

Kim D. Raine

List of Publications by Year in Descending Order

Source: <https://exaly.com/author-pdf/4266242/kim-d-raine-publications-by-year.pdf>
Version: 2024-04-09

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.
The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

140 papers	3,387 citations	31 h-index	54 g-index
154 ext. papers	3,870 ext. citations	3.4 avg, IF	5.36 L-index

#	Paper	IF	Citations
140	Healthy food prescription incentive programme for adults with type 2 diabetes who are experiencing food insecurity: protocol for a randomised controlled trial, modelling and implementation studies.. <i>BMJ Open</i> , 2022 , 12, e050006	3	0
139	Citizen science in monitoring food environments: a qualitative collective case study of stakeholders' experiences during the Local Environment Action on Food project in Alberta, Canada.. <i>BMC Public Health</i> , 2022 , 22, 665	4.1	
138	Reflections on Applying Institutional Ethnography in Participatory Weight Stigma Research with Young Women. <i>International Journal of Qualitative Methods</i> , 2022 , 21, 160940692211009	3.3	0
137	Digital Food Retail: Public Health Opportunities. <i>Nutrients</i> , 2021 , 13,	6.7	1
136	'My coupons are like gold': experiences and perceived outcomes of low-income adults participating in the British Columbia Farmers' Market Nutrition Coupon Program. <i>Public Health Nutrition</i> , 2021 , 1-12	3.3	0
135	Seeing the food swamp for the weeds: Moving beyond food retail mix in evaluating young people's food environments. <i>SSM - Population Health</i> , 2021 , 14, 100803	3.8	2
134	Local Environment Action on Food project: impact of a community-based food environment intervention in Canada. <i>Health Promotion International</i> , 2021 ,	3	1
133	The ruling of weight: An institutional ethnography investigating young people's body weight surveillance work. <i>Social Science and Medicine</i> , 2021 , 289, 114404	5.1	1
132	Impact of a Capacity-Building Intervention on Food Marketing Features in Recreation Facilities. <i>Journal of Nutrition Education and Behavior</i> , 2020 , 52, 935-943	2	2
131	Baseline results from the Eat, Play, Live trial: A randomized controlled trial within a natural experiment examining the role of nutrition policy and capacity building in improving food environments in recreation and sport facilities. <i>Food Policy</i> , 2020 , 92, 101870	5	2
130	Policy Influencer and General Public Support for Proposed Alcohol Healthy Public Policy Options in Alberta and Quebec, Canada. <i>Journal of Studies on Alcohol and Drugs</i> , 2020 , 81, 47-57	1.9	0
129	Using the intervention ladder to examine policy influencer and general public support for potential tobacco control policies in Alberta and Quebec. <i>Health Promotion and Chronic Disease Prevention in Canada: Research, Policy and Practice</i> , 2020 , 40, 47-57	2.2	3
128	Utilisation d'une échelle d'intervention pour analyser le soutien d'interventions politiques de lutte contre le tabagisme de la part du grand public et d'influenceurs en matière de politiques en Alberta et au Québec. <i>Promotion De La Santé Et Prévention Des Maladies Chroniques Au Canada</i> , 2020 , 40, 51-63	0	
127	A Nutrition Report Card on food environments for children and youth: 5 years of experience from Canada. <i>Public Health Nutrition</i> , 2020 , 23, 2088-2099	3.3	3
126	Impact of a farmers' market nutrition coupon programme on diet quality and psychosocial well-being among low-income adults: protocol for a randomised controlled trial and a longitudinal qualitative investigation. <i>BMJ Open</i> , 2020 , 10, e035143	3	2
125	Policy Influencer and General Public Support for Proposed Alcohol Healthy Public Policy Options in Alberta and Quebec, Canada. <i>Journal of Studies on Alcohol and Drugs</i> , 2020 , 81, 47-57	1.9	
124	Impact evaluation of a school-based oral health program: Kuwait National Program. <i>BMC Oral Health</i> , 2019 , 19, 202	3.7	6

