

Yael Benyamini

List of Publications by Year in Descending Order

Source: <https://exaly.com/author-pdf/53097/yael-benyamini-publications-by-year.pdf>
Version: 2024-04-10

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.
The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

108 papers	9,260 citations	34 h-index	96 g-index
123 ext. papers	10,289 ext. citations	3.6 avg, IF	6.37 L-index

#	Paper	IF	Citations
108	Mother-infant contact after birth can reduce postpartum post-traumatic stress symptoms through a reduction in birth-related fear and guilt.. <i>Journal of Psychosomatic Research</i> , 2022 , 154, 110716	4.1	0
107	Association of Diet Quality With Longevity and Successful Aging in Israeli Adults 65 Years or Older. <i>JAMA Network Open</i> , 2022 , 5, e2214916	10.4	0
106	"What I thought was so important isn't really that important": international perspectives on making meaning during the first wave of the COVID-19 pandemic. <i>Health Psychology and Behavioral Medicine</i> , 2021 , 9, 830-857	2.2	9
105	Persevering in Fertility Treatments Despite Failures: Unrealistic Optimism and the Reality of a Pronatalist Culture. <i>International Journal of Behavioral Medicine</i> , 2021 , 1	2.6	1
104	Maternal Expectations Among Pregnant Women from Single, Lesbian, and Heterosexual Parented families. <i>Journal of Family Issues</i> , 2021 , 42, 863-880	1.6	
103	Who benefits most from skin-to-skin mother-infant contact after birth? Survey findings on skin-to-skin and birth satisfaction by mode of birth. <i>Midwifery</i> , 2021 , 92, 102862	2.8	2
102	Online Obstetrics and Gynecology Medical Students Clerkship During the Covid-19 Pandemic: a Pilot Study. <i>Medical Science Educator</i> , 2021 , 31, 1-5	0.7	0
101	Women's preferences for mode of second birth-A prospective study of two Israeli birth cohorts. <i>Birth</i> , 2020 , 47, 237-245	3.1	2
100	Fertility intentions and the way they change following birth- a prospective longitudinal study. <i>BMC Pregnancy and Childbirth</i> , 2020 , 20, 228	3.2	7
99	Resumption of sexual activity after acute myocardial infarction and long-term survival. <i>European Journal of Preventive Cardiology</i> , 2020 ,	3.9	1
98	Views on aging: older adults' self-perceptions of age and of health. <i>European Journal of Ageing</i> , 2020 , 17, 477-487	3.6	6
97	The complex effects of maternal expectations on postpartum depressive symptoms: when does a protective factor become a risk factor?. <i>Journal of Psychosomatic Obstetrics and Gynaecology</i> , 2020 , 1-9	3.6	3
96	Transactional Model of Parental Adjustment and Caregiving Burden Following a Children's Acquired Disability. <i>Journal of Pediatric Psychology</i> , 2020 , 45, 1177-1187	3.2	
95	Role of psychosocial factors in long-term adherence to secondary prevention measures after myocardial infarction: a longitudinal analysis. <i>Annals of Epidemiology</i> , 2020 , 52, 35-41	6.4	2
94	Frequency of Sexual Activity and Long-term Survival after Acute Myocardial Infarction. <i>American Journal of Medicine</i> , 2020 , 133, 100-107	2.4	4
93	Between Expectancy and Experience: Testing a Model of Childbirth Satisfaction. <i>Psychology of Women Quarterly</i> , 2019 , 43, 105-117	3.2	23
92	How do older people discuss their own sexuality? A systematic review of qualitative research studies. <i>Culture, Health and Sexuality</i> , 2019 , 21, 293-308	2.5	31

