#	Paper	IF	Citations
178	Toward understanding the insight paradox: internalized stigma moderates the association between insight and social functioning, hope, and self-esteem among people with schizophrenia spectrum disorders. <i>Schizophrenia Bulletin</i> , 2007 , 33, 192-9	1.3	407
177	Pathways Between Internalized Stigma and Outcomes Related to Recovery in Schizophrenia Spectrum Disorders. <i>Psychiatric Services</i> , 2008 , 59, 1437-1442	3.3	328
176	Recovery from versus recovery in serious mental illness: One strategy for lessening confusion plaguing recovery. <i>Journal of Mental Health</i> , 2007 , 16, 459-470	2.7	326
175	The Impact of Illness Identity on Recovery from Severe Mental Illness. <i>American Journal of Psychiatric Rehabilitation</i> , 2010 , 13, 73-93		174
174	Pathways between internalized stigma and outcomes related to recovery in schizophrenia spectrum disorders. <i>Psychiatric Services</i> , 2008 , 59, 1437-42	3.3	155
173	The relation between objective and subjective domains of recovery among persons with schizophrenia-related disorders. <i>Schizophrenia Research</i> , 2011 , 131, 133-8	3.6	139
172	Interventions targeting mental health self-stigma: A review and comparison. <i>Psychiatric Rehabilitation Journal</i> , 2015 , 38, 171-178	2.4	138
171	Narrative enhancement and cognitive therapy: a new group-based treatment for internalized stigma among persons with severe mental illness. <i>International Journal of Group Psychotherapy</i> , 2011 , 61, 577-95	0.5	133
170	Self and narrative in schizophrenia: time to author a new story. <i>Medical Humanities</i> , 2005 , 31, 89-94	1.4	119
169	Internalized stigma and quality of life among persons with severe mental illness: the mediating roles of self-esteem and hope. <i>Psychiatry Research</i> , 2013 , 208, 15-20	9.9	106
168	Insight into psychosis and quality of life. <i>Comprehensive Psychiatry</i> , 2006 , 47, 265-9	7.3	106
167	A randomized controlled trial of the effectiveness of the illness management and recovery program. <i>Psychiatric Services</i> , 2007 , 58, 1461-6	3.3	102
166	Associations of multiple domains of self-esteem with four dimensions of stigma in schizophrenia. <i>Schizophrenia Research</i> , 2008 , 98, 194-200	3.6	88
165	Prevalence of Internalized Stigma among Persons with Severe Mental Illness. <i>Stigma Research and Action</i> , 2011 , 1, 3-10		87
164	Recovery and serious mental illness: a review of current clinical and research paradigms and future directions. <i>Expert Review of Neurotherapeutics</i> , 2017 , 17, 1117-1130	4.3	85
163	Group-based treatment for internalized stigma among persons with severe mental illness: findings from a randomized controlled trial. <i>Psychological Services</i> , 2012 , 9, 248-258	2.5	83
162	Narrative enhancement and cognitive therapy (NECT) effectiveness: a quasi-experimental study. <i>Journal of Clinical Psychology</i> , 2014 , 70, 303-12	2.8	76

161	Internalized stigma as a barrier to improvement in vocational functioning among people with schizophrenia-spectrum disorders. <i>Psychiatry Research</i> , 2010 , 178, 211-3	9.9	76
160	Why and how people decide to stop taking prescribed psychiatric medication: exploring the subjective process of choice. <i>Psychiatric Rehabilitation Journal</i> , 2009 , 33, 38-46	2.4	68
159	Association of stigma, self-esteem, and symptoms with concurrent and prospective assessment of social anxiety in schizophrenia. <i>Clinical Schizophrenia and Related Psychoses</i> , 2010 , 4, 41-8	1.6	62
158	Associations of metacognition and internalized stigma with quantitative assessments of self-experience in narratives of schizophrenia. <i>Psychiatry Research</i> , 2008 , 157, 31-8	9.9	61
157	Insight into mental illness, self-stigma, and the family burden of parents of persons with a severe mental illness. <i>Comprehensive Psychiatry</i> , 2011 , 52, 75-80	7.3	58
156	Self-criticism is a key predictor of eating disorder dimensions among inpatient adolescent females. <i>International Journal of Eating Disorders</i> , 2008 , 41, 762-5	6.3	58
