#	Paper	IF	Citations
173	Are some feasibility studies more feasible than others? A review of the outcomes of feasibility studies on the ISRCTN registry. <i>Pilot and Feasibility Studies</i> , <b>2021</b> , 7, 195	1.9	0
172	GPs' use of gut feelings when assessing cancer risk: a qualitative study in UK primary care. <i>British Journal of General Practice</i> , <b>2021</b> , 71, e356-e363	1.6	3
171	Unintended consequences of online consultations: a qualitative study in UK primary care.. <i>British Journal of General Practice</i> , <b>2021</b> ,	1.6	4
170	Discussing weight loss opportunistically and effectively in family practice: a qualitative study of clinical interactions using conversation analysis in UK family practice. <i>Family Practice</i> , <b>2021</b> , 38, 321-328	1.9	2
169	Combining patient talk about internet use during primary care consultations with retrospective accounts. A qualitative analysis of interactional and interview data. <i>Social Science and Medicine</i> , <b>2021</b> , 272, 113703	5.1	0
168	Conversations about FGM in primary care: a realist review on how, why and under what circumstances FGM is discussed in general practice consultations. <i>BMJ Open</i> , <b>2021</b> , 11, e039809	3	4
167	Shifting research culture to address the mismatch between where trials recruit and where populations with the most disease live: a qualitative study. <i>BMC Medical Research Methodology</i> , <b>2021</b> , 21, 80	4.7	1
166	Qualitative study: patients' enduring concerns about discussing internet use in general practice consultations. <i>BMJ Open</i> , <b>2021</b> , 11, e047508	3	2
165	People with weight-related long-term conditions want support from GPs: A qualitative interview study. <i>Clinical Obesity</i> , <b>2021</b> , 11, e12471	3.6	1
164	Polyphonic perspectives on health and care: Reflections from two decades of the DIPEX project. <i>Journal of Health Services Research and Policy</i> , <b>2021</b> , 26, 133-140	2.4	3
163	A systematic review and thematic synthesis of qualitative studies exploring GPs' and nurses' perspectives on discussing weight with patients with overweight and obesity in primary care. <i>Obesity Reviews</i> , <b>2021</b> , 22, e13151	10.6	8
162	Gender in the consolidated criteria for reporting qualitative research (COREQ) checklist. <i>International Journal for Quality in Health Care</i> , <b>2021</b> , 33,	1.9	0
161	Power, paradox and pessimism: On the unintended consequences of digital health technologies in primary care. <i>Social Science and Medicine</i> , <b>2021</b> , 289, 114419	5.1	1
160	Cultivating Doctors' Gut Feeling: Experience, Temporality and Politics of Gut Feelings in Family Medicine. <i>Culture, Medicine and Psychiatry</i> , <b>2021</b> , 1	2.5	2
159	Assessing health research grant applications: A retrospective comparative review of a one-stage versus a two-stage application assessment process. <i>PLoS ONE</i> , <b>2020</b> , 15, e0230118	3.7	2
158	The convivial and the pastoral in patient-doctor relationships: a multi-country study of patient stories of care, choice and medical authority in cancer diagnostic processes. <i>Sociology of Health and Illness</i> , <b>2020</b> , 42, 844-861	3	4
157	How do frontline staff use patient experience data for service improvement? Findings from an ethnographic case study evaluation. <i>Journal of Health Services Research and Policy</i> , <b>2020</b> , 25, 151-161	2.4	15

156	Understanding how front-line staff use patient experience data for service improvement: an exploratory case study evaluation. <i>Health Services and Delivery Research</i> , <b>2020</b> , 8, 1-170	1.5	5
155	Supporting patients with female genital mutilation in primary care: a qualitative study exploring the perspectives of GPs' working in England. <i>British Journal of General Practice</i> , <b>2020</b> , 70, e749-e756	1.6	4
154	Understanding the role of GPs' gut feelings in diagnosing cancer in primary care: a systematic review and meta-analysis of existing evidence. <i>British Journal of General Practice</i> , <b>2020</b> , 70, e612-e621	1.6	23
