#	Paper	IF	Citations
71	Effectiveness of interventions to reduce household air pollution from solid biomass fuels and improve maternal and child health outcomes in low- and middle-income countries: A systematic review and meta-analysis.. <i>Indoor Air</i> , 2022 ,	5.4	2
70	The risk of mental illness in people living with HIV in the UK: a propensity score-matched cohort study.. <i>Lancet HIV</i> , 2022 ,	7.8	3
69	Global health research funding applications: brain drain under another name?. <i>The Lancet Global Health</i> , 2022 , 10, e22-e23	13.6	2
68	Obstetric shift-to-shift handover in Kerala, India: A cross-sectional mixed method study.. <i>PLoS ONE</i> , 2022 , 17, e0268239	3.7	
67	Vitamin D for Growth and Rickets in Stunted Children: A Randomized Trial. <i>Pediatrics</i> , 2021 , 147,	7.4	5
66	Systematic review on the use of patient-held health records in low-income and middle-income countries. <i>BMJ Open</i> , 2021 , 11, e046965	3	1
65	Cost-effectiveness of a weaning food safety and hygiene programme in rural Gambia. <i>Tropical Medicine and International Health</i> , 2021 , 26, 1624-1633	2.3	
64	Vitamin D supplementation to prevent acute respiratory infections: a systematic review and meta-analysis of aggregate data from randomised controlled trials. <i>Lancet Diabetes and Endocrinology</i> , 2021 , 9, 276-292	18.1	98
63	Exploring attributions of causality for child undernutrition: Qualitative analysis in Lusaka, Zambia. <i>Maternal and Child Nutrition</i> , 2021 , e13237	3.4	1
62	Facilitating better postnatal care with women-held documents in The Gambia: a mixed-methods study. <i>BMC Pregnancy and Childbirth</i> , 2021 , 21, 479	3.2	
61	Effects on childhood infections of promoting safe and hygienic complementary-food handling practices through a community-based programme: A cluster randomised controlled trial in a rural area of The Gambia. <i>PLoS Medicine</i> , 2021 , 18, e1003260	11.6	2
60	The effect of vitamin D supplementation and nutritional intake on skeletal maturity and bone health in socio-economically deprived children. <i>European Journal of Nutrition</i> , 2021 , 60, 3343-3353	5.2	1
59	Incidence of cardiometabolic diseases in people living with and without HIV in the UK: a population-based matched cohort study. <i>Journal of Infectious Diseases</i> , 2021 ,	7	1
58	Effectiveness of interventions to reduce household air pollution from solid biomass fuels and improve maternal and child health outcomes in low- and middle-income countries: a systematic review protocol. <i>Systematic Reviews</i> , 2021 , 10, 33	3	7
57	Systematic review on the use of patient-held health records in low-income and middle-income countries. <i>BMJ Open</i> , 2021 , 11, e046965	3	1
56	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia. <i>PLoS ONE</i> , 2020 , 15, e0230063	3.7	1
55	Vitamin D supplementation to prevent acute respiratory infections: systematic review and meta-analysis of aggregate data from randomised controlled trials 2020 ,		21

54	Early policy actions and emergency response to the COVID-19 pandemic in Mongolia: experiences and challenges. <i>The Lancet Global Health</i> , 2020 , 8, e1234-e1241	13.6	26
53	Investigating discharge communication for chronic disease patients in three hospitals in India. <i>PLoS ONE</i> , 2020 , 15, e0230438	3.7	2
52	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
51	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
50	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
49	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
48	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
47	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
46	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
45	The content and completeness of women-held maternity documents before admission for labour: A mixed methods study in Banjul, The Gambia 2020 , 15, e0230063		
