#	Paper	IF	Citations
390	Educational level and alcohol use in adolescence and early adulthood-The role of social causation and health-related selection-The TRAILS Study.. <i>PLoS ONE</i> , 2022 , 17, e0261606	3.7	1
389	Educational inequalities in exposure to tobacco promotion at the point of sale among adolescents in four Dutch cities. <i>Health and Place</i> , 2022 , 76, 102824	4.6	0
388	The Mediating Role of Parental Factors in the Social Patterning of Smoking among Adolescents in Urban Indonesia. <i>Asian Pacific Journal of Cancer Prevention</i> , 2021 , 22, 3127-3135	1.7	
387	Estimating the lifetime risk of dementia using nationwide individually linked cause-of-death and health register data. <i>International Journal of Epidemiology</i> , 2021 , 50, 809-816	7.8	1
386	Socioeconomic Differences in Sympathovagal Balance: The Healthy Life in an Urban Setting Study. <i>Psychosomatic Medicine</i> , 2021 , 83, 16-23	3.7	5
385	Using the realist approach to unravel the complexity of health programmes: the evaluation of smoke-free school policies as a case study. <i>Journal of Epidemiology and Community Health</i> , 2021 , 75, 51-55 ¹	5.1	
384	Smoke-Free Sports in The Netherlands: Why Most Sports Clubs Have Not Adopted an Outdoor Smoke-Free Policy. <i>International Journal of Environmental Research and Public Health</i> , 2021 , 18,	4.6	1
383	Income-related differences in out-of-hours primary care telephone triage using national registration data. <i>Emergency Medicine Journal</i> , 2021 , 38, 460-466	1.5	
382	Reporting health services research to a broader public: An exploration of inconsistencies and reporting inadequacies in societal publications. <i>PLoS ONE</i> , 2021 , 16, e0248753	3.7	1
381	Tobacco use in young people: being emic to end the epidemic. <i>Lancet Public Health, The</i> , 2021 , 6, e439-e440 ¹	4.0	0
380	Adolescents' support for an outdoor smoke-free policy at sports clubs in the Netherlands. <i>Tobacco Prevention and Cessation</i> , 2021 , 7, 40	1.2	0
379	Tobacco control partnership capacity: An overview and comparison of 18 European partnerships. <i>Tobacco Prevention and Cessation</i> , 2021 , 7, 34	1.2	
378	Implementation of an outdoor smoke-free policy at sports clubs: Critical situations and determinants influencing implementation. <i>International Journal of Drug Policy</i> , 2021 , 92, 103129	5.5	1
377	Socioeconomic differences in healthcare expenditure and utilization in The Netherlands. <i>BMC Health Services Research</i> , 2021 , 21, 643	2.9	2
376	Smoking cessation among disadvantaged young women during and after pregnancy: Exploring the role of social networks. <i>Midwifery</i> , 2021 , 98, 102985	2.8	1
375	Systemic autoimmune disease as a cause of death: mortality burden and comorbidities. <i>Rheumatology</i> , 2021 , 60, 1321-1330	3.9	6
374	Associations of sustained smoking and smoking cessation with work-related outcomes: a longitudinal analysis. <i>International Archives of Occupational and Environmental Health</i> , 2021 , 94, 529-537 ^{3,2}		

373	Gender-related characteristics and disparities in estimated cardiovascular disease risk in a multi-ethnic general population: The HELIUS study. <i>International Journal of Cardiology</i> , 2021 , 327, 193-200	3.2	0
372	Electronic cigarette use among 14- to 17-year-olds in Europe. <i>European Journal of Public Health</i> , 2021 , 31, 402-408	2.1	12
371	The Association Between Tobacco Outlet Density and Smoking Among Young People: A Systematic Methodological Review. <i>Nicotine and Tobacco Research</i> , 2021 , 23, 239-248	4.9	11
370	The association between migration and smoke-free families: how do migrants from different world regions compare?. <i>European Journal of Public Health</i> , 2021 , 31, 333-340	2.1	
369	Do Diabetes Mellitus Differences Exist within Generations? Three Generations of Moluccans in the Netherlands. <i>International Journal of Environmental Research and Public Health</i> , 2021 , 18,	4.6	1
368	Self-reported exposure of Indonesian adolescents to online and offline tobacco advertising, promotion and sponsorship (TAPS). <i>Tobacco Control</i> , 2021 ,	5.3	3
