

Reuben J Strayer

List of Publications by Citations

Source: <https://exaly.com/author-pdf/4507857/reuben-j-strayer-publications-by-citations.pdf>

Version: 2024-04-09

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

31 papers	654 citations	8 h-index	25 g-index
32 ext. papers	780 ext. citations	3.3 avg, IF	4.99 L-index

#	Paper	IF	Citations
31	Early Self-Prone in Awake, Non-intubated Patients in the Emergency Department: A Single ED Experience During the COVID-19 Pandemic. <i>Academic Emergency Medicine</i> , 2020 , 27, 375-378	3.4	217
30	Adverse events associated with ketamine for procedural sedation in adults. <i>American Journal of Emergency Medicine</i> , 2008 , 26, 985-1028	2.9	210
29	Regional Nerve Blocks Improve Pain and Functional Outcomes in Hip Fracture: A Randomized Controlled Trial. <i>Journal of the American Geriatrics Society</i> , 2016 , 64, 2433-2439	5.6	65
28	Screening, evaluation, and early management of acute aortic dissection in the ED. <i>Current Cardiology Reviews</i> , 2012 , 8, 152-7	2.4	31
27	Something for pain: Responsible opioid use in emergency medicine. <i>American Journal of Emergency Medicine</i> , 2017 , 35, 337-341	2.9	29
26	A conceptual framework for improved analyses of 72-hour return cases. <i>American Journal of Emergency Medicine</i> , 2015 , 33, 104-7	2.9	21
25	Alternatives to Rapid Sequence Intubation: Contemporary Airway Management with Ketamine. <i>Western Journal of Emergency Medicine</i> , 2019 , 20, 466-471	3.3	17
24	Management of Opioid Use Disorder in the Emergency Department: A White Paper Prepared for the American Academy of Emergency Medicine. <i>Journal of Emergency Medicine</i> , 2020 , 58, 522-546	1.5	14
23	Near-peer emergency medicine for medical students in Port-au-Prince, Haiti: an example of rethinking global health interventions in developing countries. <i>Annals of Global Health</i> , 2015 , 81, 276-82	3.3	7
22	Independent dosing of propofol and ketamine may improve procedural sedation compared with the combination "ketofol". <i>Annals of Emergency Medicine</i> , 2013 , 61, 257	2.1	7
21	A novel program to improve patient safety by integrating peer review into the emergency medicine residency curriculum. <i>Journal of Emergency Medicine</i> , 2014 , 47, 696-701.e2	1.5	7
20	Thoracic Aortic Syndromes. <i>Emergency Medicine Clinics of North America</i> , 2017 , 35, 713-725	1.9	6
19	Bedside Ultrasound to Evaluate Pulmonary Embolism Masquerading as ST Elevation Myocardial Infarction (STEMI). <i>Journal of Emergency Medicine</i> , 2015 , 49, 703-4.e1	1.5	4
18	Exertional Rhabdomyolysis in a Long-Distance Migrant. <i>Journal of Emergency Medicine</i> , 2019 , 56, 551-553	3.5	3
17	Noninvasive ventilation during procedural sedation in the ED: a case series. <i>American Journal of Emergency Medicine</i> , 2015 , 33, 116-20	2.9	3
16	Prehospital Care at the Epicenter of a Pandemic: The New York City EMS Response. <i>Academic Emergency Medicine</i> , 2020 , 27, 797-801	3.4	3
15	Response. <i>Journal of Emergency Medicine</i> , 2016 , 51, 736	1.5	3

14	Rocuronium vs. succinylcholine revisited. <i>Journal of Emergency Medicine</i> , 2010 , 39, 345-6; author reply 346-7	1.5	2
13	Fatal pulmonary embolization after negative serial ultrasounds. <i>Journal of Emergency Medicine</i> , 2015 , 48, 158-60	1.5	1
12	Succinylcholine, rocuronium, and hyperkalemia. <i>American Journal of Emergency Medicine</i> , 2016 , 34, 1705-6	1.5	1
11	Author Response to: "Ketamine as Monotherapy in Difficult Airways Is Not Ready for Prime Time". <i>Western Journal of Emergency Medicine</i> , 2019 , 20, 972-973	3.3	1
10	Prevalence of serious injuries in low risk trauma patients. <i>American Journal of Emergency Medicine</i> , 2020 , 38, 1572-1575	2.9	0
9	Reply to: Caution using the new "no pain no gain" approach. <i>American Journal of Emergency Medicine</i> , 2017 , 35, 1564	2.9	0
8	Opioid Prescribing From the Emergency Department: Number Needed to Harm Must Account for the Magnitude of Benefits and Harms. <i>Annals of Emergency Medicine</i> , 2020 , 75, 676	2.1	0
7	Best practice during procedural sedation with ketamine. <i>American Journal of Emergency Medicine</i> , 2017 , 35, 315-316	2.9	0
6	Nonsteroidal anti-inflammatory drugs are an effective alternative to corticosteroids to treat pain in pharyngitis. <i>Annals of Emergency Medicine</i> , 2014 , 64, 686	2.1	0
5	Rapid diagnostic protocol for patients with chest pain. <i>Lancet, The</i> , 2011 , 378, 397; author reply 398-9	4.0	0
4	Rocuronium versus succinylcholine: Cochrane synopsis reconsidered. <i>Annals of Emergency Medicine</i> , 2011 , 58, 217-8	2.1	0
3	Medical Utilization Rate at Music Festivals: The Effect of Crowd Behavior. <i>Prehospital and Disaster Medicine</i> , 2021 , 36, 803-804	0.8	0
2	Response to "Success and Complications of the Ketamine-Only Intubation Method in the Emergency Department". <i>Journal of Emergency Medicine</i> , 2021 , 60, 816-817	1.5	0
1	Survey of emergency physicians regarding emergency contraception. <i>American Journal of Emergency Medicine</i> , 2016 , 34, 1176-8	2.9	0