153	Face-to-Face Compared With Online Collected Accounts of Health and Illness Experiences: A Scoping Review. <i>Qualitative Health Research</i> , <b>2020</b> , 30, 2092-2102	3.9	25
152	Standardising definitions for the pre-eclampsia core outcome set: A consensus development study. <i>Pregnancy Hypertension</i> , <b>2020</b> , 21, 208-217	2.6	4
151	If social determinants of health are so important, shouldn't we ask patients about them?. <i>BMJ, The</i> , <b>2020</b> , 371, m4150	5.9	22
150	Caring as sharing. Negotiating the moral boundaries of receiving care. <i>Critical Public Health</i> , <b>2020</b> , 30, 567-576	2.6	3
149	General Practitioner's use of online resources during medical visits: managing the boundary between inside and outside the clinic. <i>Sociology of Health and Illness</i> , <b>2019</b> , 41 Suppl 1, 65-81	3	9
148	Communication with children and adolescents about the diagnosis of their own life-threatening condition. <i>Lancet, The</i> , <b>2019</b> , 393, 1150-1163	4.0	44
147	Communication with children and adolescents about the diagnosis of a life-threatening condition in their parent. <i>Lancet, The</i> , <b>2019</b> , 393, 1164-1176	4.0	47
146	A systematic review of reasons for and against asking patients about their socioeconomic contexts. <i>International Journal for Equity in Health</i> , <b>2019</b> , 18, 112	4.6	11
145	Using online patient feedback to improve NHS services: the INQUIRE multimethod study. <i>Health Services and Delivery Research</i> , <b>2019</b> , 7, 1-150	1.5	11
144	Quality improvements of safety-netting guidelines for cancer in UK primary care: insights from a qualitative interview study of GPs. <i>British Journal of General Practice</i> , <b>2019</b> , 69, e819-e826	1.6	3
143	How do GPs and patients share the responsibility for cancer safety netting follow-up actions? A qualitative interview study of GPs and patients in Oxfordshire, UK. <i>BMJ Open</i> , <b>2019</b> , 9, e029316	3	2
142	Tackling poorly selected, collected, and reported outcomes in obstetrics and gynecology research. <i>American Journal of Obstetrics and Gynecology</i> , <b>2019</b> , 220, 71.e1-71.e4	6.4	34
141	How wide is the Goldilocks Zone in your health system?. <i>Journal of Health Services Research and Policy</i> , <b>2019</b> , 24, 52-56	2.4	11
140	Depression at work, authenticity in question: Experiencing, concealing and revealing. <i>Health (United Kingdom)</i> , <b>2019</b> , 23, 344-361	1.9	5
139	Alternatives to the face-to-face consultation in general practice: focused ethnographic case study. <i>British Journal of General Practice</i> , <b>2018</b> , 68, e293-e300	1.6	47

138	Methodological and Practical Issues in Cross-National Qualitative Research: Lessons From the Literature and a Comparative Study of the Experiences of People Receiving a Diagnosis of Cancer. <i>Qualitative Health Research</i> , <b>2018</b> , 28, 789-799	3.9	19
137	Pain and the Internet: Transforming the Experience? <b>2018</b> , 129-155		1
136	Receptionists' role in new approaches to consultations in primary care: a focused ethnographic study. <i>British Journal of General Practice</i> , <b>2018</b> , 68, e478-e486	1.6	6
135	GPs' understanding and practice of safety netting for potential cancer presentations: a qualitative study in primary care. <i>British Journal of General Practice</i> , <b>2018</b> , 68, e505-e511	1.6	19
134	The potential of alternatives to face-to-face consultation in general practice, and the impact on different patient groups: a mixed-methods case study. <i>Health Services and Delivery Research</i> , <b>2018</b> , 6, 1-200	1.5	33
133	Qualitative cross-country comparison of whether, when and how people diagnosed with lung cancer talk about cigarette smoking in narrative interviews. <i>BMJ Open</i> , <b>2018</b> , 8, e023934	3	1
132	Protocol paper for the 'Harnessing resources from the internet to maximise outcomes from GP consultations (HaRI)' study: a mixed qualitative methods study. <i>BMJ Open</i> , <b>2018</b> , 8, e024188	3	3
131	GP-delivered brief weight loss interventions: a cohort study of patient responses and subsequent actions, using conversation analysis in UK primary care. <i>British Journal of General Practice</i> , <b>2018</b> , 68, e646-e653	1.6	11
