| #   | Paper   | IF  | Citations |
|-----|---|-----|-----------|
| 285 | Prevalence of psychiatric disorders in children and adolescents with and without intellectual disability. <i>Journal of Intellectual Disability Research</i> , <b>2003</b> , 47, 51-8   | 3.2 | 471       |
| 284 | The prevalence of challenging behaviors: a total population study. <i>Research in Developmental Disabilities</i> , <b>2001</b> , 22, 77-93  | 2.7 | 435       |
| 283 | Mental health of children and adolescents with intellectual disabilities in Britain. <i>British Journal of Psychiatry</i> , <b>2007</b> , 191, 493-9  | 5.4 | 361       |
| 282 | Mothers supporting children with autistic spectrum disorders: social support, mental health status and satisfaction with services. <i>Autism</i> , <b>2004</b> , 8, 409-23  | 6.6 | 336       |
| 281 | Comorbidity of intellectual disability and mental disorder in children and adolescents: a systematic review. <i>Journal of Intellectual and Developmental Disability</i> , <b>2011</b> , 36, 137-43   | 1.9 | 285       |
| 280 | Mothers of children and adolescents with intellectual disability: social and economic situation, mental health status, and the self-assessed social and psychological impact of the child's difficulties. <i>Journal of Intellectual Disability Research</i> , <b>2003</b> , 47, 385-99 | 3.2 | 284       |
| 279 | Lifestyle related risk factors for poor health in residential settings for people with intellectual disabilities. <i>Research in Developmental Disabilities</i> , <b>2000</b> , 21, 469-86  | 2.7 | 258       |
| 278 | A population-based investigation of behavioural and emotional problems and maternal mental health: associations with autism spectrum disorder and intellectual disability. <i>Journal of Child Psychology and Psychiatry and Allied Disciplines</i> , <b>2011</b> , 52, 91-9            | 7.9 | 254       |
| 277 | Challenging Behaviour: Analysis and Intervention in People with Severe Intellectual Disabilities <b>2001</b> ,  |     | 227       |
| 276 | Poverty and people with intellectual disabilities. <i>Mental Retardation and Developmental Disabilities Research Reviews</i> , <b>2007</b> , 13, 107-13   |     | 224       |
| 275 | Underweight, obesity and exercise among adults with intellectual disabilities in supported accommodation in Northern England. <i>Journal of Intellectual Disability Research</i> , <b>2005</b> , 49, 134-43   | 3.2 | 187       |
| 274 | Social networks of people with mental retardation in residential settings. <i>Mental Retardation</i> , <b>2001</b> , 39, 201-14   |     | 153       |
| 273 | Prevalence of epilepsy among people with intellectual disabilities: A systematic review. <i>Seizure: the Journal of the British Epilepsy Association</i> , <b>2015</b> , 29, 46-62  | 3.2 | 138       |
| 272 | Living circumstances of children and adults with mental retardation or developmental disabilities in the United States, Canada, England and Wales, and Australia. <i>Mental Retardation and Developmental Disabilities Research Reviews</i> , <b>2001</b> , 7, 115-21                   |     | 133       |
| 271 | Beliefs and emotional reactions of care staff working with people with challenging behaviour. <i>Journal of Intellectual Disability Research</i> , <b>1995</b> , 39 ( Pt 4), 341-52   | 3.2 | 133       |
| 270 | The mental health of young children with intellectual disabilities or borderline intellectual functioning. <i>Social Psychiatry and Psychiatric Epidemiology</i> , <b>2010</b> , 45, 579-87   | 4.5 | 132       |
| 269 | Socio-economic position, household composition, health status and indicators of the well-being of mothers of children with and without intellectual disabilities. <i>Journal of Intellectual Disability Research</i> , <b>2006</b> , 50, 862-73   | 3.2 | 126       |

|     |   |     |     |
|-----|---|-----|-----|
| 268 | Deprivation, ethnicity and the prevalence of intellectual and developmental disabilities. <i>Journal of Epidemiology and Community Health</i> , <b>2012</b> , 66, 218-24  | 5.1 | 122 |
| 267 | Health inequalities and people with learning disabilities in the UK. <i>Tizard Learning Disability Review</i> , <b>2011</b> , 16, 42-48   | 0.4 | 120 |
