Zainab Asim

List of Publications by Year in descending order

7 papers	113 citations	1683354 5 h-index	1872312 6 g-index
7 all docs	7 docs citations	7 times ranked	107 citing authors

#	ARTICLE	IF	CITATIONS
1	A bi-level multi objective programming approach to solve grey problems: an application to closed loop supply chain network. Journal of Modelling in Management, 2021, 16, 765-798.	1.1	8
2	Bi-level decision making models for advertising allocation problem under fuzzy environment. International Journal of Systems Assurance Engineering and Management, 2019, 10, 160-172.	1.5	5
3	A multi-criteria decision making model for the optimal planning of municipal solid waste under uncertainty. International Journal of Multicriteria Decision Making, 2019, 8, 105.	0.1	6
4	An uncertain model for integrated production-transportation closed-loop supply chain network with cost reliability. Sustainable Production and Consumption, 2019, 17, 298-310.	5.7	48
5	A de-centralized bi-level multi-objective model for integrated production and transportation problems in closed-loop supply chain networks. International Journal of Management Science and Engineering Management, 2019, 14, 206-217.	2.6	17
6	A multi-criteria decision making model for the optimal planning of municipal solid waste under uncertainty. International Journal of Multicriteria Decision Making, 2019, 8, 105.	0.1	0
7	Decentralized bi-level decision planning model for municipal solid waste recycling and management with cost reliability under uncertain environment. Sustainable Production and Consumption, 2018, 16, 33-44.	5.7	29
