#	ARTICLE	IF	CITATIONS
1	Ethical considerations around volunteer payments in a malaria human infection study in Kenya: an embedded empirical ethics study. <i>BMC Medical Ethics</i> , 2022, 23, 46.	1.0	2
2	Undertaking Community Engagement for a Controlled Human Malaria Infection Study in Kenya: Approaches and Lessons Learnt. <i>Frontiers in Public Health</i> , 2022, 10, 793913.	1.3	0
3	Considering the Importance of Context for Ethical Practice on Reimbursement, Compensation and Incentives for Volunteers in Human Infection Controlled Studies. <i>American Journal of Bioethics</i> , 2021, 21, 40-42.	0.5	3
4	Vulnerability, Agency, and the Research Encounter: Family Members' Experiences and Perceptions of Participating in an Observational Clinical Study in Kenya. <i>Journal of Empirical Research on Human Research Ethics</i> , 2021, 16, 238-254.	0.6	4
5	How can community engagement in health research be strengthened for infectious disease outbreaks in Sub-Saharan Africa? A scoping review of the literature. <i>BMC Public Health</i> , 2021, 21, 633.	1.2	13
6	Model for developing context-sensitive responses to vulnerability in research: managing ethical dilemmas faced by frontline research staff in Kenya. <i>BMJ Global Health</i> , 2021, 6, e004937.	2.0	13
7	Understanding the benefits and burdens associated with a malaria human infection study in Kenya: experiences of study volunteers and other stakeholders. <i>Trials</i> , 2021, 22, 494.	0.7	8
8	Towards an appropriate ethics framework for Health and Demographic Surveillance Systems (HDSS): learning from issues faced in diverse HDSS in sub-Saharan Africa. <i>BMJ Global Health</i> , 2021, 6, e004008.	2.0	7
9	Applying a gender lens to understand pathways through care for acutely ill young children in Kenyan urban informal settlements. <i>International Journal for Equity in Health</i> , 2021, 20, 17.	1.5	13
10	Socio-ecological determinants of alcohol, tobacco, and drug use behavior of adolescents in Kilifi County at the Kenyan coast. <i>Journal of Health Psychology</i> , 2020, 25, 1940-1953.	1.3	16
11	Vulnerability and agency across treatment-seeking journeys for acutely ill children: how family members navigate complex healthcare before, during and after hospitalisation in a rural Kenyan setting. <i>International Journal for Equity in Health</i> , 2020, 19, 136.	1.5	24
12	Response to Open Peer Commentaries on "Solidarity and Community Engagement in Global Health Research". <i>American Journal of Bioethics</i> , 2020, 20, W14-W16.	0.5	0
13	Deliberately infecting healthy volunteers with malaria parasites: Perceptions and experiences of participants and other stakeholders in a Kenyan-based malaria infection study. <i>Bioethics</i> , 2020, 34, 819-832.	0.7	16
14	Solidarity and Community Engagement in Global Health Research. <i>American Journal of Bioethics</i> , 2020, 20, 43-56.	0.5	35
15	Who should decide about children's and adolescents' participation in health research? The views of children and adults in rural Kenya. <i>BMC Medical Ethics</i> , 2019, 20, 41.	1.0	24
16	"If I have a cancer, it is not my fault I am a refugee": A qualitative study with expert stakeholders on cancer care management for Syrian refugees in Jordan. <i>PLoS ONE</i> , 2019, 14, e0222496.	1.1	19
17	Kenyan health stakeholder views on individual consent, general notification and governance processes for the re-use of hospital inpatient data to support learning on healthcare systems. <i>BMC Medical Ethics</i> , 2019, 20, 3.	1.0	18
18	Enhancing fieldworkers' performance management support in health research: an exploratory study on the views of field managers and fieldworkers from major research centres in Africa. <i>BMJ Open</i> , 2019, 9, e028453.	0.8	3

#	ARTICLE	IF	CITATIONS
19	Commentary 1: Sharing and Responding to Day-to-Day Ethics Challenges in Health Research. <i>Journal of Empirical Research on Human Research Ethics</i> , 2019, 14, 513-515.	0.6	1
20	Evolution of a programme to engage school students with health research and science in Kenya. <i>Wellcome Open Research</i> , 2019, 4, 39.	0.9	5
21	Young people's and stakeholders' perspectives of adolescent sexual risk behavior in Kilifi County, Kenya: A qualitative study. <i>Journal of Health Psychology</i> , 2018, 23, 188-205.	1.3	24
