

# Emily K Rousham

## List of Publications by Year in Descending Order

**Source:** <https://exaly.com/author-pdf/313318/emily-k-rousham-publications-by-year.pdf>

**Version:** 2024-04-29

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

47  
papers

923  
citations

#	Paper	IF	Citations
47	Environmental effects on growth <b>2022</b> , 261-315		0
46	Diet and food insecurity among mothers, infants, and young children in Peru before and during COVID-19: A panel survey.. <i>Maternal and Child Nutrition</i> , <b>2022</b> , e13343	3.4	1
45	Spatiotemporal distribution of antimicrobial resistant organisms in different water environments in urban and rural settings of Bangladesh.. <i>Science of the Total Environment</i> , <b>2022</b> , 154890	10.2	0
44	Barriers and facilitators to adherence to national drug policies on antibiotic prescribing and dispensing in Bangladesh. <i>Journal of Pharmaceutical Policy and Practice</i> , <b>2021</b> , 14, 85	3.2	1
43	Human Colonization with Extended-Spectrum Beta-Lactamase-Producing in Relation to Animal and Environmental Exposures in Bangladesh: An Observational One Health Study. <i>Environmental Health Perspectives</i> , <b>2021</b> , 129, 37001	8.4	6
42	The African urban food environment framework for creating healthy nutrition policy and interventions in urban Africa. <i>PLoS ONE</i> , <b>2021</b> , 16, e0249621	3.7	6
41	Motivating antibiotic stewardship in Bangladesh: identifying audiences and target behaviours using the behaviour change wheel. <i>BMC Public Health</i> , <b>2021</b> , 21, 968	4.1	1
40	Improving nutritional status among urban poor children in sub-Saharan Africa: An evidence-informed Delphi-based consultation. <i>Maternal and Child Nutrition</i> , <b>2021</b> , 17, e13099	3.4	4
39	Urban physical food environments drive dietary behaviours in Ghana and Kenya: A photovoice study. <i>Health and Place</i> , <b>2021</b> , 71, 102647	4.6	4
38	High prevalence of plasmid-mediated quinolone resistance (PMQR) among E. coli from aquatic environments in Bangladesh.. <i>PLoS ONE</i> , <b>2021</b> , 16, e0261970	3.7	1
37	Antibiotic consumption may be linked to exaggeration of COVID-19. <i>Medical Hypotheses</i> , <b>2020</b> , 143, 109913	3.13	4
36	Dietary behaviours in the context of nutrition transition: a systematic review and meta-analyses in two African countries. <i>Public Health Nutrition</i> , <b>2020</b> , 23, 1948-1964	3.3	13
35	Tackling antimicrobial resistance in Bangladesh: A scoping review of policy and practice in human, animal and environment sectors. <i>PLoS ONE</i> , <b>2020</b> , 15, e0227947	3.7	33
34	Occurrence and genetic characteristics of mcr-1-positive colistin-resistant E. coli from poultry environments in Bangladesh. <i>Journal of Global Antimicrobial Resistance</i> , <b>2020</b> , 22, 546-552	3.4	14
33	What contributes to inappropriate antibiotic dispensing among qualified and unqualified healthcare providers in Bangladesh? A qualitative study. <i>BMC Health Services Research</i> , <b>2020</b> , 20, 656	2.9	16
32	Overprescribing antibiotics for asymptomatic bacteriuria in older adults: a case series review of admissions in two UK hospitals. <i>Antimicrobial Resistance and Infection Control</i> , <b>2019</b> , 8, 71	6.2	9
31	Pathways of antibiotic use in Bangladesh: qualitative protocol for the PAUSE study. <i>BMJ Open</i> , <b>2019</b> , 9, e028215	3	13