44	Investigating discharge communication for chronic disease patients in three hospitals in India 2020 , 15, e0230438		
43	Investigating discharge communication for chronic disease patients in three hospitals in India 2020 , 15, e0230438		
42	Investigating discharge communication for chronic disease patients in three hospitals in India 2020 , 15, e0230438		
41	Investigating discharge communication for chronic disease patients in three hospitals in India 2020 , 15, e0230438		
40	Trends in the incidence of testing for vitamin D deficiency in primary care in the UK: a retrospective analysis of The Health Improvement Network (THIN), 2005-2015. <i>BMJ Open</i> , 2019 , 9, e028355	3	27
39	Can universal patient-held health booklets promote continuity of care and patient-centred care in low-resource countries? The case of Mongolia. <i>BMJ Quality and Safety</i> , 2019 , 28, 729-740	5.4	7
38	Ranking Hospitals Based on Preventable Hospital Death Rates: A Systematic Review With Implications for Both Direct Measurement and Indirect Measurement Through Standardized Mortality Rates. <i>Milbank Quarterly</i> , 2019 , 97, 228-284	3.9	7
37	Birth-Related Perineal Trauma in Low- and Middle-Income Countries: A Systematic Review and Meta-analysis. <i>Maternal and Child Health Journal</i> , 2019 , 23, 1048-1070	2.4	15

36	Vitamin D supplementation to prevent acute respiratory infections: individual participant data meta-analysis. <i>Health Technology Assessment</i> , 2019 , 23, 1-44	4.4	142
35	Patient and healthcare provider knowledge, attitudes and barriers to handover and healthcare communication during chronic disease inpatient care in India: a qualitative exploratory study. <i>BMJ Open</i> , 2019 , 9, e028199	3	7
34	Maternity handover in Kerala: a cross sectional study. <i>International Journal of Community Medicine and Public Health</i> , 2018 , 5, 3760	1.6	3
33	Investigating clinical handover and healthcare communication for outpatients with chronic disease in India: A mixed-methods study. <i>PLoS ONE</i> , 2018 , 13, e0207511	3.7	11
32	Promoting hygienic weaning food handling practices through a community-based programme: intervention implementation and baseline characteristics for a cluster randomised controlled trial in rural Gambia. <i>BMJ Open</i> , 2018 , 8, e017573	3	11
31	Vitamin D supplementation to prevent acute respiratory tract infections: systematic review and meta-analysis of individual participant data. <i>BMJ, The</i> , 2017 , 356, i6583	5.9	960
30	Social and environmental determinants of child health in Mongolia across years of rapid economic growth: 2000-2010. <i>International Journal for Equity in Health</i> , 2017 , 16, 189	4.6	2
29	Reviewing deaths in British and US hospitals: a study of two scales for assessing preventability. <i>BMJ Quality and Safety</i> , 2017 , 26, 408-416	5.4	7
28	Methods for medical device and equipment procurement and prioritization within low- and middle-income countries: findings of a systematic literature review. <i>Globalization and Health</i> , 2017 , 13, 59	10	26
27	Vitamin D and tuberculosis: review and association in three rural provinces of Afghanistan. <i>International Journal of Tuberculosis and Lung Disease</i> , 2016 , 20, 383-8	2.1	10
26	A mixed-methods study of barriers and facilitators to the implementation of postpartum hemorrhage guidelines in Uganda. <i>International Journal of Gynecology and Obstetrics</i> , 2016 , 132, 89-93	4	23
25	S102 Vitamin d supplementation to prevent acute respiratory infections: systematic review and meta-analysis of individual participant data. <i>Thorax</i> , 2016 , 71, A60.2-A61	7.3	4
24	Thermoregulatory effects of swaddling in Mongolia: a randomised controlled study. <i>Archives of Disease in Childhood</i> , 2016 , 101, 152-60	2.2	5
23	An approach to prioritization of medical devices in low-income countries: an example based on the Republic of South Sudan. <i>Cost Effectiveness and Resource Allocation</i> , 2015 , 13, 2	2.4	6