22	Human candidate gene polymorphisms and risk of severe malaria in children in Kilifi, Kenya: a case-control association study. <i>Lancet Haematology</i> , 2018, 5, e333-e345.	2.2	90
23	Ethical considerations in Controlled Human Malaria Infection studies in low resource settings: Experiences and perceptions of study participants in a malaria Challenge study in Kenya. <i>Wellcome Open Research</i> , 2018, 3, 39.	0.9	46
24	Ethical considerations in Controlled Human Malaria Infection studies in low resource settings: Experiences and perceptions of study participants in a malaria Challenge study in Kenya. <i>Wellcome Open Research</i> , 2018, 3, 39.	0.9	48
25	Beyond open data: realising the health benefits of sharing data: Table 1. <i>BMJ</i> , 2016, 355, i5295.	3.0	51
26	Public/community engagement in health research with men who have sex with men in sub-Saharan Africa: challenges and opportunities. <i>Health Research Policy and Systems</i> , 2016, 14, 40.	1.1	17
27	Debating Ethics in HIV Research: Gaps between Policy and Practice in Nigeria. <i>Developing World Bioethics</i> , 2015, 15, 214-225.	0.6	5
28	"The One Who Chases You Away Does Not Tell You Go": Silent Refusals and Complex Power Relations in Research Consent Processes in Coastal Kenya. <i>PLoS ONE</i> , 2015, 10, e0126671.	1.1	27
29	Benefits in Cash or in Kind? A Community Consultation on Types of Benefits in Health Research on the Kenyan Coast. <i>PLoS ONE</i> , 2015, 10, e0127842.	1.1	26
30	Research Stakeholders' Views on Benefits and Challenges for Public Health Research Data Sharing in Kenya: The Importance of Trust and Social Relations. <i>PLoS ONE</i> , 2015, 10, e0135545.	1.1	39
31	Involving Research Stakeholders in Developing Policy on Sharing Public Health Research Data in Kenya. <i>Journal of Empirical Research on Human Research Ethics</i> , 2015, 10, 264-277.	0.6	46
32	Best Practices for Ethical Sharing of Individual-Level Health Research Data From Low- and Middle-Income Settings. <i>Journal of Empirical Research on Human Research Ethics</i> , 2015, 10, 302-313.	0.6	60
33	What Are Fair Study Benefits in International Health Research? Consulting Community Members in Kenya. <i>PLoS ONE</i> , 2014, 9, e113112.	1.1	39
34	"When they see us, it's like they have seen the benefits!" experiences of study benefits negotiations in community-based studies on the Kenyan Coast. <i>BMC Medical Ethics</i> , 2014, 15, 90.	1.0	30
35	Complex realities: community engagement for a paediatric randomized controlled malaria vaccine trial in Kilifi, Kenya. <i>Trials</i> , 2014, 15, 65.	0.7	50
36	Managing misaligned paternity findings in research including sickle cell disease screening in Kenya: Consulting communities to inform policy. <i>Social Science and Medicine</i> , 2013, 96, 192-199.	1.8	9

#	ARTICLE	IF	CITATIONS
37	Consulting communities on feedback of genetic findings in international health research: sharing sickle cell disease and carrier information in coastal Kenya. <i>BMC Medical Ethics</i> , 2013, 14, 41.	1.0	36
38	Feedback of Research Findings for Vaccine Trials: Experiences from Two Malaria Vaccine Trials Involving Healthy Children on the Kenyan Coast. <i>Developing World Bioethics</i> , 2013, 13, 48-56.	0.6	15
39	The "Difficult Patient" Conundrum in Sickle Cell Disease in Kenya: Complex Sociopolitical Problems Need Wide Multidimensional Solutions. <i>American Journal of Bioethics</i> , 2013, 13, 20-22.	0.5	4
40	Engaging Communities to Strengthen Research Ethics in Low-Income Settings: Selection and Perceptions of Members of a Network of Representatives in Coastal Kenya. <i>Developing World Bioethics</i> , 2013, 13, 10-20.	0.6	82
41	Working with Community Health Workers as "Volunteers" in a Vaccine Trial: Practical and Ethical Experiences and Implications. <i>Developing World Bioethics</i> , 2013, 13, 38-47.	0.6	20
42	Approaching the community about screening children for a multicentre malaria vaccine trial. <i>International Health</i> , 2012, 4, 47-54.	0.8	17
43	Benefits and payments for research participants: Experiences and views from a research centre on the Kenyan coast. <i>BMC Medical Ethics</i> , 2012, 13, 13.	1.0	76
44	Strengthening the Informed Consent Process in International Health Research through Community Engagement: The KEMRI-Wellcome Trust Research Programme Experience. <i>PLoS Medicine</i> , 2011, 8, e1001089.	3.9	41
45	Working with Concepts: The Role of Community in International Collaborative Biomedical Research. <i>Public Health Ethics</i> , 2011, 4, 26-39.	0.4	60
