

# Robert J Yawn

## List of Publications by Year in Descending Order

**Source:** <https://exaly.com/author-pdf/3411339/robert-j-yawn-publications-by-year.pdf>

**Version:** 2024-04-28

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

32  
papers

230

| #  | Paper                                                                                                                                                                                                                           | IF  | Citations |
|----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----------|
| 32 | Outcomes of Transzygomatic Middle Cranial Fossa Approach for Skull Base Tumors-A Single Institutional Experience. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2021</b> , 82, e205-e210                      | 1.5 |           |
| 31 | Comparison of Small Intestinal Submucosal Graft and Autologous Tissue in Prevention of CSF leak after Posterior Fossa Craniotomy. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2021</b> , 82, 695-699        | 1.5 | 0         |
| 30 | No Shortage of Decibels in Music City: Evaluation of Noise Exposure in Urban Music Venues. <i>Laryngoscope</i> , <b>2021</b> , 131, 25-27                                                                                       | 3.6 | 0         |
| 29 | Cerebrospinal Fluid Leaks of the Posterior Fossa: Patient Characteristics and Imaging Features. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2021</b> , 82, 345-350                                          | 1.5 | 0         |
| 28 | Hearing Preservation Outcomes Using a Precurved Electrode Array Inserted With an External Sheath. <i>Otology and Neurotology</i> , <b>2020</b> , 41, 33-38                                                                      | 2.6 | 13        |
| 27 | Impact of Obesity and Obstructive Sleep Apnea in Lateral Skull Base Cerebrospinal Fluid Leak Repair. <i>Laryngoscope</i> , <b>2020</b> , 130, 2234-2240                                                                         | 3.6 | 6         |
| 26 | Mucosal impedance of the larynx: A technical report. <i>International Journal of Pediatric Otorhinolaryngology</i> , <b>2019</b> , 121, 123-126                                                                                 | 1.7 |           |
| 25 | Long-Term Hearing Outcomes following Total Ossicular Reconstruction with Titanium Prostheses. <i>Otolaryngology - Head and Neck Surgery</i> , <b>2019</b> , 161, 123-129                                                        | 5.5 | 8         |
| 24 | Auditory Neuropathy: Bridging the Gap Between Hearing Aids and Cochlear Implants. <i>Otolaryngologic Clinics of North America</i> , <b>2019</b> , 52, 349-355                                                                   | 2   | 6         |
| 23 | A New Lateral Wall Electrode: Evaluation of Surgical Handling, Radiographic Placement, and Histological Appraisal of Insertion Trauma. <i>Otology and Neurotology</i> , <b>2019</b> , 40, S23-S28                               | 2.6 | 0         |
| 22 | Intraoperative Electrically Evoked Compound Action Potential (ECAP) Measurements in Traditional and Hearing Preservation Cochlear Implantation. <i>Journal of the American Academy of Audiology</i> , <b>2019</b> , 30, 918-926 | 1.3 | 1         |
| 21 | Matched Cohort Comparison Indicates Superiority of Precurved Electrode Arrays. <i>Otology and Neurotology</i> , <b>2019</b> , 40, 1160-1166                                                                                     | 2.6 | 19        |
| 20 | Delayed Facial Nerve Paralysis after Vestibular Schwannoma Resection. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2019</b> , 80, 283-286                                                                    | 1.5 | 3         |
| 19 | Audiologic and surgical outcomes in endoscopic revision stapes surgery. <i>Laryngoscope</i> , <b>2019</b> , 129, 2366-2370                                                                                                      | 3.7 | 5         |
| 18 | Tumor Progression Following Petroclival Meningioma Subtotal Resection: A Volumetric Study. <i>Operative Neurosurgery</i> , <b>2018</b> , 14, 215-223                                                                            | 1.6 | 9         |
| 17 | Evaluation of Social Media Presence of Otolaryngology Residency Programs in the United States. <i>JAMA Otolaryngology - Head and Neck Surgery</i> , <b>2018</b> , 144, 802-806                                                  | 3.9 | 24        |
| 16 | Analysis of Otologic Drill Entanglement Using Slow Motion Videography. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2018</b> , 79, S1-S188                                                                   | 1.5 |           |

