#	ARTICLE	IF	CITATIONS
1	The Australian version of IAPT: clinical outcomes of the multi-site cohort study of NewAccess. <i>Journal of Mental Health</i> , 2023, 32, 341-350.	1.0	18
2	Nurse Led Clinics; a Novel Model of Care for Compensated Liver Cirrhosis. <i>Gastroenterology Nursing</i> , 2022, 45, 29-42.	0.2	3
3	The Effectiveness and Cost of an Intervention to Increase the Provision of Preventive Care in Community Mental Health Services: Protocol for a Cluster-Randomized Controlled Trial. <i>International Journal of Environmental Research and Public Health</i> , 2022, 19, 3119.	1.2	0
4	The impact of educational interventions on modifying health practitioners' attitudes and practice in treating people with borderline personality disorder: an integrative review. <i>Systematic Reviews</i> , 2022, 11, .	2.5	3
5	Families' experiences of supporting Australian veterans and emergency service first responders () Tj ETQq1 1 0.784314 rgBT /Overlock 1 2022, 30, .	0.7	4
6	Investigating the reciprocal temporal relationships between tobacco consumption and psychological disorders for youth: an international review. <i>BMJ Open</i> , 2022, 12, e055499.	0.8	9
7	Consumer perspective from people with a diagnosis of Borderline Personality Disorder (BPD) on BPD management" How are the Australian NHMRC BPD guidelines faring in practice?. <i>Journal of Psychiatric and Mental Health Nursing</i> , 2021, 28, 670-681.	1.2	10
8	Older Adults' Experiences of Goals in Health: A Systematic Review and Metasynthesis. <i>Journal of Applied Gerontology</i> , 2021, 40, 818-827.	1.0	5
9	Gambling-related harm as reported by concerned significant others: a systematic review and meta-synthesis of empirical studies. <i>Journal of Family Studies</i> , 2021, 27, 112-130.	0.9	28
10	It's what's under the hood that counts: comparing therapeutic outcomes when using Australian versus UK-produced clinical materials in an Australian mental health program. <i>Australian Health Review</i> , 2021, 45, 606-612.	0.5	3
11	"I felt like less than a shadow in the room" Systematic review of the experiences and needs of new fathers.. <i>Psychology of Men and Masculinity</i> , 2021, 22, 135-155.	1.0	15
12	Effectiveness of self-management programmes for adolescents with a chronic illness: A systematic review. <i>Journal of Advanced Nursing</i> , 2021, 77, 3585-3599.	1.5	10
13	Family perspectives on the acceptability and usefulness of the FAB Positive Behaviour Support program: A pilot study. <i>Brain Injury</i> , 2021, 35, 609-619.	0.6	7
14	Risk versus recovery: Care planning with individuals on community treatment orders. <i>International Journal of Mental Health Nursing</i> , 2021, 30, 1248-1262.	2.1	3
15	Community treatment orders and care planning: How is engagement and decision-making enacted?. <i>Health Expectations</i> , 2021, 24, 1859-1867.	1.1	6
16	Structural stigma and its impact on healthcare for consumers with borderline personality disorder: protocol for a scoping review. <i>Systematic Reviews</i> , 2021, 10, 23.	2.5	7
17	Attitudes, Risk Factors, and Behaviours of Gambling among Adolescents and Young People: A Literature Review and Gap Analysis. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 984.	1.2	25
18	Australian Mental Health Consumers' Experiences of Service Engagement and Disengagement: A Descriptive Study. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 10464.	1.2	6

#	ARTICLE	IF	CITATIONS
19	Determining what constitutes an effective psychosocial "return to work"™ intervention: a systematic review and narrative synthesis. <i>BMC Public Health</i> , 2021, 21, 2164.	1.2	10
20	Why Do People with Severe Mental Illness Have Poor Cardiovascular Health?"The Need for Implementing a Recovery-Based Self-Management Approach. <i>International Journal of Environmental Research and Public Health</i> , 2021, 18, 12556.	1.2	6
21	The "Zone": a Qualitative Exploratory Study of an Altered State of Awareness in Electronic Gaming Machine Problem Gambling. <i>International Journal of Mental Health and Addiction</i> , 2020, 18, 177-194.	4.4	10