367	Is the Association Between Education and Sympathovagal Balance Mediated by Chronic Stressors?. <i>International Journal of Behavioral Medicine</i> , 2021 , 1	2.6	
366	Sex differences in incidence of out-of-hospital cardiac arrest across ethnic and socioeconomic groups: A population-based cohort study in the Netherlands. <i>International Journal of Cardiology</i> , 2021 , 343, 156-161	3.2	
365	Smoking cessation among adolescents in Europe: The role of school policy and programmes. <i>Drug and Alcohol Dependence</i> , 2021 , 227, 108945	4.9	0
364	The combined impact of smoking, obesity and alcohol on life-expectancy trends in Europe. <i>International Journal of Epidemiology</i> , 2021 , 50, 931-941	7.8	3
363	Is there an association between socioeconomic status and the degree of diurnal variation in heart rate?. <i>International Journal of Cardiology Cardiovascular Risk and Prevention</i> , 2021 , 11, 200118		
362	The impact of local smoke-free policies on smoking behaviour among adults in Indonesia: a quasi-experimental national study. <i>Addiction</i> , 2020 , 115, 2382-2392	4.6	1
361	School tobacco policies and adolescent smoking in six European cities in 2013 and 2016: A school-level longitudinal study. <i>Preventive Medicine</i> , 2020 , 138, 106142	4.3	11
360	Higher prevalence of depressed mood in immigrants' offspring reflects their social conditions in the host country: The HELIUS study. <i>PLoS ONE</i> , 2020 , 15, e0234006	3.7	3
359	Changes in adolescent smoking with implementation of local smoke-free policies in Indonesia: Quasi-experimental repeat cross-sectional analysis of national surveys of 2007 and 2013. <i>Drug and Alcohol Dependence</i> , 2020 , 209, 107954	4.9	1
358	Enhancing implementation of smoke-free places: A comparative qualitative study across seven European cities. <i>Social Science and Medicine</i> , 2020 , 247, 112805	5.1	2
357	Never-smoking adolescents' perceived accessibility of cigarettes following an increase in the tobacco age-of-sale from 16 to 18: A quasi-experimental study of two cities in the Netherlands and Belgium. <i>Addictive Behaviors</i> , 2020 , 104, 106288	4.2	
356	'[]the situation in the schools still remains the Achilles heel.' Barriers to the implementation of school tobacco policies-a qualitative study from local stakeholder's perspective in seven European cities. <i>Health Education Research</i> , 2020 , 35, 32-43	1.8	2

355	The contribution of obesity to the population burden of high metabolic cardiovascular risk among different ethnic groups. The HELIUS study. <i>European Journal of Public Health</i> , 2020 , 30, 322-327	2.1	2
354	Smoking and sickness absence: a systematic review and meta-analysis. <i>Scandinavian Journal of Work, Environment and Health</i> , 2020 , 46, 5-18	4.3	15
353	The contribution of service density and proximity to geographical inequalities in health care utilisation in Indonesia: A nation-wide multilevel analysis. <i>Journal of Global Health</i> , 2020 , 10, 020428	4.3	1
352	Smoke-free school policies in Europe: Challenges for the future. <i>Preventive Medicine</i> , 2020 , 138, 106130	4.3	4
351	Retiring from smoking: Reply to Kleykamp (2019). <i>Addiction</i> , 2020 , 115, 586-587	4.6	
350	Why staff at European schools abstain from enforcing smoke-free policies on persistent violators. <i>Health Promotion International</i> , 2020 , 35, 1106-1115	3	3
349	Prevalence of diabetes mellitus at the end of life: An investigation using individually linked cause-of-death and medical register data. <i>Diabetes Research and Clinical Practice</i> , 2020 , 160, 108003	7.4	2
348	The Association Between Smoke-Free School Policies and Adolescents' Perceived Antismoking Norms: Moderation by School Connectedness. <i>Nicotine and Tobacco Research</i> , 2020 , 22, 1964-1972	4.9	4
347	The effect of school smoke-free policies on smoking stigmatization: A European comparison study among adolescents. <i>PLoS ONE</i> , 2020 , 15, e0235772	3.7	2
