#	Paper	IF	Citations
151	Internalized stigma and quality of life among persons with severe mental illness: the mediating roles of self-esteem and hope. <i>Psychiatry Research</i> , 2013 , 208, 15-20	9.9	106
150	Insight into psychosis and quality of life. <i>Comprehensive Psychiatry</i> , 2006 , 47, 265-9	7.3	106
149	A randomized controlled trial of the effectiveness of the illness management and recovery program. <i>Psychiatric Services</i> , 2007 , 58, 1461-6	3.3	102
148	Women with advanced breast cancer and their spouses: diversity of support and psychological distress. <i>Psycho-Oncology</i> , 2010 , 19, 1195-204	3.9	96
147	Recovery and serious mental illness: a review of current clinical and research paradigms and future directions. <i>Expert Review of Neurotherapeutics</i> , 2017 , 17, 1117-1130	4.3	85
146	Insight into severe mental illness, hope, and quality of life of persons with schizophrenia and schizoaffective disorders. <i>Psychiatry Research</i> , 2009 , 167, 231-8	9.9	81
145	Conceptualizations, assessments, and implications of personal recovery in mental illness: A scoping review of systematic reviews and meta-analyses. <i>Psychiatric Rehabilitation Journal</i> , 2019 , 42, 169-181	2.4	80
144	F105. MEASURING EMPATHY IN SCHIZOPHRENIA: THE EMPATHIC ACCURACY TASK AND ITS CORRELATION WITH OTHER EMPATHY MEASURES. <i>Schizophrenia Bulletin</i> , 2018 , 44, S260-S261	1.3	78
143	Risk factors for psychological distress during the COVID-19 pandemic in Israel: Loneliness, age, gender, and health status play an important role. <i>British Journal of Health Psychology</i> , 2020 , 25, 925-933	8.3	78
142	Narrative enhancement and cognitive therapy (NECT) effectiveness: a quasi-experimental study. <i>Journal of Clinical Psychology</i> , 2014 , 70, 303-12	2.8	76
141	Metacognitive and social cognition approaches to understanding the impact of schizophrenia on social quality of life. <i>Schizophrenia Research</i> , 2015 , 161, 386-91	3.6	73
140	Depression and insight in schizophrenia: comparisons of levels of deficits in social cognition and metacognition and internalized stigma across three profiles. <i>Schizophrenia Research</i> , 2013 , 148, 18-23	3.6	59
139	Insight into mental illness, self-stigma, and the family burden of parents of persons with a severe mental illness. <i>Comprehensive Psychiatry</i> , 2011 , 52, 75-80	7.3	58
138	Promoting recovery from severe mental illness: Implications from research on metacognition and metacognitive reflection and insight therapy. <i>World Journal of Psychiatry</i> , 2018 , 8, 1-11	3	54
137	The Special Challenges of Psychotherapy with Persons with Psychosis: Intersubjective Metacognitive Model of Agreement and Shared Meaning. <i>Clinical Psychology and Psychotherapy</i> , 2017 , 24, 428-440	2.9	50
136	Meaning in life, insight and self-stigma among people with severe mental illness. <i>Comprehensive Psychiatry</i> , 2013 , 54, 195-200	7.3	50
135	Psychological Intervention and COVID-19: What We Know So Far and What We Can Do. <i>Journal of Contemporary Psychotherapy</i> , 2020 , 50, 1-8	2.3	49

134	Insight into mental illness and self-stigma: the mediating role of shame proneness. <i>Psychiatry Research</i> , 2012 , 200, 802-6	9.9	48
133	Talking about life and finding solutions to different hardships: a qualitative study on the impact of narrative enhancement and cognitive therapy on persons with serious mental illness. <i>Journal of Nervous and Mental Disease</i> , 2010 , 198, 807-12	1.8	47
132	Stereotype endorsement, metacognitive capacity, and self-esteem as predictors of stigma resistance in persons with schizophrenia. <i>Comprehensive Psychiatry</i> , 2014 , 55, 792-8	7.3	45
131	Nature adventure rehabilitation for combat-related posttraumatic chronic stress disorder: a randomized control trial. <i>Psychiatry Research</i> , 2013 , 209, 485-93	9.9	44
130	The psychometric properties of the Illness Management and Recovery scale: client and clinician versions. <i>Psychiatry Research</i> , 2008 , 160, 228-35	9.9	43
129	Call it a monster for lack of anything else: narrative insight in psychosis. <i>Journal of Nervous and Mental Disease</i> , 2008 , 196, 859-65	1.8	41