22	Do guidelines provide evidence-based guidance to health professionals on promoting developmentally appropriate chronic condition self-management in children? A systematic review. <i>Chronic Illness</i> , 2020, 16, 239-252.	0.6	10
23	Brain injury, behaviour support, and family involvement: putting the pieces together and looking forward. <i>Disability and Rehabilitation</i> , 2020, 42, 1305-1315.	0.9	14
24	Assessing competence in health professionals'™ use of motivational interviewing: A systematic review of training and supervision tools. <i>Patient Education and Counseling</i> , 2020, 103, 473-483.	1.0	14
25	Developmentally appropriate supported self-management for children and young people with chronic conditions: A consensus. <i>Patient Education and Counseling</i> , 2020, 103, 571-581.	1.0	6
26	On Loneliness. <i>Schizophrenia Bulletin</i> , 2020, 46, 1036-1037.	2.3	1
27	The role of comorbidity assessment in guiding treatment decision-making for women with early breast cancer: a systematic literature review. <i>Supportive Care in Cancer</i> , 2020, 28, 1041-1050.	1.0	9
28	"When I'm not angry I am anxious": The lived experiences of individuals in a relationship with a non-help-seeking problem gambler"™ A hermeneutic phenomenological study. <i>Journal of Social and Personal Relationships</i> , 2020, 37, 2529-2550.	1.4	9
29	The Frantic Seeking of Credit during Poker Machine Problem Gambling: A Public Health Perspective. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 5216.	1.2	4
30	Family involvement to support cardiovascular self-management care for people with severe mental illness: a systematic review. <i>Journal of Mental Health</i> , 2020, , 1-17.	1.0	2
31	Supporting workforce practice change: protocol for a pilot study of a motivational interviewing virtual client software tool for health professionals. <i>BMJ Open</i> , 2020, 10, e033080.	0.8	1
32	The use of pasung for people with mental illness: a systematic review and narrative synthesis. <i>International Journal of Mental Health Systems</i> , 2020, 14, 90.	1.1	11
33	The effects of emergency medical service work on the psychological, physical, and social well-being of ambulance personnel: a systematic review of qualitative research. <i>BMC Psychiatry</i> , 2020, 20, 348.	1.1	81
34	A Literature Review and Gap Analysis of Emerging Technologies and New Trends in Gambling. <i>International Journal of Environmental Research and Public Health</i> , 2020, 17, 744.	1.2	40
35	"Why do you stay?"™ The lived experience of partners of Australian veterans and first responders with Posttraumatic Stress Disorder. <i>Health and Social Care in the Community</i> , 2020, 28, 1734-1742.	0.7	19
36	The Impact of Emergency Call Taking on the Mental Health and Wellbeing of Ambulance Call-Takers: A Systematic Thematic Narrative of Qualitative Research. <i>Australasian Journal of Paramedicine</i> , 2020, 17, 1-11.	0.4	5

#	ARTICLE	IF	CITATIONS
37	â€œTheir pain is our painâ€: The lived experience of intimate partners in Veteran recovery from PTSD. <i>Journal of Military, Veteran and Family Health</i> , 2020, 6, 40-49.	0.3	3
38	Implementing national mental health carer partnership standards in South Australia. <i>Australian Health Review</i> , 2020, 44, 880.	0.5	5
39	Designing for practice: understanding technology use in rural community-based youth mental health contexts. <i>CoDesign</i> , 2019, 15, 163-184.	1.4	2
40	Concurrent validity of the Partners in Health scale against general self-rated health in chronic conditions: A short report. <i>Chronic Illness</i> , 2019, 15, 74-77.	0.6	7
41	Does the Partners in Health scale allow meaningful comparisons of chronic condition self-management between men and women? Testing measurement invariance. <i>Journal of Advanced Nursing</i> , 2019, 75, 3126-3137.	1.5	1
42	The â€˜Merry-Go-Roundâ€™ of Habitual Relapse: A Qualitative Study of Relapse in Electronic Gaming Machine Problem Gambling. <i>International Journal of Environmental Research and Public Health</i> , 2019, 16, 2858.	1.2	9
43	The French adaptation and validation of the Partners in Health (PIH) scale among patients with chronic conditions seen in primary care. <i>PLoS ONE</i> , 2019, 14, e0224191.	1.1	4
