

Jennifer M Fleming

List of Publications by Year in Descending Order

Source: <https://exaly.com/author-pdf/5078202/jennifer-m-fleming-publications-by-year.pdf>

Version: 2024-04-27

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
191	Improving self-awareness of prospective memory function after TBI using experiential feedback on a board game activity: An observational study.. <i>Neuropsychological Rehabilitation</i> , 2022 , 1-24	3.1	
190	The influence of personal factors, unmet need and service obstacles on the relationship between health service use and outcome after brain injury.. <i>BMC Health Services Research</i> , 2022 , 22, 445	2.9	
189	Self-reported prospective memory after stroke. <i>Neuropsychological Rehabilitation</i> , 2021 , 31, 1190-1206	3.1	1
188	Evaluating the effectiveness of on-road driving remediation following acquired brain injury: A wait-list feasibility study with follow-up. <i>Australian Occupational Therapy Journal</i> , 2021 , 68, 124-134	1.7	3
187	The impact of using implementation intentions as task instructions on prospective memory performance after stroke. <i>Neuropsychological Rehabilitation</i> , 2021 , 1-16	3.1	0
186	Disrupted biographies: making sense of minor stroke after hospital discharge. <i>Disability and Rehabilitation</i> , 2021 , 43, 2632-2639	2.4	2
185	Evaluation of an occupation-based metacognitive intervention targeting awareness, executive function and goal-related outcomes after traumatic brain injury using single-case experimental design methodology. <i>Neuropsychological Rehabilitation</i> , 2021 , 31, 1527-1556	3.1	1
184	Student-resourced service delivery of occupational therapy rehabilitation groups: patient, clinician and student perspectives about the ingredients for success. <i>Disability and Rehabilitation</i> , 2021 , 1-12	2.4	0
183	Measuring domain-specific deficits in self-awareness in children and adolescents with acquired brain injury: Component analysis of the Paediatric Awareness Questionnaire. <i>Neuropsychological Rehabilitation</i> , 2021 , 1-21	3.1	1
182	Conceptualization of self-awareness in adults with acquired brain injury: A qualitative systematic review. <i>Neuropsychological Rehabilitation</i> , 2021 , 1-48	3.1	2
181	Decision-making aids for upper limb interventions in neurological rehabilitation: a scoping review. <i>Disability and Rehabilitation</i> , 2021 , 1-19	2.4	
180	The impact of obstacles to health and rehabilitation services on functioning and disability: a prospective survey on the 12-months after discharge from specialist rehabilitation for acquired brain injury. <i>Disability and Rehabilitation</i> , 2021 , 1-11	2.4	1
179	Impaired Self-Awareness after Pediatric Traumatic Brain Injury: Protective Factor or Liability?. <i>Journal of Neurotrauma</i> , 2021 , 38, 616-627	5.4	8
178	Development of the Student Practice Evaluation Form-Revised (Second Edition) (SPEF-R2): The first action research cycle. <i>Australian Occupational Therapy Journal</i> , 2021 , 68, 21-31	1.7	0
177	Mobilizing orthoses in the management of post-traumatic elbow contractures: A survey of Australian hand therapy practice. <i>Journal of Hand Therapy</i> , 2021 , 34, 90-99	1.6	0
176	A comparison of standard occupational therapy versus early enhanced occupation-based therapy in a medical/surgical intensive care unit: study protocol for a single site feasibility trial (EFFORT-ICU). <i>Pilot and Feasibility Studies</i> , 2021 , 7, 51	1.9	0
175	Self-reported strategy generation and implementation in the multiple errands test: A qualitative description. <i>Neuropsychological Rehabilitation</i> , 2021 , 1-20	3.1	