|    |                                                                                                                                                                                                                       |     |    |
|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| 15 | Hemangiopericytoma of the Skull Base Masquerading as a Middle Ear Mass: Case Report and Literature Review. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2018</b> , 79, S1-S188                     | 1.5 |    |
| 14 | Delayed Facial Nerve Paralysis after Vestibular Schwannoma Resection. <i>Journal of Neurological Surgery, Part B: Skull Base</i> , <b>2018</b> , 79, S1-S188                                                          | 1.5 |    |
| 13 | Primary Endoscopic Stapes Surgery: Audiologic and Surgical Outcomes. <i>Otology and Neurotology</i> , <b>2018</b> , 39, 1095-1101                                                                                     | 2.6 | 21 |
| 12 | Tympanic Membrane Perforation Repair Using Porcine Small Intestinal Submucosal Grafting. <i>Otology and Neurotology</i> , <b>2018</b> , 39, e332-e335                                                                 | 2.6 | 10 |
| 11 | Cochleostomy and facial recess packing alter cochlear implant electrode location in a human cochlea model. <i>American Journal of Otolaryngology - Head and Neck Medicine and Surgery</i> , <b>2018</b> , 39, 489-492 | 2.8 | 2  |
| 10 | Hemangiopericytoma of the skull base masquerading as a middle ear mass: Case report and literature review. <i>Otolaryngology Case Reports</i> , <b>2018</b> , 8, 5-8                                                  | 0.3 | 2  |
| 9  | Audiometric Outcomes Following Endoscopic Ossicular Chain Reconstruction. <i>Otology and Neurotology</i> , <b>2017</b> , 38, 1296-1300                                                                                | 2.6 | 24 |
| 8  | Primary Epidermoid Tumors of the Cerebellopontine Angle: A Review of 47 Cases. <i>Otology and Neurotology</i> , <b>2016</b> , 37, 951-5                                                                               | 2.6 | 12 |
| 7  | Facial nerve repair after operative injury: Impact of timing on hypoglossal-facial nerve graft outcomes. <i>American Journal of Otolaryngology - Head and Neck Medicine and Surgery</i> , <b>2016</b> , 37, 493-496   | 2.8 | 16 |
| 6  | Novel application of the Sonopet for endoscopic posterior split and cartilage graft laryngoplasty. <i>Laryngoscope</i> , <b>2016</b> , 126, 941-4                                                                     | 3.6 | 14 |
| 5  | Tracheocutaneous fistula repair with autologous auricular cartilage cap graft. <i>Laryngoscope</i> , <b>2016</b> , 126, 2085-8                                                                                        | 3.6 | 3  |
| 4  | Spontaneous resolution of a petrous apex cholesterol granuloma. <i>American Journal of Otolaryngology - Head and Neck Medicine and Surgery</i> , <b>2016</b> , 37, 452-4                                              | 2.8 | 1  |
| 3  | Eosinophilic Laryngitis in Children with Aerodigestive Dysfunction. <i>Otolaryngology - Head and Neck Surgery</i> , <b>2015</b> , 153, 124-9                                                                          | 5.5 | 14 |
| 2  | The utility of bronchoalveolar lavage findings in the diagnosis of eosinophilic esophagitis in children. <i>International Journal of Pediatric Otorhinolaryngology</i> , <b>2015</b> , 79, 1834-7                     | 1.7 | 2  |
| 1  | Lateral-to-malleus underlay tympanoplasty: surgical technique and outcomes. <i>Otology and Neurotology</i> , <b>2014</b> , 35, 1809-12                                                                                | 2.6 | 17 |
