#	Paper	IF	Citations
390	Socioeconomic inequalities in health in 22 European countries. <i>New England Journal of Medicine</i> , 2008 , 358, 2468-81	59.2	1969
389	Measuring the magnitude of socio-economic inequalities in health: an overview of available measures illustrated with two examples from Europe. <i>Social Science and Medicine</i> , 1997 , 44, 757-71	5.1	881
388	Socioeconomic inequalities in morbidity and mortality in western Europe. The EU Working Group on Socioeconomic Inequalities in Health. <i>Lancet, The</i> , 1997 , 349, 1655-9	4.0	788
387	Projections on the number of individuals with atrial fibrillation in the European Union, from 2000 to 2060. <i>European Heart Journal</i> , 2013 , 34, 2746-51	9.5	638
386	Widening socioeconomic inequalities in mortality in six Western European countries. <i>International Journal of Epidemiology</i> , 2003 , 32, 830-7	7.8	535
385	Educational inequalities in cause-specific mortality in middle-aged and older men and women in eight western European populations. <i>Lancet, The</i> , 2005 , 365, 493-500	4.0	353
384	Trends in socioeconomic inequalities in self-assessed health in 10 European countries. <i>International Journal of Epidemiology</i> , 2005 , 34, 295-305	7.8	331
383	Outdoor air temperature and mortality in The Netherlands: a time-series analysis. <i>American Journal of Epidemiology</i> , 1993 , 137, 331-41	3.8	317
382	Socioeconomic inequalities in occupational, leisure-time, and transport related physical activity among European adults: a systematic review. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2012 , 9, 116	8.4	279
381	Socioeconomic inequalities in morbidity among the elderly; a European overview. <i>Social Science and Medicine</i> , 2003 , 57, 861-73	5.1	278
380	Occupational class and cause specific mortality in middle aged men in 11 European countries: comparison of population based studies. EU Working Group on Socioeconomic Inequalities in Health. <i>BMJ: British Medical Journal</i> , 1998 , 316, 1636-42		274
379	Huge poor-rich inequalities in maternity care: an international comparative study of maternity and child care in developing countries. <i>Bulletin of the World Health Organization</i> , 2007 , 85, 745-54	8.2	269
378	Health inequalities according to educational level in different welfare regimes: a comparison of 23 European countries. <i>Sociology of Health and Illness</i> , 2008 , 30, 565-82	3	230
377	Measuring health inequality among children in developing countries: does the choice of the indicator of economic status matter?. <i>International Journal for Equity in Health</i> , 2003 , 2, 8	4.6	192
376	Socio-economic inequalities in breast and cervical cancer screening practices in Europe: influence of the type of screening program. <i>International Journal of Epidemiology</i> , 2010 , 39, 757-65	7.8	165
375	Socio-economic inequalities in suicide: a European comparative study. <i>British Journal of Psychiatry</i> , 2005 , 187, 49-54	5.4	164
374	Comparative appraisal of educational inequalities in overweight and obesity among adults in 19 European countries. <i>International Journal of Epidemiology</i> , 2010 , 39, 392-404	7.8	153

373	Socioeconomic status and changing inequalities in colorectal cancer? A review of the associations with risk, treatment and outcome. <i>European Journal of Cancer</i> , 2010 , 46, 2681-95	7.5	153
372	How economic crises affect alcohol consumption and alcohol-related health problems: a realist systematic review. <i>Social Science and Medicine</i> , 2015 , 131, 131-46	5.1	151
371	Inequalities in lung cancer mortality by the educational level in 10 European populations. <i>European Journal of Cancer</i> , 2004 , 40, 126-35	7.5	145
370	The effects of ill health on entering and maintaining paid employment: evidence in European countries. <i>Journal of Epidemiology and Community Health</i> , 2007 , 61, 597-604	5.1	135
369	Ethnic inequalities in age- and cause-specific mortality in The Netherlands. <i>International Journal of Epidemiology</i> , 2004 , 33, 1112-9	7.8	134
