#	Paper	IF	Citations
87	Economic Evaluation of Early Psychosis Interventions From A Canadian Perspective.. <i>Canadian Journal of Psychiatry</i> , 2022 , 7067437221087044	4.8	1
86	Implementing the Strengths Model of Case Management: Assessing Practice Three Years After Initial Implementation.. <i>Community Mental Health Journal</i> , 2022 , 1	2.1	0
85	BEAUT: An Explainable Deep Learning Model for Agent-Based Populations With Poor Data. <i>Knowledge-Based Systems</i> , 2022 , 108836	7.3	0
84	The Working Alliance as a Mediator Between Fidelity to Strengths Model Case Management and Client Outcomes.. <i>Psychiatric Services</i> , 2022 , appips202100387	3.3	0
83	Unfinished business: Functional outcomes in a randomized controlled trial of a three-year extension of early intervention versus regular care following two years of early intervention for psychosis. <i>Acta Psychiatrica Scandinavica</i> , 2021 ,	6.5	2
82	Insights from homeless men about PRISM, an innovative shelter-based mental health service. <i>PLoS ONE</i> , 2021 , 16, e0250341	3.7	1
81	Patient satisfaction with random assignment to extended early intervention for psychosis vs regular care: Relationship with service engagement. <i>Microbial Biotechnology</i> , 2021 , 15, 746-750	3.3	1
80	Economic Evaluation of Extended Early Intervention Service vs Regular Care Following 2 Years of Early Intervention: Secondary Analysis of a Randomized Controlled Trial. <i>Schizophrenia Bulletin</i> , 2021 , 47, 465-473	1.3	5
79	Overall and Gender-specific Associations between Dimensions of Adverse Childhood Experiences and Mental Health Outcomes among Homeless Adults: Associations Globales et Sexospécifiques Entre les Dimensions des Expériences Défavorables de L'enfance et les Résultats de Santé Mentale. <i>Canadian Journal of Psychiatry</i> , 2021 , 66, 206-217	4.8	1
78	Do postoperative telemedicine interventions with a communication feature reduce emergency department visits and readmissions?-a systematic review and meta-analysis. <i>Surgical Endoscopy and Other Interventional Techniques</i> , 2021 , 35, 5889-5904	5.2	2
77	Long-term economic and social outcomes of youth suicide attempts.. <i>British Journal of Psychiatry</i> , 2021 , 1-7	5.4	5
76	. <i>IEEE Access</i> , 2020 , 8, 92954-92968	3.5	2
75	Effectiveness of Housing First for Homeless Adults with Mental Illness Who Frequently Use Emergency Departments in a Multisite Randomized Controlled Trial. <i>Administration and Policy in Mental Health and Mental Health Services Research</i> , 2020 , 47, 515-525	3.1	8
74	Smart City Response to Homelessness. <i>IEEE Access</i> , 2020 , 8, 11380-11392	3.5	2
73	Reducing Criminal Justice Involvement of Individuals Experiencing Homelessness and Mental Illness: Perspectives of Frontline Practitioners. <i>Canadian Journal of Criminology and Criminal Justice</i> , 2020 , 62, 1-21	1.3	1
72	Implementation of supported employment in the context of a national Canadian program: Facilitators, barriers and strategies. <i>Psychiatric Rehabilitation Journal</i> , 2020 , 43, 2-8	2.4	1
71	Does the density of the health workforce predict adolescent health? A cross-sectional, multilevel study of 38 countries. <i>Journal of Public Health</i> , 2019 , 41, e35-e43	3.5	2

70	The meaning and experience of stress among supported employment clients with mental health problems. <i>Health and Social Care in the Community</i> , 2018 , 26, 383-392	2.6	3
69	A Randomised Controlled Trial of Evidence Based Supported Employment for People Who have Recently been Homeless and have a Mental Illness. <i>Administration and Policy in Mental Health and Mental Health Services Research</i> , 2017 , 44, 217-224	3.1	21
68	Justice involvement among homeless individuals with mental illnesses: Are self-report and administrative measures comparable?. <i>Evaluation and Program Planning</i> , 2017 , 61, 86-95	1.7	10
