#	ARTICLE	IF	CITATIONS
1	How to do (or not to do) gender analysis in health systems research. <i>Health Policy and Planning</i> , 2016, 31, 1069-1078.	1.0	161
2	Treatment-seeking behaviour, cost burdens and coping strategies among rural and urban households in Coastal Kenya: an equity analysis. <i>Tropical Medicine and International Health</i> , 2007, 12, 673-686.	1.0	154
3	Beginning community engagement at a busy biomedical research programme: Experiences from the KEMRI CGMRC-Wellcome Trust Research Programme, Kilifi, Kenya. <i>Social Science and Medicine</i> , 2008, 67, 721-733.	1.8	140
4	Everyday resilience in district health systems: emerging insights from the front lines in Kenya and South Africa. <i>BMJ Global Health</i> , 2017, 2, e000224.	2.0	138
5	Community accountability at peripheral health facilities: a review of the empirical literature and development of a conceptual framework. <i>Health Policy and Planning</i> , 2012, 27, 541-554.	1.0	133
6	Barriers to prompt and effective malaria treatment among the poorest population in Kenya. <i>Malaria Journal</i> , 2010, 9, 144.	0.8	129
7	Taking social relationships seriously: Lessons learned from the informed consent practices of a vaccine trial on the Kenyan Coast. <i>Social Science and Medicine</i> , 2008, 67, 708-720.	1.8	128
8	Consent and Community Engagement in Diverse Research Contexts: Reviewing and Developing Research and Practice. <i>Journal of Empirical Research on Human Research Ethics</i> , 2013, 8, 1-18.	0.6	123
9	Ethics and the ethnography of medical research in Africa. <i>Social Science and Medicine</i> , 2008, 67, 685-695.	1.8	113
10	Resources, attitudes and culture: an understanding of the factors that influence the functioning of accountability mechanisms in primary health care settings. <i>BMC Health Services Research</i> , 2013, 13, 320.	0.9	107
11	Evaluating controlled human malaria infection in Kenyan adults with varying degrees of prior exposure to <i>Plasmodium falciparum</i> using sporozoites administered by intramuscular injection. <i>Frontiers in Microbiology</i> , 2014, 5, 686.	1.5	95
12	Reducing user fees for primary health care in Kenya: Policy on paper or policy in practice?. <i>International Journal for Equity in Health</i> , 2009, 8, 15.	1.5	91
13	Benefits and payments for research participants: Experiences and views from a research centre on the Kenyan coast. <i>BMC Medical Ethics</i> , 2012, 13, 13.	1.0	76
14	Devolution and its effects on health workforce and commodities management – early implementation experiences in Kilifi County, Kenya. <i>International Journal for Equity in Health</i> , 2017, 16, 169.	1.5	71
15	An appeal for practical social justice in the COVID-19 global response in low-income and middle-income countries. <i>The Lancet Global Health</i> , 2020, 8, e888-e889.	2.9	69
16	How does decentralisation affect health sector planning and financial management? a case study of early effects of devolution in Kilifi County, Kenya. <i>International Journal for Equity in Health</i> , 2017, 16, 151.	1.5	66
17	Urban health in developing countries: a review. <i>Progress in Development Studies</i> , 2001, 1, 113-137.	1.0	64
18	Lessons learnt from the first controlled human malaria infection study conducted in Nairobi, Kenya. <i>Malaria Journal</i> , 2015, 14, 182.	0.8	64

#	ARTICLE	IF	CITATIONS
19	Recentralization within decentralization: County hospital autonomy under devolution in Kenya. PLoS ONE, 2017, 12, e0182440.	1.1	63
20	Priority setting for health in the context of devolution in Kenya: implications for health equity and community-based primary care. Health Policy and Planning, 2018, 33, 729-742.	1.0	61
21	Hospitals as complex adaptive systems: A case study of factors influencing priority setting practices at the hospital level in Kenya. Social Science and Medicine, 2017, 174, 104-112.	1.8	60
22	Examining the Implementation of the Free Maternity Services Policy in Kenya: A Mixed Methods Process Evaluation. International Journal of Health Policy and Management, 2018, 7, 603-613.	0.5	53
