.4	0

#	ARTICLE	IF	CITATIONS
19	Characteristics of Antibiotic Use at Ambulatory Visits for Children in Emergency Departments in the United States, 2009–2011. <i>Open Forum Infectious Diseases</i> , 2016, 3, .	0.4	0
20	Prevalence of Inappropriate Antibiotic Prescriptions Among US Ambulatory Care Visits, 2010-2011. <i>JAMA - Journal of the American Medical Association</i> , 2016, 315, 1864.	3.8	1,250
21	Outpatient Antibiotic Prescribing Practices for Uncomplicated Urinary Tract Infection in Women in the United States, 2002–2011. <i>Open Forum Infectious Diseases</i> , 2016, 3, ofw159.	0.4	65
22	Frequency of First-line Antibiotic Selection Among US Ambulatory Care Visits for Otitis Media, Sinusitis, and Pharyngitis. <i>JAMA Internal Medicine</i> , 2016, 176, 1870.	2.6	80
23	Outpatient Antibiotic Prescribing Among United States Nurse Practitioners and Physician Assistants. <i>Open Forum Infectious Diseases</i> , 2016, 3, ofw168.	0.4	36
24	Race, Otitis Media, and Antibiotic Selection. <i>Pediatrics</i> , 2014, 134, 1059-1066.	1.0	62
25	Burden of Ambulatory Visits and Antibiotic Prescribing Patterns for Adults With Community-Acquired Pneumonia in the United States, 1998 Through 2009. <i>JAMA Internal Medicine</i> , 2014, 174, 1520.	2.6	9
26	Overprescribing and Inappropriate Antibiotic Selection for Children With Pharyngitis in the United States, 1997-2010. <i>JAMA Pediatrics</i> , 2014, 168, 1073.	3.3	48
27	Antibiotic prescribing for adults in ambulatory care in the USA, 2007–09. <i>Journal of Antimicrobial Chemotherapy</i> , 2014, 69, 234-240.	1.3	390
28	National Trends in Visit Rates and Antibiotic Prescribing for Children With Acute Sinusitis. <i>Pediatrics</i> , 2011, 127, 28-34.	1.0	54
29	Why repressing emotions is bad for business. <i>Harvard Business Review</i> , 2009, 87, 30, 130.	3.1	0