130	Core outcome sets in women's and newborn health: a systematic review. <i>BJOG: an International Journal of Obstetrics and Gynaecology</i> , <b>2017</b> , 124, 1481-1489	3.7	99
129	Do we all agree what "good health care" looks like? Views from those who are "seldom heard" in health research, policy and service improvement. <i>Health Expectations</i> , <b>2017</b> , 20, 878-885	3.7	14
128	A systematic review of primary outcomes and outcome measure reporting in randomized trials evaluating treatments for pre-eclampsia. <i>International Journal of Gynecology and Obstetrics</i> , <b>2017</b> , 139, 262-267	4	24
127	Advancing gender equality through the Athena SWAN Charter for Women in Science: an exploratory study of women's and men's perceptions. <i>Health Research Policy and Systems</i> , <b>2017</b> , 15, 12	3.7	72
126	Patients' initial steps to cancer diagnosis in Denmark, England and Sweden: what can a qualitative, cross-country comparison of narrative interviews tell us about potentially modifiable factors?. <i>BMJ Open</i> , <b>2017</b> , 7, e018210	3	16
125	Using alternatives to face-to-face consultations: a survey of prevalence and attitudes in general practice. <i>British Journal of General Practice</i> , <b>2016</b> , 66, e460-6	1.6	73
124	A novel experience-based internet intervention for smoking cessation: feasibility randomised controlled trial. <i>BMC Public Health</i> , <b>2016</b> , 16, 1156	4.1	6
123	An open letter to The BMJ editors on qualitative research. <i>BMJ, The</i> , <b>2016</b> , 352, i563	5.9	179
122	Drawing on Accounts of Long-Term Urinary Catheter Use: Design for the "Seemingly Mundane". <i>Qualitative Health Research</i> , <b>2016</b> , 26, 154-63	3.9	8
121	Examining the role of patients' experiences as a resource for choice and decision-making in health care: a creative, interdisciplinary mixed-method study in digital health. <i>Programme Grants for Applied Research</i> , <b>2016</b> , 4, 1-214	1.5	13

120	Narratives of experience of mental health and illness on healthtalk.org. <i>BJPsych Bulletin</i> , <b>2016</b> , 40, 273-276		0
119	A joint effort over a period of time: factors affecting use of urate-lowering therapy for long-term treatment of gout. <i>BMC Musculoskeletal Disorders</i> , <b>2016</b> , 17, 249	2.8	10
118	Randomised feasibility study of a novel experience-based internet intervention to support self-management in chronic asthma. <i>BMJ Open</i> , <b>2016</b> , 6, e013401	3	14
117	What do we need to consider when planning, implementing and researching the use of alternatives to face-to-face consultations in primary healthcare?. <i>Digital Health</i> , <b>2016</b> , 2, 2055207616675559	4	22
116	Prescribing antibiotics to 'at-risk' children with influenza-like illness in primary care: qualitative study. <i>BMJ Open</i> , <b>2016</b> , 6, e011497	3	17
115	What patients do and their impact on implementation. <i>Journal of Health Organization and Management</i> , <b>2016</b> , 30, 258-78	1.9	34
114	'I knew before I was told': Breaches, cues and clues in the diagnostic assemblage. <i>Social Science and Medicine</i> , <b>2016</b> , 154, 85-92	5.1	23
113	A protocol for developing, disseminating, and implementing a core outcome set for pre-eclampsia. <i>Pregnancy Hypertension</i> , <b>2016</b> , 6, 274-278	2.6	43
112	The role of the Internet for people with chronic pain: examples from the DIPEX International Project. <i>British Journal of Pain</i> , <b>2015</b> , 9, 62-4	2.1	15
111	Measuring the effects of online health information: Scale validation for the e-Health Impact Questionnaire. <i>Patient Education and Counseling</i> , <b>2015</b> , 98, 1418-24	3.1	37
110	Barriers to shared decisions in the most serious of cancers: a qualitative study of patients with pancreatic cancer treated in the UK. <i>Health Expectations</i> , <b>2015</b> , 18, 3302-12	3.7	24
109	Mapping patients' experiences from initial symptoms to gout diagnosis: a qualitative exploration. <i>BMJ Open</i> , <b>2015</b> , 5, e008323	3	24
108	"Why me? I don't fit the mould I am a freak of nature": a qualitative study of women's experience of gout. <i>BMC Women's Health</i> , <b>2015</b> , 15, 122	2.9	20