91	The contribution of social-environmental factors to the emotional adjustment of Israeli religious Jewish women coping with infertility. <i>Women and Health</i> , 2019 , 59, 433-448	1.7	3
90	First-time mothers' birth beliefs, preferences, and actual birth: A longitudinal observational study. <i>Women and Birth</i> , 2019 , 32, e110-e117	3.3	9
89	Religious Women's Coping with Infertility: Do Culturally Adapted Religious Coping Strategies Contribute to Well-Being and Health?. <i>International Journal of Behavioral Medicine</i> , 2019 , 26, 154-164	2.6	9
88	Testing a biopsychosocial model of the basic birth beliefs. <i>Birth</i> , 2018 , 45, 79-87	3.1	12
87	PREGNANT WOMEN'S RECOLLECTIONS OF EARLY MATERNAL BONDING: ASSOCIATIONS WITH MATERNAL-FETAL ATTACHMENT AND BIRTH CHOICES. <i>Infant Mental Health Journal</i> , 2018 , 39, 511-521	2.3	4
86	A quantitative investigation into women's basic beliefs about birth and planned birth choices. <i>Midwifery</i> , 2018 , 63, 46-51	2.8	24
85	Ageism and Sexuality. <i>International Perspectives on Aging</i> , 2018 , 149-162	0.5	25
84	Proactive Aging Among Holocaust Survivors: Striving for the Best Possible Life. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2018 , 73, 1446-1456	4.6	3
83	Changes in the basic birth beliefs following the first birth experience: Self-fulfilling prophecies?. <i>PLoS ONE</i> , 2018 , 13, e0208090	3.7	9
82	Women's psychological experiences of physiological childbirth: a meta-synthesis. <i>BMJ Open</i> , 2018 , 8, e020347	3	40
81	Childbirth preferences and related fears - comparison between Norway and Israel. <i>BMC Pregnancy and Childbirth</i> , 2018 , 18, 362	3.2	13
80	Patient reported health status and all-cause mortality in patients with coronary heart disease. <i>Family Practice</i> , 2018 , 35, 172-178	1.9	3
79	Knowledge of risk factors and prevention of osteoporosis: the Israeli women's health at midlife study. <i>Archives of Osteoporosis</i> , 2018 , 13, 70	2.9	6
78	Cultural Disparities in the Use of Prescription and Nonprescription Medications Among Midlife Women in Israel. <i>International Journal of Health Services</i> , 2017 , 47, 440-459	2	1
77	Women's attitudes towards the medicalization of childbirth and their associations with planned and actual modes of birth. <i>Women and Birth</i> , 2017 , 30, 424-430	3.3	32
76	Normalization as a Strategy for Maintaining Quality of Life While Coping with Infertility in a Pronatalist Culture. <i>International Journal of Behavioral Medicine</i> , 2017 , 24, 871-879	2.6	14
75	Optimism During Hospitalization for First Acute Myocardial Infarction and Long-Term Mortality Risk: A Prospective Cohort Study. <i>Mayo Clinic Proceedings</i> , 2017 , 92, 49-56	6.4	13
74	The birth beliefs scale - a new measure to assess basic beliefs about birth. <i>Journal of Psychosomatic Obstetrics and Gynaecology</i> , 2017 , 38, 73-80	3.6	21