346	Socioeconomic inequalities in out-of-hours primary care use: an electronic health records linkage study. <i>European Journal of Public Health</i> , 2020 , 30, 1049-1055	2.1	1
345	How large should a cause of death be in order to be included in mortality trend analysis? Deriving a cut-off point from retrospective trend analyses in 21 European countries. <i>BMJ Open</i> , 2020 , 10, e031702	3	1
344	Do sex differences in the prevalence of ECG abnormalities vary across ethnic groups living in the Netherlands? A cross-sectional analysis of the population-based HELIUS study. <i>BMJ Open</i> , 2020 , 10, e039091	3	1
343	The Use of the Alcohol Use Disorders Identification Test - Consumption as an Indicator of Hazardous Alcohol Use among University Students. <i>European Addiction Research</i> , 2020 , 26, 1-9	4.6	21
342	Cost of youth tobacco-control policies in seven European countries. <i>European Journal of Public Health</i> , 2020 , 30, 374-379	2.1	
341	An Increase in the Tobacco Age-of-Sale to 21: For Debate in Europe. <i>Nicotine and Tobacco Research</i> , 2020 , 22, 1247-1249	4.9	5
340	Eligibility for cardiovascular risk screening among different ethnic groups: The HELIUS study. <i>European Journal of Preventive Cardiology</i> , 2020 , 27, 1204-1211	3.9	0
339	Economic Evaluation of Five Tobacco Control Policies Across Seven European Countries. <i>Nicotine and Tobacco Research</i> , 2020 , 22, 1202-1209	4.9	0
338	The effect of school smoke-free policies on smoking stigmatization: A European comparison study among adolescents 2020 , 15, e0235772		

337	The effect of school smoke-free policies on smoking stigmatization: A European comparison study among adolescents 2020 , 15, e0235772		
336	The effect of school smoke-free policies on smoking stigmatization: A European comparison study among adolescents 2020 , 15, e0235772		
335	The effect of school smoke-free policies on smoking stigmatization: A European comparison study among adolescents 2020 , 15, e0235772		
334	Higher prevalence of depressed mood in immigrants' offspring reflects their social conditions in the host country: The HELIUS study 2020 , 15, e0234006		
333	Higher prevalence of depressed mood in immigrants' offspring reflects their social conditions in the host country: The HELIUS study 2020 , 15, e0234006		
332	Higher prevalence of depressed mood in immigrants' offspring reflects their social conditions in the host country: The HELIUS study 2020 , 15, e0234006		
331	Higher prevalence of depressed mood in immigrants' offspring reflects their social conditions in the host country: The HELIUS study 2020 , 15, e0234006		
330	Socioeconomic inequalities in the utilisation of hypertension and type 2 diabetes management services in Indonesia. <i>Tropical Medicine and International Health</i> , 2019 , 24, 1301-1310	2.3	2
329	Barriers experienced by nurses providing smoking cessation support to disadvantaged, young women during and after pregnancy. <i>Health and Social Care in the Community</i> , 2019 , 27, 1564-1573	2.6	6
328	The association between smoke-free school policies and adolescents' anti-smoking beliefs: Moderation by family smoking norms. <i>Drug and Alcohol Dependence</i> , 2019 , 204, 107521	4.9	7
327	The visibility of smoking in Europe and its relationship with youth's positive beliefs about smoking. <i>International Journal of Public Health</i> , 2019 , 64, 1335-1344	4	6
326	The accuracy of self-report versus objective assessment for estimating socioeconomic inequalities in disease prevalence in Indonesia. <i>International Journal of Public Health</i> , 2019 , 64, 1233-1241	4	1
325	Exposure to car smoking among youth in seven cities across the European Union. <i>Drug and Alcohol Dependence</i> , 2019 , 204, 107561	4.9	3
324	Adolescents' smoking environment under weak tobacco control: A mixed methods study for Portugal. <i>Drug and Alcohol Dependence</i> , 2019 , 204, 107566	4.9	4
323	Where do teens smoke? Smoking locations of adolescents in Europe in relation to smoking bans in bars, schools and homes. <i>Health and Place</i> , 2019 , 60, 102213	4.6	1
