#	ARTICLE	IF	CITATIONS
1	Family Physician Quality Improvement Plans: A Realist Inquiry Into What Works, for Whom, Under What Circumstances. <i>Journal of Continuing Education in the Health Professions</i> , 2023, 43, 155-163.	0.4	1
2	Social studying and learning among medical students: a scoping review. <i>Perspectives on Medical Education</i> , 2022, 6, 311-318.	1.8	23
3	Approaches to interpersonal conflict in simulation debriefings: A qualitative study. <i>Medical Education</i> , 2021, 55, 1284-1296.	1.1	3
4	Physician engagement in regularly scheduled rounds. <i>Canadian Medical Education Journal</i> , 2021, 12, e21-e30.	0.3	0
5	Physician engagement in regularly scheduled rounds. <i>Canadian Medical Education Journal</i> , 2021, 12, e21-e30.	0.3	1
6	An evaluation of Acute Care of at-Risk Newborns (ACoRN), a Canadian education program, in Chinese neonatal nurseries. <i>Paediatrics and Child Health</i> , 2020, 25, 351-357.	0.3	0
7	An Examination of Self-Reported Assessment Activities Documented by Specialist Physicians for Maintenance of Certification. <i>Journal of Continuing Education in the Health Professions</i> , 2020, 40, 19-26.	0.4	8
8	In Our Own Time: Medical Studentsâ€™ Informal Social Studying and Learning. <i>Teaching and Learning in Medicine</i> , 2020, 32, 353-361.	1.3	6
9	Exploring Well Water Testing Behaviour Through the Health Belief Model. <i>Environmental Health Insights</i> , 2020, 14, 117863022091014.	0.6	12
10	In-the-Moment Feedback and Coaching: Improving R2C2 for a New Context. <i>Journal of Graduate Medical Education</i> , 2020, 12, 27-35.	0.6	26
11	Categorising and enhancing the impacts of continuing professional development to improve performance and health outcomes. <i>Medical Education</i> , 2019, 53, 1066-1069.	1.1	6
12	Perceptions of drinking water quality from private wells in Alberta: A qualitative study. <i>Canadian Water Resources Journal</i> , 2019, 44, 291-306.	0.5	7
13	Identifying coaching skills to improve feedback use in postgraduate medical education. <i>Medical Education</i> , 2019, 53, 477-493.	1.1	61
14	Picking the Right Tool for the Job: A Reliability Study of 4 Assessment Tools for Central Venous Catheter Insertion. <i>Journal of Graduate Medical Education</i> , 2019, 11, 422-429.	0.6	5
15	Impact of Personalized Feedback: The Case of Coaching and Learning Change Plans. , 2019, , 189-204.		4
16	Exploring Faculty Approaches to Feedback in the Simulated Setting. <i>Simulation in Healthcare</i> , 2018, 13, 195-200.	0.7	10
17	The R2C2 Model in Residency Education: How Does It Foster Coaching and Promote Feedback Use?. <i>Academic Medicine</i> , 2018, 93, 1055-1063.	0.8	92
18	Adapting Feedback to Individual Residents: An Examination of Preceptor Challenges and Approaches. <i>Journal of Graduate Medical Education</i> , 2018, 10, 168-175.	0.6	11

#	ARTICLE	IF	CITATIONS
19	Assessment and Change: An Exploration of Documented Assessment Activities and Outcomes by Canadian Psychiatrists. <i>Journal of Continuing Education in the Health Professions</i> , 2018, 38, 235-243.	0.4	8
20	An Exploration of the Content and Usability of Web-Based Resources Used by Individuals to Find and Access Family Physicians. <i>Healthcare Policy</i> , 2018, 13, 35-49.	0.3	2
21	Multisource Feedback and Narrative Comments: Polarity, Specificity, Actionability, and CanMEDS Roles. <i>Journal of Continuing Education in the Health Professions</i> , 2018, 38, 32-40.	0.4	15
22	Competency-based medical education and continuing professional development: A conceptualization for change. <i>Medical Teacher</i> , 2017, 39, 617-622.	1.0	61
23	Toward a research agenda for competency-based medical education. <i>Medical Teacher</i> , 2017, 39, 623-630.	1.0	49
24	Core principles of assessment in competency-based medical education. <i>Medical Teacher</i> , 2017, 39, 609-616.	1.0	322
25	Mentorship in a Canadian residency program: faculty and resident needs and experiences. <i>Canadian Journal of Anaesthesia</i> , 2017, 64, 780-782.	0.7	1
26	Exploring anesthesiologists'™ understanding of situational awareness: a qualitative study. <i>Canadian Journal of Anaesthesia</i> , 2017, 64, 810-819.	0.7	9
27	Exploring the Teaching Motivations, Satisfaction, and Challenges of Veterinary Preceptors: A Qualitative Study. <i>Journal of Veterinary Medical Education</i> , 2016, 43, 95-103.	0.4	6