73	The Psychological Experience of Physiological Childbirth: A Protocol for a Systematic Review of Qualitative Studies. <i>International Journal of Childbirth</i> , 2017 , 7, 101-109	0.4	2
72	Overweight and obese midlife women in Israel: cultural differences in perceived weight status. <i>International Journal of Public Health</i> , 2016 , 61, 39-47	4	4
71	Subjective Age and Health in Later Life: The Role of Posttraumatic Symptoms. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2016 , 71, 415-24	4.6	32
70	Perceived control over the medical procedure and its association with adjustment to a low-control situation: the case of infertility. <i>Psychology, Health and Medicine</i> , 2016 , 21, 476-482	2.1	9
69	Implementation intention and planning interventions in Health Psychology: Recommendations from the Synergy Expert Group for research and practice. <i>Psychology and Health</i> , 2016 , 31, 814-39	2.9	131
68	The Ability to Live with Incongruence: Aintegration—the Concept and Its Operationalization. <i>Journal of Adult Development</i> , 2016 , 23, 79-92	1.5	10
67	Women's knowledge about heart disease: Differences among ethnic and cultural groups in the Israeli Women's Health in Midlife Study. <i>Women and Health</i> , 2016 , 56, 78-97	1.7	7
66	Perceived social support at different times after myocardial infarction and long-term mortality risk: a prospective cohort study. <i>Annals of Epidemiology</i> , 2016 , 26, 424-8	6.4	14
65	Do more specific plans help you lose weight? Examining the relationship between plan specificity, weight loss goals, and plan content in the context of a weight management programme. <i>British Journal of Health Psychology</i> , 2016 , 21, 989-1005	8.3	17
64	Religious Coping in Stressful Situations: Developing the Jrp-Cope Measurement Tool for Religious Jewish Population. <i>Archive for the Psychology of Religion</i> , 2016 , 38, 184-209	1.1	3
63	Anorexia Nervosa, Bulimia Nervosa, and Binge Eating Disorder in Midlife and Beyond. <i>Journal of Nervous and Mental Disease</i> , 2015 , 203, 583-90	1.8	12
62	Investigating the associations of self-rated health: heart rate variability is more strongly associated than inflammatory and other frequently used biomarkers in a cross sectional occupational sample. <i>PLoS ONE</i> , 2015 , 10, e0117196	3.7	65
61	Factors associated with dropout in a group weight-loss programme: a longitudinal investigation. <i>Journal of Human Nutrition and Dietetics</i> , 2015 , 28 Suppl 2, 33-40	3.1	16
60	Self-rated health is associated with elevated C-reactive protein even among apparently healthy individuals. <i>Israel Medical Association Journal</i> , 2015 , 17, 213-8	0.9	25
59	The long-term implications of war captivity for mortality and health. <i>Journal of Behavioral Medicine</i> , 2014 , 37, 849-59	3.6	37
58	Optimism buffers the detrimental effect of negative self-perceptions of ageing on physical and mental health. <i>Psychology and Health</i> , 2014 , 29, 832-48	2.9	90
57	Health, cultural and socioeconomic factors related to self-rated health of long-term Jewish residents, immigrants, and Arab women in midlife in Israel. <i>Women and Health</i> , 2014 , 54, 402-24	1.7	10
56	Mother knows best? Comparing primiparous parturients' expectations and predictions with actual birth outcomes. <i>Journal of Perinatal Medicine</i> , 2014 , 42, 435-9	2.7	10