| 266 | Health status and health risks of the "hidden majority" of adults with intellectual disability. <i>Intellectual and Developmental Disabilities</i> , <b>2011</b> , 49, 155-65   | 2   | 114 |
| 265 | Treatment and Management of Challenging Behaviours in Residential Settings. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>2000</b> , 13, 197-215   | 2.2 | 112 |
| 264 | Deinstitutionalization in the UK and Ireland: Outcomes for service users. <i>Journal of Intellectual and Developmental Disability</i> , <b>1996</b> , 21, 17-37   | 1.9 | 111 |
| 263 | Behavior problems at 5 years of age and maternal mental health in autism and intellectual disability. <i>Journal of Abnormal Child Psychology</i> , <b>2011</b> , 39, 1137-47   | 4   | 105 |
| 262 | Emotional and behavioural difficulties in young children with and without developmental delay: a bi-national perspective. <i>Journal of Child Psychology and Psychiatry and Allied Disciplines</i> , <b>2010</b> , 51, 583-93           | 7.9 | 103 |
| 261 | Poverty, socio-economic position, social capital and the health of children and adolescents with intellectual disabilities in Britain: a replication. <i>Journal of Intellectual Disability Research</i> , <b>2007</b> , 51, 866-74     | 2.2 | 103 |
| 260 | The form and function of challenging behaviours. <i>Journal of Intellectual Disability Research</i> , <b>1995</b> , 39 ( Pt 5), 388-98  | 3.2 | 103 |
| 259 | The Relationship Between Life Events and Psychopathology Amongst Children with Intellectual Disabilities. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>2004</b> , 17, 109-117                                   | 2.2 | 100 |
| 258 | Contribution of socioeconomic position to health inequalities of British children and adolescents with intellectual disabilities. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2007</b> , 112, 140-50    |     | 96  |
| 257 | Friendship Activities of Adults with Intellectual Disabilities in Supported Accommodation in Northern England. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>2004</b> , 17, 191-197                              | 2.2 | 96  |
| 256 | Challenging Behaviour <b>2011</b> ,   |     | 87  |
| 255 | Predicting the persistence of severe self-injurious behavior. <i>Research in Developmental Disabilities</i> , <b>2001</b> , 22, 67-75   | 2.7 | 83  |
| 254 | The health of disabled people and the social determinants of health. <i>Public Health</i> , <b>2011</b> , 125, 145-7  | 4   | 81  |
| 253 | Use of the Strengths and Difficulties Questionnaire to assess the mental health needs of children and adolescents with intellectual disabilities. <i>Journal of Intellectual and Developmental Disability</i> , <b>2005</b> , 30, 14-23 | 1.9 | 80  |
| 252 | The physical health of British adults with intellectual disability: cross sectional study. <i>International Journal for Equity in Health</i> , <b>2016</b> , 15, 11   | 4.6 | 79  |
| 251 | Variations in the social inclusion of people with intellectual disabilities in supported living schemes and residential settings. <i>Journal of Intellectual Disability Research</i> , <b>2007</b> , 51, 207-17                         | 3.2 | 75  |

|     |  |     |    |
|-----|--|-----|----|
| 250 | Receipt of psychotropic medication by people with intellectual disability in residential settings. <i>Journal of Intellectual Disability Research</i> , <b>2000</b> , 44 ( Pt 6), 666-76   | 3.2 | 74 |
| 249 | Quality and costs of community-based residential supports, village communities, and residential campuses in the United Kingdom. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2000</b> , 105, 81-102                           |     | 73 |
| 248 | Poverty and children with intellectual disabilities in the world's richer countries. <i>Journal of Intellectual and Developmental Disability</i> , <b>2004</b> , 29, 319-338   | 1.9 | 69 |
| 247 | Socioeconomic circumstances and risk of psychiatric disorders among parents of children with early cognitive delay. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2010</b> , 115, 30-42  | 2.2 | 67 |
| 246 | Quality and costs of supported living residences and group homes in the United Kingdom. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2001</b> , 106, 401-15   |     | 67 |