23	Crises and Resilience at the Frontlineâ€™Public Health Facility Managers under Devolution in a Sub-County on the Kenyan Coast. PLoS ONE, 2015, 10, e0144768.	1.1	51
24	Promoting the social value of research in Kenya: Examining the practical aspects of collaborative partnerships using an ethical framework. Social Science and Medicine, 2008, 67, 734-747.	1.8	50
25	Complex realities: community engagement for a paediatric randomized controlled malaria vaccine trial in Kilifi, Kenya. Trials, 2014, 15, 65.	0.7	50
26	Health facility committees and facility management - exploring the nature and depth of their roles in Coast Province, Kenya. BMC Health Services Research, 2011, 11, 229.	0.9	49
27	Setting healthcare priorities in hospitals: a review of empirical studies. Health Policy and Planning, 2015, 30, 386-396.	1.0	49
28	Ethical considerations in Controlled Human Malaria Infection studies in low resource settings: Experiences and perceptions of study participants in a malaria Challenge study in Kenya. Wellcome Open Research, 2018, 3, 39.	0.9	48
29	â€™The Words Will Pass with the Blowing Windâ€™: Staff and Parent Views of the Deferred Consent Process, with Prior Assent, Used in an Emergency Fluids Trial in Two African Hospitals. PLoS ONE, 2013, 8, e54894.	1.1	47
30	Involving Research Stakeholders in Developing Policy on Sharing Public Health Research Data in Kenya. Journal of Empirical Research on Human Research Ethics, 2015, 10, 264-277.	0.6	46
31	Ethical considerations in Controlled Human Malaria Infection studies in low resource settings: Experiences and perceptions of study participants in a malaria Challenge study in Kenya. Wellcome Open Research, 2018, 3, 39.	0.9	46
32	Conducting healthâ€™related social science research in low income settings: ethical dilemmas faced in Kenya and South Africa. Journal of International Development, 2009, 21, 309-326.	0.9	42
33	<i>â€™It is an entrustmentâ€™</i>: Broad consent for genomic research and biobanks in subâ€™Saharan Africa. Developing World Bioethics, 2019, 19, 9-17.	0.6	42
34	Strengthening the Informed Consent Process in International Health Research through Community Engagement: The KEMRI-Wellcome Trust Research Programme Experience. PLoS Medicine, 2011, 8, e1001089.	3.9	41
35	Prolonged health worker strikes in Kenya- perspectives and experiences of frontline health managers and local communities in Kilifi County. International Journal for Equity in Health, 2020, 19, 23.	1.5	41
36	The role of community-based organizations in household ability to pay for health care in Kilifi District, Kenya. Health Policy and Planning, 2007, 22, 381-392.	1.0	39

#	ARTICLE	IF	CITATIONS
37	What Are Fair Study Benefits in International Health Research? Consulting Community Members in Kenya. PLoS ONE, 2014, 9, e113112.	1.1	39
38	Research Stakeholders's Views on Benefits and Challenges for Public Health Research Data Sharing in Kenya: The Importance of Trust and Social Relations. PLoS ONE, 2015, 10, e0135545.	1.1	39
39	Consulting communities on feedback of genetic findings in international health research: sharing sickle cell disease and carrier information in coastal Kenya. BMC Medical Ethics, 2013, 14, 41.	1.0	36
40	The influence of power and actor relations on priority setting and resource allocation practices at the hospital level in Kenya: a case study. BMC Health Services Research, 2016, 16, 536.	0.9	36
41	Addressing diversity and complexity in the community engagement literature: The rationale for a realist review. Wellcome Open Research, 2020, 5, 1.	0.9	36
42	What role can health policy and systems research play in supporting responses to COVID-19 that strengthen socially just health systems?. Health Policy and Planning, 2020, 35, 1231-1236.	1.0	34
43	Shocks, stress and everyday health system resilience: experiences from the Kenyan coast. Health Policy and Planning, 2020, 35, 522-535.	1.0	34
