#	Paper	IF	Citations
52	Born too soon: the global epidemiology of 15 million preterm births. <i>Reproductive Health</i> , 2013 , 10 Suppl 1, S2	3.5	1032
51	Stillbirths: rates, risk factors, and acceleration towards 2030. <i>Lancet, The</i> , 2016 , 387, 587-603	4.0	832
50	Stillbirths: recall to action in high-income countries. <i>Lancet, The</i> , 2016 , 387, 691-702	4.0	351
49	Two million intrapartum-related stillbirths and neonatal deaths: where, why, and what can be done?. <i>International Journal of Gynecology and Obstetrics</i> , 2009 , 107 Suppl 1, S5-18, S19	4	316
48	Stillbirths: economic and psychosocial consequences. <i>Lancet, The</i> , 2016 , 387, 604-616	4.0	314
47	Born too soon: preterm birth matters. <i>Reproductive Health</i> , 2013 , 10 Suppl 1, S1	3.5	305
46	Sub-Saharan Africa's mothers, newborns, and children: where and why do they die?. <i>PLoS Medicine</i> , 2010 , 7, e1000294	11.6	275
45	Every Newborn: health-systems bottlenecks and strategies to accelerate scale-up in countries. <i>Lancet, The</i> , 2014 , 384, 438-54	4.0	215
44	Stillbirths: ending preventable deaths by 2030. <i>Lancet, The</i> , 2016 , 387, 703-716	4.0	188
43	Effect of the COVID-19 pandemic response on intrapartum care, stillbirth, and neonatal mortality outcomes in Nepal: a prospective observational study. <i>The Lancet Global Health</i> , 2020 , 8, e1273-e1281	13.6	160
42	Stillbirths: progress and unfinished business. <i>Lancet, The</i> , 2016 , 387, 574-586	4.0	151
41	Newborn survival: a multi-country analysis of a decade of change. <i>Health Policy and Planning</i> , 2012 , 27 Suppl 3, iii6-28	3.4	141
40	Reducing intrapartum-related deaths and disability: can the health system deliver?. <i>International Journal of Gynecology and Obstetrics</i> , 2009 , 107 Suppl 1, S123-40, S140-2	4	128
39	Born too soon: care for the preterm baby. <i>Reproductive Health</i> , 2013 , 10 Suppl 1, S5	3.5	123
38	Who has been caring for the baby?. <i>Lancet, The</i> , 2014 , 384, 174-88	4.0	115
37	Sub-Saharan Africa's mothers, newborns, and children: how many lives could be saved with targeted health interventions?. <i>PLoS Medicine</i> , 2010 , 7, e1000295	11.6	105
36	Ending preventable maternal and newborn mortality and stillbirths. <i>BMJ, The</i> , 2015 , 351, h4255	5.9	90

35	Born too soon: accelerating actions for prevention and care of 15 million newborns born too soon. <i>Reproductive Health</i> , 2013 , 10 Suppl 1, S6	3.5	76
34	Newborn survival in Malawi: a decade of change and future implications. <i>Health Policy and Planning</i> , 2012 , 27 Suppl 3, iii88-103	3.4	57
33	Newborn survival in Nepal: a decade of change and future implications. <i>Health Policy and Planning</i> , 2012 , 27 Suppl 3, iii57-71	3.4	57
32	Scaling up quality care for mothers and newborns around the time of birth: an overview of methods and analyses of intervention-specific bottlenecks and solutions. <i>BMC Pregnancy and Childbirth</i> , 2015 , 15 Suppl 2, S1	3.2	51
31	Newborn survival in Pakistan: a decade of change and future implications. <i>Health Policy and Planning</i> , 2012 , 27 Suppl 3, iii72-87	3.4	35
30	Evidence to inform the future for maternal and newborn health. <i>Best Practice and Research in Clinical Obstetrics and Gynaecology</i> , 2016 , 36, 169-183	4.6	26
29	Respectful maternal and newborn care: building a common agenda. <i>Reproductive Health</i> , 2015 , 12, 46	3.5	21
28	Quality, equity, and dignity for women and babies. <i>Lancet, The</i> , 2016 , 388, 2066-2068	4.0	20
27	Implementation of the Every Newborn Action Plan: Progress and lessons learned. <i>Seminars in Perinatology</i> , 2015 , 39, 326-37	3.3	19
26	Assessment of Malawi's success in child mortality reduction through the lens of the Catalytic Initiative Integrated Health Systems Strengthening programme: Retrospective evaluation. <i>Journal of Global Health</i> , 2015 , 5, 020412	4.3	11
25	Lenses and levels: the why, what and how of measuring health system drivers of women's, children's and adolescents' health with a governance focus. <i>BMJ Global Health</i> , 2019 , 4, e001316	6.6	11