30	Gaps in communication between different staff groups and older adult patients foster unnecessary antibiotic prescribing for urinary tract infections in hospitals: a qualitative translation approach. <i>Antimicrobial Resistance and Infection Control</i> , <b>2019</b> , 8, 130	6.2	4
29	Human exposure to antimicrobial resistance from poultry production: Assessing hygiene and waste-disposal practices in Bangladesh. <i>International Journal of Hygiene and Environmental Health</i> , <b>2019</b> , 222, 1068-1076	6.9	14
28	Mass deworming for improving health and cognition of children in endemic helminth areas: A systematic review and individual participant data network meta-analysis. <i>Campbell Systematic Reviews</i> , <b>2019</b> , 15, e1058	2.1	3
27	Pathways to antibiotics in Bangladesh: A qualitative study investigating how and when households access medicine including antibiotics for humans or animals when they are ill. <i>PLoS ONE</i> , <b>2019</b> , 14, e0225270	3.7	13
26	Deworming children for soil-transmitted helminths in low and middle-income countries: systematic review and individual participant data network meta-analysis. <i>Journal of Development Effectiveness</i> , <b>2019</b> , 11, 288-306	0.6	4
25	Pathways to antibiotics in Bangladesh: A qualitative study investigating how and when households access medicine including antibiotics for humans or animals when they are ill <b>2019</b> , 14, e0225270		
24	Pathways to antibiotics in Bangladesh: A qualitative study investigating how and when households access medicine including antibiotics for humans or animals when they are ill <b>2019</b> , 14, e0225270		
23	Pathways to antibiotics in Bangladesh: A qualitative study investigating how and when households access medicine including antibiotics for humans or animals when they are ill <b>2019</b> , 14, e0225270		
22	Pathways to antibiotics in Bangladesh: A qualitative study investigating how and when households access medicine including antibiotics for humans or animals when they are ill <b>2019</b> , 14, e0225270		
21	Human, animal and environmental contributors to antibiotic resistance in low-resource settings: integrating behavioural, epidemiological and One Health approaches. <i>Proceedings of the Royal Society B: Biological Sciences</i> , <b>2018</b> , 285,	4.4	79
20	Spatial and temporal variation in the community prevalence of antibiotic resistance in Bangladesh: an integrated surveillance study protocol. <i>BMJ Open</i> , <b>2018</b> , 8, e023158	3	5
19	Reducing health inequalities among girls and adolescent women living in poverty: the success of Bangladesh. <i>Annals of Human Biology</i> , <b>2016</b> , 43, 115-21	1.7	4
18	Community readiness for adolescents overweight and obesity prevention is low in urban South Africa: a case study. <i>BMC Public Health</i> , <b>2016</b> , 16, 763	4.1	12
17	Ethnic and sex differences in skeletal maturation among the Birth to Twenty cohort in South Africa. <i>Archives of Disease in Childhood</i> , <b>2015</b> , 100, 138-43	2.2	56
16	Socio-economic influences on anthropometric status in urban South African adolescents: sex differences in the Birth to Twenty Plus cohort. <i>Public Health Nutrition</i> , <b>2015</b> , 18, 2998-3012	3.3	20
15	Household environment and behavioral determinants of respiratory tract infection in infants and young children in northern Bangladesh. <i>American Journal of Human Biology</i> , <b>2015</b> , 27, 851-8	2.7	4
14	Guidelines for Physical Activity during Pregnancy: Comparisons From Around the World. <i>American Journal of Lifestyle Medicine</i> , <b>2014</b> , 8, 102-121	1.9	157
13	Summary of international guidelines for physical activity after pregnancy. <i>Obstetrical and Gynecological Survey</i> , <b>2014</b> , 69, 407-14	2.4	51

12	Determinants of relative skeletal maturity in South African children. <i>Bone</i> , <b>2012</b> , 50, 259-64	4.7	17
11	Sex differences in infant mortality in Spitalfields, London, 1750-1839. <i>Journal of Biosocial Science</i> , <b>2012</b> , 44, 95-119	1.6	18
10	A comparison of the National Center for Health Statistics and new World Health Organization growth references for school-age children and adolescents with the use of data from 11 low-income countries. <i>American Journal of Clinical Nutrition</i> , <b>2011</b> , 94, 571-7	7	6
9	Secular trends in skeletal maturity in South Africa: 1962-2001. <i>Annals of Human Biology</i> , <b>2009</b> , 36, 584-94	1.7	44
8	Breast-feeding and maternal mental well-being among Bangladeshi and Pakistani women in north-east England. <i>Public Health Nutrition</i> , <b>2008</b> , 11, 486-92	3.3	9
7	Significant changes in physical activity among pregnant women in the UK as assessed by accelerometry and self-reported activity. <i>European Journal of Clinical Nutrition</i> , <b>2006</b> , 60, 393-400	5.2	101
6	Activity patterns and time allocation during pregnancy: a longitudinal study of British women. <i>Annals of Human Biology</i> , <b>2005</b> , 32, 247-58	1.7	40
5	Factors affecting birthweight of rural Australian Aborigines. <i>Annals of Human Biology</i> , <b>2002</b> , 29, 363-72	1.7	14
4	Anthelmintic treatment of rural Bangladeshi children: effect on host physiology, growth, and biochemical status. <i>American Journal of Clinical Nutrition</i> , <b>2001</b> , 73, 53-60	7	67
3	Gender bias in South Asia: effects on child growth and nutritional status <b>1999</b> , 37-52		5
2	Seasonality of low birthweight in indigenous Australians: an increase in pre-term birth or intrauterine growth retardation?. <i>Australian and New Zealand Journal of Public Health</i> , <b>1998</b> , 22, 669-72	2.3	24
1	Maternal reports of child illness and the biochemical status of the child: the use of morbidity interviews in rural Bangladesh. <i>British Journal of Nutrition</i> , <b>1998</b> , 80, 451-6	3.6	13