| 245 | Receipt of psychotropic medication by people with intellectual disability in residential settings. <i>Journal of Intellectual Disability Research</i> , <b>2000</b> , 44, 666-676  | 3.2 | 67 |
| 244 | The impact of health checks for people with intellectual disabilities: an updated systematic review of evidence. <i>Research in Developmental Disabilities</i> , <b>2014</b> , 35, 2450-62   | 2.7 | 66 |
| 243 | Quality of life indicators for individuals with intellectual disabilities: extending current practice. <i>Intellectual and Developmental Disabilities</i> , <b>2013</b> , 51, 316-32   | 2   | 66 |
| 242 | Living with support in a home in the community: predictors of behavioral development and household and community activity. <i>Mental Retardation and Developmental Disabilities Research Reviews</i> , <b>2001</b> , 7, 75-83                                |     | 65 |
| 241 | A review of choice research with people with severe and profound developmental disabilities. <i>Research in Developmental Disabilities</i> , <b>1996</b> , 17, 391-411   | 2.7 | 65 |
| 240 | Socioeconomic disadvantage, social participation and networks and the self-rated health of English men and women with mild and moderate intellectual disabilities: cross sectional survey. <i>European Journal of Public Health</i> , <b>2008</b> , 18, 31-7 | 2.1 | 64 |
| 239 | Household income and health status in children and adolescents in Britain. <i>European Journal of Public Health</i> , <b>2006</b> , 16, 354-60   | 2.1 | 62 |
| 238 | Issues concerning self-report data and population-based data sets involving people with intellectual disabilities. <i>Intellectual and Developmental Disabilities</i> , <b>2013</b> , 51, 333-48   | 2   | 60 |
| 237 | How much does intellectual disability really cost? First estimates for Australia. <i>Journal of Intellectual and Developmental Disability</i> , <b>2012</b> , 37, 42-9   | 1.9 | 60 |
| 236 | The impact of health checks for people with intellectual disabilities: a systematic review of evidence. <i>Journal of Intellectual Disability Research</i> , <b>2011</b> , 55, 1009-19   | 3.2 | 58 |
| 235 | Self-reported smoking and alcohol use among adolescents with intellectual disabilities. <i>Journal of Intellectual Disabilities</i> , <b>2005</b> , 9, 58-69   | 1.8 | 57 |
| 234 | Setting global research priorities for developmental disabilities, including intellectual disabilities and autism. <i>Journal of Intellectual Disability Research</i> , <b>2014</b> , 58, 1121-30  | 3.2 | 56 |
| 233 | Treatment and management of challenging behaviours in congregate and noncongregate community-based supported accommodation. <i>Journal of Intellectual Disability Research</i> , <b>2005</b> , 49, 63-72   | 3.2 | 56 |

|     |   |     |    |
|-----|---|-----|----|
| 232 | Person-centred planning: factors associated with successful outcomes for people with intellectual disabilities. <i>Journal of Intellectual Disability Research</i> , <b>2007</b> , 51, 232-43   | 3.2 | 55 |
| 231 | The quality and costs of community-based residential supports and residential campuses for people with severe and complex disabilities. <i>Journal of Intellectual and Developmental Disability</i> , <b>2000</b> , 25, 263-279                 | 1.9 | 55 |
| 230 | Self-reported exposure to disablism is associated with poorer self-reported health and well-being among adults with intellectual disabilities in England: a cross-sectional survey. <i>Public Health</i> , <b>2010</b> , 124, 682-9             | 4   | 54 |
| 229 | Predictors of the persistence of conduct difficulties in children with cognitive delay. <i>Journal of Child Psychology and Psychiatry and Allied Disciplines</i> , <b>2011</b> , 52, 1184-94  | 7.9 | 53 |
| 228 | Listening to Adolescents and Adults with Intellectual Disabilities from South Asian Communities. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>1997</b> , 10, 250-263  | 2.2 | 53 |
| 227 | The mental health of young people with disabilities: impact of social conditions. <i>Social Psychiatry and Psychiatric Epidemiology</i> , <b>2011</b> , 46, 1-10  | 4.5 | 52 |
| 226 | The effectiveness of staff support: evaluating active support training using a conditional probability approach. <i>Research in Developmental Disabilities</i> , <b>2000</b> , 21, 243-55   | 2.7 | 52 |