155	Associations of symptoms, psychosocial function and hope with qualities of self-experience in schizophrenia: comparisons of objective and subjective indicators of health. <i>Schizophrenia Research</i> , 2006 , 82, 241-9	3.6	57
154	Progressing from patienthood to personhood across the multidimensional outcomes in schizophrenia and related disorders. <i>Journal of Nervous and Mental Disease</i> , 2001 , 189, 691-9	1.8	55
153	Challenges to assisting with the recovery of personal identity and wellness for persons with serious mental illness: Considerations for mental health professionals. <i>Psychosis</i> , 2013 , 5, 134-143	1.2	54
152	Different ways of being aware of a psychiatric disability: a multifunctional narrative approach to insight into mental disorder. <i>Journal of Nervous and Mental Disease</i> , 2003 , 191, 417-24	1.8	54
151	Family members' of persons living with a serious mental illness: experiences and efforts to cope with stigma. <i>Journal of Mental Health</i> , 2013 , 22, 254-62	2.7	51
150	Adherence to antipsychotic drug treatment in early-episode schizophrenia: a six-month naturalistic follow-up study. <i>Schizophrenia Research</i> , 2011 , 130, 176-81	3.6	50
149	Insight into mental illness and self-stigma: the mediating role of shame proneness. <i>Psychiatry Research</i> , 2012 , 200, 802-6	9.9	48
148	Talking about life and finding solutions to different hardships: a qualitative study on the impact of narrative enhancement and cognitive therapy on persons with serious mental illness. <i>Journal of Nervous and Mental Disease</i> , 2010 , 198, 807-12	1.8	47
147	2011 ,		46
146	Stereotype endorsement, metacognitive capacity, and self-esteem as predictors of stigma resistance in persons with schizophrenia. <i>Comprehensive Psychiatry</i> , 2014 , 55, 792-8	7.3	45
145	A prospective study on the relationship between self-esteem and functioning during the first year after being hospitalized for psychosis. <i>Journal of Nervous and Mental Disease</i> , 2003 , 191, 45-9	1.8	45
144	Recovery and wellness amidst schizophrenia: definitions, evidence, and the implications for clinical practice. <i>Journal of the American Psychiatric Nurses Association</i> , 2010 , 16, 36-42	1.8	44

143	The concept of "being in recovery". <i>Psychiatric Rehabilitation Journal</i> , 2007 , 30, 171-3	2.4	44
142	The psychometric properties of the Illness Management and Recovery scale: client and clinician versions. <i>Psychiatry Research</i> , 2008 , 160, 228-35	9.9	43
141	Change in self-stigma among persons with schizophrenia enrolled in rehabilitation: associations with self-esteem and positive and emotional discomfort symptoms. <i>Psychological Services</i> , 2012 , 9, 240-247	2.5	42
140	Strong subjective recovery as a protective factor against the effects of positive symptoms on quality of life outcomes in schizophrenia. <i>Comprehensive Psychiatry</i> , 2014 , 55, 1363-8	7.3	41
139	Call it a monster for lack of anything else: narrative insight in psychosis. <i>Journal of Nervous and Mental Disease</i> , 2008 , 196, 859-65	1.8	41
138	Between self-clarity and recovery in schizophrenia: reducing the self-stigma and finding meaning. <i>Comprehensive Psychiatry</i> , 2014 , 55, 675-80	7.3	40
137	Beyond coping with mental illness: toward personal growth. <i>American Journal of Orthopsychiatry</i> , 2003 , 73, 334-44	2.8	40
136	Exploring the relationship between the person and the disorder among individuals hospitalized for psychosis. <i>Psychiatry (New York)</i> , 1999 , 62, 370-80	1	40
135	Psychotherapy and recovery in schizophrenia: A proposal of key elements for an integrative psychotherapy attuned to narrative in schizophrenia.. <i>Psychological Services</i> , 2007 , 4, 28-37	2.5	37
134	Change in internalized stigma and social functioning among persons diagnosed with severe mental illness. <i>Psychiatry Research</i> , 2012 , 200, 1032-4	9.9	36
