| #  | ARTICLE   | IF  | CITATIONS |
|----|---|-----|-----------|
| 1  | Examining clinicians' experiences providing sexual health services for LGBTQ youth: considering social and structural determinants of health in clinical practice. <i>Health Education Research</i> , 2014, 29, 662-670.  | 1.9 | 139       |
| 2  | A critical examination of representations of context within research on population health interventions. <i>Critical Public Health</i> , 2016, 26, 487-500.   | 2.4 | 89        |
| 3  | â€œNot the swab!â€™ Young menâ€™s experiences with STI testing. <i>Sociology of Health and Illness</i> , 2010, 32, 57-73.   | 2.1 | 58        |
| 4  | Masculinities, â€œguy talkâ€™ and â€œmanning upâ€™: a discourse analysis of how young men talk about sexual health. <i>Sociology of Health and Illness</i> , 2012, 34, 1246-1261.   | 2.1 | 56        |
| 5  | Youth's experiences with STI testing in four communities in British Columbia, Canada. <i>Sexually Transmitted Infections</i> , 2009, 85, 397-401.   | 1.9 | 49        |
| 6  | Online Sexual Health Services: Examining Youthâ€™s Perspectives. <i>Canadian Journal of Public Health</i> , 2012, 103, 14-18.   | 2.3 | 43        |
| 7  | Interventions to address substance use and sexual risk among gay, bisexual and other men who have sex with men who use methamphetamine: A systematic review. <i>Drug and Alcohol Dependence</i> , 2019, 194, 410-429.   | 3.2 | 43        |
| 8  | Complex and Conflicting Social Norms: Implications for Implementation of Future HIV Pre-Exposure Prophylaxis (PrEP) Interventions in Vancouver, Canada. <i>PLoS ONE</i> , 2016, 11, e0146513.   | 2.5 | 38        |
| 9  | â€œSomething that actually worksâ€• Cannabis use among young people in the context of street entrenchment. <i>PLoS ONE</i> , 2020, 15, e0236243.  | 2.5 | 38        |
| 10 | Widening mental health and substance use inequities among sexual and gender minority populations: Findings from a repeated cross-sectional monitoring survey during the COVID-19 pandemic in Canada. <i>Psychiatry Research</i> , 2022, 307, 114327.                          | 3.3 | 36        |
| 11 | Heteronormativity hurts everyone: Experiences of young men and clinicians with sexually transmitted infection/HIV testing in British Columbia, Canada. <i>Health (United Kingdom)</i> , 2013, 17, 441-459.  | 1.5 | 35        |
| 12 | Online interventions to address <scp>HIV</scp> and other sexually transmitted and bloodâ€borne infections among young gay, bisexual and other men who have sex with men: a systematic review. <i>Journal of the International AIDS Society</i> , 2017, 20, e25017.            | 3.0 | 30        |
| 13 | Perceived Barriers to Mental Health Services Among Canadian Sexual and Gender Minorities with Depression and at Risk of Suicide. <i>Community Mental Health Journal</i> , 2019, 55, 1313-1321.  | 2.0 | 29        |
| 14 | Inequities in depression within a population of sexual and gender minorities. <i>Journal of Mental Health</i> , 2020, 29, 573-580.  | 1.9 | 26        |
| 15 | Experiences with sexual orientation and gender identity conversion therapy practices among sexual minority men in Canada, 2019â€“2020. <i>PLoS ONE</i> , 2021, 16, e0252539.  | 2.5 | 25        |
| 16 | Women on menâ€™s sexual health and sexually transmitted infection testing: a gender relations analysis. <i>Sociology of Health and Illness</i> , 2013, 35, 1-16.  | 2.1 | 24        |
| 17 | Sex and Straight Young Men. <i>Men and Masculinities</i> , 2013, 16, 329-346.   | 2.8 | 24        |
| 18 | â€œEverybody living with a chronic disease is entitled to be curedâ€• Challenges and opportunities in scaling up access to direct-acting antiviral hepatitis C virus treatment among people who inject drugs. <i>International Journal of Drug Policy</i> , 2020, 81, 102766. | 3.3 | 23        |

| #  | ARTICLE   | IF  | CITATIONS |
|----|---|-----|-----------|