| 225 | Informal Carers of Adolescents and Adults with Learning Difficulties from the South Asian Communities: Family Circumstances, Service Support and Carer Stress. <i>British Journal of Social Work</i> , <b>1998</b> , 28, 821-837                | 1.2 | 52 |
| 224 | Health inequalities experienced by children and young people with intellectual disabilities: a review of literature from the United Kingdom. <i>Journal of Intellectual Disabilities</i> , <b>2011</b> , 15, 269-78                             | 1.8 | 50 |
| 223 | Trauma and Life Events in Adults with Intellectual Disability. <i>Current Developmental Disorders Reports</i> , <b>2015</b> , 2, 93-99  | 1.9 | 49 |
| 222 | Developing an evidence base for violent and disablist hate crime in Britain: findings from the life opportunities survey. <i>Journal of Interpersonal Violence</i> , <b>2014</b> , 29, 3086-104   | 2.2 | 49 |
| 221 | Mental disorders and problematic behaviours in people with intellectual disability: future directions for research. <i>Journal of Intellectual Disability Research</i> , <b>1997</b> , 41 ( Pt 6), 440-7  | 3.2 | 49 |
| 220 | Prescription of Psychotropic Medication to People with Intellectual Disabilities in Primary Health-care Settings. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>1999</b> , 12, 46-57                                     | 2.2 | 48 |
| 219 | Lower well-being of young Australian adults with self-reported disability reflects their poorer living conditions rather than health issues. <i>Australian and New Zealand Journal of Public Health</i> , <b>2012</b> , 36, 176-82 <sup>3</sup> | 2.3 | 47 |
| 218 | Self-reported well-being of women and men with intellectual disabilities in England. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2008</b> , 113, 143-55   |     | 47 |
| 217 | Outcomes and costs of community living: semi-independent living and fully staffed group homes. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2008</b> , 113, 87-101   |     | 47 |
| 216 | Self-reported anti-social behaviour: prevalence and risk factors amongst adolescents with and without intellectual disability. <i>Journal of Intellectual Disability Research</i> , <b>2005</b> , 49, 820-6                                     | 3.2 | 47 |
| 215 | Prevalence and risk of violence against people with and without disabilities: findings from an Australian population-based study. <i>Australian and New Zealand Journal of Public Health</i> , <b>2016</b> , 40, 16-21                          | 2.3 | 47 |

|     |  |     |    |
|-----|--|-----|----|
| 214 | Is there a bidirectional relationship between maternal well-being and child behavior problems in autism spectrum disorders? Longitudinal analysis of a population-defined sample of young children. <i>Autism Research</i> , <b>2013</b> , 6, 201-11 | 5.1 | 46 |
| 213 | Emotional and behavioural needs of children and adolescents with intellectual disabilities in an urban conurbation. <i>Journal of Intellectual Disability Research</i> , <b>2005</b> , 49, 16-24   | 3.2 | 45 |
| 212 | Health Inequalities and People with Intellectual Disabilities <b>2013</b> ,  |     | 45 |
| 211 | Commentary: Childhood exposure to environmental adversity and the well-being of people with intellectual disabilities. <i>Journal of Intellectual Disability Research</i> , <b>2013</b> , 57, 589-600  | 3.2 | 44 |
| 210 | Poverty transitions among families supporting a child with intellectual disability. <i>Journal of Intellectual and Developmental Disability</i> , <b>2010</b> , 35, 224-34   | 1.9 | 44 |
| 209 | Short form of the developmental behaviour checklist. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2007</b> , 112, 31-9  |     | 44 |
| 208 | Environmental risk factors associated with the persistence of conduct difficulties in children with intellectual disabilities and autistic spectrum disorders. <i>Research in Developmental Disabilities</i> , <b>2014</b> , 35, 3508-17             | 2.7 | 43 |
| 207 | The developmental health of children of parents with intellectual disabilities: cross sectional study. <i>Research in Developmental Disabilities</i> , <b>2014</b> , 35, 917-21  | 2.7 | 43 |
| 206 | Supported Accommodation for People With Intellectual Disabilities and Quality of Life: An Overview. <i>Journal of Policy and Practice in Intellectual Disabilities</i> , <b>2010</b> , 7, 137-142  | 1.8 | 43 |