133	Mental health reforms in Europe: Israel's rehabilitation in the community of persons with mental disabilities law: challenges and opportunities. <i>Psychiatric Services</i> , 2012 , 63, 110-2	3.3	36
132	Coping with psychosis: an integrative developmental framework. <i>Journal of Nervous and Mental Disease</i> , 2006 , 194, 917-24	1.8	36
131	A Qualitative Study Examining Experiences and Dilemmas in Concealment and Disclosure of People Living With Serious Mental Illness. <i>Qualitative Health Research</i> , 2017 , 27, 573-583	3.9	35
130	Post-traumatic growth in mental health recovery: qualitative study of narratives. <i>BMJ Open</i> , 2019 , 9, e029342	3	34
129	A one year follow-up of illness management and recovery: participants' accounts of its impact and uniqueness. <i>Psychiatric Rehabilitation Journal</i> , 2009 , 32, 285-91	2.4	34
128	Self perception of empathy in schizophrenia: emotion recognition, insight, and symptoms predict degree of self and interviewer agreement. <i>Psychiatry Research</i> , 2013 , 206, 146-50	9.9	31
127	Measuring the internalized stigma of parents of persons with a serious mental illness: the factor structure of the parents' internalized stigma of mental illness scale. <i>Journal of Nervous and Mental Disease</i> , 2013 , 201, 183-7	1.8	31
126	Physical recovery in anorexia nervosa: is this the sole purpose of a child and adolescent medical-psychiatric unit?. <i>General Hospital Psychiatry</i> , 2002 , 24, 87-92	5.6	30

125	A randomized-controlled trial of treatment for self-stigma among persons diagnosed with schizophrenia-spectrum disorders. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2019 , 54, 1363-1378	4.5	28
124	Persons with psychosis as active agents interacting with their disorder. <i>Psychiatric Rehabilitation Journal</i> , 2004 , 28, 122-8	2.4	28
123	The role of insight in the process of recovery from schizophrenia: A review of three views. <i>Psychosis</i> , 2009 , 1, 113-121	1.2	27
122	Social cognition and interaction training: preliminary results of an RCT in a community setting in Israel. <i>Psychiatric Services</i> , 2014 , 65, 555-8	3.3	26
121	Family psychoeducation and therapeutic alliance focused interventions for parents of a daughter or son with a severe mental illness. <i>Psychiatry Research</i> , 2011 , 189, 173-9	9.9	26
120	Investigating the anatomy of the helping relationship in the context of psychiatric rehabilitation: the relation between working alliance, providers' recovery competencies and personal recovery. <i>Psychiatry Research</i> , 2014 , 220, 592-7	9.9	25
119	Housing model for persons with serious mental illness moderates the relation between loneliness and quality of life. <i>Community Mental Health Journal</i> , 2010 , 46, 389-97	2.1	25
118	Personal recovery within positive psychiatry. <i>Nordic Journal of Psychiatry</i> , 2018 , 72, 420-430	2.3	24
117	Implementing routine outcome measurement in psychiatric rehabilitation services in Israel. <i>International Review of Psychiatry</i> , 2015 , 27, 345-53	3.6	23
116	The impact of illness identity on recovery from severe mental illness: A review of the evidence. <i>Psychiatry Research</i> , 2020 , 288, 112950	9.9	23
115	Posttraumatic Growth in Psychosis. <i>Frontiers in Psychiatry</i> , 2016 , 7, 202	5	23
114	A qualitative approach to the evaluation of psychosocial interventions for persons with severe mental illness.. <i>Psychological Services</i> , 2006 , 3, 262-273	2.5	22
113	Clients' reasons for terminating psychotherapy: a quantitative and qualitative inquiry. <i>Psychology and Psychotherapy: Theory, Research and Practice</i> , 2006 , 79, 529-38	3.5	21
112	Confirmatory factor analysis of the brief version of the recovery assessment scale. <i>Journal of Nervous and Mental Disease</i> , 2012 , 200, 847-51	1.8	20
111	Clients' feelings during termination of psychodynamically oriented psychotherapy. <i>Bulletin of the Menninger Clinic</i> , 2006 , 70, 68-81	1.3	19
110	Patients' and staff members' attitudes about the rights of hospitalized psychiatric patients. <i>Psychiatric Services</i> , 2002 , 53, 87-91	3.3	19