28	Supporting Veterinary Preceptors in a Distributed Model of Education: A Faculty Development Needs Assessment. <i>Journal of Veterinary Medical Education</i> , 2016, 43, 104-110.	0.4	10
29	Focused Critical Care Echocardiography: Development and Evaluation of an Image Acquisition Assessment Tool*. <i>Critical Care Medicine</i> , 2016, 44, e329-e335.	0.4	26
30	Advancing Competency-Based Medical Education: A Charter for Clinician™Educators. <i>Academic Medicine</i> , 2016, 91, 645-649.	0.8	248
31	Clinical teaching as part of continuing professional development: Does teaching enhance clinical performance?. <i>Medical Teacher</i> , 2016, 38, 815-822.	1.0	9
32	National programmes for validating physician competence and fitness for practice: a scoping review. <i>BMJ Open</i> , 2016, 6, e010368.	0.8	25
33	More Than Reducing Complexity: Canadian Specialists' Views of the Royal College's Maintenance of Certification Framework and Program. <i>Journal of Continuing Education in the Health Professions</i> , 2016, 36, 157-163.	0.4	8
34	An exploration of contextual dimensions impacting goals of care conversations in postgraduate medical education. <i>BMC Palliative Care</i> , 2016, 15, 34.	0.8	20
35	Exploring Perceptions of Early-Career Psychiatrists About Their Relationships With the Pharmaceutical Industry. <i>Academic Psychiatry</i> , 2016, 40, 249-254.	0.4	4
36	Palliative and end of life care communication as emerging priorities in postgraduate medical education. <i>Canadian Medical Education Journal</i> , 2016, 7, e4-e21.	0.3	3

#	ARTICLE	IF	CITATIONS
37	Facilitated Reflective Performance Feedback. <i>Academic Medicine</i> , 2015, 90, 1698-1706.	0.8	214
38	Society for Academic Continuing Medical Education Intervention Guideline Series. <i>Journal of Continuing Education in the Health Professions</i> , 2015, 35, S60-S64.	0.4	5
39	Society for Academic Continuing Medical Education Intervention Guideline Series. <i>Journal of Continuing Education in the Health Professions</i> , 2015, 35, S51-S54.	0.4	6
40	Society for Academic Continuing Medical Education Intervention Guideline Series. <i>Journal of Continuing Education in the Health Professions</i> , 2015, 35, S65-S69.	0.4	6
41	Role for Assessment in Maintenance of Certification: Physician Perceptions of Assessment. <i>Journal of Continuing Education in the Health Professions</i> , 2015, 35, 11-17.	0.4	9
42	Targeted needs assessment for a transitional "boot camp" curriculum for pediatric surgery residents. <i>Journal of Pediatric Surgery</i> , 2015, 50, 819-824.	0.8	5
43	Evaluation of an educational program for essential newborn care in resource-limited settings: Essential Care for Every Baby. <i>BMC Pediatrics</i> , 2015, 15, 71.	0.7	36
44	Toward a common understanding: supporting and promoting education scholarship for medical school faculty. <i>Medical Education</i> , 2014, 48, 1190-1200.	1.1	25
45	Family physician practice visits arising from the Alberta Physician Achievement Review. <i>BMC Medical Education</i> , 2013, 13, 121.	1.0	6
46	Multisource Feedback: Can It Meet Criteria for Good Assessment?. <i>Journal of Continuing Education in the Health Professions</i> , 2013, 33, 89-98.	0.4	29
47	Stillbirth and Newborn Mortality in India After Helping Babies Breathe Training. <i>Pediatrics</i> , 2013, 131, e344-e352.	1.0	183
48	Leading Educationally Effective Family-Centered Bedside Rounds. <i>Journal of Graduate Medical Education</i> , 2013, 5, 594-599.	0.6	21
49	A Study of Thrombophilia Testing and Counseling Practices of Family Physicians Using the Script Concordance Method in Calgary, Canada. <i>Clinical and Applied Thrombosis/Hemostasis</i> , 2012, 18, 403-408.	0.7	7
50	Should Efforts in Favor of Medical Student Diversity Be Focused During Admissions or Farther Upstream?. <i>Academic Medicine</i> , 2012, 87, 443-448.	0.8	48
51	Helping Babies Breathe: Global neonatal resuscitation program development and formative educational evaluation. <i>Resuscitation</i> , 2012, 83, 90-96.	1.3	181
52	The development and assessment of an evaluation tool for pediatric resident competence in leading simulated pediatric resuscitations. <i>Resuscitation</i> , 2012, 83, 887-893.	1.3	49
53	Acute Care of At-Risk Newborns (ACoRN): quantitative and qualitative educational evaluation of the program in a region of China. <i>BMC Medical Education</i> , 2012, 12, 44.	1.0	11
