#	Paper	IF	Citations
62	Everyday Emotional Experiences in Current and Remitted Major Depressive Disorder: An Experience-Sampling Study. <i>Clinical Psychological Science</i> , 2021 , 9, 866-878	6	1
61	Interpersonal Emotion Regulation: an Experience Sampling Study. <i>Affective Science</i> , 2021 , 2, 273-288	2	2
60	The Future of Women in Psychological Science. <i>Perspectives on Psychological Science</i> , 2021 , 16, 483-516	9.8	18
59	Gaining clarity about emotion differentiation. <i>Social and Personality Psychology Compass</i> , 2021 , 15, e12584	4	4
58	Social Networking Site Use During the COVID-19 Pandemic and Its Associations With Social and Emotional Well-being in College Students: Survey Study. <i>JMIR Formative Research</i> , 2021 , 5, e26513	2.5	0
57	Emotion Differentiation in Current and Remitted Major Depressive Disorder. <i>Frontiers in Psychology</i> , 2021 , 12, 685851	3.4	0
56	Standards for Socially-and Achievement-Oriented Roles in Major Depressive Disorder and Generalized Anxiety Disorder. <i>Cognitive Therapy and Research</i> , 2020 , 44, 1025-1033	2.7	1
55	Emotion differentiation moderates the effects of rumination on depression: A longitudinal study. <i>Emotion</i> , 2020 , 20, 1234-1243	4.1	11
54	Dissociable Effects of Monetary, Liquid, and Social Incentives on Motivation and Cognitive Control. <i>Frontiers in Psychology</i> , 2020 , 11, 2212	3.4	7
53	Neuroticism may not reflect emotional variability. <i>Proceedings of the National Academy of Sciences of the United States of America</i> , 2020 , 117, 9270-9276	11.5	25
52	State emotional clarity and attention to emotion: a naturalistic examination of their associations with each other, affect, and context. <i>Cognition and Emotion</i> , 2019 , 33, 1514-1522	2.3	5
51	Understanding Emotion in Adolescents: A Review of Emotional Frequency, Intensity, Instability, and Clarity. <i>Emotion Review</i> , 2019 , 11, 63-73	4.6	60
50	The Role of Physiology and Voice in Emotion Perception During Social Stress. <i>Journal of Nonverbal Behavior</i> , 2019 , 43, 493-511	3.4	5
49	Meta-emotions in daily life: Associations with emotional awareness and depression. <i>Emotion</i> , 2019 , 19, 776-787	4.1	14
48	How does it feel to be treated like an object? Direct and indirect effects of exposure to sexual objectification on women's emotions in daily life. <i>Journal of Personality and Social Psychology</i> , 2019 , 116, 885-898	6.5	15
47	Associations between depression, anxious arousal and manifestations of psychological inflexibility. <i>Journal of Behavior Therapy and Experimental Psychiatry</i> , 2019 , 62, 88-96	2.6	16
46	Symptoms of social anxiety disorder and major depressive disorder: A network perspective. <i>Journal of Affective Disorders</i> , 2019 , 243, 531-538	6.6	21

45	The everyday dynamics of rumination and worry: precipitant events and affective consequences. <i>Cognition and Emotion</i> , 2018 , 32, 1424-1436	2.3	27
44	Affective instability predicts the course of depression in late middle-age and older adulthood. <i>Journal of Affective Disorders</i> , 2018 , 239, 72-78	6.6	9
43	Does centrality in a cross-sectional network suggest intervention targets for social anxiety disorder?. <i>Journal of Consulting and Clinical Psychology</i> , 2018 , 86, 831-844	6.5	80
42	A multi-method investigation of the association between emotional clarity and empathy. <i>Emotion</i> , 2018 , 18, 638-645	4.1	8
41	Emotional variability and clarity in depression and social anxiety. <i>Cognition and Emotion</i> , 2017 , 31, 98-108.	3	28
40	Are fluctuations in personality states more than fluctuations in affect?. <i>Journal of Research in Personality</i> , 2017 , 69, 110-123	2.8	30
39	Meta-Analysis of the Association Between Emotional Clarity and Attention to Emotions. <i>Emotion Review</i> , 2017 , 9, 79-85	4.6	21
38	Positive and Negative Affective Forecasting in Remitted Individuals with Bipolar I Disorder, and Major Depressive Disorder, and Healthy Controls. <i>Cognitive Therapy and Research</i> , 2017 , 41, 673-685	2.7	8
37	Adaptive Coping Mediates the Relation Between Mothers' and Daughters' Depressive Symptoms: A Moderated Mediation Study. <i>Journal of Social and Clinical Psychology</i> , 2017 , 36, 171-195	1.6	1
36	Anticipatory and consummatory pleasure and displeasure in major depressive disorder: An experience sampling study. <i>Journal of Abnormal Psychology</i> , 2017 , 126, 149-159	7	42
35	Selection and implementation of emotion regulation strategies in major depressive disorder: An integrative review. <i>Clinical Psychology Review</i> , 2017 , 57, 183-194	10.8	65
34	Sources of variation in emotional awareness: Age, gender, and socioeconomic status. <i>Personality and Individual Differences</i> , 2016 , 89, 28-33	3.3	34
33	The grass is not as green as you think: Affect evaluation in people with internalizing disorders. <i>Journal of Affective Disorders</i> , 2016 , 203, 233-240	6.6	13
32	Facets of emotional awareness and associations with emotion regulation and depression. <i>Emotion</i> , 2015 , 15, 399-410	4.1	84
31	Emotion-Network Density in Major Depressive Disorder. <i>Clinical Psychological Science</i> , 2015 , 3, 292-300	6	133
30	Emotional clarity as a function of neuroticism and major depressive disorder. <i>Emotion</i> , 2015 , 15, 615-24	4.1	25
29	Rumination and Worry in Daily Life: Examining the Naturalistic Validity of Theoretical Constructs. <i>Clinical Psychological Science</i> , 2015 , 3, 926-939	6	60
28	Children at risk for depression: memory biases, self-schemas, and genotypic variation. <i>Journal of Affective Disorders</i> , 2014 , 159, 66-72	6.6	17