109	Shared Decision Making for Psychiatric Rehabilitation Services Before Discharge from Psychiatric Hospitals. <i>Health Communication</i> , 2019 , 34, 631-637	3.2	19
108	Neuro-cognition and social cognition elements of social functioning and social quality of life. <i>Psychiatry Research</i> , 2017 , 258, 538-543	9.9	18

107	Relationships between stereotyped beliefs about mental illness, discrimination experiences, and distressed mood over 1 year among persons with schizophrenia enrolled in rehabilitation. <i>Social Psychiatry and Psychiatric Epidemiology</i> , 2012 , 47, 849-55	4.5	18
106	Recovering from severe mental illness: mutual influences of self and illness. <i>Journal of Psychosocial Nursing and Mental Health Services</i> , 2005 , 43, 34-40	1.1	17
105	Shared Decision Making During Active Psychiatric Hospitalization: Assessment and Psychometric Properties. <i>Health Communication</i> , 2017 , 32, 126-130	3.2	16
104	The relationship between consumer insight and provider-consumer agreement regarding consumer's quality of life. <i>Community Mental Health Journal</i> , 2011 , 47, 607-12	2.1	16
103	A narrative evaluation of a psychoeducation and a therapeutic alliance intervention for parents of persons with a severe mental illness. <i>Family Process</i> , 2012 , 51, 265-80	3.9	15
102	Posttraumatic growth among people with serious mental illness, psychosis and posttraumatic stress symptoms. <i>Comprehensive Psychiatry</i> , 2018 , 81, 1-9	7.3	14
101	Comparative impact of professional mental health background on ratings of consumer outcome and fidelity in an Illness Management and Recovery program. <i>Psychiatric Rehabilitation Journal</i> , 2013 , 36, 236-42	2.4	14
100	Overcoming Barriers to Increase the Contribution of Clinical Psychologists to Work With Persons With Severe Mental Illness. <i>Clinical Psychology: Science and Practice</i> , 2006 , 13, 376-383	3.7	14
99	Self-clarity and different clusters of insight and self-stigma in mental illness. <i>Psychiatry Research</i> , 2016 , 240, 308-313	9.9	14
98	The subjective experience of people with severe mental illness: a potentially crucial piece of the puzzle. <i>Israel Journal of Psychiatry and Related Sciences</i> , 2005 , 42, 223-30		14
97	Age of onset group characteristics in forensic patients with schizophrenia. <i>European Psychiatry</i> , 2014 , 29, 149-52	6	13
96	Personal and interpersonal perceived control and the quality of life of persons with severe mental illness. <i>Journal of Nervous and Mental Disease</i> , 2006 , 194, 538-42	1.8	13
95	The Emerging Self in Conceptualizing and Treating Mental Illness. <i>Journal of Psychosocial Nursing and Mental Health Services</i> , 2004 , 42, 32-40	1.1	13
94	The trees and the forest: mixed methods in the assessment of recovery based interventions' processes and outcomes in mental health. <i>Journal of Mental Health</i> , 2016 , 25, 543-549	2.7	12
93	Noncompliance, Nonadherence, and Dropout: Outmoded Terms for Modern Recovery-Oriented Mental Health. <i>Psychiatric Services</i> , 2017 , 68, 1076-1078	3.3	12
92	A strengths-based case management service for people with serious mental illness in Israel: A randomized controlled trial. <i>Psychiatry Research</i> , 2016 , 241, 182-9	9.9	12
91	Routine patient reported outcomes as predictors of psychiatric rehospitalization. <i>Schizophrenia Research</i> , 2018 , 192, 119-123	3.6	11
90	Integrative Psychotherapy for Schizophrenia: Its Potential for a Central Role in Recovery Oriented Treatment. <i>Journal of Clinical Psychology</i> , 2016 , 72, 117-22	2.8	11

89	Recovery in Israel: a legislative recovery response to the needs-rights paradox. <i>International Review of Psychiatry</i> , 2012 , 24, 48-55	3.6	11
88	Experiences and motives relative to psychiatric medication choice. <i>Psychiatric Rehabilitation Journal</i> , 2011 , 35, 45-50	2.4	11
87	Mental illness stigma in the Israeli context: deliberations and suggestions. <i>International Journal of Social Psychiatry</i> , 2007 , 53, 547-63	8.5	11