54	"What Do They Want Me To Say?" The hidden curriculum at work in the medical school selection process: a qualitative study. <i>BMC Medical Education</i> , 2012, 12, 17.	1.0	36

#	ARTICLE	IF	CITATIONS
55	Factors influencing responsiveness to feedback: on the interplay between fear, confidence, and reasoning processes. <i>Advances in Health Sciences Education</i> , 2012, 17, 15-26.	1.7	289
56	Long-term outcomes for surgeons from 3- and 4-year medical school curricula. <i>Canadian Journal of Surgery</i> , 2012, 55, S163-S170.	0.5	10
57	Feedback data sources that inform physician self-assessment. <i>Medical Teacher</i> , 2011, 33, e113-e120.	1.0	42
58	“A Chance To Show Yourself” how do applicants approach medical school admission essays?. <i>Medical Teacher</i> , 2011, 33, e541-e548.	1.0	16
59	Resident Training in the Psychiatric Emergency Service: Duty Hours Tell Only Part of the Story. <i>Journal of Graduate Medical Education</i> , 2011, 3, 26-30.	0.6	6
60	Tensions in Informed Self-Assessment: How the Desire for Feedback and Reticence to Collect and Use It Can Conflict. <i>Academic Medicine</i> , 2011, 86, 1120-1127.	0.8	159
61	Features of assessment learners use to make informed self-assessments of clinical performance. <i>Medical Education</i> , 2011, 45, 636-647.	1.1	119
62	Controlling Quality in CME/CPD by Measuring and Illuminating Bias. <i>Journal of Continuing Education in the Health Professions</i> , 2011, 31, 109-116.	0.4	8
63	Moving Into Medical Practice in a New Community: The Transition Experience. <i>Journal of Continuing Education in the Health Professions</i> , 2011, 31, 151-156.	0.4	9
64	Peer and Self-assessment of Professionalism in Undergraduate Medical Students at the University of Calgary. <i>Canadian Medical Education Journal</i> , 2011, 2, e65-e72.	0.3	4
65	Interpersonal perception in the context of doctor-patient relationships: A dyadic analysis of doctor-patient communication. <i>Social Science and Medicine</i> , 2010, 70, 763-768.	1.8	123
66	Learning to practice in Canada: The hidden curriculum of international medical graduates. <i>Journal of Continuing Education in the Health Professions</i> , 2010, 30, 37-43.	0.4	10
67	Musculoskeletal education: a curriculum evaluation at one university. <i>BMC Medical Education</i> , 2010, 10, 93.	1.0	17
68	Using a commitment-to-change strategy to assess faculty development. <i>Medical Education</i> , 2010, 44, 516-517.	1.1	4
69	The Processes and Dimensions of Informed Self-Assessment: A Conceptual Model. <i>Academic Medicine</i> , 2010, 85, 1212-1220.	0.8	257
70	Mentorship for the physician recruited from abroad to Canada for rural practice. <i>Medical Teacher</i> , 2010, 32, e322-e327.	1.0	7
71	The multiple mini-interview for selection of international medical graduates into family medicine residency education. <i>Medical Education</i> , 2009, 43, 573-579.	1.1	61
72	Assessing postgraduate trainees in Canada: Are we achieving diversity in methods?. <i>Medical Teacher</i> , 2009, 31, e58-e63.	1.0	23

#	ARTICLE	IF	CITATIONS
73	An Analysis of Long-Term Outcomes of the Impact of Curriculum: A Comparison of the Three- and Four-Year Medical School Curricula. <i>Academic Medicine</i> , 2009, 84, 1342-1347.	0.8	19
74	The Assessment of Pathologists/Laboratory Medicine Physicians Through a Multisource Feedback Tool. <i>Archives of Pathology and Laboratory Medicine</i> , 2009, 133, 1301-1308.	1.2	19
75	Block to succeed: the Canadian orthopedic resident research experience. <i>Canadian Journal of Surgery</i> , 2009, 52, 187-95.	0.5	20
76	Distance education for physicians: Adaptation of a Canadian experience to Uruguay. <i>Journal of Continuing Education in the Health Professions</i> , 2008, 28, 79-85.	0.4	15
77	Development of a mentorship strategy: A knowledge translation case study. <i>Journal of Continuing Education in the Health Professions</i> , 2008, 28, 117-122.	0.4	38
78	CanMEDS evaluation in Canadian postgraduate training programmes: tools used and programme director satisfaction. <i>Medical Education</i> , 2008, 42, 879-886.	1.1	105
79	Changes in performance: a 5-year longitudinal study of participants in a multi-source feedback programme. <i>Medical Education</i> , 2008, 42, 1007-1013.	1.1	70