368	Socioeconomic inequalities in risk factors for non communicable diseases in low-income and middle-income countries: results from the World Health Survey. <i>BMC Public Health</i> , 2012 , 12, 912	4.1	133
367	Socio-economic inequalities in childhood mortality in low- and middle-income countries: a review of the international evidence. <i>British Medical Bulletin</i> , 2010 , 93, 7-26	5.4	130
366	Using relative and absolute measures for monitoring health inequalities: experiences from cross-national analyses on maternal and child health. <i>International Journal for Equity in Health</i> , 2007 , 6, 15	4.6	115
365	Estonia 1989-2000: enormous increase in mortality differences by education. <i>International Journal of Epidemiology</i> , 2003 , 32, 1081-7	7.8	115
364	A systematic review of depressed mood and anxiety by SES in youth aged 10-15 years. <i>Canadian Journal of Public Health</i> , 2008 , 99, 125-9	3.2	109
363	The shape of the relationship between income and self-assessed health: an international study. <i>International Journal of Epidemiology</i> , 2005 , 34, 286-93	7.8	107
362	Socioeconomic inequality in the prevalence of noncommunicable diseases in low- and middle-income countries: results from the World Health Survey. <i>BMC Public Health</i> , 2012 , 12, 474	4.1	105
361	Determinants of under-5 mortality among the poor and the rich: a cross-national analysis of 43 developing countries. <i>International Journal of Epidemiology</i> , 2005 , 34, 1257-65	7.8	97
360	Mortality by occupational class among men 30-64 years in 11 European countries. EU Working Group on Socioeconomic Inequalities in Health. <i>Social Science and Medicine</i> , 1998 , 46, 1459-76	5.1	95
359	The impact of interventions to improve attendance in female cancer screening among lower socioeconomic groups: a review. <i>Preventive Medicine</i> , 2010 , 50, 159-64	4.3	94
358	Trends in socioeconomic inequalities in smoking prevalence, consumption, initiation, and cessation between 2001 and 2008 in the Netherlands. Findings from a national population survey. <i>BMC Public Health</i> , 2012 , 12, 303	4.1	91
357	A meta-analysis of marijuana and alcohol use by socio-economic status in adolescents aged 10-15 years. <i>Canadian Journal of Public Health</i> , 2008 , 99, 172-7	3.2	86
356	Educational inequalities in mortality in four Eastern European countries: divergence in trends during the post-communist transition from 1990 to 2000. <i>International Journal of Epidemiology</i> , 2009 , 38, 512-25	7.8	83

355	Relative index of inequality and slope index of inequality: a structured regression framework for estimation. <i>Epidemiology</i> , 2015 , 26, 518-27	3.1	82
354	The decline in stroke mortality: exploration of future trends in 7 Western European countries. <i>Stroke</i> , 2011 , 42, 2126-30	6.7	81
353	Inequalities in health by social class dimensions in European countries of different political traditions. <i>International Journal of Epidemiology</i> , 2008 , 37, 1095-105	7.8	81
352	ICD coding changes and discontinuities in trends in cause-specific mortality in six European countries, 1950-99. <i>Bulletin of the World Health Organization</i> , 2004 , 82, 904-13	8.2	81
351	Social inequalities and mortality in Europe--results from a large multi-national cohort. <i>PLoS ONE</i> , 2012 , 7, e39013	3.7	79
350	Duration of residence and disease occurrence among refugees and family reunited immigrants: test of the 'healthy migrant effect' hypothesis. <i>Tropical Medicine and International Health</i> , 2014 , 19, 958-67	2.3	78
349	International variation in the size of mortality differences associated with occupational status. <i>International Journal of Epidemiology</i> , 1994 , 23, 742-50	7.8	77
348	Socio-economic Differences in Risk Factors for Morbidity and Mortality in the European Community: An International Comparison. <i>Journal of Health Psychology</i> , 1997 , 2, 353-72	3.1	76
