#	ARTICLE	IF	CITATIONS
1	The impact of the COVID-19 pandemic on eating disorders: A systematic review. <i>International Journal of Eating Disorders</i> , 2023, 56, 5-25.	4.0	127
2	Psychological characteristics and childhood adversity of adolescents with atypical anorexia nervosa versus anorexia nervosa. <i>Eating Disorders</i> , 2022, 30, 210-222.	3.0	19
3	Considering a risk profile based on emergency department utilization in young people with eating disorders: Implications for early detection. <i>International Journal of Eating Disorders</i> , 2022, 55, 1219-1228.	4.0	4
4	Teachers Often See the Red Flags First: Perceptions of School Staff Regarding Their Roles in Supporting Students with Mental Health Concerns. <i>School Mental Health</i> , 2022, 14, 402-415.	2.1	21
5	Role Plays to Enhance Readiness for Practicum: Perceptions of Graduate & Undergraduate Social Work Students. <i>Journal of Social Work Education</i> , 2022, 58, 652-666.	1.0	3
6	Pragmatism as a paradigm for patient-oriented research. <i>Health Expectations</i> , 2022, 25, 38-47.	2.6	42
7	Experiences of Canadian mental health providers in identifying and responding to online and in-person sexual abuse and exploitation of their child and adolescent clients. <i>Child Abuse and Neglect</i> , 2022, 124, 105448.	2.6	11
8	Community based Primary Care for Adolescents and Young Adults Transitioning From Pediatric Specialty Care: Results from a Scoping Review. <i>Journal of Primary Care and Community Health</i> , 2022, 13, 215013192210848.	2.1	2
9	Confidence, Training and Challenges for Canadian Child Advocacy Center Staff When Working with Cases of Online and In-person Child Sexual Exploitation. <i>Journal of Child Sexual Abuse</i> , 2022, 31, 297-315.	1.3	3
10	A Qualitative Description of Resident Physicians' Understanding of Child Maltreatment: Impacts, Recognition, and Response. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 3319.	2.6	2
11	Protocol for READY2Exit: a patient-oriented, mixed methods study examining transition readiness in adolescents with co-occurring physical and mental health conditions. <i>Journal of Transition Medicine</i> , 2022, 4, .	0.5	4
12	Mental health impacts of the COVID-19 pandemic on children with underlying health and disability issues, and their families and health care providers. <i>Paediatrics and Child Health</i> , 2022, 27, S33-S39.	0.6	6
13	Communities of practice: acknowledging vulnerability to improve resilience in healthcare teams. <i>Journal of Medical Ethics</i> , 2021, 47, 488-493.	1.8	21
14	A call to action to address COVID-19-induced global food insecurity to prevent hunger, malnutrition, and eating pathology. <i>Nutrition Reviews</i> , 2021, 79, 114-116.	5.8	87
15	Capacity, confidence and training of Canadian educators and school staff to recognize and respond to sexual abuse and internet exploitation of their students. <i>Child Abuse and Neglect</i> , 2021, 112, 104898.	2.6	11
16	Primary care during the transition to adult care for adolescents involved with pediatric specialty services: a scoping review protocol. <i>Systematic Reviews</i> , 2021, 10, 46.	5.3	11
17	The COVID-19 pandemic and eating disorders in children, adolescents, and emerging adults: virtual care recommendations from the Canadian consensus panel during COVID-19 and beyond. <i>Journal of Eating Disorders</i> , 2021, 9, 46.	2.7	36
18	Adapting and adopting highly specialized pediatric eating disorder treatment to virtual care: a protocol for an implementation study in the COVID-19 context. <i>Implementation Science Communications</i> , 2021, 2, 38.	2.2	7

