#	Paper	IF	Citations
38	Interrelations Between School-Based Services, Dietary Intake and Micronutrient Deficiencies Among School-Going Children and Adolescents Aged 5-19 Years in India. <i>Current Developments in Nutrition</i> , 2020 , 4, 1786-1786	0.4	78
37	Anemia in Indian Men Predicts Fewer Work Hours and Lower Earnings: Evidence from Nationally Representative Health and Labor Surveys. <i>Current Developments in Nutrition</i> , 2020 , 4, 1838-1838	0.4	78
36	Household Coverage with Adequately Iodized Salt Varies Greatly between Countries and by Residence Type and Socioeconomic Status within Countries: Results from 10 National Coverage Surveys. <i>Journal of Nutrition</i> , 2017 , 147, 1004S-1014S	4.1	35
35	Prevalence of hypertension in Indian tribes: a systematic review and meta-analysis of observational studies. <i>PLoS ONE</i> , 2014 , 9, e95896	3.7	23
34	Urbanization and health challenges: need to fast track launch of the national urban health mission. <i>Indian Journal of Community Medicine</i> , 2011 , 36, 3-7	0.8	16
33	National Iodine Deficiency Disorders Control Programme: Current status & future strategy. <i>Indian Journal of Medical Research</i> , 2018 , 148, 503-510	2.9	16
32	Revitalizing Rural Health Care Delivery: Can Rural Health Practitioners be the Answer?. <i>Indian Journal of Community Medicine</i> , 2009 , 34, 3-5	0.8	15
31	Agreement and concordance regarding reproductive intentions and contraception between husbands and wives in rural ballabgarh, India. <i>Indian Journal of Community Medicine</i> , 2010 , 35, 19-23	0.8	14
30	Hypertension Vaccine may be a boon to millions in developing world. <i>Human Vaccines and Immunotherapeutics</i> , 2014 , 10, 708-13	4.4	10
29	Unmet family planning need: differences and levels of agreement between husband-wife, haryana, India. <i>Indian Journal of Community Medicine</i> , 2009 , 34, 188-91	0.8	10
28	Challenges in scaling up successful public health interventions: Lessons learnt from resistance to a nationwide roll-out of the weekly iron-folic acid supplementation programme for adolescents in India. <i>The National Medical Journal of India</i> , 2015 , 28, 81-5	0.4	10
27	Directly observed iron supplementation for control of iron deficiency anemia. <i>Indian Journal of Public Health</i> , 2017 , 61, 37-42	1.8	9
26	Effect of iron and folic acid tablet versus capsule formulation on treatment compliance and iron status among pregnant women: A randomized controlled trial. <i>Journal of Family Medicine and Primary Care</i> , 2019 , 8, 378-384	1.5	7
25	Validation of Point of Care Hemoglobin Estimation Among Pregnant Women Using Digital Hemoglobinometers (HemoCue 301 and HemoCue 201+) as Compared with Auto-Analyzer. <i>Indian Journal of Hematology and Blood Transfusion</i> , 2020 , 36, 342-348	0.7	6
24	Estimating the burden of weighing less: A systematic review and meta-analysis of low birth-weight in India. <i>The National Medical Journal of India</i> , 2016 , 29, 73-81	0.4	6
23	Effect of directly observed oral iron supplementation during pregnancy on iron status in a rural population in Haryana: A randomized controlled trial. <i>Indian Journal of Public Health</i> , 2018 , 62, 287-293	1.8	5
22	Evaluation of promotion of iron-rich foods for the prevention of nutritional anemia in India. <i>Indian Journal of Public Health</i> , 2020 , 64, 236-241	1.8	4

21	New Statistical Approach to Apportion Dietary Sources of Iodine Intake: Findings from Kenya, Senegal and India. <i>Nutrients</i> , 2018 , 10,	6.7	3
20	Status of Iodine Nutrition among Pregnant Women Attending Antenatal Clinic of a Secondary Care Hospital: A Cross-sectional Study from Northern India. <i>Indian Journal of Community Medicine</i> , 2017 , 42, 226-229	0.8	3