174	Cross-cultural adaptation, translation, and validation of a Spanish version of the Westmead Post-traumatic Amnesia Scale for use following a traumatic brain injury. <i>Neuropsychological Rehabilitation</i> , 2021 , 1-16	3.1	
173	Assessments of Functional Cognition Used with Patients following Traumatic Brain Injury in Acute Care: A Survey of Australian Occupational Therapists.. <i>Occupational Therapy in Health Care</i> , 2021 , 1-19	1.3	0
172	The Assessment and Prediction of Prospective Memory after Stroke. <i>Journal of the International Neuropsychological Society</i> , 2020 , 26, 873-882	3.1	4
171	The Effect of Health Service Use, Unmet Need, and Service Obstacles on Quality of Life and Psychological Well-Being in the First Year After Discharge From Spinal Cord Injury Rehabilitation. <i>Archives of Physical Medicine and Rehabilitation</i> , 2020 , 101, 1162-1169	2.8	5
170	An exploratory study of verbal feedback on occupational performance for improving self-awareness in people with traumatic brain injury. <i>Australian Occupational Therapy Journal</i> , 2020 , 67, 142-152	1.7	3
169	The effect of access to a designated interdisciplinary post-acute rehabilitation service on participant outcomes after brain injury. <i>Brain Injury</i> , 2020 , 34, 1358-1366	2.1	4
168	Does metacognitive strategy instruction improve impaired self-awareness in adults with cognitive-communication disorders following an acquired brain injury?. <i>Speech, Language and Hearing</i> , 2020 , 1-13	1.1	0
167	Domain-specific deficits in self-awareness and relationship to psychosocial outcomes after severe traumatic brain injury. <i>Disability and Rehabilitation</i> , 2020 , 42, 651-659	2.4	16
166	Psychosocial functioning following moderate-to-severe pediatric traumatic brain injury: recommended outcome instruments for research and remediation studies. <i>Neuropsychological Rehabilitation</i> , 2020 , 30, 973-987	3.1	4
165	The nature of occupational gaps and relationship with mood, psychosocial functioning and self-discrepancy after severe traumatic brain injury. <i>Disability and Rehabilitation</i> , 2020 , 42, 1414-1422	2.4	8
164	Personality characteristics and cognitive appraisals associated with self-discrepancy after severe traumatic brain injury. <i>Neuropsychological Rehabilitation</i> , 2020 , 30, 393-411	3.1	5
163	Conversations between people with aphasia and speech pathology students via telepractice: A Phase II feasibility study. <i>International Journal of Language and Communication Disorders</i> , 2020 , 55, 43-58 ^{2.9}		7
162	Exploring changing needs following minor stroke. <i>Health and Social Care in the Community</i> , 2020 , 28, 347-356	2.6	4
161	Indigenous traumatic brain injury research: responding to recruitment challenges in the hospital environment. <i>BMC Medical Research Methodology</i> , 2019 , 19, 172	4.7	1
160	Brain Impairment in Indigenous Populations. <i>Brain Impairment</i> , 2019 , 20, 105-106	1	
159	Refining a clinical practice framework to engage clients with brain injury in goal setting. <i>Australian Occupational Therapy Journal</i> , 2019 , 66, 313-325	1.7	8
158	Effect of self-awareness on goal engagement and outcomes after acquired brain injury. <i>British Journal of Occupational Therapy</i> , 2019 , 82, 726-731	1	2
157	Telepractice communication partner training for health professionals: A randomised trial. <i>Journal of Communication Disorders</i> , 2019 , 81, 105914	1.9	5

156	Can goal attainment scaling (GAS) accurately identify changes in social communication impairments following TBI?. <i>Speech, Language and Hearing</i> , 2019 , 22, 183-194	1.1	1
155	Concordance between the Awareness Questionnaire and Self-Awareness of Deficits Interview for identifying impaired self-awareness in individuals with traumatic brain injury in the community. <i>Journal of Rehabilitation Medicine</i> , 2019 , 51, 376-379	3.4	7