347	Cancer mortality rates among first and second generation migrants in the Netherlands: Convergence toward the rates of the native Dutch population. <i>International Journal of Cancer</i> , 2006 , 119, 2665-72	7.5	76
346	Post-1950 mortality trends and medical care: gains in life expectancy due to declines in mortality from conditions amenable to medical intervention in The Netherlands. <i>Social Science and Medicine</i> , 1988 , 27, 889-94	5.1	76
345	Economic costs of health inequalities in the European Union. <i>Journal of Epidemiology and Community Health</i> , 2011 , 65, 412-9	5.1	75
344	Socioeconomic inequalities in stroke mortality among middle-aged men: an international overview. European Union Working Group on Socioeconomic Inequalities in Health. <i>Stroke</i> , 1998 , 29, 2285-91	6.7	73
343	The contribution of medical care to inequalities in health: differences between socio-economic groups in decline of mortality from conditions amenable to medical intervention. <i>Social Science and Medicine</i> , 1989 , 29, 369-76	5.1	72
342	Rising incidence and prevalence of primary biliary cirrhosis: a large population-based study. <i>Liver International</i> , 2014 , 34, e31-8	7.9	70
341	Suicide death and hospital-treated suicidal behaviour in asylum seekers in the Netherlands: a national registry-based study. <i>BMC Public Health</i> , 2011 , 11, 484	4.1	69
340	The role of smoking and diet in explaining educational inequalities in lung cancer incidence. <i>Journal of the National Cancer Institute</i> , 2009 , 101, 321-30	9.7	69
339	Social class, education, and smoking cessation: Long-term follow-up of patients treated at a smoking cessation unit. <i>Nicotine and Tobacco Research</i> , 2006 , 8, 29-36	4.9	69
338	Rationale and cross-sectional study design of the Research on Obesity and type 2 Diabetes among African Migrants: the RODAM study. <i>BMJ Open</i> , 2014 , 4, e004877	3	68

337	Identification of socioeconomic groups at increased risk for smoking in European countries: looking beyond educational level. <i>Nicotine and Tobacco Research</i> , 2008 , 10, 359-69	4.9	68
336	The reversed social gradient: higher breast cancer mortality in the higher educated compared to lower educated. A comparison of 11 European populations during the 1990s. <i>European Journal of Cancer</i> , 2007 , 43, 1200-7	7.5	68
335	Socioeconomic inequalities in health expectancy in Finland and Norway in the late 1980s. <i>Social Science and Medicine</i> , 1998 , 47, 303-15	5.1	66
334	A European comparative study of marital status and socio-economic inequalities in suicide. <i>Social Science and Medicine</i> , 2005 , 60, 2431-41	5.1	66
333	Socioeconomic inequalities in adolescent smoking across 35 countries: a multilevel analysis of the role of family, school and peers. <i>European Journal of Public Health</i> , 2015 , 25, 457-63	2.1	65
332	Inequalities in utilisation of general practitioner and specialist services in 9 European countries. <i>BMC Health Services Research</i> , 2011 , 11, 288	2.9	65
331	Higher smoking prevalence in urban compared to non-urban areas: time trends in six European countries. <i>Health and Place</i> , 2007 , 13, 702-12	4.6	65
330	More variation in lifespan in lower educated groups: evidence from 10 European countries. <i>International Journal of Epidemiology</i> , 2011 , 40, 1703-14	7.8	64
329	Educational inequalities in initiation, cessation, and prevalence of smoking among 3 Italian birth cohorts. <i>American Journal of Public Health</i> , 2007 , 97, 838-45	5.1	64
328	The contribution of perceived ethnic discrimination to the prevalence of depression. <i>European Journal of Public Health</i> , 2015 , 25, 243-8	2.1	63
327	Educational level and stroke mortality: a comparison of 10 European populations during the 1990s. <i>Stroke</i> , 2004 , 35, 432-7	6.7	62
326	The contribution of specific diseases to educational disparities in disability-free life expectancy. <i>American Journal of Public Health</i> , 2005 , 95, 2035-41	5.1	61
