YIIIIA CENDLED

1 The efficacy and safety of intra-articular injection of triamcinolone acetoride versus triancholone 2-1 6 2 Videofluoroscopy compared with clinical feeding evaluation in children with suspected aspiration. 1.5 5 3 The Communication Journal of Bedditric, 2022 11,11,1441-1449. 2.0 6 3 The Communication Challenges and Strength of Narcesb ^{EM} Intensive Corona Care during the Two First Pandemic Waves. A Qualitative Descriptive Phenomenology Study, Healthcare (Switzerland), 2022, 10, 83 2.0 6 4 Deade During the First Two Waves: A Qualitative Descriptive Phenomenology Study, Healthcare (Switzerland), 2022, 59, 0.0 1 5 COMD 19-Related Anxiety Symptoms among Quaratined Adolescents and Its Impact on Sleep Pattern 1.5 3 6 Persistent pulmonary air leak in the pediatric Intensive care unit: Characteristics and outcomes. 2.0 2 7 Risk factors for reaphetory expected where a COMD 19 Degramma and Outcomes. 2.0 9 8 Extern Teol Influence Parents&C ODC 2004, 5-2004-211. 2.0 9 9 Extern Teol Influence Parents&C ODC 2004, 5-2004-211. 2.0 9 10 Developing a standardized approach to prenatal counseling following the diagnosis of a complex. 1.	#	Article	IF	CITATIONS
2 Acta Paediatrica, International Journal of Paediatrics, 2022, 111, 1441-1449. L3 3 3 The Communication Challenges and Strength of Nursesd&PM Intensive Corona Care during the Two First 2.0 6 3 Pandemic Waves: A Qualitative Descriptive Phenomenology Study. Healthcare (Switzerland), 2022, 10, 200 6 4 Descriptive Phenomenology Study. Healthcare (Switzerland), 2022, 19, 200 0.9 1 5 COVID 19 Related Anxiety Symptoms: anong Quarantined Adolescents and Its Impact on Sleep Pattern 1.5 3 6 Persistent pulmonary air loak in the padiatric Intensive care unit: Characteristics and outcomes. 2.0 2 7 Risk factors for respiratory syncytal virus bronchiolitis hospitalizations in children with chronic 2.0 9 7 Risk factors for respiratory syncytal virus bronchiolitis hospitalizations of Pregnancy After Prenatal 0.5 9 8 Diagnosis of Feat Congenital Heart Disease, JOCNN - Journal of Obstetric, Cynecologic, and Neonatal 0.5 9 9 Effects of Weating Facemask buring Bisk Walks: A COVID-19 Dilemma. Journal of the American Board 1.5 6 10 Developing a standardized approach to prenatal counseling following the diagnosis of a complex congenital Heart Disease, JOCND - JUL Sid, Sid, Sid, JUL Sid, JUL Sid, JUL Sid, JUL Sid, JUL Sid, JUL Si	1		2.1	6
3 Pandemic Waves: A Qualitative Descriptive Phenomenology Study. Healthcare (Switzerland), 2022, 10, 20 6 4 AcceFighting for life and losing&e Intensive Care Unit Nursing Staff&E ^{ws} Experience With COVID-19 Patient Dearts During the First Iww Waves: A Qualitative Study. Inquiry (United States), 2022, 59, 0.9 0.9 1 5 COVID-19-Related Ansiety Symptoms among Quarantined Adolescents and Its Impact on Sleep Pattern Changes and Sonatic Symptoms. Children, 2022, 9, 735. 1.5 9 6 Persistent pulmonary air leak in the pediatric Intensive care unit: Characteristics and outcomes. Pediatric Pulmonology, 2021, 56, 2729-2735. 2.0 2 7 Risk factors for respiratory syncytial virus broncholitis hospitalizations in children with chronic diseases. Pediatric Pulmonology, 2021, 56, 2704-2211. 2.0 9 8 Factors That Influence ParentséE ^w Decision Making Regarding Tomination of Prognancy After Prenatal Diagnosis of Feal Congenital Heart Disease. JOCNN - Journal of Obstetric, Cynecologic, and Neonatal O.5 9 9 Effects of Wearing Facemasks During Brisk Walks: A COVID-19 Dilemma. Journal of the American Board of Family Medicine, 2021, 34, 798 601. 1.6 6 10 Developing a standardized approach to prenatal counseling following the diagnosis of a complex congenital heart abnormality. Early Human Development, 2021, 163, 105507. 1.8 3 11 Prevestigating the In	2	Videofluoroscopy compared with clinical feeding evaluation in children with suspected aspiration. Acta Paediatrica, International Journal of Paediatrics, 2022, 111, 1441-1449.	1.5	5