24	Reduction in child mortality in Ethiopia: analysis of data from demographic and health surveys. <i>Journal of Global Health</i> , 2016 , 6, 020401	4.3	10
23	The perfect storm: Disruptions to institutional delivery care arising from the COVID-19 pandemic in Nepal. <i>Journal of Global Health</i> , 2021 , 11, 05010	4.3	8
22	Improving Skin-to-Skin Practice for babies in Kangaroo Mother Care in Malawi through the use of a customized baby wrap: A randomized control trial. <i>PLoS ONE</i> , 2020 , 15, e0229720	3.7	5
21	Feasibility of community level interventions for pre-eclampsia: perspectives, knowledge and task-sharing from Nigeria, Mozambique, Pakistan and India. <i>Reproductive Health</i> , 2016 , 13, 125	3.5	5
20	Understanding the causes of preterm birth: solutions depend on context. <i>The Lancet Global Health</i> , 2019 , 7, e1000-e1001	13.6	4
19	15 Million born too soon: What neonatal nurses can do. <i>Journal of Neonatal Nursing</i> , 2013 , 19, 58-65	1	4
18	Niger's Child Survival Success, Contributing Factors and Challenges to Sustainability: A Retrospective Analysis. <i>PLoS ONE</i> , 2016 , 11, e0146945	3.7	4

17	Low birthweight: will new estimates accelerate progress?. <i>The Lancet Global Health</i> , 2019 , 7, e809-e810	13.6	3
16	Addressing the tensions and complexities involved in commissioning and undertaking implementation research in low- and middle-income countries. <i>BMJ Global Health</i> , 2018 , 3, e000741	6.6	3
15	"It might be a statistic to me, but every death matters.": An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries. <i>PLoS ONE</i> , 2020 , 15, e0243722	3.7	2
14	Maternal and perinatal death surveillance and response in low- and middle-income countries: a scoping review of implementation factors. <i>Health Policy and Planning</i> , 2021 , 36, 955-973	3.4	1
13	Galvanizing Collective Action to Accelerate Reductions in Maternal and Newborn Mortality and Prevention of Stillbirths. <i>Global Health, Science and Practice</i> , 2021 , 9, 268-273	2.8	1
12	Implementation of maternal and perinatal death reviews: a scoping review protocol. <i>BMJ Open</i> , 2019 , 9, e031328	3	1
11	Mistreatment of newborns after childbirth in health facilities in Nepal: Results from a prospective cohort observational study. <i>PLoS ONE</i> , 2021 , 16, e0246352	3.7	1
10	Are rhetorical commitments to adolescents reflected in planning documents? An exploratory content analysis of adolescent sexual and reproductive health in Global Financing Facility country plans. <i>Reproductive Health</i> , 2021 , 18, 124	3.5	0
9	Multiple pathways to scaling up and sustainability: an exploration of digital health solutions in South Africa. <i>Globalization and Health</i> , 2021 , 17, 77	10	0
8	Approaches to Evaluate the Impact of Community-Based Delivery Strategies. <i>American Journal of Tropical Medicine and Hygiene</i> , 2016 , 94, 1433	3.2	
7	Effect of COVID-19 on maternal and neonatal services - Authors' reply. <i>The Lancet Global Health</i> , 2021 , 9, e116	13.6	
6	It might be a statistic to me, but every death matters. An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries 2020 , 15, e0243722		
5	It might be a statistic to me, but every death matters. An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries 2020 , 15, e0243722		
4	It might be a statistic to me, but every death matters. An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries 2020 , 15, e0243722		
3	It might be a statistic to me, but every death matters. An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries 2020 , 15, e0243722		
2	It might be a statistic to me, but every death matters. An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries 2020 , 15, e0243722		
1	It might be a statistic to me, but every death matters. An assessment of facility-level maternal and perinatal death surveillance and response systems in four sub-Saharan African countries 2020 , 15, e0243722