154	Cognitive and physical fatigue are associated with distinct problems in daily functioning, role fulfilment, and quality of life in multiple sclerosis. <i>Multiple Sclerosis and Related Disorders</i> , 2019 , 31, 118-123	4.23	17
153	Patient perceptions of participation in group-based rehabilitation in an inpatient brain injury rehabilitation setting. <i>Patient Education and Counseling</i> , 2019 , 102, 148-154	3.1	8
152	Goal statements in brain injury rehabilitation: A cohort study of client-centredness and relationship with goal outcome. <i>Brain Impairment</i> , 2019 , 20, 226-239	1	1
151	Trajectories of Rehabilitation across Complex Environments (TRaCE): design and baseline characteristics for a prospective cohort study on spinal cord injury and acquired brain injury. <i>BMC Health Services Research</i> , 2019 , 19, 700	2.9	5
150	Measuring access to primary healthcare services after stroke: A spatial analytic approach. <i>Brain Impairment</i> , 2019 , 20, 240-250	1	4
149	The Potential of a Narrative and Creative Arts Approach to Enhance Transition Outcomes for Indigenous Australians Following Traumatic Brain Injury. <i>Brain Impairment</i> , 2019 , 20, 160-170	1	6
148	A Qualitative Study on the Transition Support Needs of Indigenous Australians Following Traumatic Brain Injury. <i>Brain Impairment</i> , 2019 , 20, 137-159	1	12
147	Meeting unmet needs following minor stroke: the SUN randomised controlled trial protocol. <i>BMC Health Services Research</i> , 2019 , 19, 894	2.9	
146	Outcome instruments in moderate-to-severe adult traumatic brain injury: recommendations for use in psychosocial research. <i>Neuropsychological Rehabilitation</i> , 2019 , 29, 896-916	3.1	29
145	The Transition from Hospital to Home: Protocol for a Longitudinal Study of Australian Aboriginal and Torres Strait Islander Traumatic Brain Injury (TBI). <i>Brain Impairment</i> , 2018 , 19, 246-257	1	7
144	Head and neck lymphedema management: Evaluation of a therapy program. <i>Head and Neck</i> , 2018 , 40, 1131-1137	4.2	16
143	The confidence and knowledge of health practitioners when interacting with people with aphasia in a hospital setting. <i>Disability and Rehabilitation</i> , 2018 , 40, 1288-1293	2.4	13
142	Rehabilitation goal setting with community dwelling adults with acquired brain injury: a theoretical framework derived from clinicians' reflections on practice. <i>Disability and Rehabilitation</i> , 2018 , 40, 2388-2399	3.4	10
141	Development and preliminary validation of the Paediatric Awareness Questionnaire for children and adolescents with traumatic brain injury. <i>Child Neuropsychology</i> , 2018 , 24, 702-722	2.7	7
140	Is an educational lecture a critical component of communication partner training?. <i>International Journal of Speech-Language Pathology</i> , 2018 , 20, 779-789	2.1	3
139	A mixed methods examination of distress and person-centred experience of head and neck lymphoedema. <i>Oral Oncology</i> , 2018 , 83, 18-24	4.4	8

138	'I've got to get something out of it. And so do they': experiences of people with aphasia and university students participating in a communication partner training programme for healthcare professionals. <i>International Journal of Language and Communication Disorders</i> , 2018 , 53, 919-928	2.9	6
137	How does feedback from patients impact upon healthcare student clinical skill development and learning? A systematic review. <i>Medical Teacher</i> , 2018 , 40, 244-252	3	7
136	Relationship Between Neurocognitive Function and Self-Discrepancy After Severe Traumatic Brain Injury. <i>Journal of Head Trauma Rehabilitation</i> , 2018 , 33, E42-E50	3	4