325	All-cause and cause-specific mortality of different migrant populations in Europe. <i>European Journal of Epidemiology</i> , 2016 , 31, 655-65	12.1	60
324	Educational inequalities in avoidable mortality in Europe. <i>Journal of Epidemiology and Community Health</i> , 2010 , 64, 913-20	5.1	60
323	Association between forgone care and household income among the elderly in five Western European countries - analyses based on survey data from the SHARE-study. <i>BMC Health Services Research</i> , 2009 , 9, 52	2.9	60
322	Female ever-smoking, education, emancipation and economic development in 19 European countries. <i>Social Science and Medicine</i> , 2009 , 68, 1271-8	5.1	57
321	Socioeconomic inequalities in the incidence and prevalence of type 2 diabetes mellitus in Europe. <i>Gaceta Sanitaria</i> , 2013 , 27, 494-501	2.2	56
320	The association of education with body mass index and waist circumference in the EPIC-PANACEA study. <i>BMC Public Health</i> , 2011 , 11, 169	4.1	56

319	Migrant mortality from diabetes mellitus across Europe: the importance of socio-economic change. <i>European Journal of Epidemiology</i> , 2012 , 27, 109-17	12.1	55
318	Mortality differences between the foreign-born and locally-born population in France (2004-2007). <i>Social Science and Medicine</i> , 2012 , 74, 1213-23	5.1	54
317	Diabetes prevalence in populations of South Asian Indian and African origins: a comparison of England and the Netherlands. <i>Epidemiology</i> , 2011 , 22, 563-7	3.1	54
316	Social class inequalities in the utilization of health care and preventive services in Spain, a country with a national health system. <i>International Journal of Health Services</i> , 2010 , 40, 525-42	2	54
315	Childhood socioeconomic position and cause-specific mortality in early adulthood. <i>American Journal of Epidemiology</i> , 2007 , 165, 85-93	3.8	54
314	Determinants of traffic accident mortality in The Netherlands: a geographical analysis. <i>International Journal of Epidemiology</i> , 1991 , 20, 698-706	7.8	54
313	Socioeconomic inequalities in smoking cessation in 11 European countries from 1987 to 2012. <i>Journal of Epidemiology and Community Health</i> , 2015 , 69, 886-92	5.1	52
312	Monitoring of trends in socioeconomic inequalities in mortality. <i>Demographic Research</i> , Special 2, 229-254		50
311	Remigration of migrants with severe disease: myth or reality?--a register-based cohort study. <i>European Journal of Public Health</i> , 2015 , 25, 84-9	2.1	49
310	The diversity in associations between community social capital and health per health outcome, population group and location studied. <i>International Journal of Epidemiology</i> , 2008 , 37, 1384-92	7.8	49
309	Impact of laws restricting the sale of tobacco to minors on adolescent smoking and perceived obtainability of cigarettes: an intervention-control pre-post study of 19 European Union countries. <i>Addiction</i> , 2017 , 112, 320-329	4.6	46
308	Welfare state regimes and health inequalities 2006 , 193-222		45
307	Social inequalities in health care services utilisation after eight years of health care reforms: a cross-sectional study of Estonia, 1999. <i>Social Science and Medicine</i> , 2005 , 60, 777-87	5.1	44
306	Including the smoking epidemic in internationally coherent mortality projections. <i>Demography</i> , 2013 , 50, 1341-62	3.5	43
305	Smoking in school-aged adolescents: design of a social network survey in six European countries. <i>BMC Research Notes</i> , 2015 , 8, 91	2.3	42
304	Association between educational level and vegetable use in nine European countries. <i>Public Health Nutrition</i> , 2009 , 12, 2174-82	3.3	42
303	The association between neighborhood disorder, social cohesion and hazardous alcohol use: a national multilevel study. <i>Drug and Alcohol Dependence</i> , 2012 , 126, 27-34	4.9	40
302	Obesity, smoking, alcohol consumption and years lived with disability: a Sullivan life table approach. <i>BMC Public Health</i> , 2011 , 11, 378	4.1	40

