#	ARTICLE	IF	CITATIONS
1	Equity of health financing in Indonesia: A 5-year financing incidence analysis (2015–2019). <i>The Lancet Regional Health - Western Pacific</i> , 2022, 21, 100400.	1.3	6
2	Collective sensemaking for action: researchers and decision makers working collaboratively to strengthen health systems. <i>BMJ</i> , The, 2021, 372, m4650.	3.0	19
3	Prioritizing people and rapid learning in times of crisis: A virtual learning initiative to support health workers during the COVID-19 pandemic. <i>International Journal of Health Planning and Management</i> , 2021, 36, 168-173.	0.7	10
4	Bottom-up innovation for health management capacity development: a qualitative case study in a South African health district. <i>BMC Public Health</i> , 2021, 21, 587.	1.2	8
5	Introduction to the Special Issue on "Analysing the Politics of Health Policy Change in Low- and Middle-Income Countries: The HPA Fellowship Programme 2017-2019". <i>International Journal of Health Policy and Management</i> , 2021, , .	0.5	3
6	Health system responsiveness: a systematic evidence mapping review of the global literature. <i>International Journal for Equity in Health</i> , 2021, 20, 112.	1.5	32
7	A Narrative Synthesis Review of Out-of-Pocket Payments for Health Services Under Insurance Regimes: A Policy Implementation Gap Hindering Universal Health Coverage in Sub-Saharan Africa. <i>International Journal of Health Policy and Management</i> , 2021, , .	0.5	9
8	An innovative leadership development initiative to support building everyday resilience in health systems. <i>Health Policy and Planning</i> , 2021, 36, 1023-1035.	1.0	16
9	What role can health policy and systems research play in supporting responses to COVID-19 that strengthen socially just health systems?. <i>Health Policy and Planning</i> , 2020, 35, 1231-1236.	1.0	34
10	Organizational change and everyday health system resilience: Lessons from Cape Town, South Africa. <i>Social Science and Medicine</i> , 2020, 266, 113407.	1.8	29
11	Unpacking the implementation blackbox using 'actor interface analysis': how did actor relations and practices of power influence delivery of a free entitlement health policy in India?. <i>Health Policy and Planning</i> , 2020, 35, ii74-ii83.	1.0	5
12	Justice: a key consideration in health policy and systems research ethics. <i>BMJ Global Health</i> , 2020, 5, e001942.	2.0	10
13	Shocks, stress and everyday health system resilience: experiences from the Kenyan coast. <i>Health Policy and Planning</i> , 2020, 35, 522-535.	1.0	34
14	Prolonged health worker strikes in Kenya- perspectives and experiences of frontline health managers and local communities in Kilifi County. <i>International Journal for Equity in Health</i> , 2020, 19, 23.	1.5	41
15	The Practice of Power by Regional Managers in the Implementation of an Indigenous Peoples Health Policy in the Philippines. <i>International Journal of Health Policy and Management</i> , 2020, , .	0.5	3
16	Sometimes Resigned, Sometimes Conflicted, and Mostly Risk Averse: Primary Care Doctors in India as Street Level Bureaucrats. <i>International Journal of Health Policy and Management</i> , 2020, , .	0.5	5
17	Application of "Actor Interface Analysis" to Examine Practices of Power in Health Policy Implementation: An Interpretive Synthesis and Guiding Steps. <i>International Journal of Health Policy and Management</i> , 2020, , .	0.5	9
18	"The Actor Is Policy": Application of Elite Theory to Explore Actors'™ Interests and Power Underlying Maternal Health Policies in Uganda, 2000-2015. <i>International Journal of Health Policy and Management</i> , 2020, , .	0.5	5

