#	Article	IF	CITATIONS
1	Thrombectomy of Femoro-Femoral Bypass Graft Occlusion Using the AngioJet Rheolytic Thrombectomy System and Embolic Protection Device: A Case Report. Journal of the Korean Society of Radiology, 2021, 82, 447.	0.2	0
2	Clinical Utility of the Modified Snare Technique for Percutaneous Antegrade Removal of Double J Ureteral Stents. Journal of Vascular and Interventional Radiology, 2020, 31, 155-161.	0.5	6
3	CT Angiographic Evaluation of Congenital Anastomoses between Femoropopliteal Vein and Deep Femoral Vein: Types and Incidence. Journal of Vascular and Interventional Radiology, 2020, 31, 265-269.	0.5	1
4	Prevalence and predictors of peripherally inserted central venous catheter associated bloodstream infections in cancer patients. Medicine (United States), 2020, 99, e19056.	1.0	16
5	Outcome of Percutaneous Intervention in Dysfunctional Loop versus Straight Arteriovenous Grafts in Hemodialysis Patients. Journal of the Belgian Society of Radiology, 2020, 104, 46.	0.3	0
6	Feasibility and Effectiveness of Hepatic Artery Guiding Technique in Transjugular Intrahepatic Portosystemic Shunt Procedure. Iranian Journal of Radiology, 2020, 17, .	0.2	1
7	Prevalence and predictors of peripherally inserted central catheter-associated bloodstream infections in adults: A multicenter cohort study. PLoS ONE, 2019, 14, e0213555.	2.5	14
8	Impact of subcutaneous tunnels on peripherally inserted catheter placement: a multicenter retrospective study. European Radiology, 2019, 29, 2716-2723.	4.5	18
9	Unexpected Metastasis of Intraductal Papillary Mucinous Neoplasm of the Bile Duct into Thoracic Cavity with Direct Extension: Case Report. Journal of the Korean Society of Radiology, 2012, 67, 113.	0.2	0
10	Intracranial Convexity Lipoma with Massive Calcification: Case Report. Journal of the Korean Society of Radiology, 2011, 65, 533.	0.2	0
11	Arteriovenous Fistula at Scalp: Rapid Progression After Embolization of Contralateral Facial	0.2	1