301	Twenty years of socio-economic inequalities in type 2 diabetes mellitus prevalence in Spain, 1987-2006. <i>European Journal of Public Health</i> , 2012 , 22, 765-71	2.1	40
300	Living environment matters: relationships between neighborhood characteristics and health of the residents in a Dutch municipality. <i>Journal of Community Health</i> , 2015 , 40, 47-56	4	39
299	Increasing ethnic differences in mortality in Estonia after the collapse of the Soviet Union. <i>Journal of Epidemiology and Community Health</i> , 2004 , 58, 583-9	5.1	39
298	Perceived ethnic discrimination and depressive symptoms: the buffering effects of ethnic identity, religion and ethnic social network. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2016 , 51, 679-88	4.5	38
297	Frequent relocations between asylum-seeker centres are associated with mental distress in asylum-seeking children: a longitudinal medical record study. <i>International Journal of Epidemiology</i> , 2014 , 43, 94-104	7.8	38
296	A cross-national comparative study of blood pressure and hypertension between English and Dutch South-Asian- and African-origin populations: the role of national context. <i>American Journal of Hypertension</i> , 2010 , 23, 639-48	2.3	37
295	The predictive value of different socio-economic indicators for overweight in nine European countries. <i>Public Health Nutrition</i> , 2008 , 11, 1256-66	3.3	37
294	Socioeconomic inequalities in alcohol related cancer mortality among men: to what extent do they differ between Western European populations?. <i>International Journal of Cancer</i> , 2007 , 121, 649-55	7.5	37
293	Postneonatal and child mortality among twins in Southern and Eastern Africa. <i>International Journal of Epidemiology</i> , 2000 , 29, 678-83	7.8	37
292	Understanding the impact of school tobacco policies on adolescent smoking behaviour: A realist review. <i>Social Science and Medicine</i> , 2017 , 183, 19-27	5.1	36
291	The complex interrelationship between ethnic and socio-economic inequalities in health. <i>Journal of Public Health</i> , 2009 , 31, 324-5	3.5	36
290	Preventing socioeconomic inequalities in health behaviour in adolescents in Europe: background, design and methods of project TEENAGE. <i>BMC Public Health</i> , 2009 , 9, 125	4.1	36
289	The contribution of risk factors to the higher incidence of invasive and in situ breast cancers in women with higher levels of education in the European prospective investigation into cancer and nutrition. <i>American Journal of Epidemiology</i> , 2011 , 173, 26-37	3.8	36
288	Mortality from circulatory diseases by specific country of birth across six European countries: test of concept. <i>European Journal of Public Health</i> , 2012 , 22, 353-9	2.1	36
287	Black-white differences in infectious disease mortality in the United States. <i>American Journal of Public Health</i> , 2001 , 91, 1251-3	5.1	36
286	Socioeconomic inequalities in mortality within ethnic groups in the Netherlands, 1995-2000. <i>Journal of Epidemiology and Community Health</i> , 2005 , 59, 329-35	5.1	35
285	World Health Report 2000: inequality index and socioeconomic inequalities in mortality. <i>Lancet, The</i> , 2001 , 357, 1671-2	4.0	35
284	Smoking prevalence among migrants in the US compared to the US-born and the population in countries of origin. <i>PLoS ONE</i> , 2013 , 8, e58654	3.7	34

283	Effects of spouses' socioeconomic characteristics on mortality among men and women in a Norwegian longitudinal study. <i>Social Science and Medicine</i> , 2008 , 66, 2035-47	5.1	34
282	Educational inequalities in the prevalence and incidence of disability in Italy and the Netherlands were observed. <i>Journal of Clinical Epidemiology</i> , 2005 , 58, 1058-65	5.7	33
281	Are mortality differences and trends by education any better or worse in New Zealand? A comparison study with Norway, Denmark and Finland, 1980-1990s. <i>European Journal of Epidemiology</i> , 2005 , 20, 683-91	12.1	33
280	Impact of the 2005 smoke-free policy in Italy on prevalence, cessation and intensity of smoking in the overall population and by educational group. <i>Addiction</i> , 2012 , 107, 1677-86	4.6	32