135	A pre-post evaluation of a knowledge translation capacity-building intervention. <i>Australian Occupational Therapy Journal</i> , 2018 , 65, 479-493	1.7	3
134	Evaluation of a newly developed measure of theory of mind: The virtual assessment of mentalising ability. <i>Neuropsychological Rehabilitation</i> , 2017 , 27, 834-870	3.1	18
133	Student perspectives of a Student-Led Groups Program model of professional practice education in a brain injury rehabilitation unit. <i>Australian Occupational Therapy Journal</i> , 2017 , 64, 391-399	1.7	8
132	Does communication partner training improve the conversation skills of speech-language pathology students when interacting with people with aphasia?. <i>Journal of Communication Disorders</i> , 2017 , 68, 1-9	1.9	19
131	Family members' experiences of driving disruption after acquired brain injury. <i>Brain Injury</i> , 2017 , 31, 517-525	2	2
130	Participant evaluation of an inpatient occupational therapy groups programme in brain injury rehabilitation. <i>Australian Occupational Therapy Journal</i> , 2017 , 64, 408-418	1.7	9
129	The occurrence of early impaired self-awareness after traumatic brain injury and its relationship with emotional distress and psychosocial functioning. <i>Brain Injury</i> , 2017 , 31, 1791-1798	2.1	27
128	The efficacy of prospective memory rehabilitation plus metacognitive skills training for adults with traumatic brain injury: study protocol for a randomized controlled trial. <i>Trials</i> , 2017 , 18, 3	2.8	3
127	Remediation of social communication impairments following traumatic brain injury using metacognitive strategy intervention: a pilot study. <i>Brain Injury</i> , 2017 , 31, 1830-1839	2.1	19
126	Do People With Severe Traumatic Brain Injury Benefit From Making Errors? A Randomized Controlled Trial of Error-Based and Errorless Learning. <i>Neurorehabilitation and Neural Repair</i> , 2017 , 31, 1072-1082	4.7	32
125	Occupational experience of caregiving during driving disruption following an acquired brain injury. <i>British Journal of Occupational Therapy</i> , 2017 , 80, 30-38	1	4
124	Experiences of adults with high-care needs and their family members with housing and support pathways in Australia. <i>Disability and Rehabilitation</i> , 2017 , 39, 1829-1839	2.4	4
123	Family members' needs and experiences of driving disruption over time following an acquired brain injury: an evolving issue. <i>Disability and Rehabilitation</i> , 2017 , 39, 1398-1407	2.4	2
122	A pre-post intervention study investigating the confidence and knowledge of health professionals communicating with people with aphasia in a metropolitan hospital. <i>Aphasiology</i> , 2017 , 31, 359-374	1.6	18
121	An occupation-based, metacognitive approach to assessing error performance and online awareness. <i>Australian Occupational Therapy Journal</i> , 2017 , 64, 137-148	1.7	9

120	Comparison of online awareness and error behaviour during occupational performance by two individuals with traumatic brain injury and matched controls. <i>NeuroRehabilitation</i> , 2017 , 40, 519-529	2	3
119	Clinician perceptions about inpatient occupational therapy groups in traumatic brain injury rehabilitation. <i>Brain Injury</i> , 2017 , 31, 1077-1087	2.1	5
118	A transdiagnostic investigation of emotional distress after traumatic brain injury. <i>Neuropsychological Rehabilitation</i> , 2016 , 26, 410-45	3.1	24
117	Reasonable and necessary care: the challenge of operationalising the NDIS policy principle in allocating disability care in Australia. <i>Australian Journal of Social Issues</i> , 2016 , 51, 27-46	1.2	18
116	Building capacity for knowledge translation in occupational therapy: learning through participatory action research. <i>BMC Medical Education</i> , 2016 , 16, 257	3.3	28