123	Socioeconomic Disadvantage across the Life Course Is Associated with Diet Quality in Young Adulthood. <i>Nutrients</i> , 2019 , 11,	6.7	7
122	Dietary sodium and the health of Canadians. <i>Canadian Pharmacists Journal</i> , 2019 , 152, 147	1.3	
121	Eat, play, live: a randomized controlled trial within a natural experiment examining the role of nutrition policy and capacity building in improving food environments in recreation and sport facilities. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2019 , 16, 51	8.4	7
120	"To me, policy is government": Creating a locally driven healthy food environment in the Canadian Arctic. <i>Health and Place</i> , 2019 , 58, 102138	4.6	0
119	Insights on the Influence of Sugar Taxes on Obesity Prevention Efforts. <i>Current Nutrition Reports</i> , 2019 , 8, 333-339	6	18
118	Assessing general public and policy influencer support for healthy public policies to promote healthy eating at the population level in two Canadian provinces. <i>Public Health Nutrition</i> , 2019 , 22, 1492-1502	3.3	9
117	Diet quality in Canada: policy solutions for equity. <i>Cmaj</i> , 2019 , 191, E100-E102	3.5	7
116	Dietary Sodium and the Health of Canadians. <i>Canadian Journal of Cardiology</i> , 2019 , 35, 671.e1	3.8	
115	Advancing Strategies for Agenda Setting by Health Policy Coalitions: A Network Analysis of the Canadian Chronic Disease Prevention Survey. <i>Health Communication</i> , 2019 , 34, 1303-1312	3.2	3
114	Healthy vending contracts: Do localized policy approaches improve the nutrition environment in publicly funded recreation and sport facilities?. <i>Preventive Medicine Reports</i> , 2019 , 16, 100967	2.6	4
113	Addressing Internalized Weight Bias and Changing Damaged Social Identities for People Living With Obesity. <i>Frontiers in Psychology</i> , 2019 , 10, 1409	3.4	21
112	The adoption, implementation and maintenance of a school food policy in the Canadian Arctic: a retrospective case study. <i>Health Promotion International</i> , 2019 , 34, 902-911	3	2
111	Healthy Public Policy Options to Promote Physical Activity for Chronic Disease Prevention: Understanding Canadian Policy Influencer and General Public Preferences. <i>Journal of Physical Activity and Health</i> , 2019 , 16, 565-574	2.5	3
110	Monitoring progress toward United Nations commitments: characteristics of Canadian legislation to promote tobacco control, physical activity and healthy eating. A descriptive study. <i>CMAJ Open</i> , 2019 , 7, E745-E753	2.5	1
109	Exploring Nutrition Labelling of Food and Beverages in Vending Machines in Canadian Recreational Sport Settings. <i>Canadian Journal of Dietetic Practice and Research</i> , 2019 , 80, 55-62	1.3	0
108	Advocacy coalition impacts on healthy public policy-oriented learning in Alberta, Canada (2009-2016): A difference-in-differences analysis. <i>Social Science and Medicine</i> , 2019 , 220, 31-40	5.1	4
107	Stories of policy change: City of Hamilton's healthy food and beverage policy. <i>Canadian Journal of Public Health</i> , 2018 , 108, e625-e629	3.2	2
106	Adoption and diffusion of zoning bylaws banning fast food drive-through services across Canadian municipalities. <i>BMC Public Health</i> , 2018 , 18, 137	4.1	5

