#	ARTICLE	IF	CITATIONS
1	Implications of COVID-19 for safeguarding in international development research: learning, action and reflection from a research hub. <i>BMJ Global Health</i> , 2022, 7, e008122.	4.7	3
2	A syndemic born of war: Combining intersectionality and structural violence to explore the biosocial interactions of neglected tropical diseases, disability and mental distress in Liberia. <i>PLOS Global Public Health</i> , 2022, 2, e0000551.	1.6	5
3	Leaving No One Behind: A Photovoice Case Study on Vulnerability and Wellbeing of Children Heading Households in Two Informal Settlements in Nairobi. <i>Social Sciences</i> , 2022, 11, 296.	1.4	3
4	Management of chronic lung diseases in Sudan and Tanzania: how ready are the country health systems?. <i>BMC Health Services Research</i> , 2021, 21, 734.	2.2	9
5	Economics of healthcare access in low-income and middle-income countries: a protocol for a scoping review of the economic impacts of seeking healthcare on slum-dwellers compared with other city residents. <i>BMJ Open</i> , 2021, 11, e045441.	1.9	2
6	Institutional-level drivers of gender-inequitable scientific career progression in sub-Saharan Africa. <i>Health Research Policy and Systems</i> , 2021, 19, 117.	2.8	4
7	An intersectional gender analysis of familial and socio-cultural drivers of inequitable scientific career progression of researchers in Sub-Saharan Africa. <i>Global Health Research and Policy</i> , 2021, 6, 30.	3.6	4
8	“Pneumonia has gone”: exploring perceptions of health in a cookstove intervention trial in rural Malawi. <i>BMJ Global Health</i> , 2021, 6, e004596.	4.7	5
9	“Cooking is for everyone”: Exploring the complexity of gendered dynamics in a cookstove intervention study in rural Malawi. <i>Global Health Action</i> , 2021, 14, 2006425.	1.9	6
10	Psychological resilience, fragility and the health workforce: lessons on pandemic preparedness from Liberia and Sierra Leone. <i>BMJ Global Health</i> , 2020, 5, e002873.	4.7	14
11	How to prevent and address safeguarding concerns in global health research programmes: practice, process and positionality in marginalised spaces. <i>BMJ Global Health</i> , 2020, 5, e002253.	4.7	10
12	Local response in health emergencies: key considerations for addressing the COVID-19 pandemic in informal urban settlements. <i>Environment and Urbanization</i> , 2020, 32, 503-522.	2.6	167
13	Achieving SDG related sexual and reproductive health targets in China: what are appropriate indicators and how we interpret them?. <i>Reproductive Health</i> , 2020, 17, 84.	3.1	10
14	“I wanted evidence that my status had changed, so that is why I tested”: experiences with HIV self-testing among female sex workers in Malawi. <i>AIDS Care - Psychological and Socio-Medical Aspects of AIDS/HIV</i> , 2020, 32, 206-213.	1.2	10
15	Sustained Reduction in Third-generation Cephalosporin Usage in Adult Inpatients Following Introduction of an Antimicrobial Stewardship Program in a Large, Urban Hospital in Malawi. <i>Clinical Infectious Diseases</i> , 2020, 71, e478-e486.	5.8	20
16	Addressing the persistent inequities in immunization coverage. <i>Bulletin of the World Health Organization</i> , 2020, 98, 146-148.	3.3	45
17	Perceptions of quality of care during birth at private Chiranjeevi facilities in Gujarat: lessons for Universal Health Coverage. <i>Sexual and Reproductive Health Matters</i> , 2020, 28, 1850199.	1.8	2
18	“He is suitable for her, of course he is our relative”: a qualitative exploration of the drivers and implications of child marriage in Gezira State, Sudan. <i>BMJ Global Health</i> , 2019, 4, e001264.	4.7	10

#	ARTICLE	IF	CITATIONS
19	Neglected tropical disease as a "biographical disruption": Listening to the narratives of affected persons to develop integrated people centred care in Liberia. <i>PLoS Neglected Tropical Diseases</i> , 2019, 13, e0007710.	3.0	15