115	Family members' narratives of lifespace: Mapping changes before and after a brain injury causing driving disruption. <i>Australian Occupational Therapy Journal</i> , 2016 , 63, 164-74	1.7	7
114	Organisational support for evidence-based practice: occupational therapists perceptions. <i>Australian Occupational Therapy Journal</i> , 2016 , 63, 9-18	1.7	16
113	Group-based delivery of interventions in traumatic brain injury rehabilitation: a scoping review. <i>Disability and Rehabilitation</i> , 2016 , 38, 1961-86	2.4	22
112	Sentinel Events During the Transition From Hospital to Home: A Longitudinal Study of Women With Traumatic Brain Injury. <i>Archives of Physical Medicine and Rehabilitation</i> , 2016 , 97, S46-53	2.8	8
111	Reliability of the Client-Centeredness of Goal Setting (C-COGS) Scale in Acquired Brain Injury Rehabilitation. <i>American Journal of Occupational Therapy</i> , 2016 , 70, 7004290010	0.4	4
110	The Impact of Traumatic Brain Injury on Self-Identity: A Systematic Review of the Evidence for Self-Concept Changes. <i>Journal of Head Trauma Rehabilitation</i> , 2016 , 31, E12-25	3	36
109	Prospective Memory After Stroke: A Scoping Review. <i>Brain Impairment</i> , 2016 , 17, 123-142	1	9
108	Physical Activity in Neurological Populations. <i>Brain Impairment</i> , 2016 , 17, 1-2	1	
107	Habitual and Low-Intensity Physical Activity in People with Multiple Sclerosis. <i>Brain Impairment</i> , 2016 , 17, 77-86	1	3
106	Participation in communication activities following traumatic brain injury: A time use diary study. <i>Brain Injury</i> , 2016 , 30, 883-90	2.1	6
105	Measuring head and neck lymphedema: The "ALOHA" trial. <i>Head and Neck</i> , 2016 , 38, 79-84	4.2	25
104	Self-report prospective memory problems in people with stroke. <i>Brain Injury</i> , 2015 , 29, 329-35	2.1	7
103	Unmet health and rehabilitation needs of people with long-term neurological conditions in Queensland, Australia. <i>Health and Social Care in the Community</i> , 2015 , 23, 292-303	2.6	20

102	A Survey of Multidisciplinary Clinicians Working in Rehabilitation for People with Traumatic Brain Injury. <i>Brain Impairment</i> , 2015 , 16, 173-195	1	13
101	Experiences of pathways, outcomes and choice after severe traumatic brain injury under no-fault versus fault-based motor accident insurance. <i>Brain Injury</i> , 2015 , 29, 1561-71	2.1	7
100	Goal setting approaches and principles used in rehabilitation for people with acquired brain injury: A systematic scoping review. <i>Brain Injury</i> , 2015 , 29, 1515-29	2.1	24
99	Maintenance of treatment effects of an occupation-based intervention with video feedback for adults with TBI. <i>NeuroRehabilitation</i> , 2015 , 36, 175-86	2	6
98	Awareness Deficits in Children and Adolescents After Traumatic Brain Injury: A Systematic Review. <i>Journal of Head Trauma Rehabilitation</i> , 2015 , 30, 311-23	3	17
97	An occupation-based video feedback intervention for improving self-awareness: protocol and rationale. <i>Canadian Journal of Occupational Therapy</i> , 2015 , 82, 54-63	1.4	3
96	Increasing the confidence and knowledge of occupational therapy and physiotherapy students when communicating with people with aphasia: A pre/post intervention study. <i>Speech, Language and Hearing</i> , 2015 , 18, 148-155	1.1	21
95	Family members' needs and experiences of driving disruption due to health conditions or ageing. <i>Disability and Rehabilitation</i> , 2015 , 37, 2114-29	2.4	9
94	Metacognitive Occupation-Based Training in Traumatic Brain Injury 2015 , 463-474		1
93	Perceived importance of prospective memory failures in adults with traumatic brain injury. <i>Neuropsychological Rehabilitation</i> , 2014 , 24, 61-70	3.1	7