105	Reliability and validity of a novel tool to comprehensively assess food and beverage marketing in recreational sport settings. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2018 , 15, 38	8.4	5
104	Nurturing maternal health in the midst of difficult life circumstances: a qualitative study of women and providers connected to a community-based perinatal program. <i>BMC Pregnancy and Childbirth</i> , 2018 , 18, 314	3.2	2
103	Food marketing in recreational sport settings in Canada: a cross-sectional audit in different policy environments using the Food and beverage Marketing Assessment Tool for Settings (FoodMATS). <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2018 , 15, 39	8.4	10
102	Are young Canadians supportive of proposed nutrition policies and regulations? An overview of policy support and the impact of socio-demographic factors on public opinion. <i>Canadian Journal of Public Health</i> , 2018 , 109, 498-505	3.2	20
101	Healthy food procurement and nutrition standards in public facilities: evidence synthesis and consensus policy recommendations. <i>Health Promotion and Chronic Disease Prevention in Canada: Research, Policy and Practice</i> , 2018 , 38, 6-17	2.2	19
100	Promotion of physical activity in rural, remote and northern settings: a Canadian call to action. <i>Health Promotion and Chronic Disease Prevention in Canada: Research, Policy and Practice</i> , 2018 , 38, 419-435	2.2	10
99	Approvisionnement en aliments sains et normes nutritionnelles dans les établissements publics : synthèse des données probantes et recommandations stratégiques consensuelles. <i>Promotion De La Santé Et Prévention Des Maladies Chroniques Au Canada</i> , 2018 , 38, 7-20	0	
98	Reproducing or Reducing Inequity? Considerations for School Food Programs. <i>Canadian Journal of Dietetic Practice and Research</i> , 2018 , 79, 18-22	1.3	6
97	Qualities of robust systematic reviews and theoretical frameworks: a response to Backholer and Peeters. <i>Obesity Reviews</i> , 2017 , 18, 273-276	10.6	
96	Authors' response to Invited Commentary by Brady and Beausoleil. <i>Canadian Journal of Public Health</i> , 2017 , 108, e646-e647	3.2	1
95	Policy recommendations for front-of-package, shelf, and menu labelling in Canada: Moving towards consensus. <i>Canadian Journal of Public Health</i> , 2017 , 108, e409-e413	3.2	5
94	A critical analysis of obesity prevention policies and strategies. <i>Canadian Journal of Public Health</i> , 2017 , 108, e598-e608	3.2	31
93	Promoting children's health: Toward a consensus statement on food literacy. <i>Canadian Journal of Public Health</i> , 2017 , 108, e211-e213	3.2	14
92	Socio-economic status and fruit juice consumption in Canada. <i>Canadian Journal of Public Health</i> , 2017 , 108, e145-e151	3.2	3
91	Understanding physical activity in individuals with prediabetes: an application of social cognitive theory. <i>Psychology, Health and Medicine</i> , 2016 , 21, 254-60	2.1	4
90	Associations between frequency of food shopping at different store types and diet and weight outcomes: findings from the NEWPATH study. <i>Public Health Nutrition</i> , 2016 , 19, 2268-77	3.3	30
89	Socio-Cultural Determinants of Physical Activity among Latin American Immigrant Women in Alberta, Canada. <i>Journal of International Migration and Integration</i> , 2016 , 17, 1231-1250	1.1	3
88	A Public Policy Advocacy Project to Promote Food Security: Exploring Stakeholders' Experiences. <i>Health Promotion Practice</i> , 2016 , 17, 623-30	1.8	0

87	Impact of a 3-year multi-centre community-based intervention on risk factors for chronic disease and obesity among free-living adults: the Healthy Alberta Communities study. <i>BMC Public Health</i> , 2016 , 16, 344	4.1	8
86	Analysis Grid for Environments Linked to Obesity (ANGELO) framework to develop community-driven health programmes in an Indigenous community in Canada. <i>Health and Social Care in the Community</i> , 2016 , 24, 567-75	2.6	4
85	Can policy ameliorate socioeconomic inequities in obesity and obesity-related behaviours? A systematic review of the impact of universal policies on adults and children. <i>Obesity Reviews</i> , 2016 , 17, 1198-1217	10.6	41
84	Mandatory weight loss during the wait for bariatric surgery. <i>Qualitative Health Research</i> , 2015 , 25, 51-61	3.9	9
83	Mothering in the wake of childhood violence experiences: reweaving a self and a world at the intersection of history and context. <i>Health Care for Women International</i> , 2015 , 36, 229-54	1.5	1
82	Using traffic light labels to improve food selection in recreation and sport facility eating environments. <i>Appetite</i> , 2015 , 91, 329-35	4.5	37
81	Impact of dental health on children's oral health-related quality of life: a cross-sectional study. <i>Health and Quality of Life Outcomes</i> , 2015 , 13, 98	3	40
80	Osteoarthritis prevalence and modifiable factors: a population study. <i>BMC Public Health</i> , 2015 , 15, 1195	4.1	120
79	Developing and sustaining a healthy school community: Essential elements identified by school health champions. <i>Health Education Journal</i> , 2015 , 74, 299-311	1.5	18
78	If we offer it, will children buy it? Sales of healthy foods mirrored their availability in a community sport, commercial setting in Alberta, Canada. <i>Childhood Obesity</i> , 2015 , 11, 156-64	2.5	18
77	The impact of school policies and practices on students' diets, physical activity levels and body weights: A province-wide practice-based evaluation. <i>Canadian Journal of Public Health</i> , 2015 , 106, e43-51	3.2	10
76	A multiple case history and systematic review of adoption, diffusion, implementation and impact of provincial daily physical activity policies in Canadian schools. <i>BMC Public Health</i> , 2015 , 15, 385	4.1	29
75	Choosing healthier foods in recreational sports settings: a mixed methods investigation of the impact of nudging and an economic incentive. <i>International Journal of Behavioral Nutrition and Physical Activity</i> , 2014 , 11, 6	8.4	35
74	Improving Nutritional Health of the Public through Social Change: Finding Our Roles in Collective Action. <i>Canadian Journal of Dietetic Practice and Research</i> , 2014 , 75, 160-4	1.3	5
73	Exploring Implementation of the Ontario School Food and Beverage Policy at the Secondary-School Level: A Qualitative Study. <i>Canadian Journal of Dietetic Practice and Research</i> , 2014 , 75, 118-24	1.3	18
72	A survey of food bank operations in five Canadian cities. <i>BMC Public Health</i> , 2014 , 14, 1234	4.1	55
71	Cancer beliefs and prevention policies: comparing Canadian decision-maker and general population views. <i>Cancer Causes and Control</i> , 2014 , 25, 1683-96	2.8	9
70	Exploring the process of capacity-building among community-based health promotion workers in Alberta, Canada. <i>Health Promotion International</i> , 2014 , 29, 463-73	3	6