322	Is quality of life impairment associated with chronic diseases dependent on educational level?. <i>European Journal of Public Health</i> , 2019 , 29, 634-639	2.1	5
321	Smoking in bars in eight European countries in 2010 and 2016: an observational comparative study. <i>European Journal of Public Health</i> , 2019 , 29, 159-163	2.1	8
320	"Like you are fooling yourself": how the "Stoptober" temporary abstinence campaign supports Dutch smokers attempting to quit. <i>BMC Public Health</i> , 2019 , 19, 522	4.1	2

319	Adolescent Smoking in Secondary Schools that Have Implemented Smoke-Free Policies: In-Depth Exploration of Shared Smoking Patterns. <i>International Journal of Environmental Research and Public Health</i> , 2019 , 16,	4.6	9
318	Socio-economic differences in incidence, bystander cardiopulmonary resuscitation and survival from out-of-hospital cardiac arrest: A systematic review. <i>Resuscitation</i> , 2019 , 141, 44-62	4	18
317	Progress of smoke-free policy adoption at district level in Indonesia: A policy diffusion study. <i>International Journal of Drug Policy</i> , 2019 , 71, 93-102	5.5	5
316	Estimation of cardiovascular risk based on total cholesterol versus total cholesterol/high-density lipoprotein within different ethnic groups: The HELIUS study. <i>European Journal of Preventive Cardiology</i> , 2019 , 26, 1888-1896	3.9	2
315	Smoking and school absenteeism among 15- to 16-year-old adolescents: a cross-section analysis on 36 European countries. <i>European Journal of Public Health</i> , 2019 , 29, 778-784	2.1	8
314	Does selective migration bias the health impact assessment of urban regeneration programmes in cross-sectional studies? Findings from a Dutch case study. <i>Health and Place</i> , 2019 , 55, 155-164	4.6	0
313	Effectiveness of a Large, Nation-Wide Smoking Abstinence Campaign in the Netherlands: A Longitudinal Study. <i>International Journal of Environmental Research and Public Health</i> , 2019 , 16,	4.6	4
312	Tobacco control policies and smoking among older adults: a longitudinal analysis of 10 European countries. <i>Addiction</i> , 2019 , 114, 1076-1085	4.6	13
311	Assessing the role of criminality in neighbourhood safety feelings and self-reported health: results from a cross-sectional study in a Dutch municipality. <i>BMC Public Health</i> , 2019 , 19, 920	4.1	2
310	Understanding school staff members' enforcement of school tobacco policies to achieve tobacco-free school: a realist review. <i>Systematic Reviews</i> , 2019 , 8, 177	3	10
309	Policies that limit youth access and exposure to tobacco: a scientific neglect of the first stages of the policy process. <i>BMC Public Health</i> , 2019 , 19, 825	4.1	1
308	Who calls the shots in tobacco control policy? Policy monopolies of pro and anti-tobacco interest groups across six European countries. <i>BMC Public Health</i> , 2019 , 19, 800	4.1	3
307	The evolution of income-related inequalities in healthcare utilisation in Indonesia, 1993-2014. <i>PLoS ONE</i> , 2019 , 14, e0218519	3.7	4
306	Associations of neighbourhood safety with leisure-time walking and cycling in population subgroups: The HELIUS study. <i>Spatial and Spatio-temporal Epidemiology</i> , 2019 , 31, 100300	3.5	4
305	Inequalities in adolescent self-rated health and smoking in Europe: comparing different indicators of socioeconomic status. <i>Journal of Epidemiology and Community Health</i> , 2019 , 73, 963-970	5.1	17
304	Why Secondary Schools Do Not Implement Far-Reaching Smoke-Free Policies: Exploring Deep Core, Policy Core, and Secondary Beliefs of School Staff in the Netherlands. <i>International Journal of Behavioral Medicine</i> , 2019 , 26, 608-618	2.6	6
303	Did the introduction of pictorial health warnings increase information seeking for smoking cessation?: Time-series analysis of Google Trends data in six countries. <i>Tobacco Prevention and Cessation</i> , 2019 , 5, 27	1.2	3
302	Use of out-of-hours primary care in affluent and deprived neighbourhoods during reforms in long-term care: an observational study from 2013 to 2016. <i>BMJ Open</i> , 2019 , 9, e026426	3	3