22	Risk factors associated with recurrent diarrheal illnesses among children in Kabul, Afghanistan: a prospective cohort study. <i>PLoS ONE</i> , 2015 , 10, e0116342	3.7	17
21	Medical device procurement in low- and middle-income settings: protocol for a systematic review. <i>Systematic Reviews</i> , 2014 , 3, 118	3	4
20	Vitamin D supplementation and childhood diarrhea: a randomized controlled trial. <i>Pediatrics</i> , 2013 , 132, e832-40	7.4	19
19	Effect on the incidence of pneumonia of vitamin D supplementation by quarterly bolus dose to infants in Kabul: a randomised controlled superiority trial. <i>Lancet, The</i> , 2012 , 379, 1419-27	40	147

18	Are patients discharged with care? A qualitative study of perceptions and experiences of patients, family members and care providers. <i>BMJ Quality and Safety</i> , 2012 , 21 Suppl 1, i39-49	5.4	104
17	Conducting a multicentre and multinational qualitative study on patient transitions. <i>BMJ Quality and Safety</i> , 2012 , 21 Suppl 1, i22-8	5.4	35
16	Evaluation of a predevelopment service delivery intervention: an application to improve clinical handovers. <i>BMJ Quality and Safety</i> , 2012 , 21 Suppl 1, i29-38	5.4	25
15	Searching for the missing pieces between the hospital and primary care: mapping the patient process during care transitions. <i>BMJ Quality and Safety</i> , 2012 , 21 Suppl 1, i97-105	5.4	45
14	Effects of vitamin D supplementation to children diagnosed with pneumonia in Kabul: a randomised controlled trial. <i>Tropical Medicine and International Health</i> , 2010 , 15, 1148-55	2.3	120
13	Effects of vitamin D supplementation to children diagnosed with pneumonia in Kabul: a randomised controlled trial. <i>Archives of Disease in Childhood</i> , 2010 , 95, A62.2-A63	2.2	1
12	Effects of traditional swaddling on development: a randomized controlled trial. <i>Pediatrics</i> , 2010 , 126, e1485-92	7.4	8
11	The effects of social variables on symptom recognition and medical care seeking behaviour for acute respiratory infections in infants in urban Mongolia. <i>Archives of Disease in Childhood</i> , 2009 , 94, 849-54	2.2	5
10	The effect of Transtheoretical Model based interventions on smoking cessation. <i>Social Science and Medicine</i> , 2009 , 68, 397-403	5.1	57
9	Depression in Mongolian women over the first 2 months after childbirth: prevalence and risk factors. <i>Journal of Affective Disorders</i> , 2009 , 116, 126-33	6.6	15
8	Improving maternal and child health in difficult environments: the case for "cross-border" health care. <i>PLoS Medicine</i> , 2009 , 6, e5	11.6	6
7	Vitamin D status of socio-economically deprived children in Kabul, Afghanistan. <i>International Journal for Vitamin and Nutrition Research</i> , 2008 , 78, 16-20	1.7	18
6	The effects of swaddling on oxygen saturation and respiratory rate of healthy infants in Mongolia. <i>Acta Paediatrica, International Journal of Paediatrics</i> , 2007 , 96, 261-5	3.1	11
5	Detection of depression in women of child-bearing age in non-Western cultures: a comparison of the Edinburgh Postnatal Depression Scale and the Self-Reporting Questionnaire-20 in Mongolia. <i>Journal of Affective Disorders</i> , 2006 , 92, 267-71	6.6	42
4	Acceptability as a key determinant of client satisfaction: lessons from an evaluation of adolescent friendly health services in Mongolia. <i>Journal of Adolescent Health</i> , 2006 , 38, 519-26	5.8	15
3	Ethnic inequalities in campylobacter infection in Birmingham, UK: descriptive study of notified cases. <i>Journal of Epidemiology and Community Health</i> , 2004 , 58, 278-9	5.1	8
2	Does the multidimensional nature of Super Profiles help district health authorities understand the way social capital affects health?. <i>Journal of Public Health</i> , 2000 , 22, 317-23	3.5	4
1	Natural killer (NK) cell activity of first trimester human decidua. <i>Cellular Immunology</i> , 1989 , 121, 166-73	4.4	63