19	Meta-analysis of efficacy of iron and iodine fortified salt in improving iron nutrition status. <i>Indian Journal of Public Health</i> , 2019 , 63, 58-64	1.8	3
18	Prevalence of iodine deficiency among adult population residing in Rural Ballabgarh, district Faridabad, Haryana. <i>Indian Journal of Public Health</i> , 2015 , 59, 314-7	1.8	3
17	Intensified pulse polio immunization: time spent and cost incurred at a primary healthcare centre. <i>The National Medical Journal of India</i> , 2009 , 22, 13-7	0.4	3
16	Successful implementation of a laboratory iodization quality assurance system in small-scale salt production facilities in India. <i>Public Health Nutrition</i> , 2014 , 17, 2816-23	3.3	2
15	Comparison of different doses of daily iron supplementation for anemia prophylaxis in pregnancy: A systematic review. <i>Journal of Family Medicine and Primary Care</i> , 2020 , 9, 1308-1316	1.5	2
14	Iron Deficiency Is the Strongest Predictor of Anemia in Indian Adolescents Aged 10-19 years: Evidence from the Comprehensive National Nutrition Survey. <i>Current Developments in Nutrition</i> , 2020 , 4, 1819-1819	0.4	2
13	The National Coalition for Sustained Optimal Iodine intake (NSOI): a case study of a successful experience from India. <i>Asia Pacific Journal of Clinical Nutrition</i> , 2014 , 23 Suppl 1, S38-45	1	2
12	Regression Analysis to Identify Factors Associated with Household Salt Iodine Content at the Sub-National Level in Bangladesh, India, Ghana and Senegal. <i>Nutrients</i> , 2018 , 10,	6.7	1
11	Regression Analysis to Identify Factors Associated with Urinary Iodine Concentration at the Sub-National Level in India, Ghana, and Senegal. <i>Nutrients</i> , 2018 , 10,	6.7	1
10	Anemia Affects One in Four Indian Men and Has Not Decreased in the Last Decade: Trends, Geographic Variability and Predictors from Nationally Representative Data, 2005 to 2016. <i>Current Developments in Nutrition</i> , 2020 , 4, 1830-1830	0.4	1
9	Compliance with iron folic acid (IFA) tablets and associated factors among pregnant women attending ante-natal care clinic at Sub District Hospital, Ballabgarh. <i>Journal of Family Medicine and Primary Care</i> , 2021 , 10, 2006-2011	1.5	1
8	Sero-prevalence of SARS-CoV-2 Antibodies among First Trimester Pregnant Women during the Second Wave of Pandemic in IndiaT. <i>International Journal of Gynecology and Obstetrics</i> , 2022 ,	4	1
7	Digital Hemoglobinometers as Point-of-Care Testing Devices for Hemoglobin Estimation: A Validation Study from India. <i>Indian Journal of Community Medicine</i> , 2020 , 45, 506-510	0.8	0
6	Effect of cooking food in iron-containing cookware on increase in blood hemoglobin level and iron content of the food: A systematic review. <i>Journal of College of Medical Sciences-Nepal</i> , 2021 , 11, 994-1005	0.6	0
5	Acute morbidity profile and treatment seeking behaviour among people residing in an urban resettlement colony in Delhi, India. <i>Journal of College of Medical Sciences-Nepal</i> , 2018 , 8, 716-724	0.6	0
4	Effect of Community-Based Structured Yoga Program on Hba1c Level among Type 2 Diabetes Mellitus Patients: An Interventional Study.. <i>International Journal of Yoga</i> , 2021 , 14, 222-228	1.6	0

- 3 Glycaemic control among adults with self-reported diabetes in health and demographic surveillance site (HDSS) of rural North India. *International Journal of Diabetes in Developing Countries*, **2019**, 39, 707-714 0.8
- 2 Author's reply: Directly observed iron supplementation for control of iron deficiency anemia. *Indian Journal of Public Health*, **2017**, 61, 216 1.8
- 1 Methodological issues in iodine deficiency disorders survey. *Indian Pediatrics*, **2014**, 51, 65-6 1.2