67	Does enrollment in multidisciplinary team-based primary care practice improve adherence to guideline-recommended processes of care? Quebec's Family Medicine Groups, 2002-2010. <i>Health Policy</i> , 2017 , 121, 378-388	3.2	8
66	What Happens After the Demonstration Phase? The Sustainability of Canada's At Home/Chez Soi Housing First Programs for Homeless Persons with Mental Illness. <i>American Journal of Community Psychology</i> , 2017 , 59, 144-157	3.5	16
65	Extending the Quality and Reach of IPS. <i>Administration and Policy in Mental Health and Mental Health Services Research</i> , 2017 , 44, 374-377	3.1	
64	Assessing the Costs and Benefits of Insuring Psychological Services as Part of Medicare for Depression in Canada. <i>Psychiatric Services</i> , 2017 , 68, 899-906	3.3	20
63	Comparing three-year extension of early intervention service to regular care following two years of early intervention service in first-episode psychosis: a randomized single blind clinical trial. <i>World Psychiatry</i> , 2017 , 16, 278-286	14.4	48
62	Changes in the nature and intensity of stress following employment among people with severe mental illness receiving individual placement and support services: an exploratory qualitative study. <i>Journal of Mental Health</i> , 2017 , 26, 312-317	2.7	7
61	Changes in quality of life from a homelessness intervention: true change, response shift, or random variation. <i>Quality of Life Research</i> , 2017 , 26, 1853-1864	3.7	3
60	Individual placement and support versus individual placement and support enhanced with work-focused cognitive behaviour therapy: Feasibility study for a randomised controlled trial. <i>British Journal of Occupational Therapy</i> , 2016 , 79, 257-269	1	6
59	Effects of Housing First on Employment and Income of Homeless Individuals: Results of a Randomized Trial. <i>Psychiatric Services</i> , 2016 , 67, 603-9	3.3	22
58	A Multiple-City RCT of Housing First With Assertive Community Treatment for Homeless Canadians With Serious Mental Illness. <i>Psychiatric Services</i> , 2016 , 67, 275-81	3.3	113
57	Profiles of criminal justice system involvement of mentally ill homeless adults. <i>International Journal of Law and Psychiatry</i> , 2016 , 45, 75-88	2.6	18
56	Building trust with people receiving supported employment and housing first services. <i>Psychiatric Rehabilitation Journal</i> , 2016 , 39, 20-6	2.4	11
55	Predictors of criminal justice system trajectories of homeless adults living with mental illness. <i>International Journal of Law and Psychiatry</i> , 2016 , 49, 75-83	2.6	8
54	A five-year randomized parallel and blinded clinical trial of an extended specialized early intervention vs. regular care in the early phase of psychotic disorders: study protocol. <i>BMC Psychiatry</i> , 2015 , 15, 22	4.2	30
53	One-year outcomes of a randomized controlled trial of housing first with ACT in five Canadian cities. <i>Psychiatric Services</i> , 2015 , 66, 463-9	3.3	85

52	Employment and Income of People Who Experience Mental Illness and Homelessness in a Large Canadian Sample. <i>Canadian Journal of Psychiatry</i> , 2015 , 60, 379-85	4.8	18
51	Cost-effectiveness of Enhanced Recovery Versus Conventional Perioperative Management for Colorectal Surgery. <i>Annals of Surgery</i> , 2015 , 262, 1026-33	7.8	100
50	Effect of scattered-site housing using rent supplements and intensive case management on housing stability among homeless adults with mental illness: a randomized trial. <i>JAMA - Journal of the American Medical Association</i> , 2015 , 313, 905-15	27.4	158
49	Housing First Impact on Costs and Associated Cost Offsets: A Review of the Literature. <i>Canadian Journal of Psychiatry</i> , 2015 , 60, 475-87	4.8	74
48	Neurocognitive impairment in a large sample of homeless adults with mental illness. <i>Acta Psychiatrica Scandinavica</i> , 2015 , 131, 256-68	6.5	46
47	Reductions in quality of life associated with common mental disorders: results from a nationally representative sample. <i>Journal of Clinical Psychiatry</i> , 2015 , 76, 1506-12	4.6	24