44	Towards achieving Abuja targets: identifying and addressing barriers to access and use of insecticides treated nets among the poorest populations in Kenya. BMC Public Health, 2010, 10, 137.	1.2	33
45	Field Workers at the Interface. Developing World Bioethics, 2013, 13, ii-iv.	0.6	33
46	Health system responsiveness: a systematic evidence mapping review of the global literature. International Journal for Equity in Health, 2021, 20, 112.	1.5	32
47	The economic costs of malaria in four Kenyan districts: do household costs differ by disease endemicity?. Malaria Journal, 2010, 9, 149.	0.8	31
48	Setting healthcare priorities: a description and evaluation of the budgeting and planning process in county hospitals in Kenya. Health Policy and Planning, 2017, 32, czw132.	1.0	31
49	Estimating inequalities in ownership of insecticide treated nets: does the choice of socio-economic status measure matter?. Health Policy and Planning, 2009, 24, 83-93.	1.0	30
50	"When they see us, it's like they have seen the benefits!" experiences of study benefits negotiations in community-based studies on the Kenyan Coast. BMC Medical Ethics, 2014, 15, 90.	1.0	30
51	Tracking implementation and (un)intended consequences: a process evaluation of an innovative peripheral health facility financing mechanism in Kenya. Health Policy and Planning, 2016, 31, 137-147.	1.0	30
52	Accountability mechanisms for implementing a health financing option: the case of the basic health care provision fund (BHCPF) in Nigeria. International Journal for Equity in Health, 2018, 17, 100.	1.5	30
53	Are Health Facility Management Committees in Kenya ready to implement financial management tasks: findings from a nationally representative survey. BMC Health Services Research, 2013, 13, 404.	0.9	27
54	A realist review of community engagement with health research. Wellcome Open Research, 2019, 4, 87.	0.9	27

#	ARTICLE	IF	CITATIONS
55	Benefits in Cash or in Kind? A Community Consultation on Types of Benefits in Health Research on the Kenyan Coast. PLoS ONE, 2015, 10, e0127842.	1.1	26
56	How do gender and disability influence the ability of the poor to benefit from pro-poor health financing policies in Kenya? An intersectional analysis. International Journal for Equity in Health, 2018, 17, 149.	1.5	26
57	Community Members Employed on Research Projects Face Crucial, Often Under-Recognized, Ethical Dilemmas. American Journal of Bioethics, 2010, 10, 24-26.	0.5	25
58	Vulnerability and agency across treatment-seeking journeys for acutely ill children: how family members navigate complex healthcare before, during and after hospitalisation in a rural Kenyan setting. International Journal for Equity in Health, 2020, 19, 136.	1.5	24
59	Research Involving Health Providers and Managers: Ethical Issues Faced by Researchers Conducting Diverse Health Policy and Systems Research in Kenya. Developing World Bioethics, 2016, 16, 168-177.	0.6	22
60	A realist review of community engagement with health research. Wellcome Open Research, 2019, 4, 87.	0.9	22
61	Accountability mechanisms and the value of relationships: experiences of front-line managers at subnational level in Kenya and South Africa. BMJ Global Health, 2018, 3, e000842.	2.0	21
62	Working with Community Health Workers as "Volunteers" in a Vaccine Trial: Practical and Ethical Experiences and Implications. Developing World Bioethics, 2013, 13, 38-47.	0.6	20
63	Implementation of patient charges at primary care facilities in Kenya: implications of low adherence to user fee policy for users and facility revenue. Health Policy and Planning, 2015, 30, 508-517.	1.0	20
64	"We are toothless and hanging, but optimistic" sub county managers' experiences of rapid devolution in coastal Kenya. International Journal for Equity in Health, 2017, 16, 113.	1.5	19
65	Managing health research capacity strengthening consortia: a systematised review of the published literature. BMJ Global Health, 2019, 4, e001318.	2.0	19
66	Collective sensemaking for action: researchers and decision makers working collaboratively to strengthen health systems. BMJ, The, 2021, 372, m4650.	3.0	19
