#	ARTICLE	IF	CITATIONS
1	Adult Mock Sexual Assault Witness Perceptions and Non-Verbal Behaviors Across Different Interview Frameworks. <i>Journal of Forensic Psychology Research and Practice</i> , 2024, 24, 66-92.	0.4	0
2	Usefulness of an e-Simulation in improving social work student knowledge of best-practice questions. <i>Social Work Education</i> , 2022, 41, 1253-1271.	0.8	4
3	Legal decision making about (child) sexual assault complaints: the importance of the information-gathering process. <i>Current Issues in Criminal Justice</i> , 2022, 34, 58-76.	0.8	2
4	Teaching child investigative interviewing skills: Long-term retention requires cumulative training.. <i>Psychology, Public Policy, and Law</i> , 2022, 28, 123-136.	0.9	7
5	Are all complainants of sexual assault vulnerable? Views of Australian criminal justice professionals on the evidence-sharing process. <i>International Journal of Evidence and Proof</i> , 2022, 26, 20-33.	0.2	2
6	An evaluation of the question types used by criminal justice professionals with complainants in child sexual assault trials. <i>Journal of Criminology</i> , 2022, 55, 106-124.	0.4	0
7	The influence of transition prompt wording on response informativeness and rapidity of disclosure in child forensic interviews.. <i>Psychology, Public Policy, and Law</i> , 2022, 28, 255-266.	0.9	4
8	Urgent issues and prospects at the intersection of culture, memory, and witness interviews: Exploring the challenges for research and practice. <i>Legal and Criminological Psychology</i> , 2022, 27, 1-31.	1.5	20
9	Synthesizing a Talking Child Avatar to Train Interviewers Working with Maltreated Children. <i>Big Data and Cognitive Computing</i> , 2022, 6, 62.	2.9	9
10	An overview of mock interviews as a training tool for interviewers of children. <i>Child Abuse and Neglect</i> , 2022, 129, 105685.	1.3	11
11	Information Gathering in Investigative and Medical Interviewing: Drawing Parallels Across Contexts. <i>Health Communication</i> , 2021, 36, 521-528.	1.8	6
12	Inconsistencies in complainant's accounts of child sexual abuse arising in their cross-examination. <i>Psychology, Crime and Law</i> , 2021, 27, 341-356.	0.8	7
13	Discussions about child witness interviews during Australian trials of child sexual abuse. <i>Police Practice and Research</i> , 2021, 22, 938-952.	1.1	0
14	Interventions for improving medical students' interpersonal communication in medical consultations. <i>The Cochrane Library</i> , 2021, 2021, CD012418.	1.5	27
15	“We’re All Time Poor”: Experienced Clinicians’ and Students’ Perceptions of Challenges Related to Patient Communication. <i>Teaching and Learning in Medicine</i> , 2021, , 1-12.	1.3	1
16	Testing the effectiveness of a blended vulnerable witness training for forensic interviewers. <i>Journal of Family Trauma, Child Custody and Child Development</i> , 2021, 18, 279-297.	0.2	5
17	A test of three refresher modalities on child forensic interviewers’ posttraining performance.. <i>Psychology, Public Policy, and Law</i> , 2021, 27, 221-230.	0.9	9
18	The roles of child temperament and interviewer support on children's reports of adult wrongdoing. <i>Personality and Individual Differences</i> , 2021, 175, 110732.	1.6	3

#	ARTICLE	IF	CITATIONS
19	Multimodal Virtual Avatars for Investigative Interviews with Children. , 2021, , .		10
20	Responding to orphanage trafficking from an information gathering perspective. Child Abuse and Neglect, 2021, 120, 105222.	1.3	4
21	Inconsistency, Omissions, and Confidence as Indicators of the Accuracy of Sexual Assault Victimâ€™s Recollections. , 2021, , 133-145.		0
22	The use of a guided peer review assessment for investigative interviewers of child witnesses. Journal of Forensic Practice, 2021, ahead-of-print, .	0.2	3
23	Narrative language skills of maltreated children living in out-of-home care. International Journal of Speech-Language Pathology, 2020, 22, 117-128.	0.6	10
24	Association between Interview Quality and Child Sexual Abuse Trial Outcome. Journal of Family Violence, 2020, 35, 395-403.	2.1	5
25	The effect of question type on resistance to misinformation about present and absent details. Applied Cognitive Psychology, 2020, 34, 1323-1334.	0.9	5
26	Psychometric properties of the Selfâ€™Assessment Practice Scale for professional training contexts: evidence from confirmatory factor analysis and Rasch analysis. International Journal of Training and Development, 2020, 24, 357-373.	0.5	12