27	DeCon: a tool to detect emotional concordance in multivariate time series data of emotional responding. <i>Biological Psychology</i> , 2014 , 98, 29-42	3.2	24
26	Interoceptive awareness, positive affect, and decision making in major depressive disorder. <i>Journal of Affective Disorders</i> , 2013 , 151, 780-785	6.6	82
25	The role of attention to emotion in recovery from major depressive disorder. <i>Depression Research and Treatment</i> , 2013 , 2013, 540726	3.8	10
24	Are emotional clarity and emotion differentiation related?. <i>Cognition and Emotion</i> , 2013 , 27, 961-78	2.3	67
23	Walk on the bright side: physical activity and affect in major depressive disorder. <i>Journal of Abnormal Psychology</i> , 2012 , 121, 297-308	7	119
22	The everyday emotional experience of adults with major depressive disorder: Examining emotional instability, inertia, and reactivity. <i>Journal of Abnormal Psychology</i> , 2012 , 121, 819-29	7	164
21	Worry, Anhedonic Depression, and Emotional Styles. <i>Cognitive Therapy and Research</i> , 2012 , 36, 72-80	2.7	30
20	Feeling blue or turquoise? Emotional differentiation in major depressive disorder. <i>Psychological Science</i> , 2012 , 23, 1410-6	7.9	99
19	Affective and physiological responses to stress in girls at elevated risk for depression. <i>Development and Psychopathology</i> , 2012 , 24, 661-75	4.3	28
18	Flexible emotional responsiveness in trait resilience. <i>Emotion</i> , 2011 , 11, 1059-67	4.1	127
17	Affective instability, family history of mood disorders, and neurodevelopmental disturbance. <i>Personality Disorders: Theory, Research, and Treatment</i> , 2011 , 2, 220-9	4.1	2
16	Concurrent and prospective relations between attention to emotion and affect intensity: an experience sampling study. <i>Emotion</i> , 2011 , 11, 1489-94	4.1	27
15	Oxytocin receptor gene polymorphism (rs2254298) interacts with familial risk for psychopathology to predict symptoms of depression and anxiety in adolescent girls. <i>Psychoneuroendocrinology</i> , 2011 , 36, 144-7	5	164
14	Cross-sectional and longitudinal relations between affective instability and depression. <i>Journal of Affective Disorders</i> , 2011 , 130, 53-9	6.6	82
13	Adaptive and Aggressive Assertiveness Scales (AAA-S). <i>Journal of Psychopathology and Behavioral Assessment</i> , 2011 , 33, 323-334	2	11
12	5-HTTLPR moderates the effect of relational peer victimization on depressive symptoms in adolescent girls. <i>Journal of Child Psychology and Psychiatry and Allied Disciplines</i> , 2010 , 51, 173-9	7.9	62
11	Maladaptive coping, adaptive coping, and depressive symptoms: variations across age and depressive state. <i>Behaviour Research and Therapy</i> , 2010 , 48, 459-66	5.2	115
10	BDNF genotype moderates the relation between physical activity and depressive symptoms. <i>Health Psychology</i> , 2010 , 29, 130-3	5	75

9	The association between rejection and depression in the context of women's relationships with their parents. <i>Journal of Social and Personal Relationships</i> , 2009 , 26, 327-339	1.9	7
8	The Unique Relations between Emotional Awareness and Facets of Affective Instability. <i>Journal of Research in Personality</i> , 2009 , 43, 875-879	2.8	39
7	Why is past depression the best predictor of future depression? Stress generation as a mechanism of depression continuity in girls. <i>Journal of Clinical Child and Adolescent Psychology</i> , 2009 , 38, 473-85	5.4	91
6	Intolerance of uncertainty: Exploring its dimensionality and associations with need for cognitive closure, psychopathology, and personality. <i>Journal of Anxiety Disorders</i> , 2008 , 22, 117-25	10.9	152
5	Psychological trauma and schizotypal personality disorder. <i>Journal of Abnormal Psychology</i> , 2008 , 117, 502-19	7	49
4	The relation between worrying and concerns: the importance of perceived probability and cost. <i>Behaviour Research and Therapy</i> , 2007 , 45, 301-11	5.2	33
3	Perceived threat: exploring its association with worry and its hypothesized antecedents. <i>Behaviour Research and Therapy</i> , 2007 , 45, 2473-82	5.2	35
2	Emotional correlates of the different dimensions of schizotypal personality disorder. <i>Journal of Abnormal Psychology</i> , 2006 , 115, 359-68	7	57
1	Shame Reactions to Everyday Dilemmas are Associated with Depressive Disorder. <i>Cognitive Therapy and Research</i> , 2006 , 30, 415-425	2.7	31