| 205 | The socio-economic circumstances of children at risk of disability in Britain. <i>Disability and Society</i> , <b>2007</b> , 22, 563-580   | 1.8 | 43 |
| 204 | The Resident Choice Scale: a measure to assess opportunities for self-determination in residential settings. <i>Journal of Intellectual Disability Research</i> , <b>2004</b> , 48, 103-13   | 3.2 | 43 |
| 203 | Environmental opportunities and supports for exercising self-determination in community-based residential settings. <i>Research in Developmental Disabilities</i> , <b>2001</b> , 22, 487-502  | 2.7 | 43 |
| 202 | Factors associated with staff support and resident lifestyle in services for people with multiple disabilities: a path analytic approach. <i>Journal of Intellectual Disability Research</i> , <b>1996</b> , 40, 466-477                             | 3.2 | 43 |
| 201 | The impacts of short break provision on families with a disabled child: an international literature review. <i>Health and Social Care in the Community</i> , <b>2011</b> , 19, 337-71  | 2.6 | 41 |
| 200 | The Transition cliff: In the administrative prevalence of learning disabilities in England. <i>Tizard Learning Disability Review</i> , <b>2012</b> , 17, 139-143   | 0.4 | 41 |
| 199 | Overweight and obesity in 3- and 5-year-old children with and without developmental delay. <i>Public Health</i> , <b>2009</b> , 123, 130-3   | 4   | 41 |
| 198 | Longitudinal analysis of the impact and cost of person-centered planning for people with intellectual disabilities in England. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2006</b> , 111, 400-16                    |     | 40 |
| 197 | Prevalence and factors associated with polypharmacy in Victorian adults with intellectual disability. <i>Research in Developmental Disabilities</i> , <b>2014</b> , 35, 3071-80  | 2.7 | 38 |

|     |  |     |    |
|-----|--|-----|----|
| 196 | The Disclosure Process and its Impact on South Asian Families with a Child with Severe Intellectual Disabilities. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>2003</b> , 16, 177-188  | 2.2 | 38 |
| 195 | Loneliness, social support, social isolation and wellbeing among working age adults with and without disability: Cross-sectional study. <i>Disability and Health Journal</i> , <b>2021</b> , 14, 100965  | 4.2 | 38 |
| 194 | The development of a self-report measure to assess the location and intensity of pain in people with intellectual disabilities. <i>Journal of Intellectual Disability Research</i> , <b>1998</b> , 42 ( Pt 1), 72-80   | 3.2 | 37 |
| 193 | The mental health of Australian mothers and fathers of young children at risk of disability. <i>Australian and New Zealand Journal of Public Health</i> , <b>2008</b> , 32, 53-9   | 2.3 | 37 |
| 192 | Health behaviours and mental health status of parents with intellectual disabilities: cross sectional study. <i>Public Health</i> , <b>2013</b> , 127, 1111-6  | 4   | 36 |
| 191 | Specialised Treatment Units for People With Challenging Behaviours. <i>Journal of the British Institute of Mental Handicap (APEX)</i> , <b>2009</b> , 19, 113-119  |     | 36 |
| 190 | Families with a person with intellectual disabilities: stress and impact. <i>Current Opinion in Psychiatry</i> , <b>2003</b> , 16, 497-501   | 4.9 | 36 |
| 189 | Parenting and the behavior problems of young children with an intellectual disability: concurrent and longitudinal relationships in a population-based study. <i>American Journal on Intellectual and Developmental Disabilities</i> , <b>2014</b> , 119, 422-35 | 2.2 | 35 |
| 188 | The social context of parenting 3-year-old children with developmental delay in the UK. <i>Child: Care, Health and Development</i> , <b>2009</b> , 35, 63-70   | 2.8 | 35 |
| 187 | Levels of Psychological Distress Experienced by Family Carers of Children and Adolescents with Intellectual Disabilities in an Urban Conurbation. <i>Journal of Applied Research in Intellectual Disabilities</i> , <b>2004</b> , 17, 77-84                      | 2.2 | 35 |
| 186 | Child Disability and the Dynamics of Family Poverty, Hardship and Financial Strain: Evidence from the UK. <i>Journal of Social Policy</i> , <b>2011</b> , 40, 653-673  | 0.9 | 34 |