55	Recovery of self-rated health as a predictor of recurrent ischemic events after first myocardial infarction: a 13-year follow-up. <i>Health Psychology</i> , 2014 , 33, 317-25	5	16
54	Gender differences in the prevalence and correlates of psychotropic medication use among older adults in Israel. <i>Israel Journal of Psychiatry</i> , 2014 , 51, 118-25		3
53	Depression and anxiety following myocardial infarction and their inverse associations with future health behaviors and quality of life. <i>Annals of Behavioral Medicine</i> , 2013 , 46, 310-21	4.5	44
52	A structured intentions and action-planning intervention improves weight loss outcomes in a group weight loss program. <i>American Journal of Health Promotion</i> , 2013 , 28, 119-27	2.5	16
51	Ethnicity and long-term prognosis after myocardial infarction: a population-based cohort study. <i>Medical Care</i> , 2013 , 51, 137-43	3.1	7
50	Illness perception and quality of life in patients with contact dermatitis. <i>Contact Dermatitis</i> , 2012 , 67, 193-9	2.7	19
49	Prevalence and correlates of psychotropic medication use among older adults in Israel: cross-sectional and longitudinal findings from two cohorts a decade apart. <i>Aging and Mental Health</i> , 2012 , 16, 636-47	3.5	13
48	Post-myocardial infarction depression: increased hospital admissions and reduced adoption of secondary prevention measures--a longitudinal study. <i>Journal of Psychosomatic Research</i> , 2012 , 72, 5-10	4.1	70
47	Cultural/ethnic differences in the prevalence of depressive symptoms among middle-aged women in Israel: the Women's Health at Midlife Study. <i>Menopause</i> , 2012 , 19, 1309-21	2.5	9
46	Long-term predictors of smoking cessation in a cohort of myocardial infarction survivors: a longitudinal study. <i>European Journal of Cardiovascular Prevention and Rehabilitation</i> , 2011 , 18, 533-41		38
45	Neighborhood socioeconomic status and leisure-time physical activity after myocardial infarction: A longitudinal study. <i>American Journal of Preventive Medicine</i> , 2011 , 41, 266-73	6.1	16
44	Involving Husbands in their Wives' Health Behaviour: Does it Work?. <i>Applied Psychology: Health and Well-Being</i> , 2011 , 3, 66-86	6.8	8
43	Role of socioeconomic status measures in long-term mortality risk prediction after myocardial infarction. <i>Medical Care</i> , 2011 , 49, 673-8	3.1	22
42	Poor neighborhood socioeconomic status and risk of ischemic stroke after myocardial infarction. <i>Epidemiology</i> , 2011 , 22, 162-9	3.1	18
41	Long-term trajectory of leisure time physical activity and survival after first myocardial infarction: a population-based cohort study. <i>European Journal of Epidemiology</i> , 2011 , 26, 109-16	12.1	45
40	Changes over time from baseline poor self-rated health: for whom does poor self-rated health not predict mortality?. <i>Psychology and Health</i> , 2011 , 26, 1446-62	2.9	20
39	Health and Illness Perceptions 2011 ,		12
38	The impact of education, cultural background, and lifestyle on symptoms of the menopausal transition: the Women's Health at Midlife Study. <i>Journal of Women's Health</i> , 2010 , 19, 975-85	3	77

37	Neighborhood socioeconomic context and long-term survival after myocardial infarction. <i>Circulation</i> , 2010 , 121, 375-83	16.7	70
36	Social workers' and service users causal attributions for poverty. <i>Social Work</i> , 2009 , 54, 125-33	1.4	34
35	Illness perceptions and quality of life amongst women with pseudotumor cerebri. <i>European Journal of Neurology</i> , 2009 , 16, 931-936	6	10
34	Women's and men's perceptions of infertility and their associations with psychological adjustment: a dyadic approach. <i>British Journal of Health Psychology</i> , 2009 , 14, 1-16	8.3	80
33	Smoking status and long-term survival after first acute myocardial infarction a population-based cohort study. <i>Journal of the American College of Cardiology</i> , 2009 , 54, 2382-7	15.1	103
32	Prognostic importance and long-term determinants of self-rated health after initial acute myocardial infarction. <i>Medical Care</i> , 2009 , 47, 342-9	3.1	50
31	Trajectories of self-rated health among veterans: a latent growth curve analysis of the impact of posttraumatic symptoms. <i>Psychosomatic Medicine</i> , 2009 , 71, 345-52	3.7	24
30	The experience of miscarriage in first pregnancy: the women's voices. <i>Death Studies</i> , 2009 , 33, 1-29	3.9	53
29	Stress and Coping with Women's Health Issues. <i>European Psychologist</i> , 2009 , 14, 63-71	4.4	13
28	The Predictive Validity of Optimism and Affectivity in a Longitudinal Study of Older Adults. <i>Personality and Individual Differences</i> , 2008 , 44, 853-864	3.3	22
27	Association between a self-rated health question and mortality in young and old dialysis patients: a cohort study. <i>American Journal of Kidney Diseases</i> , 2008 , 52, 111-7	7.4	74
26	Cultural and educational disparities in the use of primary and preventive health care services among midlife women in Israel. <i>Women's Health Issues</i> , 2008 , 18, 257-66	2.6	28
25	Coping specificity: the case of women coping with infertility treatments. <i>Psychology and Health</i> , 2008 , 23, 221-41	2.9	38
24	The crossover of perceived health between spouses. <i>Journal of Occupational Health Psychology</i> , 2008 , 13, 168-80	5.7	29
23	Can Tell You If I'll Really Lose All That Weight: Dispositional and Situated Optimism as Predictors of Weight Loss Following a Group Intervention. <i>Journal of Applied Social Psychology</i> , 2007 , 37, 844-861	2.1	20
22	Patient and spouse perceptions of the patient's heart disease and their associations with received and provided social support and undermining. <i>Psychology and Health</i> , 2007 , 22, 765-785	2.9	35
21	Variability in the difficulties experienced by women undergoing infertility treatments. <i>Fertility and Sterility</i> , 2005 , 83, 275-83	4.8	114
20	Combat stress reactions, posttraumatic stress disorder, cumulative life stress, and physical health among Israeli veterans twenty years after exposure to combat. <i>Social Science and Medicine</i> , 2005 , 61, 1267-77	5.1	52