107	Taboo and the different death? Perceptions of those bereaved by suicide or other traumatic death. <i>Sociology of Health and Illness</i> , <b>2015</b> , 37, 610-25	3	57
106	On interviewing people with pets: reflections from qualitative research on people with long-term conditions. <i>Sociology of Health and Illness</i> , <b>2015</b> , 37, 67-80	3	29
105	Mike Bury: Biographical Disruption and Long-Term and Other Health Conditions <b>2015</b> , 582-598		10
104	An overview of self-administered health literacy instruments. <i>PLoS ONE</i> , <b>2014</b> , 9, e109110	3.7	25
103	"It can't be very important because it comes and goes"--patients' accounts of intermittent symptoms preceding a pancreatic cancer diagnosis: a qualitative study. <i>BMJ Open</i> , <b>2014</b> , 4, e004215	3	42

102	Collecting data on patient experience is not enough: they must be used to improve care. <i>BMJ, The</i> , <b>2014</b> , 348, g2225	5.9	198
101	Using secondary analysis of qualitative data of patient experiences of health care to inform health services research and policy. <i>Journal of Health Services Research and Policy</i> , <b>2014</b> , 19, 177-182	2.4	59
100	Using a national archive of patient experience narratives to promote local patient-centered quality improvement: an ethnographic process evaluation of 'accelerated' experience-based co-design. <i>Journal of Health Services Research and Policy</i> , <b>2014</b> , 19, 200-7	2.4	60
99	User-generated online health content: a survey of Internet users in the United Kingdom. <i>Journal of Medical Internet Research</i> , <b>2014</b> , 16, e118	7.6	27
98	Testing accelerated experience-based co-design: a qualitative study of using a national archive of patient experience narrative interviews to promote rapid patient-centred service improvement. <i>Health Services and Delivery Research</i> , <b>2014</b> , 2, 1-122	1.5	46
97	Informing the development of NICE (National Institute for Health and Care Excellence) quality standards through secondary analysis of qualitative narrative interviews on patients' experiences. <i>Health Services and Delivery Research</i> , <b>2014</b> , 2, 1-206	1.5	6
96	Personal identity and the role of 'carer' among relatives and friends of people with multiple sclerosis. <i>Social Science and Medicine</i> , <b>2013</b> , 96, 78-85	5.1	58
95	Measuring the effects of online health information for patients: item generation for an e-health impact questionnaire. <i>Patient Education and Counseling</i> , <b>2013</b> , 93, 433-8	3.1	34
94	What parents say about disclosing the end of their pregnancy due to fetal abnormality. <i>Midwifery</i> , <b>2013</b> , 29, 24-32	2.8	18
93	Narrative interviewing <b>2013</b> , 38-48		10
92	How people bereaved by suicide perceive newspaper reporting: qualitative study. <i>British Journal of Psychiatry</i> , <b>2013</b> , 203, 228-32	5.4	26
91	Imagined futures: how experiential knowledge of disability affects parents' decision making about fetal abnormality. <i>Health Expectations</i> , <b>2012</b> , 15, 139-56	3.7	18
90	Understanding depression through a 'coming out' framework. <i>Sociology of Health and Illness</i> , <b>2012</b> , 34, 730-45	3	17
89	Health and illness in a connected world: how might sharing experiences on the internet affect people's health?. <i>Milbank Quarterly</i> , <b>2012</b> , 90, 219-49	3.9	299
88	A qualitative exploration of the role of primary care in supporting colorectal cancer patients. <i>Supportive Care in Cancer</i> , <b>2012</b> , 20, 3071-8	3.9	17
87	An Alarming Prognosis: How People Affected by Pancreatic Cancer Use (and Avoid) Internet Information. <i>Policy and Internet</i> , <b>2012</b> , 4, 1	2.6	10
86	Women's experience of coronary heart disease: why is it different?. <i>British Journal of Cardiac Nursing</i> , <b>2012</b> , 7, 165-170	0.2	5
85	Reassured or fobbed off? Perspectives on infertility consultations in primary care: a qualitative study. <i>British Journal of General Practice</i> , <b>2012</b> , 62, e438-45	1.6	13