20	Applying an intersectionality lens to examine health for vulnerable individuals following devolution in Kenya. <i>International Journal for Equity in Health</i> , 2019, 18, 24.	3.5	17
21	Current situation and progress toward the 2030 health-related Sustainable Development Goals in China: A systematic analysis. <i>PLoS Medicine</i> , 2019, 16, e1002975.	8.4	46
22	How do gender relations affect the working lives of close to community health service providers? Empirical research, a review and conceptual framework. <i>Social Science and Medicine</i> , 2018, 209, 1-13.	3.8	66
23	Health seeking for chronic lung disease in central Malawi: Adapting existing models using insights from a qualitative study. <i>PLoS ONE</i> , 2018, 13, e0208188.	2.5	11
24	"You're disabled, why did you have sex in the first place?" An intersectional analysis of experiences of disabled women with regard to their sexual and reproductive health and rights in Gujarat State, India. <i>Global Health Action</i> , 2017, 10, 1290316.	1.9	35
25	Effects of post-abortion family planning services on preventing unintended pregnancy and repeat abortion (INPAC): a cluster randomised controlled trial in 30 Chinese provinces. <i>Lancet</i> , The, 2017, 390, S29.	13.7	6
26	A qualitative exploration of perceptions and experiences of contraceptive use, abortion and post-abortion family planning services (PAFP) in three provinces in China. <i>BMC Women's Health</i> , 2017, 17, 113.	2.0	22
27	Opportunities, challenges and systems requirements for developing post-abortion family planning services: Perceptions of service stakeholders in China. <i>PLoS ONE</i> , 2017, 12, e0186555.	2.5	14
28	Increasing understanding of the relationship between geographic access and gendered decision-making power for treatment-seeking for febrile children in the Chikwawa district of Malawi. <i>Malaria Journal</i> , 2016, 15, 521.	2.3	17
29	The Cooking and Pneumonia Study (CAPS) in Malawi: A Nested Pilot of Photovoice Participatory Research Methodology. <i>PLoS ONE</i> , 2016, 11, e0156500.	2.5	14
30	"The money is important but all women anyway go to hospital for childbirth nowadays" - a qualitative exploration of why women participate in a conditional cash transfer program to promote institutional deliveries in Madhya Pradesh, India. <i>BMC Pregnancy and Childbirth</i> , 2016, 16, 47.	2.4	24
31	Improving access to effective care for people with chronic respiratory symptoms in low and middle income countries. <i>BMC Proceedings</i> , 2015, 9, S3.	1.6	13
32	Close to community health providers post 2015: Realising their role in responsive health systems and addressing gendered social determinants of health. <i>BMC Proceedings</i> , 2015, 9, S8.	1.6	25
33	Perceptions and utilization of the anti-malarials artemether-lumefantrine and dihydroartemisinin-piperaquine in young children in the Chikhwawa District of Malawi: a mixed methods study. <i>Malaria Journal</i> , 2015, 14, 13.	2.3	10
34	The quality of childbirth care in China: women's voices: a qualitative study. <i>BMC Pregnancy and Childbirth</i> , 2015, 15, 113.	2.4	31
35	Understanding Interpretations of and Responses to Childhood Fever in the Chikhwawa District of Malawi. <i>PLoS ONE</i> , 2015, 10, e0125439.	2.5	12
36	Perceptions of the mental health impact of intimate partner violence and health service responses in Malawi. <i>Global Health Action</i> , 2014, 7, 24816.	1.9	20

#	ARTICLE	IF	CITATIONS
37	Experiences with primary healthcare in Fuzhou, urban China, in the context of health sector reform: a mixed methods study. <i>International Journal of Health Planning and Management</i> , 2014, 29, e107-26.	1.7	32