44	Trust and Community Treatment Orders. <i>Frontiers in Psychiatry</i> , 2019, 10, 349.	1.3	12
45	Recovery college as a transition space in the journey towards recovery: An Australian qualitative study. <i>Australian Journal of Cancer Nursing</i> , 2019, 21, 523-530.	0.8	10
46	Outcomes of telephone-delivered low-intensity cognitive behaviour therapy (LiCBT) to community dwelling Australians with a recent hospital admission due to depression or anxiety: MindStepâ„¢. <i>BMC Psychiatry</i> , 2019, 19, 2.	1.1	15
47	Embedding and sustaining motivational interviewing in clinical environments: a concurrent iterative mixed methods study. <i>BMC Medical Education</i> , 2019, 19, 164.	1.0	51
48	Stigma perpetuation at the interface of mental health care: a review to compare patient and clinician perspectives of stigma and borderline personality disorder. <i>Journal of Mental Health</i> , 2019, , 1-21.	1.0	76
49	Using a nominal group technique to approach consensus on a resilience intervention for smoking cessation in a lower socioeconomic population. <i>BMC Public Health</i> , 2019, 19, 1577.	1.2	12
50	Pain Self-Management: Easier Said than Done? Factors Associated with Early Dropout from Pain Self-Management in a Rural Primary Care Population. <i>Pain Medicine</i> , 2019, 20, 267-277.	0.9	12
51	â€˜Iâ€™ll Just Pay the Rent Next Monthâ€™: an Exploratory Study Examining Facilitatory Cognitions Among EGM Problem Gamblers. <i>International Journal of Mental Health and Addiction</i> , 2019, 17, 1564-1579.	4.4	2
52	What are the components of effective chronic condition self-management education interventions for children with asthma, cystic fibrosis, and diabetes? A systematic review. <i>Patient Education and Counseling</i> , 2019, 102, 607-622.	1.0	24
53	Family-directed approach to brain injury (FAB) model: a preliminary framework to guide family-directed intervention for individuals with brain injury. <i>Disability and Rehabilitation</i> , 2019, 41, 854-860.	0.9	37
54	Self-management programs for Aboriginal and Torres Strait Islander Peoples with chronic conditions: A rapid review. <i>Chronic Illness</i> , 2019, 15, 83-123.	0.6	1

#	ARTICLE	IF	CITATIONS
55	Tailoring of a Smartphone Smoking Cessation App (Kick.it) for Serious Mental Illness Populations: Qualitative Study. <i>JMIR Human Factors</i> , 2019, 6, e14023.	1.0	31
56	Delivering services to the families of Veterans of current conflicts: a rapid review of outcomes for Veterans. <i>Journal of Military, Veteran and Family Health</i> , 2019, 5, 159-175.	0.3	7
57	Chronic condition self-management support for Aboriginal people: Adapting tools and training. <i>Australian Journal of Rural Health</i> , 2018, 26, 232-237.	0.7	9
58	Community treatment orders: towards a new research agenda. <i>Australasian Psychiatry</i> , 2018, 26, 299-302.	0.4	8
59	Kick.it: The development of an evidence-based smoking cessation smartphone app. <i>Translational Behavioral Medicine</i> , 2018, 8, 243-267.	1.2	25
60	Do Males and Females Conceptualise Work and Social Impairment Differently Following Treatment for Different Mental Health Problems?. <i>Archives of Psychiatric Nursing</i> , 2018, 32, 285-290.	0.7	1
61	An audit of the management of nicotine withdrawal in an Australian inpatient unit: are we there yet?. <i>Australasian Psychiatry</i> , 2018, 26, 13-19.	0.4	4
62	Indigenous patient experiences of returning to country: a qualitative evaluation on the Country Health SA Dialysis bus. <i>BMC Health Services Research</i> , 2018, 18, 1010.	0.9	21
63	Reducing Smoking Among People With Schizophrenia: Perspectives on Priorities for Advancing Research. <i>Frontiers in Psychiatry</i> , 2018, 9, 711.	1.3	3
64	Exploring General Practitioners' Views and Experiences of Providing Care to People with Borderline Personality Disorder in Primary Care: A Qualitative Study in Australia. <i>International Journal of Environmental Research and Public Health</i> , 2018, 15, 2763.	1.2	15
65	E-learning for self-management support: introducing blended learning for graduate students – a cohort study. <i>BMC Medical Education</i> , 2018, 18, 219.	1.0	26