301	A population-based retrospective study comparing cancer mortality between Moluccan migrants and the general Dutch population: equal risk 65 years after immigration?. <i>BMJ Open</i> , 2019 , 9, e029288	3	3
300	Socioeconomic inequalities in healthcare utilisation in Indonesia: a comprehensive survey-based overview. <i>BMJ Open</i> , 2019 , 9, e026164	3	13
299	Smoking beliefs across genders, a comparative analysis of seven European countries. <i>BMC Public Health</i> , 2019 , 19, 1321	4.1	3
298	Detecting Mortality Trends in the Netherlands Across 625 Causes of Death. <i>International Journal of Environmental Research and Public Health</i> , 2019 , 16,	4.6	2
297	Geographical inequalities in healthcare utilisation and the contribution of compositional factors: A multilevel analysis of 497 districts in Indonesia. <i>Health and Place</i> , 2019 , 60, 102236	4.6	7
296	All-cause mortality among three generations of Moluccans in the Netherlands. <i>European Journal of Public Health</i> , 2019 , 29, 463-467	2.1	3
295	Associations of the Stoptober smoking cessation program with information seeking for smoking cessation: A Google trends study. <i>Drug and Alcohol Dependence</i> , 2019 , 194, 97-100	4.9	8
294	Academic performance and adolescent smoking in 6 European cities: the role of friendship ties. <i>International Journal of Adolescence and Youth</i> , 2019 , 24, 125-135	3.3	16
293	Explaining Mechanisms That Influence Smoke-Free Implementation at the Local Level: A Realist Review of Smoking Bans. <i>Nicotine and Tobacco Research</i> , 2019 , 21, 1609-1620	4.9	9
292	Impact of removing point-of-sale tobacco displays on smoking behaviour among adolescents in Europe: a quasi-experimental study. <i>Tobacco Control</i> , 2019 , 28, 401-408	5.3	7
291	Smoking Cessation and 16-year Trajectories of Functional Limitations Among Dutch Older Adults: Results from the Longitudinal Aging Study Amsterdam. <i>Journals of Gerontology - Series A Biological Sciences and Medical Sciences</i> , 2018 , 73, 1722-1728	6.4	5
290	Neighbourhood safety and smoking in population subgroups: The HELIUS study. <i>Preventive Medicine</i> , 2018 , 112, 111-118	4.3	5
289	Parental Smoking and Adult Offspring's Smoking Behaviors in Ethnic Minority Groups: An Intergenerational Analysis in the HELIUS Study. <i>Nicotine and Tobacco Research</i> , 2018 , 20, 766-774	4.9	3
288	The contribution of alcohol to the East-West life expectancy gap in Europe from 1990 onward. <i>International Journal of Epidemiology</i> , 2018 , 47, 731-739	7.8	20
287	Cost-effectiveness of tobacco control policies and programmes targeting adolescents: a systematic review. <i>European Journal of Public Health</i> , 2018 , 28, 39-43	2.1	9
286	Environmental characteristics of hotspots of alcohol-related health incidents outside of the entertainment districts of Amsterdam. <i>Geo Journal</i> , 2018 , 83, 1053-1066	2.2	2
285	Trends in age of smoking initiation in the Netherlands: a shift towards older ages?. <i>Addiction</i> , 2018 , 113, 524-532	4.6	13
284	To what extent and why adolescents do or do not support future tobacco control measures: a multimethod study in the Netherlands. <i>Tobacco Control</i> , 2018 , 27, 596-599	5.3	12

283	Boy Smokers' Rationalisations for Engaging in Potentially Fatal Behaviour: In-Depth Interviews in The Netherlands. <i>International Journal of Environmental Research and Public Health</i> , 2018 , 15,	4.6	2
282	Increased cardiovascular disease risk in international migrants is independent of residence duration or cultural orientation: the HELIUS study. <i>Journal of Epidemiology and Community Health</i> , 2018 , 72, 825-831	5.1	4
281	Rookvrije schoolterreinen: er valt nog veel te winnen. <i>TSG: Tijdschrift Voor Gezondheidswetenschappen</i> , 2018 , 96, 114-115	0.2	
280	Social and Economic Policies Matter for Health Equity: Conclusions of the SOPHIE Project. <i>International Journal of Health Services</i> , 2018 , 48, 417-434	2	5