128	Between self-clarity and recovery in schizophrenia: reducing the self-stigma and finding meaning. <i>Comprehensive Psychiatry</i> , 2014 , 55, 675-80	7.3	40
127	The association between metacognitive abilities and outcome measures among people with schizophrenia: A meta-analysis. <i>European Psychiatry</i> , 2017 , 46, 33-41	6	38
126	Individual psychotherapy for schizophrenia: trends and developments in the wake of the recovery movement. <i>Psychology Research and Behavior Management</i> , 2013 , 6, 45-54	3.8	38
125	Religiosity and Hope: A Path for Women Coping With a Diagnosis of Breast Cancer. <i>Psychosomatics</i> , 2009 , 50, 525-533	2.6	35
124	A one year follow-up of illness management and recovery: participants' accounts of its impact and uniqueness. <i>Psychiatric Rehabilitation Journal</i> , 2009 , 32, 285-91	2.4	34
123	Motivation for giving birth after breast cancer. <i>Psycho-Oncology</i> , 2005 , 14, 282-96	3.9	34
122	The centrality of cognitive symptoms and metacognition within the interacting network of symptoms, neurocognition, social cognition and metacognition in schizophrenia. <i>Schizophrenia Research</i> , 2018 , 202, 260-266	3.6	33
121	Self perception of empathy in schizophrenia: emotion recognition, insight, and symptoms predict degree of self and interviewer agreement. <i>Psychiatry Research</i> , 2013 , 206, 146-50	9.9	31
120	Measuring the internalized stigma of parents of persons with a serious mental illness: the factor structure of the parents' internalized stigma of mental illness scale. <i>Journal of Nervous and Mental Disease</i> , 2013 , 201, 183-7	1.8	31
119	Integrating cognitive behavioral-based therapy with an intersubjective approach: Addressing metacognitive deficits among people with schizophrenia.. <i>Journal of Psychotherapy Integration</i> , 2012 , 22, 356-374	6.9	30
118	Metacognitive function and fragmentation in schizophrenia: Relationship to cognition, self-experience and developing treatments. <i>Schizophrenia Research: Cognition</i> , 2020 , 19, 100142	2.8	30
117	Social cognition and interaction training: preliminary results of an RCT in a community setting in Israel. <i>Psychiatric Services</i> , 2014 , 65, 555-8	3.3	26

116	Family psychoeducation and therapeutic alliance focused interventions for parents of a daughter or son with a severe mental illness. <i>Psychiatry Research</i> , 2011 , 189, 173-9	9.9	26
115	Trajectories of post-traumatic stress symptoms, anxiety, and depression in hospitalized COVID-19 patients: A one-month follow-up. <i>Journal of Psychosomatic Research</i> , 2021 , 143, 110399	4.1	25
114	The Mutual Development of Intersubjectivity and Metacognitive Capacity in the Psychotherapy for Persons with Schizophrenia. <i>Journal of Contemporary Psychotherapy</i> , 2013 , 43, 63-72	2.3	24
113	Metacognitive Deficits Predict Impaired Insight in Schizophrenia Across Symptom Profiles: A Latent Class Analysis. <i>Schizophrenia Bulletin</i> , 2019 , 45, 48-56	1.3	23
112	A qualitative approach to the evaluation of psychosocial interventions for persons with severe mental illness.. <i>Psychological Services</i> , 2006 , 3, 262-273	2.5	22
111	Parents of adolescents with psychiatric disorders: insight into the disorder, self-stigma and parental stress. <i>Comprehensive Psychiatry</i> , 2014 , 55, 1106-10	7.3	21
110	Metacognitive Reflection and Insight Therapy: A Recovery-Oriented Treatment Approach for Psychosis. <i>Psychology Research and Behavior Management</i> , 2020 , 13, 331-341	3.8	21
109	Hope and social support utilisation among different age groups of women with breast cancer and their spouses. <i>Psychology and Health</i> , 2014 , 29, 1303-19	2.9	20
108	Compassion fatigue among oncologists: the role of grief, sense of failure, and exposure to suffering and death. <i>Supportive Care in Cancer</i> , 2020 , 28, 2025-2031	3.9	20
107	Agents of support: psychometric properties of the Cancer Perceived Agents of Social Support (CPASS) questionnaire. <i>Psycho-Oncology</i> , 2010 , 19, 1179-86	3.9	19
106	Anxiety and Depression Symptoms in COVID-19 Isolated Patients and in Their Relatives. <i>Frontiers in Psychiatry</i> , 2020 , 11, 581598	5	19