69	Measuring the progress of capacity building in the Alberta Policy Coalition for Cancer Prevention. <i>Health Promotion Practice</i> , 2014 , 15, 496-505	1.8	8
68	Understanding key influencers' attitudes and beliefs about healthy public policy change for obesity prevention. <i>Obesity</i> , 2014 , 22, 2426-33	8	19
67	Food Purchasing From Farmers' Markets and Community-Supported Agriculture Is Associated With Reduced Weight and Better Diets in a Population-Based Sample. <i>Journal of Hunger and Environmental Nutrition</i> , 2014 , 9, 485-497	1.5	25
66	Development of a report card on healthy food environments and nutrition for children in Canada. <i>Preventive Medicine</i> , 2014 , 69, 287-95	4.3	14
65	Construct validation of 4 food-environment assessment methods: adapting a multitrait-multimethod matrix approach for environmental measures. <i>American Journal of Epidemiology</i> , 2014 , 179, 519-28	3.8	14
64	High adiposity is associated cross-sectionally with low self-concept and body size dissatisfaction among indigenous Cree schoolchildren in Canada. <i>BMC Pediatrics</i> , 2013 , 13, 118	2.6	11
63	Building a strategy for obesity prevention one piece at a time: the case of sugar-sweetened beverage taxation. <i>Canadian Journal of Diabetes</i> , 2013 , 37, 97-102	2.1	55
62	Healthy Alberta Communities: impact of a three-year community-based obesity and chronic disease prevention intervention. <i>Preventive Medicine</i> , 2013 , 57, 955-62	4.3	13
61	Objective food environments and health outcomes. <i>American Journal of Preventive Medicine</i> , 2013 , 45, 289-96	6.1	49
60	Community Health and the Built Environment: examining place in a Canadian chronic disease prevention project. <i>Health Promotion International</i> , 2013 , 28, 257-68	3	10
59	Restricting marketing to children: consensus on policy interventions to address obesity. <i>Journal of Public Health Policy</i> , 2013 , 34, 239-53	2.9	35
58	Critical feminist narrative inquiry: advancing knowledge through double-hermeneutic narrative analysis. <i>Advances in Nursing Science</i> , 2013 , 36, 118-32	2.1	23
57	Adjusting divergences between self-reported and measured height and weight in an adult Canadian population. <i>American Journal of Health Behavior</i> , 2013 , 37, 841-50	1.9	3
56	Adopting and implementing nutrition guidelines in recreational facilities: tensions between public health and corporate profitability. <i>Public Health Nutrition</i> , 2013 , 16, 815-23	3.3	22
55	The role of registered dietitians in health promotion. <i>Canadian Journal of Dietetic Practice and Research</i> , 2013 , 74, 80-3	1.3	2
54	Changes in dietary and physical activity risk factors for type 2 diabetes in Alberta youth between 2005 and 2008. <i>Canadian Journal of Public Health</i> , 2013 , 104, e490-5	3.2	3
53	Profit versus public health: the need to improve the food environment in recreational facilities. <i>Canadian Journal of Public Health</i> , 2013 , 104, e167-9	3.2	14
52	Adopting and implementing nutrition guidelines in recreational facilities: public and private sector roles. A multiple case study. <i>BMC Public Health</i> , 2012 , 12, 376	4.1	32

