#	ARTICLE	IF	CITATIONS
1	On the Eve of Integration: Community and Affiliated Residency Programs Pave the Way Towards the Assimilation of Osteopathic Surgery Residents. <i>Journal of Surgical Education</i> , 2022, 79, 624-631.	2.5	2
2	Broad Needs Assessment of Pain Education in Graduate Medical Education. <i>Journal of Pain and Symptom Management</i> , 2021, , .	1.2	0
3	Multi-institutional Surgical Education Interventions. <i>Annals of Surgery</i> , 2019, 270, 257-269.	4.2	8
4	A 15-year residency program report card: Differences between the crÃ¢me of the crop and the bottom of the barrel on the American Board of Surgery examinations. <i>American Journal of Surgery</i> , 2019, 217, 335-345.	1.8	5
5	Surgery residents recognized less frequently over time by medical students: A twelve year study of the Arnold P. Gold Humanism and Excellence in Teaching Award. <i>American Journal of Surgery</i> , 2018, 215, 341-346.	1.8	2
6	Are the kids alright? Review books and the internet as the most common study resources for the general surgery clerkship. <i>American Journal of Surgery</i> , 2018, 215, 191-195.	1.8	12
7	Performance of Southeastern Surgical Congress Examinees on the American Board of Surgery Examinations: An Educational Opportunity for Regional Collaboration. <i>American Surgeon</i> , 2017, 83, 249-252.	0.8	1
8	The American Board of Surgery examinations: how are the Southwestern Surgical Congress programs performing compared to the rest of the United States?. <i>American Journal of Surgery</i> , 2016, 212, 1243-1247.	1.8	4
9	A Sensitivity Analysis and Opportunity Cost Evaluation of the Surgical Council on Resident Education Curriculum. <i>Journal of Surgical Education</i> , 2016, 73, 24-30.	2.5	1
10	A Decade of Duty Hour Standards: Increasing Pass Rate Trends on the American Board of Plastic Surgery Written Examination. <i>American Surgeon</i> , 2016, 82, E13-4.	0.8	0
11	Surgical Specialty Residents More Likely to Receive the Arnold P. Gold Humanism and Excellence in Teaching Award. <i>Journal of Surgical Education</i> , 2015, 72, 1254-1258.	2.5	2
12	The Role of Gender and Distance Mentoring in the Surgical Education Research Fellowship. <i>Journal of Surgical Education</i> , 2015, 72, 330-337.	2.5	9
13	Size Might Matter More Than We Thought. <i>Clinical Pediatrics</i> , 2015, 54, 79-83.	0.8	7
14	Favorable Trends for a Decade: Increasing Pass Rates on The American Board of Anesthesiology Examinations. <i>The Journal of Education in Perioperative Medicine: JEPM</i> , 2015, 17, E002.	0.1	0
15	A decade of work-hour restrictions: increasing pass rate trends on the American Board of Urology Qualifying Examination. <i>American Surgeon</i> , 2015, 81, E172-3.	0.8	0
16	Concurrent Validity of the Osteopathic General Surgery In-Service Examination. <i>Journal of Osteopathic Medicine</i> , 2014, 114, 267-272.	0.8	0
17	Relationship between internal medicine program board examination pass rates, accreditation standards, and program size. <i>International Journal of Medical Education</i> , 2014, 5, 11-14.	1.2	11
18	Size Matters. <i>Clinical Pediatrics</i> , 2014, 53, 399-402.	0.8	8

#	ARTICLE	IF	CITATIONS
19	Residencies With Dual Internal Medicine and Pediatrics Programs Outperform Others on the American Board of Pediatrics Certifying Examination. <i>Clinical Pediatrics</i> , 2014, 53, 854-857.	0.8	6
20	City Population Size Is Associated with Examinee Outcomes on the American Board of Pediatrics Certifying Examination. <i>Clinical Pediatrics</i> , 2014, 53, 751-757.	0.8	2
21	A Longitudinal Study of the American Board of Surgery Examination Index: Can Residents Pass Both the Qualifying Examination and Certifying Examination the First Time?. <i>Journal of Surgical Education</i> , 2014, 71, 455-458.	2.5	3
22	Communication Skills Training in Surgical Residency: A Needs Assessment and Metacognition Analysis of a Difficult Conversation Objective Structured Clinical Examination. <i>Journal of Surgical Education</i> , 2014, 71, 309-315.	2.5	33
23	S/He Who Can, Does and Teaches. S/He Who Cannot, Doesn't. <i>Journal of Surgical Education</i> , 2014, 71, 96-101.	2.5	9
24	Home school dropout: a twenty-year experience of the matriculation of categorical general surgery residents. <i>American Surgeon</i> , 2014, 80, 216-8.	0.8	1
25	Improved nondominant hand performance on a laparoscopic virtual reality simulator after playing the Nintendo Wii. <i>Surgical Endoscopy and Other Interventional Techniques</i> , 2013, 27, 4224-4231.	2.4	31
26	The traveling salesman problem in surgery: economy of motion for the FLS Peg Transfer task. <i>Surgical Endoscopy and Other Interventional Techniques</i> , 2013, 27, 1636-1641.	2.4	3