105	Neuro-cognition and social cognition elements of social functioning and social quality of life. <i>Psychiatry Research</i> , 2017 , 258, 538-543	9.9	18
104	Meeting expectations of patients with cancer: relationship between patient satisfaction, depression, and coping. <i>Journal of Clinical Oncology</i> , 2010 , 28, 1560-5	2.2	18
103	Narrative reconstruction therapy for prolonged grief disorder-rationale and case study. <i>Høgre Utbildning</i> , 2016 , 7, 30687	5	18
102	The association between witnessing patient death and mental health outcomes in frontline COVID-19 healthcare workers. <i>Depression and Anxiety</i> , 2021 , 38, 468-479	8.4	17
101	Therapists' recognition of alliance ruptures as a moderator of change in alliance and symptoms. <i>Psychotherapy Research</i> , 2018 , 28, 560-570	3.6	16
100	The relationship between consumer insight and provider-consumer agreement regarding consumers' quality of life. <i>Community Mental Health Journal</i> , 2011 , 47, 607-12	2.1	16
99	Intraindividual variability in symptoms consistently predicts sudden gains: An examination of three independent datasets. <i>Journal of Consulting and Clinical Psychology</i> , 2018 , 86, 892-902	6.5	16

98	Metacognition moderates the relationship between dysfunctional self-appraisal and social functioning in prolonged schizophrenia independent of psychopathology. <i>Comprehensive Psychiatry</i> , 2016 , 69, 62-70	7.3	16
97	Perceived threat and depression among patients with cancer: the moderating role of health locus of control. <i>Psychology, Health and Medicine</i> , 2016 , 21, 601-7	2.1	16
96	Metacognitive and interpersonal interventions for persons with severe mental illness: theory and practice. <i>Israel Journal of Psychiatry and Related Sciences</i> , 2009 , 46, 141-8		16
95	A narrative evaluation of a psychoeducation and a therapeutic alliance intervention for parents of persons with a severe mental illness. <i>Family Process</i> , 2012 , 51, 265-80	3.9	15
94	Agency before action: The application of behavioral activation in psychotherapy with persons with psychosis. <i>Psychotherapy</i> , 2017 , 54, 245-251	2.5	15
93	Affective and cognitive empathy and social quality of life in schizophrenia: a comparison between a parallel process model and an integrative meditation model. <i>Psychiatry Research</i> , 2014 , 220, 51-7	9.9	14
92	Shared Risk Taking: Shared Decision Making in Serious Mental Illness. <i>Psychiatric Services</i> , 2021 , 72, 461-463	3.9	14
91	Self-clarity and different clusters of insight and self-stigma in mental illness. <i>Psychiatry Research</i> , 2016 , 240, 308-313	9.9	14
90	Metacognition and Intersubjectivity: Reconsidering Their Relationship Following Advances From the Study of Persons With Psychosis. <i>Frontiers in Psychology</i> , 2020 , 11, 567	3.4	14
89	Overlap and distinction between measures of insight and self-stigma. <i>Psychiatry Research</i> , 2018 , 266, 47-64	9.9	14
88	Personal and interpersonal perceived control and the quality of life of persons with severe mental illness. <i>Journal of Nervous and Mental Disease</i> , 2006 , 194, 538-42	1.8	13
87	Telepsychotherapy in the age of COVID-19: A commentary.. <i>Journal of Psychotherapy Integration</i> , 2020 , 30, 394-405	6.9	13
86	Measuring empathy in schizophrenia: The Empathic Accuracy Task and its correlation with other empathy measures. <i>Schizophrenia Research</i> , 2019 , 208, 153-159	3.6	12
85	The trees and the forest: mixed methods in the assessment of recovery based interventionsS processes and outcomes in mental health. <i>Journal of Mental Health</i> , 2016 , 25, 543-549	2.7	12
84	Being a parent and coping with cancer: intervention development. <i>Palliative and Supportive Care</i> , 2011 , 9, 149-52	2.5	12
83	Special challenges in psychotherapy continuation and adaption for persons with schizophrenia in the age of coronavirus (COVID-19). <i>Counselling Psychology Quarterly</i> , 2020 , 1-9	2.5	12
82	The need for friendships and information: Dimensions of social support and posttraumatic growth among women with breast cancer. <i>Palliative and Supportive Care</i> , 2016 , 14, 387-92	2.5	12