66	The development of a positive behaviour support programme for families following acquired brain injury. <i>International Journal of Therapy and Rehabilitation</i> , 2018, 25, 538-551.	0.1	8
67	Understanding the business versus care paradox in gambling venues: a qualitative study of the perspectives from gamblers, venue staff and counsellors. <i>Harm Reduction Journal</i> , 2018, 15, 49.	1.3	6
68	Hidden care: Revelations of a case-note audit of physical health care in a community mental health service. <i>International Journal of Mental Health Nursing</i> , 2018, 27, 1742-1755.	2.1	7
69	Improving cardiovascular health and quality of life in people with severe mental illness: study protocol for a randomised controlled trial. <i>Trials</i> , 2018, 19, 366.	0.7	5
70	Adapting, Pilot Testing and Evaluating the Kick.it App to Support Smoking Cessation for Smokers with Severe Mental Illness: A Study Protocol. <i>International Journal of Environmental Research and Public Health</i> , 2018, 15, 254.	1.2	12
71	Managing chronic conditions care across primary care and hospital systems: lessons from an Australian Hospital Avoidance Risk Program using the Flinders Chronic Condition Management Program. <i>Australian Health Review</i> , 2018, 42, 542.	0.5	16
72	Support workers can develop the skills to work with complexity in community aged care: An Australian study of training provided across aged care community services. <i>Gerontology and Geriatrics Education</i> , 2017, 38, 453-470.	0.6	15

#	ARTICLE	IF	CITATIONS
73	Carers' experiences of accessing and navigating mental health care for older people in a rural area in Australia. <i>Aging and Mental Health</i> , 2017, 21, 216-223.	1.5	14
74	Support workers as agents for health behavior change: An Australian study of the perceptions of clients with complex needs, support workers, and care coordinators. <i>Gerontology and Geriatrics Education</i> , 2017, 38, 496-516.	0.6	11
75	Shared care involving cancer specialists and primary care providers – What do cancer survivors want?. <i>Health Expectations</i> , 2017, 20, 1081-1087.	1.1	29
76	People, processes, and systems: An observational study of the role of technology in rural youth mental health services. <i>International Journal of Mental Health Nursing</i> , 2017, 26, 259-272.	2.1	6
77	Exploring the Potential for Family Carers to Support People With Mental Illness to Stop Smoking. <i>Journal of Dual Diagnosis</i> , 2017, 13, 52-59.	0.7	5
78	Identifying Current Practices and Supports in Behaviour Management Following ABI in South Australian Community Settings: A Delphi Study. <i>Brain Impairment</i> , 2017, 18, 211-225.	0.5	8
79	The developmental trajectory of Borderline personality disorder and peer victimisation: Australian family carers' perspectives. <i>Emotional and Behavioural Difficulties</i> , 2017, 22, 98-110.	0.7	8
80	Educating for interprofessional practice: moving from knowing to being, is it the final piece of the puzzle?. <i>BMC Medical Education</i> , 2017, 17, 5.	1.0	8
81	Practice change in chronic conditions care: an appraisal of theories. <i>BMC Health Services Research</i> , 2017, 17, 170.	0.9	11
82	Measuring chronic condition self-management in an Australian community: factor structure of the revised Partners in Health (PIH) scale. <i>Quality of Life Research</i> , 2017, 26, 149-159.	1.5	47
83	No smoker left behind: it's time to tackle tobacco in Australian priority populations. <i>Medical Journal of Australia</i> , 2017, 207, 141-142.	0.8	24
84	An integrative review of e-learning in the delivery of self-management support training for health professionals. <i>BMC Medical Education</i> , 2017, 17, 183.	1.0	94
85	The barriers and facilitators that indigenous health workers experience in their workplace and communities in providing self-management support: a multiple case study. <i>BMC Health Services Research</i> , 2017, 17, 319.	0.9	38
86	The health and wellbeing needs of veterans: a rapid review. <i>BMC Psychiatry</i> , 2017, 17, 414.	1.1	52