4 DeathS During the First Two Waves: A Qualitative Study. Inquiry (United States), 2022, 59, 0.9 1 5 COVDD19-Related Anxiety Symptoms among Quarantined Adolescents and its Impact on Sleep Pattern 1.5 3 6 Persistent pulmonary air leak in the pediatric Intensive care unit: Characteristics and outcomes. 2.0 2 7 Risk factors for respiratory syncytial virus bronchiolitis hospitalizations in children with chronic 2.0 9 7 Risk factors for respiratory syncytial virus bronchiolitis hospitalizations in children with chronic 2.0 9 8 Diagnosis of Feat Congenital Heart Disease. JOGNN - Journal of Obstetric, Gynecologic, and Neonatal 0.5 9 9 Effects of Wearing Facemasks During Brisk Walks: A COVID-19 Dilemma. Journal of the American Board 1.5 6 10 Developing a standardized approach to prenatal courseling following the diagnosis of real Covide approach to prenatal courseling following the diagnosis of a complex 1.8 3 11 Parentsize ^W Acceptance of Vaccine Literacy, Vaccine Perception and Vaccine Kestancy on Israeli 57 2021, 9, 139. 57 12 Topical Propranolol Improves Epistaxis Control In Hereditary Hemorrhagic Telanglectasia (HHT): A 2.4 11 13 Routine chest XaGray following ultrasoundafeguide	3	Pandemic Waves: A Qualitative Descriptive Phenomenology Study. Healthcare (Switzerland), 2022, 10,	2.0	6
Changes and Somatic Symptoms. Children, 2022, 9, 735. List S Persistent pulmonary air leak in the pediatric intensive care unit: Characteristics and outcomes. 2.0 2 Risk factors for respiratory syncytial virus bronchiolitis hospitalizations in children with chronic diseases. Pediatric Pulmonology, 2021, 56, 2204-2211. 2.0 9 Factors That Influence Parentsä& ^{CM} Decision-Making Regarding Termination of Pregnancy After Prenatal Diagnosis of Fread Congenital Heart Disease. JOCNN - Journal of Obstetric, Gynecologic, and Neonatal No.5 9 Effects of Wearing Facemasks During Brisk Walks: A COVID-19 Dilemma. Journal of the American Board of Family Medicine, 2021, 34, 798-801. 1.5 6 Developing a standardized approach to prenatal counseling following the diagnosis of a complex congenital heart abnormality. Early Human Development, 2021, 163, 105507. 1.8 3 Investigating the Influence of Vaccine Uteracy, Vaccine Perception and Vaccine Hesitancy on Israeli Parentsic MAcceptance of the COVID-19 Vaccine for Their Children: A Cross-Sectional Study. Vaccines, 2021, 31, 31. 4 Topical Propranolol Improves Epistaxis Control in Hereditary Hemorrhagic Telangiectasia (HHT): A Randomized Double-Blind Placebo-Controlled Trial. Journal of Clinical Medicine, 2020, 9, 3130. 2.4 11 Parentsic Propranolol Improves Epistaxis Control in Hereditary Hemorrhagic Telangiectasia (HHT): A Randomized Double-Blind Placebo-Controlled Trial. Journal of Clinical Medicine, 2020, 9, 3130. 2.4 11	4	Deaths During the First Two Waves: A Qualitative Study. Inquiry (United States), 2022, 59,	0.9	1
6 Pediatric Pulmonology, 2021, 56, 2729-2735. 2.0 2 7 Risk factors for respiratory syncytial virus bronchiolitis hospitalizations in children with chronic diseases. Pediatric Pulmonology, 2021, 56, 2204-2211. 2.0 9 8 Diagnosis of Fetal Congenital Heart Disease. JOGNN - Journal of Obstetric, Cynecologic, and Neonatal Nursing, 2021, 50, 475-484. 0.5 9 9 Effects of Wearing Facemasks During Brisk Walks: A COVID-19 Dilemma. Journal of the American Board of Fetal Congenital Heart Disease. JOGNN - Journal of Obstetric, Cynecologic, and Neonatal Nursing, 2021, 34, 798-801. 1.5 6 10 Developing a standardized approach to prenatal counseling following the diagnosis of a complex complex compential heart abnormality. Early Human Development, 2021, 163, 105507. 1.8 3 11 Developing a standardized approach to prenatal counseling following the diagnosis of a complex complex compential heart abnormality. Early Human Development, 2021, 163, 105507. 1.8 3 11 Parents&E ^W Acceptance of Waccine Literacy, Vaccine Perception and Vaccine Hesitancy on Israell Parents&E ^W Acceptance of the COVID-19 Vaccine For Their Children: A Cross-Sectional Study. Vaccines, 2021, 9, 1391. 2.4 11 12 Topical Propranolol Improves Epistaxis Control in Hereditary Hemorrhagic Telangiectasia (HHT): A Randomized Double-Blind Placebo-Controlled Trial. Journal of Clinical Medicine, 2020, 9, 3130. 2.4 11 13 <td>5</td> <td>COVID-19-Related Anxiety Symptoms among Quarantined Adolescents and Its Impact on Sleep Pattern Changes and Somatic Symptoms.