81	A qualitative evaluation of the effects of Metacognitive Reflection and Insight Therapy: Living more consciouslyS <i>Psychology and Psychotherapy: Theory, Research and Practice</i> , 2020 , 93, 223-240	3.5	12

80	Insight and satisfaction with life among adolescents with mental disorders: assessing associations with self-stigma and parental insight. <i>European Psychiatry</i> , 2015 , 30, 329-33	6	11
79	Between empathy and grief: The mediating effect of compassion fatigue among oncologists. <i>Psycho-Oncology</i> , 2019 , 28, 2344-2350	3.9	11
78	Attachment style, social support and finding meaning among spouses of colorectal cancer patients: gender differences. <i>Palliative and Supportive Care</i> , 2015 , 13, 527-35	2.5	11
77	Religiosity and hope: a path for women coping with a diagnosis of breast cancer. <i>Psychosomatics</i> , 2009 , 50, 525-33	2.6	11
76	Quality of dying and death with cancer in Israel. <i>Supportive Care in Cancer</i> , 2014 , 22, 1973-80	3.9	10
75	Elements that enhance therapeutic alliance and short-term outcomes in metacognitive reflection and insight therapy: A session-by-session assessment. <i>Psychiatric Rehabilitation Journal</i> , 2020 , 43, 318-326	2.4	10
74	Meaning, integration, and the self in serious mental illness: Implications of research in metacognition for psychiatric rehabilitation. <i>Psychiatric Rehabilitation Journal</i> , 2020 , 43, 275-283	2.4	10
73	The prevalence of full and partial posttraumatic stress disorder among people with severe mental illness in Israel. <i>Journal of Nervous and Mental Disease</i> , 2013 , 201, 244-50	1.8	9
72	Qualitative assessment of verbal and non-verbal psychosocial interventions for people with severe mental illness. <i>Journal of Mental Health</i> , 2006 , 15, 343-353	2.7	9
71	Subtle ways of stigmatization among professionals: The subjective experience of consumers and their family members. <i>Psychiatric Rehabilitation Journal</i> , 2018 , 41, 163-168	2.4	9
70	Emotion recognition deficits among persons with schizophrenia: Beyond stimulus complexity level and presentation modality. <i>Psychiatry Research</i> , 2016 , 240, 60-65	9.9	9
69	Metacognitive Reflection and Insight Therapy (MERIT) Among People With Schizophrenia: Lessons From Two Case Studies. <i>American Journal of Psychotherapy</i> , 2018 , 71, 175-185	1.3	9
68	Self-stigma, insight, and family burden among Israeli mothers of people with serious mental illness: Ethno-national considerations. <i>Transcultural Psychiatry</i> , 2017 , 54, 423-441	2.7	8
67	Attitudes toward the sexuality of persons with physical versus psychiatric disabilities. <i>Rehabilitation Psychology</i> , 2014 , 59, 236-41	2.7	8
66	Retrospective Accounts of the Process of Using and Discontinuing Psychiatric Medication. <i>Qualitative Health Research</i> , 2019 , 29, 198-210	3.9	8
65	Agreement between clients with schizophrenia and mental health workers on clients'social quality of life: The role of social cognition and symptoms. <i>Psychology and Psychotherapy: Theory, Research and Practice</i> , 2017 , 90, 125-137	3.5	7
64	Metacognitively Focused Psychotherapy for People with Schizophrenia: Eight Core Elements That Define Practice 2014 , 195-213		7
63	Attacks on linking: stressors and identity challenges for mothers of daughters with long lasting anorexia nervosa. <i>Psychology and Health</i> , 2014 , 29, 613-31	2.9	7

62	Illness Management and Recovery: Generic Issues of Group Format Implementation. <i>American Journal of Psychiatric Rehabilitation</i> , 2007 , 10, 131-147		7
61	Therapists' empathic accuracy toward their clients' emotions. <i>Journal of Consulting and Clinical Psychology</i> , 2019 , 87, 33-45	6.5	7
60	Clients' emotional instability and therapists' inferential flexibility predict therapists' session-by-session empathic accuracy. <i>Journal of Counseling Psychology</i> , 2019 , 66, 56-69	3.6	7
59	Selecting and implementing evidence-based practices in psychiatric rehabilitation services in Israel: a worthy and feasible challenge. <i>Israel Journal of Psychiatry and Related Sciences</i> , 2007 , 44, 47-53		7