67	Health Providers' Perceptions of Clinical Trials: Lessons from Ghana, Kenya and Burkina Faso. PLoS ONE, 2015, 10, e0124554.	1.1	18
68	Public/community engagement in health research with men who have sex with men in sub-Saharan Africa: challenges and opportunities. Health Research Policy and Systems, 2016, 14, 40.	1.1	17
69	An innovative leadership development initiative to support building everyday resilience in health systems. Health Policy and Planning, 2021, 36, 1023-1035.	1.0	16
70	Feedback of Research Findings for Vaccine Trials: Experiences from Two Malaria Vaccine Trials Involving Healthy Children on the Kenyan Coast. Developing World Bioethics, 2013, 13, 48-56.	0.6	15
71	Perceptions of childhood undernutrition among rural households on the Kenyan coast " a qualitative study. BMC Public Health, 2016, 16, 693.	1.2	15
72	Protecting the public or setting the bar too high? Understanding the causes and consequences of regulatory actions of front-line regulators and specialized drug shop operators in Kenya. Social Science and Medicine, 2013, 97, 220-227.	1.8	14

#	ARTICLE	IF	CITATIONS
73	Household experiences of ill health and risk protection mechanisms. <i>Journal of International Development</i> , 2009, 21, 159-168.	0.9	13
74	It's issues to do with nutrition that I can decide: gendered decision-making in joining community-based child nutrition interventions within rural coastal Kenya. <i>Health Policy and Planning</i> , 2017, 32, v31-v39.	1.0	13
75	Model for developing context-sensitive responses to vulnerability in research: managing ethical dilemmas faced by frontline research staff in Kenya. <i>BMJ Global Health</i> , 2021, 6, e004937.	2.0	13
76	Applying a gender lens to understand pathways through care for acutely ill young children in Kenyan urban informal settlements. <i>International Journal for Equity in Health</i> , 2021, 20, 17.	1.5	13
77	Level and determinants of county health system technical efficiency in Kenya: two stage data envelopment analysis. <i>Cost Effectiveness and Resource Allocation</i> , 2021, 19, 78.	0.6	13
78	Bypassing districts? Implications of sector-wide approaches and decentralization for integrating gender equity in Uganda and Kenya. <i>Health Policy and Planning</i> , 2005, 20, 150-157.	1.0	12
79	Gendered negotiations for research participation in community-based studies: implications for health research policy and practice. <i>BMJ Global Health</i> , 2017, 2, e000320.	2.0	11
80	Hypothetical acceptability of hospital-based post-mortem pediatric minimally invasive tissue sampling in Malawi: The role of complex social relationships. <i>PLoS ONE</i> , 2021, 16, e0246369.	1.1	11
81	Addressing diversity and complexity in the community engagement literature: The rationale for a realist review. <i>Wellcome Open Research</i> , 2020, 5, 1.	0.9	11
82	Working relationships across difference - a realist review of community engagement with malaria research. <i>Wellcome Open Research</i> , 0, 7, 13.	0.9	11
83	Seeing 'With my Own Eyes': Strengthening Interactions between Researchers and Schools*. <i>IDS Bulletin</i> , 2012, 43, 61-67.	0.4	10
84	Analyzing the equity of public primary care provision in Kenya: variation in facility characteristics by local poverty level. <i>International Journal for Equity in Health</i> , 2012, 11, 75.	1.5	10
85	Facing Our Fears: Using facilitated film viewings to engage communities in HIV research involving MSM in Kenya. <i>Cogent Medicine</i> , 2017, 4, 1330728.	0.7	10
86	Justice: a key consideration in health policy and systems research ethics. <i>BMJ Global Health</i> , 2020, 5, e001942.	2.0	10
87	Lessons from a Health Policy and Systems Research programme exploring the quality and coverage of newborn care in Kenya. <i>BMJ Global Health</i> , 2020, 5, e001937.	2.0	10
88	Examining health sector stakeholder perceptions on the efficiency of county health systems in Kenya. <i>PLOS Global Public Health</i> , 2021, 1, e0000077.	0.5	9