#	ARTICLE	IF	CITATIONS
19	Reflections from South Africa on the Value and Application of a Political Economy Lens for Health Financing Reform. <i>Health Systems and Reform</i> , 2019, 5, 236-243.	0.6	12
20	Paramedics, poetry, and film: health policy and systems research at the intersection of theory, art, and practice. <i>Human Resources for Health</i> , 2019, 17, 64.	1.1	7
21	Health system strengtheningâ€™ Reflections on its meaning, assessment, and our state of knowledge. <i>International Journal of Health Planning and Management</i> , 2019, 34, e1980-e1989.	0.7	61
22	A qualitative study of the dissemination and diffusion of innovations: bottom up experiences of senior managers in three health districts in South Africa. <i>International Journal for Equity in Health</i> , 2019, 18, 53.	1.5	8
23	A decade of aid coordination in post-conflict Burundiâ€™s health sector. <i>Globalization and Health</i> , 2019, 15, 25.	2.4	4
24	How context affects implementation of the Primary Health Care approach: an analysis of what happened to primary health centres in India. <i>BMJ Global Health</i> , 2019, 3, e001381.	2.0	14
25	Health systems for all in the SDG era: key reflections based on the Liverpool statement for the fifth global symposium on health systems research. <i>Health Policy and Planning</i> , 2019, 34, ii135-ii138.	1.0	3
26	Factors that influence patient empowerment in inpatient chronic care: early thoughts on a diabetes care intervention in South Africa. <i>BMC Endocrine Disorders</i> , 2019, 19, 133.	0.9	17
27	Implementing large-scale health system strengthening interventions: experience from the better health outcomes through mentoring and assessments (BHOMA) project in Zambia. <i>BMC Health Services Research</i> , 2018, 18, 795.	0.9	4
28	Strategic leadership capacity building for Sub-Saharan African health systems and public health governance: a multi-country assessment of essential competencies and optimal design for a Pan African DrPH. <i>Health Policy and Planning</i> , 2018, 33, ii35-ii49.	1.0	14
29	What Is Resilience and How Can It Be Nurtured? A Systematic Review of Empirical Literature on Organizational Resilience. <i>International Journal of Health Policy and Management</i> , 2018, 7, 491-503.	0.5	327
30	Leadership experiences and practices of South African health managers: what is the influence of gender? -a qualitative, exploratory study. <i>International Journal for Equity in Health</i> , 2018, 17, 148.	1.5	14
31	Performance management in times of change: experiences of implementing a performance assessment system in a district in South Africa. <i>International Journal for Equity in Health</i> , 2018, 17, 141.	1.5	13
32	An evaluation of health systems equity in Indonesia: study protocol. <i>International Journal for Equity in Health</i> , 2018, 17, 138.	1.5	43
33	The everyday practice of supporting health system development: learning from how an externally-led intervention was implemented in Mozambique. <i>Health Policy and Planning</i> , 2018, 33, 801-810.	1.0	13
34	Accountability mechanisms and the value of relationships: experiences of front-line managers at subnational level in Kenya and South Africa. <i>BMJ Global Health</i> , 2018, 3, e000842.	2.0	21
35	Influence of organisational culture on the implementation of health sector reforms in low- and middle-income countries: a qualitative interpretive review. <i>Global Health Action</i> , 2018, 11, 1462579.	0.7	58
36	Strengthening health system leadership for better governance: what does it take?. <i>Health Policy and Planning</i> , 2018, 33, ii1-ii4.	1.0	56

#	ARTICLE	IF	CITATIONS
37	Achievements and challenges in developing health leadership in South Africa: the experience of the Oliver Tambo Fellowship Programme 2008–2014. <i>Health Policy and Planning</i> , 2018, 33, ii50-ii64.	1.0	23
38	Accountability mechanisms for implementing a health financing option: the case of the basic health care provision fund (BHCPF) in Nigeria. <i>International Journal for Equity in Health</i> , 2018, 17, 100.	1.5	30
39	Enabling relational leadership in primary healthcare settings: lessons from the DIALHS collaboration. <i>Health Policy and Planning</i> , 2018, 33, ii65-ii74.	1.0	38
40	Everyday resilience in district health systems: emerging insights from the front lines in Kenya and South Africa. <i>BMJ Global Health</i> , 2017, 2, e000224.	2.0	138
41	How does decentralisation affect health sector planning and financial management? a case study of early effects of devolution in Kilifi County, Kenya. <i>International Journal for Equity in Health</i> , 2017, 16, 151.	1.5	66
42	Organisational culture and trust as influences over the implementation of equity-oriented policy in two South African case study hospitals. <i>International Journal for Equity in Health</i> , 2017, 16, 164.	1.5	15
43	Exploring how different modes of governance act across health system levels to influence primary healthcare facility managers' use of information in decision-making: experience from Cape Town, South Africa. <i>International Journal for Equity in Health</i> , 2017, 16, 159.	1.5	13
44	Devolution and its effects on health workforce and commodities management – early implementation experiences in Kilifi County, Kenya. <i>International Journal for Equity in Health</i> , 2017, 16, 169.	1.5	71
45	Practicing governance towards equity in health systems: LMIC perspectives and experience. <i>International Journal for Equity in Health</i> , 2017, 16, 171.	1.5	45
46	Institutional capacity to generate and use evidence in LMICs: current state and opportunities for HPSR. <i>Health Research Policy and Systems</i> , 2017, 15, 94.	1.1	37
47	From bouncing back, to nurturing emergence: reframing the concept of resilience in health systems strengthening. <i>Health Policy and Planning</i> , 2017, 32, iii91-iii94.	1.0	125
48	Research Involving Health Providers and Managers: Ethical Issues Faced by Researchers Conducting Diverse Health Policy and Systems Research in Kenya. <i>Developing World Bioethics</i> , 2016, 16, 168-177.	0.6	22
49	Boundary-spanning: reflections on the practices and principles of Global Health. <i>BMJ Global Health</i> , 2016, 1, e000058.	2.0	32
50	Everyday Politics and the Leadership of Health Policy Implementation. <i>Health Systems and Reform</i> , 2016, 2, 187-193.	0.6	45
51	The challenge of bridging the gap between researchers and policy makers: experiences of a Health Policy Research Group in engaging policy makers to support evidence informed policy making in Nigeria. <i>Globalization and Health</i> , 2016, 12, 67.	2.4	75
52	Health policy and systems research and analysis in Nigeria: examining health policymakers' and researchers' capacity assets, needs and perspectives in south-east Nigeria. <i>Health Research Policy and Systems</i> , 2016, 14, 13.	1.1	18
53	Strengthening post-graduate educational capacity for health policy and systems research and analysis: the strategy of the Consortium for Health Policy and Systems Analysis in Africa. <i>Health Research Policy and Systems</i> , 2016, 14, 29.	1.1	14
54	An open letter to The BMJ editors on qualitative research. <i>BMJ</i> , 2016, 352, i563.	3.0	234

#	ARTICLE	IF	CITATIONS