46	Cost effectiveness of mesh prophylaxis to prevent parastomal hernia in patients undergoing permanent colostomy for rectal cancer. <i>Journal of the American College of Surgeons</i> , 2014 , 218, 82-91	4.4	41
45	Mapping the Gastrointestinal Quality of Life Index to short-form 6D utility scores. <i>Journal of Surgical Research</i> , 2014 , 186, 135-41	2.5	11
44	Variation in long-term antipsychotic polypharmacy and high-dose prescribing across physicians and hospitals. <i>Psychiatric Services</i> , 2014 , 65, 1210-7	3.3	9
43	Criminal behavior and victimization among homeless individuals with severe mental illness: a systematic review. <i>Psychiatric Services</i> , 2014 , 65, 739-50	3.3	86
42	Barriers to obtaining employment for people with severe mental illness experiencing homelessness. <i>Journal of Mental Health</i> , 2014 , 23, 181-5	2.7	29
41	A systematic review of economic evaluations of enhanced recovery pathways for colorectal surgery. <i>Annals of Surgery</i> , 2014 , 259, 670-6	7.8	86
40	A comparison of the validity of two indirect utility instruments as measures of postoperative recovery. <i>Journal of Surgical Research</i> , 2014 , 190, 79-86	2.5	16
39	Cost-effectiveness of minimally invasive versus open esophagectomy for esophageal cancer. <i>Annals of Surgical Oncology</i> , 2013 , 20, 3732-9	3.1	30
38	The excess healthcare costs associated with depression and anxiety in elderly living in the community. <i>American Journal of Geriatric Psychiatry</i> , 2013 , 21, 536-48	6.5	83
37	Valuing postoperative recovery: validation of the SF-6D health-state utility. <i>Journal of Surgical Research</i> , 2013 , 184, 108-14	2.5	21
36	The nature and correlates of paid and unpaid work among service users of London Community Mental Health Teams. <i>Epidemiology and Psychiatric Sciences</i> , 2013 , 22, 169-80	5.1	8
35	Economic impact of inappropriate benzodiazepine prescribing and related drug interactions among elderly persons. <i>Psychiatric Services</i> , 2013 , 64, 331-8	3.3	22

34	Supported employment: cost-effectiveness across six European sites. <i>World Psychiatry</i> , 2013 , 12, 60-8	14.4	57
33	Underprescribing of clozapine and unexplained variation in use across hospitals and regions in the Canadian province of Québec. <i>Clinical Schizophrenia and Related Psychoses</i> , 2013 , 7, 33-41	1.6	25
32	Conduite d'essais relatifs aux politiques qui soutiennent le modèle d'intervention accordant la priorité au logement: l'histoire de deux pays ¹ . <i>Lien Social Et Politiques</i> , 2012 , 161-182	0.4	4
31	Lessons learned in developing community mental health care in North America. <i>World Psychiatry</i> , 2012 , 11, 47-51	14.4	46
30	The Excess Healthcare Costs Associated With Depression and Anxiety in Elderly Living in the Community. <i>American Journal of Geriatric Psychiatry</i> , 2012 , 1	6.5	2
29	The At Home/Chez Soi trial protocol: a pragmatic, multi-site, randomised controlled trial of a Housing First intervention for homeless individuals with mental illness in five Canadian cities. <i>BMJ Open</i> , 2011 , 1, e000323	3	200
28	WPA guidance on steps, obstacles and mistakes to avoid in the implementation of community mental health care. <i>World Psychiatry</i> , 2010 , 9, 67-77	14.4	170
27	An effective intervention delivered at sub-therapeutic dose becomes an ineffective intervention. <i>British Journal of Psychiatry</i> , 2010 , 196, 341-2	5.4	17
26	A pan-Canadian evaluation of supported employment programs dedicated to people with severe mental disorders. <i>Community Mental Health Journal</i> , 2010 , 46, 44-55	2.1	44
25	Perceived Coercion, Client-Centredness, and Positive and Negative Pressures in an Assertive Community Treatment Program: An Exploratory Study. <i>Canadian Journal of Community Mental Health</i> , 2010 , 29, 35-50	0.5	1