58	Coping with information style and family burden: Possible roles of self-stigma and hope among parents of children in a psychiatric inpatient unit. <i>European Psychiatry</i> , 2017 , 42, 8-13	6	6
57	The experience of divine struggle following child loss: The Case of Israeli bereaved Modern-Orthodox parents. <i>Death Studies</i> , 2020 , 1-15	3.9	6
56	Preliminary report of the relationship between experience of death of a relative, illness perception, and psychological outcome among BRCA carriers. <i>Psychology, Health and Medicine</i> , 2014 , 19, 698-704	2.1	6
55	The interactive effect of metacognition and self-compassion on predicting meaning in life among individuals with schizophrenia. <i>Psychiatric Rehabilitation Journal</i> , 2020 , 43, 290-298	2.4	6
54	Illness representations among parents of children and adults with serious mental disorders: A systematic review and theoretical model. <i>European Psychiatry</i> , 2019 , 58, 27-37	6	6
53	Metacognition in schizophrenia and schizotypy: relation to symptoms of schizophrenia, traits of schizotypy and Social Quality of Life. <i>Israel Journal of Psychiatry</i> , 2014 , 51, 44-53		6
52	Hide and "sick": Self-concealment, shame and distress in the setting of psycho-oncology. <i>Palliative and Supportive Care</i> , 2018 , 16, 461-469	2.5	5
51	Reasons for Discontinuing Attendance at a Group Intervention Among People With Serious Mental Illness. <i>Psychiatric Services</i> , 2016 , 67, 1043	3.3	5
50	How Do Patients With Schizophrenia and Their Families Learn About the Diagnosis?. <i>Psychiatry (New York)</i> , 2018 , 81, 283-287	1	5
49	Suicide, Satisfaction With Life, and Insight Capacity Among Adolescents With Mental Disorders. <i>Crisis</i> , 2016 , 37, 347-352	2.8	5
48	Grief over patients, compassion fatigue, and the role of social acknowledgment among psycho-oncologists. <i>Psycho-Oncology</i> , 2020 , 29, 493-499	3.9	5
47	Metacognitive reflection and insight therapy in an inpatient setting: Transforming messianism to a coherent mission. <i>Journal of Clinical Psychology</i> , 2021 , 77, 1836-1850	2.8	5
46	The Mediating Role of Integration of Loss in the Relationship Between Dissociation and Prolonged Grief Disorder. <i>Journal of Clinical Psychology</i> , 2017 , 73, 1717-1728	2.8	4
45	Correlates of concealment behavior among couples coping with cancer: Actor-partner model. <i>Psycho-Oncology</i> , 2018 , 27, 583-589	3.9	4

44	Predicting therapy success from the outset: The moderating effect of insight into the illness on metacognitive psychotherapy outcome among persons with schizophrenia. <i>Clinical Psychology and Psychotherapy</i> , 2019 , 26, 650-660	2.9	4
43	Exploring the meaning of visual and auditory hallucinations: A commentary on Pixley's discussion of the difficulties in addressing hallucinations during psychodynamic therapy.. <i>Journal of Psychotherapy Integration</i> , 2012 , 22, 393-396	6.9	4
42	Attachment to God as a mediator of the relationship between religious affiliation and adjustment to child loss. <i>Psychological Trauma: Theory, Research, Practice, and Policy</i> , 2020 , 12, 165-174	7.8	4
41	When to disclose and to whom? examining within- and between-client moderators of therapist self disclosure-outcome associations in psychodynamic psychotherapy. <i>Psychotherapy Research</i> , 2021 , 31, 921-931	3.6	4
40	The mediating role of parental satisfaction between marital satisfaction and perceived family burden among parents of children with psychiatric disorders. <i>Psychiatry Research</i> , 2019 , 271, 105-110	9.9	4
39	Attachment to God Among Bereaved Jewish Parents: Exploring Differences by Denominational Affiliation. <i>Review of Religious Research</i> , 2020 , 62, 485-496	0.9	3
38	Self-concealment among couples who cope with chronic illness: development and preliminary validation of the Couples Illness Self-Concealment (CISC) questionnaire. <i>Supportive Care in Cancer</i> , 2016 , 24, 4951-4959	3.9	3
37	Randomized Controlled Trial of Adjunctive Social Cognition and Interaction Training, Adjunctive Therapeutic Alliance Focused Therapy, and Treatment As Usual Among Persons With Serious Mental Illness. <i>Frontiers in Psychiatry</i> , 2019 , 10, 364	5	3