87	Two heads are better than one: Australian tobacco control experts' and mental health change champions' consensus on addressing the problem of high smoking rates among people with mental illness. <i>Australian Health Review</i> , 2016, 40, 155.	0.5	5
88	Addressing Smoking in Supported Residential Facilities for People with Severe Mental Illness: Has Any Progress Been Achieved?. <i>International Journal of Environmental Research and Public Health</i> , 2016, 13, 996.	1.2	4
89	The promise and the reality: a mental health workforce perspective on technology-enhanced youth mental health service delivery. <i>BMC Health Services Research</i> , 2016, 16, 562.	0.9	31
90	What researchers think of involving consumers in health research. <i>Australian Journal of Primary Health</i> , 2016, 22, 483.	0.4	24

#	ARTICLE	IF	CITATIONS
91	A Pilot Study of Self-Management-based Nutrition and Physical Activity Intervention in Cancer Survivors. <i>Nutrition and Cancer</i> , 2016, 68, 762-771.	0.9	3
92	Chronic Condition Management Models for Cancer Care and Survivorship. , 2016, , 241-259.		2
93	A Rural Youth Consumer Perspective of Technology to Enhance Face-to-Face Mental Health Services. <i>Journal of Child and Family Studies</i> , 2016, 25, 3066-3075.	0.7	32
94	Care planning for consumers on community treatment orders: an integrative literature review. <i>BMC Psychiatry</i> , 2016, 16, 394.	1.1	9
95	Fragmentation in Australian Commonwealth and South Australian State policy on mental health and older people: A governmentality analysis. <i>Health (United Kingdom)</i> , 2016, 20, 541-558.	0.9	6
96	Examining the use of metaphors to understand the experience of community treatment orders for patients and mental health workers. <i>BMC Psychiatry</i> , 2016, 16, 82.	1.1	11
97	Towards equity and sustainability of rural and remote health services access: supporting social capital and integrated organisational and professional development. <i>BMC Health Services Research</i> , 2016, 16, 111.	0.9	10
98	The Lived Experience of Caring for an Australian Military Veteran With Posttraumatic Stress Disorder. <i>Qualitative Health Research</i> , 2016, 26, 1603-1613.	1.0	12
99	Mental Health Technologies: Designing With Consumers. <i>JMIR Human Factors</i> , 2016, 3, e4.	1.0	44
100	Small steps: physical health promotion for people living with mental illness. <i>International Journal of Mental Health Promotion</i> , 2015, 17, 97-112.	0.4	7
101	Changing practice to support self-management and recovery in mental illness: application of an implementation model. <i>Australian Journal of Primary Health</i> , 2015, 21, 279.	0.4	8
102	A qualitative study examining the presence and consequences of moral framings in patients' and mental health workers' experiences of community treatment orders. <i>BMC Psychiatry</i> , 2015, 15, 274.	1.1	13
103	Teaching health science students foundation motivational interviewing skills: use of motivational interviewing treatment integrity and self-reflection to approach transformative learning. <i>BMC Medical Education</i> , 2015, 15, 228.	1.0	23
104	Barriers and enablers to good communication and information-sharing practices in care planning for chronic condition management. <i>Australian Journal of Primary Health</i> , 2015, 21, 84.	0.4	18
105	What carers of family members with mental illness say, think and do about their relative's smoking and the implications for health promotion and service delivery: a qualitative study. <i>International Journal of Mental Health Promotion</i> , 2015, 17, 261-277.	0.4	18
106	Experiences of care by Australians with a diagnosis of borderline personality disorder. <i>Journal of Psychiatric and Mental Health Nursing</i> , 2015, 22, 510-521.	1.2	74
107	Mental health professionals' perspectives on the implementation of smoke-free policies in psychiatric units across England. <i>International Journal of Social Psychiatry</i> , 2015, 61, 465-474.	1.6	15
108	Testing a model of facilitated reflection on network feedback: a mixed method study on integration of rural mental healthcare services for older people. <i>BMJ Open</i> , 2015, 5, e008593-e008593.	0.8	6