27	Narrative practice may foster comfort but not enhance cognition in adult witness interviews about a mock sexual assault. Journal of Forensic Psychiatry and Psychology, 2020, 31, 814-821.	0.6	2
28	Attentional difficulty is a risk factor for interrogative suggestibility in preschoolers. Children and Youth Services Review, 2020, 119, 105487.	1.0	4
29	Special measures in child sexual abuse cases: views of Australian criminal justice professionals. Current Issues in Criminal Justice, 2020, 32, 224-242.	0.8	5
30	Forensic interviewersâ€™ perceptions of the utility of mock interviews with trained actors as a training tool for child interviewing. Child Abuse and Neglect, 2020, 106, 104553.	1.3	4
31	Forensic risk assessment interviews with youth: how do we elicit the most reliable and complete information?. Psychiatry, Psychology and Law, 2020, 27, 428-440.	0.9	2
32	The origin, experimental basis, and application of the standard interview method: An informationâ€™gathering framework. Australian Psychologist, 2020, 55, 645-659.	0.9	23
33	Professionalsâ€™ views on how to conduct investigative interviews with adults with limited expressive language. Psychiatry, Psychology and Law, 2020, 28, 1-16.	0.9	1
34	Assessing the training needs of medical students in patient information gathering. BMC Medical Education, 2020, 20, 61.	1.0	8
35	The utility of ground rule instructions with younger and older adult witnesses. Applied Cognitive Psychology, 2020, 34, 664-677.	0.9	7
36	An overview of best practice investigative interviewing of child witnesses of sexual assault. , 2020, , 445-466.		8

#	ARTICLE	IF	CITATIONS
37	A review of the use of special measures for complainantsâ€™ evidence at trial. , 2020, , 467-518.		1
38	Indigenous Perspectives on Operation RESET: An Initiative to Improve the Identification and Prosecution of Child Sexual Abuse Incidents in Remote Indigenous Communities. Australian Psychologist, 2019, 54, 187-192.	0.9	0
39	Special Measures for Children in Court: Law in Action in a Multi-agency Committee. Australian Social Work, 2019, 72, 503-516.	0.7	3
40	Australian stakeholdersâ€™ views on improving investigative interviews with adult sexual assault complainants. Psychiatry, Psychology and Law, 2019, 26, 724-739.	0.9	9
41	Challenges in translating interview protocols for alleged child victims of sexual abuse to different languages: A case study. Child Abuse and Neglect, 2019, 94, 104033.	1.3	6
42	Tracking labels for occurrences of alleged child abuse from police interviews to trials. Legal and Criminological Psychology, 2019, 24, 41-54.	1.5	0
43	Patterns of Nonverbal Rapport Behaviors Across Time in Investigative Interviews with Children. Journal of Nonverbal Behavior, 2019, 43, 411-434.	0.6	5
44	Best-practice interviewing spans many contexts.. Journal of Applied Research in Memory and Cognition, 2019, 8, 398-402.	0.7	3
45	â€œShe Wanted to Know the Full Storyâ€: Childrenâ€™s Perceptions of Open Versus Closed Questions. Child Maltreatment, 2019, 24, 222-231.	2.0	11
46	The effects of episode similarity on childrenâ€™s reports of a repeated event. Memory, 2019, 27, 561-567.	0.9	10
47	Trial of three investigative interview techniques with minimally verbal adults reporting about occurrences of a staged repeated event.. Psychology, Public Policy, and Law, 2019, 25, 239-252.	0.9	6
48	Effects of interviewer familiarity and supportiveness on childrenâ€™s recall across repeated interviews.. Law and Human Behavior, 2019, 43, 507-516.	0.6	12
49	Probing general routines and specific episodes for decision-making purposes in the family law context.. Professional Psychology: Research and Practice, 2019, 50, 17-24.	0.6	1
50	Special Measures in Child Sexual Abuse Trials: Criminal Justice Practitionersâ€™ Experiences and Views. QUT Law Review, 2019, 18, 1.	0.8	6
51	A Comparison of Responses to Substantive Transition Prompts in Interviews With Children. Child Maltreatment, 2018, 23, 221-225.	2.0	8
52	Suggestibility in neglected children: The influence of intelligence, language, and social skills. Child Abuse and Neglect, 2018, 79, 51-60.	1.3	15
53	The influence of maltreatment history and out-of-home-care on childrenâ€™s language and social skills. Child Abuse and Neglect, 2018, 76, 65-74.	1.3	35
54	Eliciting childrenâ€™s recall regarding home life and relationships. Journal of Child Custody, 2018, 15, 349-368.	1.1	2