279	Same-Sex Friendship, School Gender Composition, and Substance Use: A Social Network Study of 50 European Schools. <i>Substance Use and Misuse</i> , 2018 , 53, 998-1007	2.2	7
278	Visibility of tobacco products and advertisement at the point of sale: a systematic audit of retailers in Amsterdam. <i>BMJ Open</i> , 2018 , 8, e022017	3	2
277	Ethnic disparities in educational and occupational gradients of estimated cardiovascular disease risk: The Healthy Life in an Urban Setting study. <i>Scandinavian Journal of Public Health</i> , 2018 , 46, 204-213	3	10
276	How can a ban on tobacco sales to minors be effective in changing smoking behaviour among youth? - A realist review. <i>Preventive Medicine</i> , 2018 , 115, 61-67	4.3	19
275	Ethnic disparities in treatment rates for hypertension and dyslipidemia: an analysis by different treatment indications: the Healthy Life in an Urban Setting study. <i>Journal of Hypertension</i> , 2018 , 36, 1540-1547	1.9	2
274	Public support for tobacco control policies: The role of the protection of children against tobacco. <i>Health Policy</i> , 2018 , 122, 929-935	3.2	10
273	Inequalities by immigrant status in depressive symptoms in Europe: the role of integration policy regimes. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2017 , 52, 391-398	4.5	18
272	Changes in alcohol consumption in the 50- to 64-year-old European economically active population during an economic crisis. <i>European Journal of Public Health</i> , 2017 , 27, 711-716	2.1	7
271	Understanding the impact of school tobacco policies on adolescent smoking behaviour: A realist review. <i>Social Science and Medicine</i> , 2017 , 183, 19-27	5.1	36
270	Association between socioeconomic position and the prevalence of type 2 diabetes in Ghanaians in different geographic locations: the RODAM study. <i>Journal of Epidemiology and Community Health</i> , 2017 , 71, 633-639	5.1	25
269	Harmful drinking after job loss: a stronger association during the post-2008 economic crisis?. <i>International Journal of Public Health</i> , 2017 , 62, 563-572	4	10
268	Maternal hypothyroxinaemia in early pregnancy and problem behavior in 5-year-old offspring. <i>Psychoneuroendocrinology</i> , 2017 , 81, 29-35	5	27
267	Impact on smoking of England's 2012 partial tobacco point of sale display ban: a repeated cross-sectional national study. <i>Tobacco Control</i> , 2017 , 26, 141-148	5.3	21
266	Uncovering How Urban Regeneration Programs May Stimulate Leisure-time Walking Among Adults in Deprived Areas: A Realist Review. <i>International Journal of Health Services</i> , 2017 , 47, 703-724	2	11

265	Smoking prevalence differs by location of residence among Ghanaians in Africa and Europe: The RODAM study. <i>PLoS ONE</i> , 2017 , 12, e0177291	3.7	13
264	Adolescent alcohol use and parental and adolescent socioeconomic position in six European cities. <i>BMC Public Health</i> , 2017 , 17, 646	4.1	28
263	The role of self-control and cognitive functioning in educational inequalities in adolescent smoking and binge drinking. <i>BMC Public Health</i> , 2017 , 17, 714	4.1	6
262	Association of perceived ethnic discrimination with general and abdominal obesity in ethnic minority groups: the HELIUS study. <i>Journal of Epidemiology and Community Health</i> , 2017 , 71, 453-460	5.1	13
261	The association between personal income and smoking among adolescents: a study in six European cities. <i>Addiction</i> , 2017 , 112, 2248-2256	4.6	18
260	Perceived Ethnic Discrimination and the Metabolic Syndrome in Ethnic Minority Groups: The Healthy Life in an Urban Setting Study. <i>Psychosomatic Medicine</i> , 2017 , 79, 101-111	3.7	22
259	Social network and inequalities in smoking amongst school-aged adolescents in six European countries. <i>International Journal of Public Health</i> , 2017 , 62, 53-62	4	18
258	Perceived ethnic discrimination in relation to smoking and alcohol consumption in ethnic minority groups in The Netherlands: the HELIUS study. <i>International Journal of Public Health</i> , 2017 , 62, 879-887	4	23