89	Coping with the costs of illness: the role of shops and shopkeepers as social networks in a low-income community in coastal Kenya. <i>Journal of International Development</i> , 2009, 21, 252-270.	0.9	8
90	Gender is not even a side issue: it's a non-issue: career trajectories and experiences from the perspective of male and female healthcare managers in Kenya. <i>Health Policy and Planning</i> , 2019, 34, 249-256.	1.0	8

#	ARTICLE	IF	CITATIONS
91	The hidden financial burden of healthcare: a systematic literature review of informal payments in Sub-Saharan Africa. <i>Wellcome Open Research</i> , 0, 6, 297.	0.9	8
92	Gender-related influences on adherence to advice and treatment-seeking guidance for infants and young children post-hospital discharge in Bangladesh. <i>International Journal for Equity in Health</i> , 2021, 20, 64.	1.5	7
93	Examining health sector application and utility of program-based budgeting: County level experiences in Kenya. <i>International Journal of Health Planning and Management</i> , 2021, 36, 1521-1532.	0.7	7
94	Towards an appropriate ethics framework for Health and Demographic Surveillance Systems (HDSS): learning from issues faced in diverse HDSS in sub-Saharan Africa. <i>BMJ Global Health</i> , 2021, 6, e004008.	2.0	7
95	Programme theory and linked intervention strategy for large-scale change to improve hospital care in a low and middle-income country - A Study Pre-Protocol. <i>Wellcome Open Research</i> , 2020, 5, 265.	0.9	7
96	Ethical practice in my work: community health workers' perspectives using photovoice in Wakiso district, Uganda. <i>BMC Medical Ethics</i> , 2020, 21, 68.	1.0	6
97	The ethical implications of verbal autopsy: responding to emotional and moral distress. <i>BMC Medical Ethics</i> , 2021, 22, 118.	1.0	6
98	Programme theory and linked intervention strategy for large-scale change to improve hospital care in a low and middle-income country - A Study Pre-Protocol. <i>Wellcome Open Research</i> , 2020, 5, 265.	0.9	6
99	Clinical Trials Cannot Substitute for Health System Strengthening Initiatives or Specifically Designed Health Policy and Systems Research. <i>American Journal of Bioethics</i> , 2016, 16, 24-26.	0.5	5
100	The Use of Intersectional Analysis in Assessing Women's Leadership Progress in the Health Workforce in LMICs: A Review. <i>International Journal of Health Policy and Management</i> , 2021, , .	0.5	5
101	Evolution of a programme to engage school students with health research and science in Kenya. <i>Wellcome Open Research</i> , 2019, 4, 39.	0.9	5
102	Barriers to managing chronic illness among urban households in coastal Kenya. <i>Journal of International Development</i> , 2009, 21, 271-290.	0.9	4
103	Vulnerability, Agency, and the Research Encounter: Family Members' Experiences and Perceptions of Participating in an Observational Clinical Study in Kenya. <i>Journal of Empirical Research on Human Research Ethics</i> , 2021, 16, 238-254.	0.6	4
104	Enhancing fieldworkers' performance management support in health research: an exploratory study on the views of field managers and fieldworkers from major research centres in Africa. <i>BMJ Open</i> , 2019, 9, e028453.	0.8	3
105	Strengthening the role of community health workers in supporting the recovery of ill, undernourished children post hospital discharge: qualitative insights from key stakeholders in Bangladesh and Kenya. <i>BMC Health Services Research</i> , 2021, 21, 1234.	0.9	3
106	Pandemic preparedness and responsiveness of research review committees: lessons from review of COVID-19 protocols at KEMRI Wellcome Trust Research Programme in Kenya. <i>Wellcome Open Research</i> , 0, 7, 75.	0.9	3
107	Consortium management structures, processes, and approaches: The DELTAS Africa example. <i>Wellcome Open Research</i> , 0, 7, 139.	0.9	3
108	Pandemic preparedness and responsiveness of research review committees: lessons from review of COVID-19 protocols at KEMRI Wellcome Trust Research Programme in Kenya. <i>Wellcome Open Research</i> , 0, 7, 75.	0.9	2