80	So much to teach, so little time: a prospective cohort study evaluating a tool to select content for a critical care curriculum. <i>Critical Care</i> , 2008, 12, R127.	2.5	7
81	The impact of a hybrid online and classroom-based course on palliative care competencies of family medicine residents. <i>Palliative Medicine</i> , 2008, 22, 929-937.	1.3	27
82	Assessment of Radiology Physicians by a Regulatory Authority. <i>Radiology</i> , 2008, 247, 771-778.	3.6	14
83	Making Interprofessional Education Work: The Strategic Roles of the Academy. <i>Academic Medicine</i> , 2008, 83, 934-940.	0.8	123
84	Communication Skills Training in Orthopaedics. <i>Journal of Bone and Joint Surgery - Series A</i> , 2008, 90, 1393-1400.	1.4	20
85	Assessment of Psychiatrists in Practice through Multisource Feedback. <i>Canadian Journal of Psychiatry</i> , 2008, 53, 525-533.	0.9	36
86	The acceptability of the multiple mini interview for resident selection. <i>Family Medicine</i> , 2008, 40, 734-40.	0.3	40
87	What Multisource Feedback Factors Influence Physician Self-Assessments? A Five-Year Longitudinal Study. <i>Academic Medicine</i> , 2007, 82, S77-S80.	0.8	32
88	Introduction of the multiple mini interview into the admissions process at the University of Calgary: acceptability and feasibility. <i>Medical Teacher</i> , 2007, 29, 394-396.	1.0	61
89	Physician in the movies. <i>Journal of Continuing Education in the Health Professions</i> , 2007, 27, 133.	0.4	1
90	International medical graduates: Learning for practice in Alberta, Canada. <i>Journal of Continuing Education in the Health Professions</i> , 2007, 27, 157-163.	0.4	27

#	ARTICLE	IF	CITATIONS
91	A meta-analysis of continuing medical education effectiveness. <i>Journal of Continuing Education in the Health Professions</i> , 2007, 27, 6-15.	0.4	326
92	Innovations in programs and assessment. <i>Journal of Continuing Education in the Health Professions</i> , 2007, 27, 59.	0.4	0
93	Assessment of non-cognitive traits through the admissions multiple mini-interview. <i>Medical Education</i> , 2007, 41, 573-579.	1.1	124
94	Assessment of a matched-pair instrument to examine doctor?patient communication skills in practising doctors. <i>Medical Education</i> , 2007, 41, 123-129.	1.1	66
95	Roles and responsibilities of family physicians on geriatric health care teams: Health care team members' perspectives. <i>Canadian Family Physician</i> , 2007, 53, 1954-5.	0.1	15
96	The transition from face-to-face to online CME facilitation. <i>Medical Teacher</i> , 2006, 28, 625-630.	1.0	23
97	Evaluation of Learning Outcomes in Web-Based Continuing Medical Education. <i>Academic Medicine</i> , 2006, 81, S30-S34.	0.8	59
98	A study of a multi-source feedback system for international medical graduates holding defined licences. <i>Medical Education</i> , 2006, 40, 340-347.	1.1	18
99	The Assessment of Emergency Physicians by a Regulatory Authority. <i>Academic Emergency Medicine</i> , 2006, 13, 1296-1303.	0.8	34
100	Self and Peer Assessment of Pediatricians, Psychiatrists and Medicine Specialists: Implications for Self-Directed Learning. <i>Advances in Health Sciences Education</i> , 2006, 11, 235-244.	1.7	89
101	A multi source feedback program for anesthesiologists. <i>Canadian Journal of Anaesthesia</i> , 2006, 53, 33-39.	0.7	49
102	Assessment of Pediatricians by a Regulatory Authority. <i>Pediatrics</i> , 2006, 117, 796-802.	1.0	59
103	The Development and Testing of a Performance Checklist to Assess Neonatal Resuscitation Megacode Skill. <i>Pediatrics</i> , 2006, 118, e1739-e1744.	1.0	67
104	An analysis of the development of a successful medical collaboration to create and sustain family physician anaesthesiology capacity in rural Canada. <i>Australian Journal of Rural Health</i> , 2005, 13, 178-182.	0.7	1
105	Assessing outcomes through congruence of course objectives and reflective work. <i>Journal of Continuing Education in the Health Professions</i> , 2005, 25, 76-86.	0.4	12
106	Twelve tips for effective short course design. <i>Medical Teacher</i> , 2005, 27, 392-395.	1.0	21
107	The Nature of the Interaction Between Participants and Facilitators in Online Asynchronous Continuing Medical Education Learning Environments. <i>Teaching and Learning in Medicine</i> , 2005, 17, 240-245.	1.3	14
108	'PocketSnips': microvideos on medical procedures. <i>Medical Education</i> , 2004, 38, 572-573.	1.1	1