86	A recovery-oriented approach to psychiatric medication: guidelines for nurses. <i>Journal of Psychosocial Nursing and Mental Health Services</i> , 2007 , 45, 35-40	1.1	11
85	Recognizing a Role for Structure and Agency: Integrating Sociological Perspectives into the Study of Recovery from Severe Mental Illness 2007 , 407-433		11
84	Leading a horse to water: an action perspective on mental health policy. <i>Journal of Clinical Psychology</i> , 2006 , 62, 1141-55	2.8	10
83	The Al Qaeda 9/11 instructions: A study in the construction of religious martyrdom. <i>Religion</i> , 2005 , 35, 1-11	0.5	10
82	Routine outcome measurement in mental health service consumers: who should provide support for the self-assessments?. <i>Evaluation and Program Planning</i> , 2015 , 50, 43-6	1.7	9
81	Relationship Between Psychiatric-Service Consumers' and Providers' Goal Concordance and Consumers' Personal Goal Attainment. <i>Psychiatric Services</i> , 2017 , 68, 1312-1314	3.3	9
80	The processes of recovery from schizophrenia: The emergent role of integrative psychotherapy, recent developments, and new directions.. <i>Journal of Psychotherapy Integration</i> , 2012 , 22, 287-297	6.9	9
79	The prevalence of full and partial posttraumatic stress disorder among people with severe mental illness in Israel. <i>Journal of Nervous and Mental Disease</i> , 2013 , 201, 244-50	1.8	9
78	Qualitative assessment of verbal and non-verbal psychosocial interventions for people with severe mental illness. <i>Journal of Mental Health</i> , 2006 , 15, 343-353	2.7	9
77	Hospitalization as experienced by the psychiatric patient: a therapeutic jurisprudence perspective. <i>International Journal of Law and Psychiatry</i> , 2003 , 26, 317-32	2.6	9
76	Subtle ways of stigmatization among professionals: The subjective experience of consumers and their family members. <i>Psychiatric Rehabilitation Journal</i> , 2018 , 41, 163-168	2.4	9
75	Self-stigma, insight, and family burden among Israeli mothers of people with serious mental illness: Ethno-national considerations. <i>Transcultural Psychiatry</i> , 2017 , 54, 423-441	2.7	8
74	Association of maternal exposure to terror attacks during pregnancy and the risk of schizophrenia in the offspring: A population-based study. <i>Schizophrenia Research</i> , 2018 , 199, 163-167	3.6	8
73	Age of onset and quality of life among males and females with schizophrenia: A national study. <i>European Psychiatry</i> , 2018 , 53, 100-106	6	8
72	Evaluating outcome domains assessing caregivers of individuals with mental illness: a review. <i>Family Process</i> , 2014 , 53, 150-74	3.9	8

71	Allowing for Psychosis to be Approachable and Understandable as a Human Experience: A Role for the Humanities in Psychotherapy Supervision. <i>American Journal of Psychotherapy</i> , 2015 , 69, 35-51	1.3	8
70	Retrospective Accounts of the Process of Using and Discontinuing Psychiatric Medication. <i>Qualitative Health Research</i> , 2019 , 29, 198-210	3.9	8
69	Patient-reported outcome measurements (PROMs) and provider assessment in mental health: a systematic review of the context of implementation. <i>International Journal for Quality in Health Care</i> , 2021 , 33,	1.9	8
68	Do persons with severe mental illness who consume the psychiatric rehabilitation basket of services in Israel have better outcomes than those who do not?. <i>Israel Journal of Psychiatry</i> , 2010 , 47, 166-70		8
67	Psychotherapy and rehabilitation for schizophrenia: Thoughts about their parallel development and potential integration.. <i>Journal of Psychotherapy Integration</i> , 2012 , 22, 344-355	6.9	7
66	Illness Management and Recovery: Generic Issues of Group Format Implementation. <i>American Journal of Psychiatric Rehabilitation</i> , 2007 , 10, 131-147		7
65	Comparing patients' and staff members' attitudes: does patients' competence to disagree mean they are not competent?. <i>Journal of Nervous and Mental Disease</i> , 2001 , 189, 307-10	1.8	7