27	The importance of residency program size and location on American Osteopathic Board of Surgery In-Training Examination outcomes. <i>Journal of Surgical Research</i> , 2013, 184, 61-65.	1.6	4
28	Home-Field Advantage: The Role of Selection Bias in the General Surgery National Residency Matching Program. <i>Journal of Surgical Education</i> , 2013, 70, 461-465.	2.5	30
29	Validity and Interrater Reliability of a Regional Mock Oral Board Examination. <i>Journal of Surgical Education</i> , 2013, 70, 402-407.	2.5	11
30	Military and Academic Programs Outperform Community Programs on the American Board of Surgery Examinations. <i>Journal of Surgical Education</i> , 2013, 70, 613-617.	2.5	15
31	Pass Rates on the American Board of Family Medicine Certification Exam by Residency Location and Size. <i>Journal of the American Board of Family Medicine</i> , 2013, 26, 453-459.	1.5	13
32	Performance on the American Board of Family Medicine Certification Examination by Country of Medical Training. <i>Journal of the American Board of Family Medicine</i> , 2013, 26, 78-81.	1.5	10
33	The ACGME Duty Hour Standards and Board Certification Examination Performance Trends in Surgical Specialties. <i>Journal of Graduate Medical Education</i> , 2013, 5, 446-457.	1.3	12
34	Saving time on morning rounds: the application of the traveling salesman problem to surgical team movement patterns. <i>American Surgeon</i> , 2013, 79, 110-1.	0.8	1
35	After the applause: how to use PowerPoint effectively during the question and answer portion of a presentation. <i>American Surgeon</i> , 2013, 79, 332-4.	0.8	1
36	You like t-mĀ-tĀs and I like t-mĀ-tĀs: a systematic review on the pronunciation of 'centimeter'. <i>American Surgeon</i> , 2013, 79, 541-2.	0.8	0

#	ARTICLE	IF	CITATIONS
37	Don't touch the sides: a fun and novel system for using Operation(Â®) for practicing open and robotic surgical skills. American Surgeon, 2013, 79, 547-9.	0.8	0
38	Scheduling 101: A method to the application of Sudoku game theory to surgical rotation scheduling. American Surgeon, 2013, 79, 958-60.	0.8	0
39	Compliance on the American Board of Pediatrics Certifying Examination and the Importance of Location and Size on Pass Rates. Clinical Pediatrics, 2012, 51, 483-489.	0.8	16
40	Surgical Morbidity and Mortality Conference using Teleconferencing Allows for Increased Faculty Participation and Moderation from Satellite Campuses and Saves Costs. Journal of Surgical Education, 2012, 69, 58-62.	2.5	13
41	The American Board of Surgery Certifying Examination: A Retrospective Study of the Decreasing Pass Rates and Performance for First-Time Examinees. Journal of Surgical Education, 2012, 69, 231-235.	2.5	22
42	Practice-Based Learning and Improvement: A Two-Year Experience with the Reporting of Morbidity and Mortality Cases by General Surgery Residents. Journal of Surgical Education, 2012, 69, 385-392.	2.5	20
43	The state of performance on the American Board of Surgery Qualifying Examination and Certifying Examination and the effect of residency program size on program pass rates. Surgery, 2012, 151, 639-642.	1.9	23
44	Differential Diagnosis in a 3-Station Acute Abdominal Pain Objective Structured Clinical Examination (OSCE): A Needs Assessment in Third-Year Medical Student Performance and Summative Evaluation in the Surgical Clerkship. Journal of Surgical Education, 2011, 68, 266-269.	2.5	7
45	Using Elements from an Acute Abdominal Pain Objective Structured Clinical Examination (OSCE) Leads to More Standardized Grading in the Surgical Clerkship for Third-Year Medical Students. Journal of Surgical Education, 2011, 68, 408-413.	2.5	10
46	Vascular Wall Invasion in Neurofibromatosis-Induced Aortic Rupture. Vascular and Endovascular Surgery, 2010, 44, 52-55.	0.7	15
47	Superior Mesenteric Artery Syndrome After Blunt Abdominal Trauma: A Case Report. Vascular and Endovascular Surgery, 2010, 44, 410-412.	0.7	5
48	Biodegradable Microspheres with Enhanced Capacity for Covalently Bound Surface Ligands. Macromolecules, 2004, 37, 9779-9784.	4.8	68
49	The Sensitive General Surgery Resident: Three "Difficult Conversation" Objective Structured Clinical Examinations. MedEdPORTAL: the Journal of Teaching and Learning Resources, 0, , .	1.2	4
50	Three Adult Acute Abdominal Pain Objective Structured Clinical Examination (OSCE) Cases for Medical Student Assessment in the Surgery Clerkship. MedEdPORTAL: the Journal of Teaching and Learning Resources, 0, , .	1.2	0
51	A Trauma Resuscitation Team Leader Training Curriculum Based on Eight Human Patient Simulations. MedEdPORTAL: the Journal of Teaching and Learning Resources, 0, , .	1.2	0