51	Insights into the government's role in food system policy making: improving access to healthy, local food alongside other priorities. <i>International Journal of Environmental Research and Public Health</i> , 2012 , 9, 4103-21	4.6	10
50	Adolescent weight status and related behavioural factors: web survey of physical activity and nutrition. <i>Journal of Obesity</i> , 2012 , 2012, 342386	3.7	9
49	Body mass index and risk of cardiovascular disease, cancer and all-cause mortality. <i>Canadian Journal of Public Health</i> , 2012 , 103, 147-51	3.2	56
48	Coming to consensus on policy to create supportive built environments and community design. <i>Canadian Journal of Public Health</i> , 2012 , 103, eS5-8	3.2	19
47	Creating neighbourhood groupings based on built environment features to facilitate health promotion activities. <i>Canadian Journal of Public Health</i> , 2012 , 103, eS61-6	3.2	4
46	Geography influences dietary intake, physical activity and weight status of adolescents. <i>Journal of Nutrition and Metabolism</i> , 2012 , 2012, 816834	2.7	8
45	Generating Change: Multisectoral Perspectives of Key Facilitators and Barriers to Food System Policy Making. <i>Journal of Hunger and Environmental Nutrition</i> , 2012 , 7, 137-148	1.5	8
44	Implementing the Alberta nutrition guidelines for children and youth in a recreational facility. <i>Canadian Journal of Dietetic Practice and Research</i> , 2011 , 72, 177	1.3	18
43	Improving children's nutrition environments: a survey of adoption and implementation of nutrition guidelines in recreational facilities. <i>BMC Public Health</i> , 2011 , 11, 423	4.1	29
42	Ecological models revisited: their uses and evolution in health promotion over two decades. <i>Annual Review of Public Health</i> , 2011 , 32, 307-26	20.6	363
41	Self-reported physical activity preferences in individuals with prediabetes. <i>Physician and Sportsmedicine</i> , 2011 , 39, 41-9	2.4	2
40	Associations between the perceived presence of vending machines and food and beverage logos in schools and adolescents' diet and weight status. <i>Public Health Nutrition</i> , 2011 , 14, 1350-6	3.3	27
39	Mechanisms for understanding the facilitators and barriers to capacity building for chronic disease prevention activities: an illustration. <i>Health Promotion Practice</i> , 2011 , 12, 858-66	1.8	1
38	Dis-integrated policy: welfare-to-work participants' experiences of integrating paid work and unpaid family work. <i>Community, Work and Family</i> , 2010 , 13, 43-69	1.4	17
37	Exploring facilitators and barriers to individual and organizational level capacity building: outcomes of participation in a community priority setting workshop. <i>Global Health Promotion</i> , 2010 , 17, 34-43	1.4	13
36	Cornering the Market: Restriction of Retail Supermarket Locations. <i>Environment and Planning C: Urban Analytics and City Science</i> , 2010 , 28, 905-922		6
35	Physical activity and health-related quality of life in individuals with prediabetes. <i>Diabetes Research and Clinical Practice</i> , 2010 , 90, 15-21	7.4	31
34	Addressing poor nutrition to promote heart health: moving upstream. <i>Canadian Journal of Cardiology</i> , 2010 , 26 Suppl C, 21C-4C	3.8	18

