1	If cannabis use is increasing among workers what are the implications for policy? A secondary analysis of a nationally representative Australian dataset. Drugs: Education, Prevention and Policy, 2023, 30, 383-393.	1.3	0
2	Increasing cocaine use amongst employed Australians: who is most at-risk?. Industrial Health, 2022, , .	1.0	0
3	Working at heights: patterns and predictors of illicit drug use in construction workers. Drugs: Education, Prevention and Policy, 2021, 28, 67-75.	1.3	12
4	Predictors of turnover intention in the non-government alcohol and other drug sector. Drugs: Education, Prevention and Policy, 2021, 28, 181-189.	1.3	9
5	Strengths, challenges, and future directions for the non-government alcohol and other drugs workforce. Journal of Substance Use, 2021, 26, 261-267.	0.7	5
6	Have decreases in young workers' risky drinking resulted in an increase in illicit drug use?. Health Promotion Journal of Australia, 2021, 32 Suppl 2, 248-255.	1.2	2
7	'Very demanding. Extremely rewarding': Exploring the co-occurrence of burnout and engagement in alcohol and other drug workers. Drug and Alcohol Review, 2021, 40, 989-997.	2.1	11
8	Older workers in the alcohol and other drug sector: Predictors of workforce retention. Australasian Journal on Ageing, 2021, , .	0.9	2
9	The non-government alcohol and other drug workforce in Australia: Findings from a national survey. Drug and Alcohol Review, 2021, 40, 1003-1012.	2.1	3
10	Flying below the Radar: Psychoactive Drug Use among Young Male Construction Workers in Sydney, Australia. Substance Use and Misuse, 2021, 56, 758-767.	1.4	3
11	Changing patterns and prevalence of daily tobacco smoking among Australian workers: 2007–2016. Australian and New Zealand Journal of Public Health, 2021, 45, 290-298.	1.8	1
12	Patterns and Prevalence of Daily Tobacco Smoking in Australia by Industry and Occupation: 2007–2016. Nicotine and Tobacco Research, 2021, 23, 2047-2055.	2.6	5
13	Tobacco Cost of Illness Studies: A Systematic Review. Nicotine and Tobacco Research, 2020, 22, 458-465.	2.6	15
14	Alcohol and other drug (AOD) staffing and their workplace: examining the relationship between clinician and organisational workforce characteristics and treatment outcomes in the AOD field. Drugs: Education, Prevention and Policy, 2020, 27, 1-14.	1.3	14
15	Predictors of work engagement among Australian non-government drug and alcohol employees: Implications for policy and practice. International Journal of Drug Policy, 2020, 76, 102638.	3.3	13
16	Older Australians' perceptions of alcohol-related harms and low-risk alcohol guidelines. Drug and Alcohol Review, 2020, 39, 44-54.	2.1	12
17	Exploring the relationship between psychological distress and likelihood of help seeking in construction workers: The role of talking to workmates and knowing how to get help1. Work, 2020, 67, 47-54.	1.1	8
18	Construction workers' alcohol use, knowledge, perceptions of risk and workplace norms. Drug and Alcohol Review, 2020, 39, 941-949.	2.1	21

#	Article	IF	Citations
19	Lived Experience: Characteristics of Workers in Alcohol and Other Drug Nongovernment Organizations. Contemporary Drug Problems, 2020, 47, 63-77.	1.6	13
20	Ageing and Alcohol: Drinking Typologies among Older Adults. Journal of Aging and Health, 2020, 32, 1486-1497.	1.7	4
21	A co-produced cultural approach to workplace alcohol interventions: barriers and facilitators. Drugs: Education, Prevention and Policy, 2019, 26, 401-411.	1.3	5
22	Operationalising the quality of life construct in studies of alcohol and drug residential rehabilitation programme clients: A systematic review. Drug and Alcohol Review, 2019, 38, 674-689.	2.1	0
23	Baby boomers and booze: we should be worried about how older Australians are drinking. Medical Journal of Australia, 2019, 211, 382.	1.7	1
24	The Stigma of Addiction in the Workplace. , 2019, , 167-199.		7
25	Baby boomers and booze: we should be worried about how older Australians are drinking. Medical Journal of Australia, 2019, 210, 38-39.	1.7	11
26	Evaluation of a workshop to address drugs and alcohol in the workplace. International Journal of Workplace Health Management, 2019, 12, 2-14.	1.9	5
27	Drug use and workplace safety: issues and good practice responses. , 2019, , .		3
28	Mental Health and Addictions Workforce Development. , 2019, , 24-58.		0
29	Workplace alcohol harm reduction intervention in Australia: Cluster nonâ€randomised controlled trial. Drug and Alcohol Review, 2018, 37, 502-513.	2.1	23
30	Brief workshops to teach drug and alcohol first aid: A pilot evaluation study. Drug and Alcohol Review, 2018, 37, 23-27.	2.1	4
31	The development and characteristics of Employee Assistance Programs around the globe. Journal of Workplace Behavioral Health, 2018, 33, 168-186.	1.4	15
32	Quantifying the societal cost of methamphetamine use to Australia. International Journal of Drug Policy, 2018, 62, 30-36.	3.3	26
33	Commentary on Mazerolle<i>et al</i>. (2017): The tide has turned-the shift to international supply undermines novel and effective local law enforcement efforts. Addiction, 2017, 112, 475-476.	3.3	1
34	Young construction workers: substance use, mental health, and workplace psychosocial factors. Advances in Dual Diagnosis, 2017, 10, 155-168.	0.5	45
35	Substance misuse in older people. BMJ: British Medical Journal, 2017, 358, j3885.	2.3	73
36	Ice and the outback: Patterns and prevalence of methamphetamine use in rural Australia. Australian Journal of Rural Health, 2017, 25, 200-209.	1.5	36