279	Preterm birth and small for gestational age in relation to alcohol consumption during pregnancy: stronger associations among vulnerable women? Results from two large Western-European studies. <i>BMC Pregnancy and Childbirth</i> , 2013 , 13, 49	3.2	32
278	The relationship between physical activity and the living environment: a multi-level analyses focusing on changes over time in environmental factors. <i>Health and Place</i> , 2014 , 26, 149-60	4.6	31
277	Educational level and risk of colorectal cancer in EPIC with specific reference to tumor location. <i>International Journal of Cancer</i> , 2012 , 130, 622-30	7.5	30
276	Neighbourhood safety and leisure-time physical activity among Dutch adults: a multilevel perspective. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2013 , 10, 11	8.4	30
275	Community social capital and suicide mortality in the Netherlands: a cross-sectional registry-based study. <i>BMC Public Health</i> , 2013 , 13, 969	4.1	30
274	The decline in stomach cancer mortality: exploration of future trends in seven European countries. <i>European Journal of Epidemiology</i> , 2011 , 26, 23-8	12.1	30
273	Analyzing differences in the magnitude of socioeconomic inequalities in self-perceived health by countries of different political tradition in Europe. <i>International Journal of Health Services</i> , 2009 , 39, 321-41	2.1	30
272	Social determinants of ever initiating smoking differ from those of quitting: a cross-sectional study in Estonia. <i>European Journal of Public Health</i> , 2007 , 17, 572-8	2.1	30
271	Educational inequalities in leisure-time physical activity in 15 European countries. <i>European Journal of Public Health</i> , 2014 , 24, 199-204	2.1	29
270	The choice among past trends as a basis for the prediction of future trends in old-age mortality. <i>Population Studies</i> , 2007 , 61, 315-26	2.5	29
269	Duration of residence was not consistently related to immigrant mortality. <i>Journal of Clinical Epidemiology</i> , 2007 , 60, 585-92	5.7	29
268	Association between Integration Policies and Immigrants' Mortality: An Explorative Study across Three European Countries. <i>PLoS ONE</i> , 2015 , 10, e0129916	3.7	29
267	Adolescent alcohol use and parental and adolescent socioeconomic position in six European cities. <i>BMC Public Health</i> , 2017 , 17, 646	4.1	28
266	Cancer risk in relationship to different indicators of adult socioeconomic position in Turin, Italy. <i>Cancer Causes and Control</i> , 2010 , 21, 1117-30	2.8	28

265	School smoking policies and educational inequalities in smoking behaviour of adolescents aged 14-17 years in Europe. <i>Journal of Epidemiology and Community Health</i> , 2016 , 70, 132-9	5.1	28
264	Maternal hypothyroxinaemia in early pregnancy and problem behavior in 5-year-old offspring. <i>Psychoneuroendocrinology</i> , 2017 , 81, 29-35	5	27
263	Socioeconomic inequalities in smoking in low and mid income countries: positive gradients among women?. <i>International Journal for Equity in Health</i> , 2014 , 13, 14	4.6	27
262	The influence of the macro-environment on physical activity: a multilevel analysis of 38 countries worldwide. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2012 , 9, 110	8.4	27
261	Sizable variations in circulatory disease mortality by region and country of birth in six European countries. <i>European Journal of Public Health</i> , 2013 , 23, 594-605	2.1	27
260	Association between socioeconomic position and the prevalence of type 2 diabetes in Ghanaians in different geographic locations: the RODAM study. <i>Journal of Epidemiology and Community Health</i> , 2017 , 71, 633-639	5.1	25
259	The contribution of travel-related urban zones, cycling and pedestrian networks and green space to commuting physical activity among adults - a cross-sectional population-based study using geographical information systems. <i>BMC Public Health</i> , 2016 , 16, 760	4.1	25