19	Can high optimism and high pessimism co-exist? Findings from arthritis patients coping with pain. <i>Personality and Individual Differences</i> , 2005 , 38, 1463-1473	3.3	52
18	The effect of a communal lifestyle on depressive symptoms in late life. <i>Journal of Aging and Health</i> , 2004 , 16, 151-74	2.6	28
17	Self-rated oral health as an independent predictor of self-rated general health, self-esteem and life satisfaction. <i>Social Science and Medicine</i> , 2004 , 59, 1109-16	5.1	159
16	On the Self-Regulation of a Health Threat: Cognitions, Coping, and Emotions Among Women Undergoing Treatment for Infertility. <i>Cognitive Therapy and Research</i> , 2004 , 28, 577-592	2.7	38
15	The relationship of activity restriction and replacement with depressive symptoms among older adults. <i>Psychology and Aging</i> , 2004 , 19, 362-6	3.6	43
14	Elderly people's ratings of the importance of health-related factors to their self-assessments of health. <i>Social Science and Medicine</i> , 2003 , 56, 1661-7	5.1	117
13	Living with the worry of cancer: health perceptions and behaviors of elderly people with self, vicarious, or no history of cancer. <i>Psycho-Oncology</i> , 2003 , 12, 161-72	3.9	44
12	Gender differences in the self-rated health-mortality association: is it poor self-rated health that predicts mortality or excellent self-rated health that predicts survival?. <i>Gerontologist, The</i> , 2003 , 43, 396-405; discussion 372-5	5	200
11	Postoperative patient-controlled analgesia (PCA): How much control and How much analgesia?. <i>Psychology and Health</i> , 2003 , 18, 753-770	2.9	8
10	Illness causal attributions: an exploratory study of their structure and associations with other illness cognitions and perceptions of control. <i>Journal of Behavioral Medicine</i> , 2002 , 25, 373-94	3.6	59
9	Attributions and health 2001 , 26-33		3
8	Coping with stressful medical procedures 2001 , 59-63		3
7	Lay beliefs about health and illness 2001 , 124-128		6
6	Gender differences in processing information for making self-assessments of health. <i>Psychosomatic Medicine</i> , 2000 , 62, 354-64	3.7	201
5	Positive affect and function as influences on self-assessments of health: expanding our view beyond illness and disability. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2000 , 55, P107-16	4.6	244
4	Self-Assessments of Health: What Do People Know that Predicts their Mortality?. <i>Research on Aging</i> , 1999 , 21, 477-500	3	134
3	Community Studies Reporting Association between Self-Rated Health and Mortality: Additional Studies, 1995 to 1998. <i>Research on Aging</i> , 1999 , 21, 392-401	3	458
2	Self-Rated Health and Mortality: A Review of Twenty-Seven Community Studies. <i>Journal of Health and Social Behavior</i> , 1997 , 38, 21	4.5	5093

- 1 Perception of occupations: Aspects versus dimensions. *Journal of Vocational Behavior*, **1987**, 30, 309-329 10
