#	ARTICLE	IF	CITATIONS
1	Bridging the Gap between the Pressing Need for Family Skills Programmes in Humanitarian Settings and Implementation. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 2181.	1.2	5
2	The Triple P Positive Parenting Program for Parents With Psychosis: A Case Series With Qualitative Evaluation. <i>Frontiers in Psychiatry</i> , 2022, 13, 791294.	1.3	5
3	Feasibility of a randomised trial of Teaching Recovery Techniques (TRT) with refugee youth: results from a pilot of the Swedish Unaccompanied Youth Refugee Trial (SUPP-ORT). <i>Pilot and Feasibility Studies</i> , 2022, 8, 40.	0.5	4
4	<i>â€œI just want to be normalâ€</i>: A qualitative investigation of adolescents' coping goals when dealing with pain related to arthritis and the underlying parentâ€™ adolescent personal models. <i>Paediatric and Neonatal Pain</i> , 2022, 4, 96-109.	0.6	2
5	What are the environmental factors that affect implementation of the Manchester Healthy Schools programme? A qualitative exploration of staff perspectives. <i>BMJ Open</i> , 2022, 12, e048683.	0.8	0
6	A Feasibility Randomized Controlled Trial of a Parenting Intervention Offered to Women With Severe Mental Health Problems and Delivered in a Mother and Baby Unit Setting: The IMAGINE Study Outcomes. <i>Frontiers in Psychiatry</i> , 2022, 13, .	1.3	1
7	Exploring Staff Implementation of a Self-directed Parenting Intervention for Parents with Mental Health Difficulties. <i>Community Mental Health Journal</i> , 2021, 57, 247-261.	1.1	1
8	Strengthening a Culture of Prevention in Low- and Middle-Income Countries: Balancing Scientific Expectations and Contextual Realities. <i>Prevention Science</i> , 2021, 22, 7-17.	1.5	24
9	The parenting process in Syrian refugees: A grounded theory study.. <i>Peace and Conflict</i> , 2021, 27, 67-80.	0.2	0
10	Patients' experiences of behaviour change interventions delivered by general practitioners during routine consultations: A nationally representative survey. <i>Health Expectations</i> , 2021, 24, 819-832.	1.1	7
11	The implementation of familyâ€™focused practice in adult mental health services: A systematic review exploring the influence of practitioner and workplace factors. <i>International Journal of Mental Health Nursing</i> , 2021, 30, 885-906.	2.1	11
12	Enhancing Teaching Recovery Techniques (TRT) with Parenting Skills: RCT of TRT + Parenting with Trauma-Affected Syrian Refugees in Lebanon Utilising Remote Training with Implications for Insecure Contexts and COVID-19. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 8652.	1.2	21
13	Are Interventions Delivered by Healthcare Professionals Effective for Weight Management? A Systematic Review of Systematic Reviews. <i>Public Health Nutrition</i> , 2021, , 1-38.	1.1	2
14	Expressed Emotion and Attributions in Parents With Schizophrenia. <i>Frontiers in Psychiatry</i> , 2021, 12, 799626.	1.3	6
15	Evaluation of Family Skills Training Programs to Prevent Alcohol and Drug Use: A Critical Review of the Field in Latin America. <i>International Journal of Mental Health and Addiction</i> , 2020, 18, 482-499.	4.4	19
16	Evaluation of the Teaching Recovery Techniques community-based intervention for unaccompanied refugee youth experiencing post-traumatic stress symptoms (Swedish Unaccompanied Youth Refugee) Tj ETQq0 00rgBT /Overlock 10	0.3	0
17	Parentsâ€™ Perceptions and Experiences of Parenting Programmes: A Systematic Review and Metasynthesis of the Qualitative Literature. <i>Clinical Child and Family Psychology Review</i> , 2020, 23, 176-204.	2.3	40
18	Evaluation of the teaching recovery techniques community-based intervention for accompanied refugee children experiencing post-traumatic stress symptoms (Accompanied refugeeS In Sweden Trial;) Tj ETQq0 00rgBT /Overlock 10	0.3	0

#	ARTICLE	IF	CITATIONS
19	What do children, parents and staff think about a healthy lifestyles intervention delivered in primary schools? a qualitative study. <i>BMJ Open</i> , 2020, 10, e038625.	0.8	8
20	Are primary/elementary school-based interventions effective in preventing/ameliorating excess weight gain? A systematic review of systematic reviews. <i>Obesity Reviews</i> , 2020, 21, e13001.	3.1	21
21	Delivering Opportunistic Behavior Change Interventions: a Systematic Review of Systematic Reviews. <i>Prevention Science</i> , 2020, 21, 319-331.	1.5	58
22	Acceptability, reliability, and validity of a brief measure of capabilities, opportunities, and motivations (â€œCOMâ€œ). <i>British Journal of Health Psychology</i> , 2020, 25, 474-501.	1.9	93