#	Article	IF	Citations
37	Workforce development: An important paradigm shift for the alcohol and other drugs sector. Drugs: Education, Prevention and Policy, 2017, 24, 443-454.	1.3	18
38	Bongs and baby boomers: Trends in cannabis use among older Australians. Australasian Journal on Ageing, 2017, 36, 56-59.	0.9	12
39	Alcohol‐and drug‐related absenteeism: a costly problem. Australian and New Zealand Journal of Public Health, 2016, 40, 236-238.	1.8	33
40	Do workplace policies work? An examination of the relationship between alcohol and other drug policies and workers' substance use. International Journal of Drug Policy, 2016, 28, 48-54.	3.3	41
41	Men, Work, and Mental Health: A Systematic Review of Depression in Male-dominated Industries and Occupations. Safety and Health at Work, 2016, 7, 268-283.	0.6	76
42	What works in school-based alcohol education: A systematic review. Health Education Journal, 2016, 75, 780-798.	1.2	39
43	Addressing inequities in alcohol consumption and related harms. Health Promotion International, 2015, 30, ii20-ii35.	1.8	60
44	The prevalence and correlates of secondary traumatic stress among alcohol and other drug workers in <scp>A</scp>ustralia. Drug and Alcohol Review, 2015, 34, 252-258.	2.1	41
45	Alcohol use among workers in male-dominated industries: A systematic review of risk factors. Safety Science, 2015, 78, 124-141.	4.9	53
46	A recipe for good mental health: A pilot randomised controlled trial of a psychological wellbeing and substance use intervention targeting young chefs. Drugs: Education, Prevention and Policy, 2015, 22, 352-361.	1.3	10
47	Workplace risk factors for anxiety and depression in male-dominated industries: a systematic review. Health Psychology and Behavioral Medicine, 2014, 2, 983-1008.	1.8	60
48	What police want from liquor licensing legislation: the Australian perspective. Police Practice and Research, 2014, 15, 293-306.	1.5	5
49	Up in smoke: Cannabis content in alcohol and other drug qualifications. Drugs: Education, Prevention and Policy, 2014, 21, 140-146.	1.3	2
50	Patrons' views about smoking in outdoor areas of licensed premises in South Australia: a pilot study. Australian and New Zealand Journal of Public Health, 2014, 38, 491-492.	1.8	0
51	Effective interventions for mental health in male-dominated workplaces. Mental Health Review Journal, 2014, 19, 237-250.	0.7	25
52	Trainee chefs' experiences of alcohol, tobacco and drug use. Journal of Hospitality and Tourism Management, 2014, 21, 108-115.	6.6	13
53	A Systematic Review of Alcohol Interventions Among Workers in Male-Dominated Industries. Journal of Men's Health, 2014, 11, 53-63.	0.3	11
54	How effective is drug testing as a workplace safety strategy? A systematic review of the evidence. Accident Analysis and Prevention, 2014, 71, 154-165.	5.7	47

#	Article	IF	Citations
55	Have VET reforms resulted in improvements in quality? Illustrations from the alcohol and other drugs sector. International Journal of Training Research, 2014, 12, 170-181.	1.4	2
56	A block randomised controlled trial of a brief intervention with a cohort of first year hospitality trainees. Addiction Science & Clinical Practice, 2013, 8, .	2.6	0
57	The health and well-being of Indigenous drug and alcohol workers: Results from a national Australian survey. Journal of Substance Abuse Treatment, 2013, 44, 17-26.	2.8	25
58	Sharing stories: Indigenous alcohol and other drug workers' wellâ€being, stress and burnout. Drug and Alcohol Review, 2013, 32, 527-535.	2.1	22
59	Audience-response devices (â€˜clickersâ€™): A discussion paper on their potential contribution to alcohol education in schools. Health Education Journal, 2013, 72, 47-55.	1.2	2
60	Beyond the paper trail: using technology to reduce escalating harms from opioid prescribing in Australia. Australian and New Zealand Journal of Public Health, 2013, 37, 139-147.	1.8	6
61	Alcohol and young people: What the legislation says about access and secondary supply. Drug and Alcohol Review, 2013, 32, 124-132.	2.1	19
62	What Factors Need to be Addressed to Support Dental Hygienists to Assist Their Patients to Quit Smoking?. Nicotine and Tobacco Research, 2012, 14, 1040-1047.	2.6	10
63	Minimum qualifications in the alcohol and other drugs field: Employers' views. Drug and Alcohol Review, 2012, 31, 514-522.	2.1	2
64	Child wellbeing and protection concerns and the response of the alcohol and other drugs sector in Australia. Advances in Mental Health, 2011, 10, 62-71.	0.7	11
65	Which Australian secondary school students are at risk of illicit drug use?. Drug and Alcohol Review, 2011, 30, 589-596.	2.1	3
66	Intoxicated workers: findings from a national Australian survey. Addiction, 2011, 106, 1623-1633.	3.3	54
67	Hazardous alcohol use interventions with emergency patients: Selfâ€reported practices of nurses, and predictors of behaviour. EMA - Emergency Medicine Australasia, 2011, 23, 479-489.	1.1	12
68	New horizons in AOD workforce development. Drugs: Education, Prevention and Policy, 2009, 16, 193-204.	1.3	5
69	Effectiveness of opinion leaders for getting research into practice in the alcohol and other drugs field: Results from a systematic literature review. Drugs: Education, Prevention and Policy, 2009, 16, 205-216.	1.3	4
70	Drug testing in Australian schools: Policy implications and considerations of punitive, deterrence and/or prevention measures. International Journal of Drug Policy, 2009, 20, 521-528.	3.3	17