92	Hope: A further dimension for engaging family members of people with ABI. <i>NeuroRehabilitation</i> , 2014 , 35, 475-80	2	7
91	Interdisciplinary rehabilitation outcomes following thrombolysis for acute ischaemic stroke: a case series. <i>NeuroRehabilitation</i> , 2014 , 35, 9-16	2	1
90	Return to driving in the first 6 months of community integration after acquired brain injury. <i>NeuroRehabilitation</i> , 2014 , 34, 157-66	2	8
89	STRENGTH and the Health Care Team: Changing Interprofessional and Client-Centered Practices. <i>Topics in Stroke Rehabilitation</i> , 2014 , 21, 413-20	2.6	8
88	Are community nurses prepared for wound debridement?. <i>British Journal of Community Nursing</i> , 2014 , Suppl, S6-10	0.6	6
87	Evaluation of a virtual reality prospective memory task for use with individuals with severe traumatic brain injury. <i>Neuropsychological Rehabilitation</i> , 2014 , 24, 238-65	3.1	42
86	Managing driving issues after an acquired brain injury: strategies used by health professionals. <i>Australian Occupational Therapy Journal</i> , 2014 , 61, 215-23	1.7	16
85	The effect of environmental barriers on community integration for individuals with moderate to severe traumatic brain injury. <i>Journal of Head Trauma Rehabilitation</i> , 2014 , 29, 125-35	3	19

84	Development of self-awareness after severe traumatic brain injury through participation in occupation-based rehabilitation: mixed-methods analysis of a case series. <i>American Journal of Occupational Therapy</i> , 2014 , 68, 578-88	0.4	14
83	Impaired Self-Awareness 2014 , 233-255		9
82	Pilot study of an assessment tool for measuring head and neck lymphoedema. <i>British Journal of Community Nursing</i> , 2014 , Suppl, S6, S8-S11	0.6	3
81	The confidence of speech-language pathology students regarding communicating with people with aphasia. <i>BMC Medical Education</i> , 2013 , 13, 92	3.3	16
80	Comparison of error-based and errorless learning for people with severe traumatic brain injury: study protocol for a randomized control trial. <i>Trials</i> , 2013 , 14, 369	2.8	14
79	Feasibility of gaming console exercise and its effect on endurance, gait and balance in people with an acquired brain injury. <i>Brain Injury</i> , 2013 , 27, 1402-8	2.1	16
78	Evaluation of age-friendly guidelines for public buses. <i>Transportation Research, Part A: Policy and Practice</i> , 2013 , 53, 68-80	3.7	22
77	Reflections on life: experiences of individuals with brain injury during the transition from hospital to home. <i>Brain Injury</i> , 2013 , 27, 1294-303	2.1	28
76	Video feedback on functional task performance improves self-awareness after traumatic brain injury: a randomized controlled trial. <i>Neurorehabilitation and Neural Repair</i> , 2013 , 27, 316-24	4.7	61
75	Adjustment to loss of the driving role following traumatic brain injury: a qualitative exploration with key stakeholders. <i>Australian Occupational Therapy Journal</i> , 2012 , 59, 79-88	1.7	16
74	Feedback interventions for improving self-awareness after brain injury: a protocol for a pragmatic randomised controlled trial. <i>Australian Occupational Therapy Journal</i> , 2012 , 59, 138-46	1.7	12
73	Care and support needs of patients and carers early post-discharge following treatment for non-malignant brain tumour: establishing a new reality. <i>Supportive Care in Cancer</i> , 2012 , 20, 2595-610	3.9	21
72	Evaluation of flexible route bus transport for older people. <i>Transport Policy</i> , 2012 , 21, 85-91	5.7	37
71	Brain injury rehabilitation: the lived experience of inpatients and their family caregivers. <i>Scandinavian Journal of Occupational Therapy</i> , 2012 , 19, 184-93	2.1	24
70	Linked Lives: The Experiences of Family Caregivers During the Transition from Hospital to Home Following Traumatic Brain Injury. <i>Brain Impairment</i> , 2012 , 13, 108-122	1	31