46	"All her children are born that way": gendered experiences of stigma in families affected by sickle cell disorder in rural Kenya. <i>Ethnicity and Health</i> , 2011, 16, 343-359.	1.5	88
47	What We Learned About Voluntariness and Consent: Incorporating "Background Situations" and Understanding Into Analyses. <i>American Journal of Bioethics</i> , 2011, 11, 31-33.	0.5	15
48	Factors influencing implementation of the Ministry of Health-led private medicine retailer programmes on malaria in Kenya. <i>BMC Public Health</i> , 2010, 10, 93.	1.2	8
49	Importance of strategic management in the implementation of private medicine retailer programmes: case studies from three districts in Kenya. <i>BMC Health Services Research</i> , 2010, 10, S7.	0.9	9
50	Experiences with community engagement and informed consent in a genetic cohort study of severe childhood diseases in Kenya. <i>BMC Medical Ethics</i> , 2010, 11, 13.	1.0	68
51	Evaluating Different Dimensions of Programme Effectiveness for Private Medicine Retailer Malaria Control Interventions in Kenya. <i>PLoS ONE</i> , 2010, 5, e8937.	1.1	21
52	Community Members Employed on Research Projects Face Crucial, Often Under-Recognized, Ethical Dilemmas. <i>American Journal of Bioethics</i> , 2010, 10, 24-26.	0.5	25
53	Impact of Ministry of Health Interventions on Private Medicine Retailer Knowledge and Practices on Anti-Malarial Treatment in Kenya. <i>American Journal of Tropical Medicine and Hygiene</i> , 2009, 80, 905-913.	0.6	34
54	Impact of ministry of health interventions on private medicine retailer knowledge and practices on anti-malarial treatment in Kenya. <i>American Journal of Tropical Medicine and Hygiene</i> , 2009, 80, 905-13.	0.6	25

#	ARTICLE	IF	CITATIONS
55	Taking social relationships seriously: Lessons learned from the informed consent practices of a vaccine trial on the Kenyan Coast. <i>Social Science and Medicine</i> , 2008, 67, 708-720.	1.8	128
56	Beginning community engagement at a busy biomedical research programme: Experiences from the KEMRI CGMRC-Wellcome Trust Research Programme, Kilifi, Kenya. <i>Social Science and Medicine</i> , 2008, 67, 721-733.	1.8	140
57	Incorporating a quiz into informed consent processes: Qualitative study of participants' reactions. <i>Malaria Journal</i> , 2007, 6, 145.	0.8	19
58	Use of over-the-counter malaria medicines in children and adults in three districts in Kenya: implications for private medicine retailer interventions. <i>Malaria Journal</i> , 2007, 6, 57.	0.8	73
59	Beyond registration—measuring the public-health potential of new treatments for malaria in Africa. <i>Lancet Infectious Diseases</i> , The, 2006, 6, 46-52.	4.6	19
60	The cost-effectiveness of improving malaria home management: shopkeeper training in rural Kenya. <i>Health Policy and Planning</i> , 2006, 21, 275-288.	1.0	58
61	Improving malaria home treatment by training drug retailers in rural Kenya. <i>Tropical Medicine and International Health</i> , 2004, 9, 451-460.	1.0	114
62	The difference between effectiveness and efficacy of antimalarial drugs in Kenya. <i>Tropical Medicine and International Health</i> , 2004, 9, 967-974.	1.0	28
63	The use of formal and informal curative services in the management of paediatric fevers in four districts in Kenya. <i>Tropical Medicine and International Health</i> , 2003, 8, 1143-1152.	1.0	82
64	Changing home treatment of childhood fevers by training shop keepers in rural Kenya. <i>Tropical Medicine and International Health</i> , 1999, 4, 383-389.	1.0	155
65	Childhood deaths in Africa: uses and limitations of verbal autopsies. <i>Lancet</i> , The, 1992, 340, 351-355.	6.3	257
66	A network of empirical ethics teams embedded in research programmes across multiple sites: opportunities and challenges in contributing to COVID-19 research and responses. <i>Wellcome Open Research</i> , 0, 7, 48.	0.9	1
67	Pandemic preparedness and responsiveness of research review committees: lessons from review of COVID-19 protocols at KEMRI Wellcome Trust Research Programme in Kenya. <i>Wellcome Open Research</i> , 0, 7, 75.	0.9	3
68	Pandemic preparedness and responsiveness of research review committees: lessons from review of COVID-19 protocols at KEMRI Wellcome Trust Research Programme in Kenya. <i>Wellcome Open Research</i> , 0, 7, 75.	0.9	2