#	ARTICLE	IF	CITATIONS
19	Impending Transition From Pediatric to Adult Health Services: A Qualitative Study of the Experiences of Adolescents With Eating Disorders and Their Caregivers. <i>Frontiers in Psychiatry</i> , 2021, 12, 624942.	2.6	10
20	Developing a provincial patient support network for children and families affected by Tourette syndrome and/or obsessive-compulsive disorder: results of a stakeholder consultation. <i>Child and Adolescent Psychiatry and Mental Health</i> , 2021, 15, 29.	2.5	5
21	Prioritizing a Research Agenda of Transitional Care Interventions for Childhood-Onset Disabilities. <i>Frontiers in Pediatrics</i> , 2021, 9, 682078.	1.9	3
22	Can the adverse childhood experiences (ACEs) checklist be utilized to predict emergency department visits among children and adolescents?. <i>BMC Medical Research Methodology</i> , 2021, 21, 195.	3.1	3
23	Self-Reported Lifetime History of Eating Disorders and Mortality in the General Population: A Canadian Population Survey with Record Linkage. <i>Nutrients</i> , 2021, 13, 3333.	4.1	4
24	Strategies for improving primary care for adolescents and young adults transitioning from pediatric services: perspectives of Canadian primary health care professionals. <i>Family Practice</i> , 2021, 38, 329-338.	1.9	6
25	Characteristics and Service Needs of Maltreated Children Referred for Mental Health Services at a Child Advocacy Centre in Canada. <i>Journal of the Canadian Academy of Child and Adolescent Psychiatry</i> , 2021, 30, 92-103.	0.6	1
26	Recommendations for youth engagement in Canadian mental health research in the context of COVID-19. <i>Journal of the Canadian Academy of Child and Adolescent Psychiatry</i> , 2021, 30, 123-130.	0.6	2
27	Food for Thought: A Dissonance Between Healthcare Utilization Costs and Research Funding for Eating Disorders in Canada. <i>Journal of the Canadian Academy of Child and Adolescent Psychiatry</i> , 2021, 30, 197-203.	0.6	0
28	The Prevalence of Impulse Control Disorders and Behavioral Addictions in Eating Disorders: A Systematic Review and Meta-Analysis. <i>Frontiers in Psychiatry</i> , 2021, 12, 724034.	2.6	4
29	Trends in the Incidence of New-Onset Anorexia Nervosa and Atypical Anorexia Nervosa Among Youth During the COVID-19 Pandemic in Canada. <i>JAMA Network Open</i> , 2021, 4, e2137395.	5.9	101
30	The prevalence of substance use disorders and substance use in anorexia nervosa: a systematic review and meta-analysis. <i>Journal of Eating Disorders</i> , 2021, 9, 161.	2.7	12
31	Therapist adherence to family-based treatment for adolescents with anorexia nervosa: A multi-site exploratory study. <i>European Eating Disorders Review</i> , 2020, 28, 55-65.	4.1	11
32	Transitional Care Interventions for Youth With Disabilities: A Systematic Review. <i>Pediatrics</i> , 2020, 146, .	2.1	32
33	Perspectives from primary health care providers on their roles for supporting adolescents and young adults transitioning from pediatric services. <i>BMC Family Practice</i> , 2020, 21, 140.	2.9	16
34	“Our Laws Have Not Caught up with the Technology”: Understanding Challenges and Facilitators in Investigating and Prosecuting Child Sexual Abuse Materials in the United States. <i>Laws</i> , 2020, 9, 28.	1.1	11
35	Development of trauma symptoms following adversity in childhood: The moderating role of protective factors. <i>Child Abuse and Neglect</i> , 2020, 101, 104375.	2.6	37
36	Canadian practice guidelines for the treatment of children and adolescents with eating disorders. <i>Journal of Eating Disorders</i> , 2020, 8, 4.	2.7	89

#	ARTICLE	IF	CITATIONS
37	Role-Playing: A Strategy for Practicum Preparation for Foundation Year MSW Students. <i>Journal of Teaching in Social Work</i> , 2019, 39, 163-180.	0.6	8
38	A feasibility study comparing a web-based intervention to a workshop intervention for caregivers of adults with eating disorders. <i>European Eating Disorders Review</i> , 2019, 27, 641-654.	4.1	19
39	Health care stakeholder perspectives regarding the role of a patient navigator during transition to adult care. <i>BMC Health Services Research</i> , 2019, 19, 390.	2.2	17
40	Stay the course: practitioner reflections on implementing family-based treatment with adolescents with atypical anorexia. <i>Journal of Eating Disorders</i> , 2019, 7, 10.	2.7	8
41	Identifying a retrospective cohort of adolescents with chronic health conditions from a paediatric hospital prior to transfer to adult care: the Calgary Transition Cohort. <i>BMJ Open</i> , 2019, 9, e027045.	1.9	4
42	Pragmatic trial evaluating the effectiveness of a patient navigator to decrease emergency room utilisation in transition age youth with chronic conditions: the Transition Navigator Trial protocol. <i>BMJ Open</i> , 2019, 9, e034309.	1.9	11
43	Tackling mixed messages: Practitioner reflections on working with adolescents with atypical anorexia and their families. <i>Eating Disorders</i> , 2019, 27, 436-452.	3.0	11
44	Transitioning to adulthood: A glance at the education system. <i>Children and Youth Services Review</i> , 2019, 96, 100-107.	1.9	2
45	Family-based treatment for transition age youth: the role of expressed emotion and general family functioning. <i>Eating Disorders</i> , 2019, 27, 419-435.	3.0	6
46	Mandatory reporting of child maltreatment when delivering family-based treatment for eating disorders: A framework analysis of practitioner experiences. <i>Child Abuse and Neglect</i> , 2019, 88, 118-128.	2.6	4
47	Physical activity perceptions and behaviors among young adults with congenital heart disease: A mixed-methods study. <i>Congenital Heart Disease</i> , 2018, 13, 232-240.	0.2	20
48	"I would love to have online support but I don't trust it" Positive and negative views of technology from the perspective of those with eating disorders in Canada. <i>Health and Social Care in the Community</i> , 2018, 26, 604-612.	1.6	16
49	The Relationship Between Psychological Distress and Perception of Emotional Support in Medical Students and Residents and Implications for Educational Institutions. <i>Academic Psychiatry</i> , 2018, 42, 41-47.	0.9	49
50	An exploratory study of challenges and successes in implementing adapted family-based treatment in a community setting. <i>Journal of Eating Disorders</i> , 2018, 6, 44.	2.7	7
51	Family-based treatment for transition age youth: parental self-efficacy and caregiver accommodation. <i>Journal of Eating Disorders</i> , 2018, 6, 13.	2.7	2
52	The Prevalence of Unwanted Online Sexual Exposure and Solicitation Among Youth: A Meta-Analysis. <i>Journal of Adolescent Health</i> , 2018, 63, 133-141.	2.5	79
53	Open Trial of Family-Based Treatment of Anorexia Nervosa for Transition Age Youth. <i>Journal of the Canadian Academy of Child and Adolescent Psychiatry</i> , 2018, 27, 50-61.	0.6	9
54	Clinician perspective on parental empowerment in family-based treatment for adolescent anorexia nervosa. <i>Journal of Family Therapy</i> , 2017, 39, 537-562.	1.0	15

#	ARTICLE	IF	CITATIONS