| 19 | “They Want You to Kill Your Inner Queer but Somehow Leave the Human Alive” Delineating the Impacts of Sexual Orientation and Gender Identity and Expression Change Efforts. <i>Journal of Sex Research</i> , 2022, 59, 599-609.   | 2.5 | 20        |
| 20 | “Stigma is where the harm comes from” Exploring expectations and lived experiences of hepatitis C virus post-treatment trajectories among people who inject drugs. <i>International Journal of Drug Policy</i> , 2021, 96, 103238.                                      | 3.3 | 20        |
| 21 | <scp>HIV</scp> stigma and the experiences of young men with voluntary and routine <scp>HIV</scp> testing. <i>Sociology of Health and Illness</i> , 2016, 38, 153-167.   | 2.1 | 19        |
| 22 | Qualitative analysis of the experiences of gay, bisexual and other men who have sex with men who use <i>GetCheckedOnline.com</i>: a comprehensive internet-based diagnostic service for HIV and other STIs. <i>Sexually Transmitted Infections</i> , 2019, 95, 145-150. | 1.9 | 19        |
| 23 | Implementation challenges and opportunities for HIV Treatment as Prevention (TasP) among young men in Vancouver, Canada: a qualitative study. <i>BMC Public Health</i> , 2016, 16, 262.   | 2.9 | 18        |
| 24 | COVID-19 vaccine intention among young adults: Comparative results from a cross-sectional study in Canada and France. <i>Vaccine</i> , 2022, 40, 2442-2456.   | 3.8 | 17        |
| 25 | Characterizing Men Who Have Sex with Men and Use Injection Drugs in Vancouver, Canada. <i>AIDS and Behavior</i> , 2019, 23, 3324-3330.  | 2.7 | 16        |
| 26 | Artificial intelligence interventions focused on opioid use disorders: A review of the gray literature. <i>American Journal of Drug and Alcohol Abuse</i> , 2021, 47, 26-42.  | 2.1 | 15        |
| 27 | Advancing population and public health ethics regarding HIV testing: a scoping review. <i>Critical Public Health</i> , 2014, 24, 283-295.   | 2.4 | 14        |
| 28 | Poppers, queer sex and a Canadian crackdown: Examining the experiences of alkyl nitrite use among young sexual minority men. <i>International Journal of Drug Policy</i> , 2020, 77, 102670.  | 3.3 | 14        |
| 29 | Investments in implementation science are needed to address the harms associated with the sexualized use of substances among gay, bisexual and other men who have sex with men. <i>Journal of the International AIDS Society</i> , 2018, 21, e25141.                    | 3.0 | 13        |
| 30 | The sexualised use of cannabis among young sexual minority men: “I’m actually enjoying this for the first time”. <i>Culture, Health and Sexuality</i> , 2021, 23, 883-898.  | 1.8 | 13        |
| 31 | A scoping study to identify opportunities to advance the ethical implementation and scale-up of HIV treatment as prevention: priorities for empirical research. <i>BMC Medical Ethics</i> , 2014, 15, 54.   | 2.4 | 12        |
| 32 | A call for action on overdose among LGBTQ people in North America. <i>Lancet Psychiatry</i> , 2019, 6, 725-726.   | 7.4 | 12        |
| 33 | “Am I gonna get in trouble for acknowledging my will to be safe?” Identifying the experiences of young sexual minority men and substance use in the context of an opioid overdose crisis. <i>Harm Reduction Journal</i> , 2020, 17, 23.                                 | 3.2 | 12        |
| 34 | Empirical population and public health ethics: A review and critical analysis to advance robust empirical-normative inquiry. <i>Health (United Kingdom)</i> , 2016, 20, 274-290.  | 1.5 | 11        |
| 35 | Stigma associated with sexually transmissible infection testing in an online testing environment: examining the perspectives of youth in Vancouver, Canada. <i>Sexual Health</i> , 2018, 15, 46.  | 0.9 | 11        |
| 36 | Harm reduction calls to action from young people who use drugs on the streets of Vancouver and Lisbon. <i>Harm Reduction Journal</i> , 2022, 19, 43.  | 3.2 | 11        |