69	The Politics of Entitlement and Personalisation: Perspectives on a Proposed National Disability Long-term Care and Support Scheme in Australia. <i>Social Policy and Society</i> , 2012 , 11, 331-343	1.2	17
68	Identifying factors associated with perceived success in the transition from hospital to home after brain injury. <i>Journal of Head Trauma Rehabilitation</i> , 2012 , 27, 143-53	3	35
67	Clinical Utility of the Canadian Occupational Performance Measure in Spinal Cord Injury Rehabilitation. <i>British Journal of Occupational Therapy</i> , 2012 , 75, 337-342	1	15

66	Recording sentinel events in the life course of individuals with acquired brain injury: a preliminary study. <i>Brain Injury</i> , 2012 , 26, 1381-96	2.1	16
65	Moving Ahead: A New Centre of Research Excellence in Brain Recovery, Focusing on Psychosocial Reintegration Following Traumatic Brain Injury. <i>Brain Impairment</i> , 2012 , 13, 256-270	1	8
64	A Mixed Methods Study of the Experience of Transition to the Community of Working-Aged People with Non-Traumatic Brain Injury. <i>Brain Impairment</i> , 2012 , 13, 85-98	1	18
63	Transition to Community Living After Acquired Brain Injury. <i>Brain Impairment</i> , 2012 , 13, 1-3	1	1
62	Feedback interventions for impaired self-awareness following brain injury: a systematic review. <i>Journal of Rehabilitation Medicine</i> , 2011 , 43, 673-80	3.4	52
61	A randomized controlled trial of prospective memory rehabilitation in adults with traumatic brain injury. <i>Journal of Rehabilitation Medicine</i> , 2011 , 43, 216-23	3.4	38
60	Participation in leisure activities during brain injury rehabilitation. <i>Brain Injury</i> , 2011 , 25, 806-18	2.1	28
59	Comparing the experience of outpatient therapy in home and day hospital settings after traumatic brain injury: patient, significant other and therapist perspectives. <i>Disability and Rehabilitation</i> , 2011 , 33, 1203-14	2.4	19
58	Driving and driving cessation after traumatic brain injury: processes and key times of need. <i>Disability and Rehabilitation</i> , 2011 , 33, 2574-86	2.4	16
57	Perceived service and support needs during transition from hospital to home following acquired brain injury. <i>Disability and Rehabilitation</i> , 2011 , 33, 818-29	2.4	50
56	Goal-directed outpatient rehabilitation following TBI: a pilot study of programme effectiveness and comparison of outcomes in home and day hospital settings. <i>Brain Injury</i> , 2011 , 25, 1114-25	2.1	34
55	Perceptions of recovery during the early transition phase from hospital to home following acquired brain injury: a journey of discovery. <i>Neuropsychological Rehabilitation</i> , 2011 , 21, 64-91	3.1	23
54	Identifying age-friendly behaviours for bus driver age-awareness training. <i>Canadian Journal of Occupational Therapy</i> , 2011 , 78, 118-26	1.4	4
53	Enhanced Appreciation of Life Following Acquired Brain Injury: Posttraumatic Growth at 6 Months Postdischarge. <i>Brain Impairment</i> , 2011 , 12, 93-104	1	19
52	Growth Through Loss After Brain Injury. <i>Brain Impairment</i> , 2011 , 12, 79-81	1	10
51	Development of the Brief Assessment of Prospective Memory (BAPM) for use with traumatic brain injury populations. <i>Neuropsychological Rehabilitation</i> , 2011 , 21, 884-98	3.1	25
50	Knowledge Translation in Cancer Services: Implementing the Research and Evidence in Practice Model. <i>British Journal of Occupational Therapy</i> , 2011 , 74, 535-539	1	8
49	Error self-regulation following traumatic brain injury: a single case study evaluation of metacognitive skills training and behavioural practice interventions. <i>Neuropsychological Rehabilitation</i> , 2010 , 20, 59-80	3.1	59