23	Perceptions of receiving behaviour change interventions from GPs during routine consultations: A qualitative study. <i>PLoS ONE</i> , 2020, 15, e0233399.	1.1	31
24	An intervention to improve the quality of life in children of parents with serious mental illness: the Young SMILES feasibility RCT. <i>Health Technology Assessment</i> , 2020, 24, 1-136.	1.3	6
25	Title is missing!. , 2020, 15, e0233399.		0
26	Title is missing!. , 2020, 15, e0233399.		0
27	Title is missing!. , 2020, 15, e0233399.		0
28	Title is missing!. , 2020, 15, e0233399.		0
29	Title is missing!. , 2020, 15, e0233399.		0
30	Title is missing!. , 2020, 15, e0233399.		0
31	Trial of healthy relationship initiatives for the very early years (THRIVE), evaluating Enhanced Triple P for Baby and Mellow Bumps for those with additional social and care needs during pregnancy and their infants who are at higher risk of maltreatment: study protocol for a randomised controlled trial. <i>Trials</i> , 2019, 20, 499.	0.7	4
32	Who is responsible for keeping children healthy? A qualitative exploration of the views of children aged 8â€œ10 years old. <i>BMJ Open</i> , 2019, 9, e025245.	0.8	8
33	â€œIt's difficult, I think it's complicatedâ€œ: Health care professionalsâ€™ barriers and enablers to providing opportunistic behaviour change interventions during routine medical consultations. <i>British Journal of Health Psychology</i> , 2019, 24, 571-592.	1.9	70
34	Adult mental health practitioner beliefs about psychosis, parenting, and the role of the practitioner: A Q methodological investigation. <i>Psychology and Psychotherapy: Theory, Research and Practice</i> , 2019, 93, 657-673.	1.3	6
35	Parenting and Family Factors in Eating Problems. , 2019, , 61-76.		3
36	Sexual Abuse and the Eating Disorders. , 2019, , 77-97.		0

#	ARTICLE	IF	CITATIONS
37	Syria: refugee parents' experiences and need for parenting support in camps and humanitarian settings. <i>Vulnerable Children and Youth Studies</i> , 2018, 13, 19-29.	0.5	34
38	The prioritization of symptom beliefs over illness beliefs: The development and validation of the Pain Perception Questionnaire for Young People. <i>British Journal of Health Psychology</i> , 2018, 23, 68-87.	1.9	14
39	Are healthcare professionals delivering opportunistic behaviour change interventions? A multi-professional survey of engagement with public health policy. <i>Implementation Science</i> , 2018, 13, 122.	2.5	55
40	A community-based intervention (Young SMILES) to improve the health-related quality of life of children and young people of parents with serious mental illness: randomised feasibility protocol. <i>Trials</i> , 2018, 19, 550.	0.7	4
41	Enhancing maternal and infant wellbeing: study protocol for a feasibility trial of the Baby Triple P Positive Parenting programme for mothers with severe mental health difficulties (the IMAGINE study). <i>Trials</i> , 2018, 19, 479.	0.7	6
42	Protecting Adolescents in Low- And Middle-Income Countries from Interpersonal Violence (PRO) Families Programme 10-14 ("Familias Fuertes") in Panama. <i>Trials</i> , 2018, 19, 320.	0.7	5
43	Providing healthy diets for young children: the experience of parents in a UK inner city. <i>International Journal of Qualitative Studies on Health and Well-being</i> , 2018, 13, 1490623.	0.6	11
44	Communication with children about sickle cell disease: A qualitative study of parent experience. <i>British Journal of Health Psychology</i> , 2018, 23, 685-700.	1.9	8
45	Testing the feasibility of delivering and evaluating a child mental health recovery program enhanced with additional parenting sessions for families displaced by the Syrian conflict: A pilot study.. <i>Peace and Conflict</i> , 2018, 24, 188-200.	0.2	25
46	The PATHS curriculum for promoting social and emotional well-being among children aged 7-9 years: a cluster RCT. <i>Public Health Research</i> , 2018, 6, 1-116.	0.5	18
47	Web-based integrated bipolar parenting intervention for parents with bipolar disorder: a randomised controlled pilot trial. <i>Journal of Child Psychology and Psychiatry and Allied Disciplines</i> , 2017, 58, 1033-1041.	3.1	21
48	Self-Report Measures of Parental Self-Efficacy: A Systematic Review of the Current Literature. <i>Journal of Child and Family Studies</i> , 2017, 26, 2960-2978.	0.7	156
49	"And they gave me a shot, it really hurt" Evaluative content in investigative interviews with young children. <i>Children and Youth Services Review</i> , 2017, 82, 434-443.	1.0	9
50	Public health implications and risks for children and families resettled after exposure to armed conflict and displacement. <i>Scandinavian Journal of Public Health</i> , 2017, 45, 209-211.	1.2	26