33	Television food advertising to children: a global perspective. <i>American Journal of Public Health</i> , 2010 , 100, 1730-6	5.1	244
32	Reflections on community-based population health intervention and evaluation for obesity and chronic disease prevention: the Healthy Alberta Communities project. <i>International Journal of Public Health</i> , 2010 , 55, 679-86	4	24
31	Alberta Diabetes and Physical Activity Trial (ADAPT): a randomized theory-based efficacy trial for adults with type 2 diabetes--rationale, design, recruitment, evaluation, and dissemination. <i>Trials</i> , 2010 , 11, 4	2.8	11
30	Measuring the food service environment: development and implementation of assessment tools. <i>Canadian Journal of Public Health</i> , 2009 , 100, 421-5	3.2	16
29	Diet quality, nutrition and physical activity among adolescents: the Web-SPAN (Web-Survey of Physical Activity and Nutrition) project. <i>Public Health Nutrition</i> , 2009 , 12, 2009-17	3.3	54
28	Prevalence and sociodemographic risk factors related to household food security in Aboriginal peoples in Canada. <i>Public Health Nutrition</i> , 2009 , 12, 1150-6	3.3	109
27	Associations among the food environment, diet quality and weight status in Cree children in QuÉbec. <i>Public Health Nutrition</i> , 2009 , 12, 1504-11	3.3	57
26	Diabetes awareness and body size perceptions of Cree schoolchildren. <i>Health Education Research</i> , 2009 , 24, 1051-8	1.8	8
25	Relation between local food environments and obesity among adults. <i>BMC Public Health</i> , 2009 , 9, 192	4.1	130
24	Chronic disease-related lifestyle risk factors in a sample of Canadian adolescents. <i>Journal of Adolescent Health</i> , 2009 , 44, 606-9	5.8	40
23	Dietary patterns associated with glycemic index and glycemic load among Alberta adolescents. <i>Applied Physiology, Nutrition and Metabolism</i> , 2009 , 34, 648-58	3	13
22	The association between neighborhood socioeconomic status and exposure to supermarkets and fast food outlets. <i>Health and Place</i> , 2008 , 14, 740-54	4.6	154
21	Baseline assessment of organizational capacity for health promotion within regional health authorities in Alberta, Canada. <i>Global Health Promotion</i> , 2008 , 15, 6-14		7
20	Consuming Food and Constructing Identities among Arabic and South Asian Immigrant Women. <i>Food, Culture & Society</i> , 2008 , 11, 355-373	1.2	67
19	Exploring obesogenic food environments in Edmonton, Canada: the association between socioeconomic factors and fast-food outlet access. <i>American Journal of Health Promotion</i> , 2008 , 22, 426-32	3.5	50
18	Resources for health promotion: rhetoric, research and reality. <i>Canadian Journal of Public Health</i> , 2007 , 98, 489-94	3.2	1
17	An examination of the stages of change construct for health promotion within organizations. <i>Journal of Health Organization and Management</i> , 2007 , 21, 121-35	1.9	11
16	Organizational leadership and its relationship to regional health authority actions to promote health. <i>Journal of Health Organization and Management</i> , 2007 , 21, 259-82	1.9	8

15	Physical activity and type 2 diabetes: exploring the role of gender and income. <i>The Diabetes Educator</i> , 2007 , 33, 128-43	2.5	33
14	The development of measures of community capacity for community-based funding programs in Canada. <i>Health Promotion International</i> , 2007 , 22, 299-306	3	53
13	Low-income Canadians' experiences with health-related services: implications for health care reform. <i>Health Policy</i> , 2006 , 76, 106-21	3.2	38
12	Factors associated with physical activity in Canadian adults with diabetes. <i>Medicine and Science in Sports and Exercise</i> , 2006 , 38, 1526-34	1.2	134
11	The evolution of integrated chronic disease prevention in Alberta, Canada. <i>Preventing Chronic Disease</i> , 2006 , 3, A102	3.7	4
10	Determinants of healthy eating in Canada: an overview and synthesis. <i>Canadian Journal of Public Health</i> , 2005 , 96 Suppl 3, S8-14, S8-15	3.2	81
9	A conceptual model of community capacity development for health promotion in the Alberta Heart Health Project. <i>Health Promotion Practice</i> , 2005 , 6, 31-6	1.8	35
8	Development of measures of individual leadership for health promotion. <i>Leadership in Health Services</i> , 2005 , 18, i-xii		17
7	Scale Development of Individual and Organisation Infrastructure for Heart Health Promotion in Regional Health Authorities. <i>Health Education Journal</i> , 2005 , 64, 256-270	1.5	9
6	Development of measures of organizational leadership for health promotion. <i>Health Education and Behavior</i> , 2005 , 32, 195-207	4.2	43
5	Towards the development of scales to measure 'will' to promote heart health within health organizations in Canada. <i>Health Promotion International</i> , 2004 , 19, 471-81	3	23
4	Sociocultural context of women's body image. <i>Social Science and Medicine</i> , 2004 , 59, 1047-58	5.1	104
3	Conceptualizing dissemination research and activity: the case of the Canadian Heart Health Initiative. <i>Health Education and Behavior</i> , 2003 , 30, 267-82; discussion 283-6	4.2	39
2	The 'wonderfulness' of children's feeding programs. <i>Health Promotion International</i> , 2003 , 18, 163-70	3	7
1	Measuring the Food Environment: From Theory to Planning Practice. <i>Journal of Agriculture, Food Systems, and Community Development</i> , 65-82	2.4	11