24	The nature of informal caregiving for medically ill older people with and without depression. <i>International Journal of Geriatric Psychiatry</i> , 2009 , 24, 239-46	3.9	8
23	Recognition of depression in older medical inpatients discharged to ambulatory care settings: a longitudinal study. <i>General Hospital Psychiatry</i> , 2008 , 30, 245-51	5.6	10
22	Individual placement and support programme increases rates of obtaining employment in people with severe mental illness. <i>Evidence-Based Mental Health</i> , 2008 , 11, 52	11.1	7
21	Project Direct: Pilot Study of A Collaborative Intervention for Depressed Seniors. <i>Canadian Journal of Community Mental Health</i> , 2008 , 27, 201-218	0.5	4
20	Group-Delivered Brief Intervention versus Standard Care for Mixed Alcohol/Other Drug Problems. <i>Alcoholism Treatment Quarterly</i> , 2007 , 24, 23-40	1.2	6
19	Twelve-month course of depressive symptoms in older medical inpatients. <i>International Journal of Geriatric Psychiatry</i> , 2007 , 22, 411-7	3.9	13
18	Major depression in older medical inpatients predicts poor physical and mental health status over 12 months. <i>General Hospital Psychiatry</i> , 2007 , 29, 340-8	5.6	25
17	Recovery from Depression in Older Depressed Patients in Primary Care. <i>Clinical Gerontologist</i> , 2007 , 31, 17-32	2.7	5

16	Major depression among medically ill elders contributes to sustained poor mental health in their informal caregivers. <i>Age and Ageing</i> , 2007 , 36, 400-6	3	35
15	Does depression in older medical inpatients predict mortality?. <i>Journals of Gerontology - Series A Biological Sciences and Medical Sciences</i> , 2006 , 61, 975-81	6.4	18
14	Systematic detection and multidisciplinary care of depression in older medical inpatients: a randomized trial. <i>Cmaj</i> , 2006 , 174, 38-44	3.5	40
13	Generalisability of the individual placement and support model of supported employment: results of a Canadian randomised controlled trial. <i>British Journal of Psychiatry</i> , 2006 , 189, 65-73	5.4	108
12	The prognosis of major and minor depression in older medical inpatients. <i>American Journal of Geriatric Psychiatry</i> , 2006 , 14, 966-75	6.5	28
11	The prevalence and correlates of major and minor depression in older medical inpatients. <i>Journal of the American Geriatrics Society</i> , 2005 , 53, 1344-53	5.6	56
10	Community-based care for people with severe mental illness in Canada. <i>International Journal of Law and Psychiatry</i> , 2005 , 28, 561-73	2.6	14
9	Economic considerations associated with assertive community treatment and supported employment for people with severe mental illness. <i>Journal of Psychiatry and Neuroscience</i> , 2005 , 30, 355-65	4.5	15
8	The cost of high-fidelity supported employment programs for people with severe mental illness. <i>Psychiatric Services</i> , 2004 , 55, 401-6	3.3	35
7	Conditions facilitating knowledge exchange between rehabilitation and research teams--a study. <i>Psychiatric Rehabilitation Journal</i> , 2004 , 28, 55-62	2.4	5
6	Costs and caregiver consequences of early supported discharge for stroke patients. <i>Stroke</i> , 2003 , 34, 528-36	6.7	89
5	Cost-effectiveness of a brief two-stage emergency department intervention for high-risk elders: results of a quasi-randomized controlled trial. <i>Annals of Emergency Medicine</i> , 2003 , 41, 45-56	2.1	48
4	Factor structure of the Multnomah Community Ability Scale. <i>Journal of Nervous and Mental Disease</i> , 2002 , 190, 399-406	1.8	18
3	Assertive Community Treatment for People with Severe Mental Illness. <i>Disease Management and Health Outcomes</i> , 2001 , 9, 141-159		337
2	Housing costs for adults who are mentally ill and formerly homeless. <i>Journal of Mental Health Administration</i> , 1997 , 24, 291-305		28
1	The elasticity of demand for health care in Burkina Faso: differences across age and income groups. <i>Health Policy and Planning</i> , 1994 , 9, 185-92	3.4	87