84	Incurable, invisible and inconclusive: watchful waiting for chronic lymphocytic leukaemia and implications for doctor-patient communication. <i>European Journal of Cancer Care</i> , <b>2012</b> , 21, 67-77	2.4	32
83	Talk of frustration in the narratives of people with chronic pain. <i>Chronic Illness</i> , <b>2012</b> , 8, 176-91	1.4	70
82	A proper, fitting explanation?: suicide bereavement and perceptions of the coroner's verdict. <i>Crisis</i> , <b>2012</b> , 33, 230-8	2.8	11
81	Patients' needs following colorectal cancer diagnosis: where does primary care fit in?. <i>British Journal of General Practice</i> , <b>2011</b> , 61, e692-9	1.6	27
80	Exceptionally good? Positive experiences of NHS care and treatment surprises lymphoma patients: a qualitative interview study. <i>Health Expectations</i> , <b>2011</b> , 14, 21-8	3.7	4
79	Nurses should be encouraged and helped to monitor patients' medicines. <i>Journal of Nursing Management</i> , <b>2011</b> , 19, 393-4	4.9	1
78	How personal experiences feature in women's accounts of use of information for decisions about antenatal diagnostic testing for foetal abnormality. <i>Social Science and Medicine</i> , <b>2011</b> , 72, 755-62	5.1	32
77	How information about other people's personal experiences can help with healthcare decision-making: a qualitative study. <i>Patient Education and Counseling</i> , <b>2011</b> , 85, e291-8	3.1	89
76	Women's Distress about Unexpected Dcis Uncertainties and Information Provision (Response to Pryke et Al.). <i>Journal of Medical Screening</i> , <b>2011</b> , 18, 105-106	1.4	1
75	How the Internet is changing the experience of bereavement by suicide: a qualitative study in the UK. <i>Health (United Kingdom)</i> , <b>2011</b> , 15, 173-87	1.9	35
74	The role of spirituality and religion for those bereaved due to a traumatic death. <i>Mortality</i> , <b>2011</b> , 16, 1-19	1	20
73	Infertility; isolation and the Internet: a qualitative interview study. <i>Patient Education and Counseling</i> , <b>2010</b> , 81, 436-41	3.1	71
72	Factors contributing to the time taken to consult with symptoms of lung cancer: a cross-sectional study. <i>Thorax</i> , <b>2009</b> , 64, 523-31	7.3	69
71	Patients' views of a multimedia resource featuring experiences of rheumatoid arthritis: pilot evaluation of www.healthtalkonline.org. <i>Health Informatics Journal</i> , <b>2009</b> , 15, 147-59	3	26
70	Disclosing a cancer diagnosis to friends and family: a gendered analysis of young men's and women's experiences. <i>Qualitative Health Research</i> , <b>2009</b> , 19, 744-54	3.9	67
69	'Getting through' not 'going under': a qualitative study of gender and spousal support after diagnosis with colorectal cancer. <i>Social Science and Medicine</i> , <b>2009</b> , 68, 1169-75	5.1	59
68	'My brain couldn't move from planning a birth to planning a funeral': a qualitative study of parents' experiences of decisions after ending a pregnancy for fetal abnormality. <i>International Journal of Nursing Studies</i> , <b>2009</b> , 46, 1111-21	5.8	32
67	Breast cancer in young families: a qualitative interview study of fathers and their role and communication with their children following the diagnosis of maternal breast cancer. <i>Psycho-Oncology</i> , <b>2009</b> , 18, 96-103	3.9	50

66	Biographical disruption, abruption and repair in the context of motor neurone disease. <i>Sociology of Health and Illness</i> , <b>2009</b> , 31, 1043-58	3	89
65	How patients' experiences contribute to decision making: illustrations from DIPEX (personal experiences of health and illness). <i>Journal of Nursing Management</i> , <b>2008</b> , 16, 433-9	4.9	46
64	What affects the uptake of screening for bowel cancer using a faecal occult blood test (FOBT): a qualitative study. <i>Social Science and Medicine</i> , <b>2008</b> , 66, 2425-35	5.1	105
63	Why men in the United Kingdom still want the prostate specific antigen test. <i>Qualitative Health Research</i> , <b>2008</b> , 18, 56-64	3.9	14
62	The Effect of Joint Interviewing on the Performance of Gender. <i>Field Methods</i> , <b>2008</b> , 20, 107-128	2.5	36
61	Have men been overlooked? A comparison of young men and women's experiences of chemotherapy-induced alopecia. <i>Psycho-Oncology</i> , <b>2008</b> , 17, 577-83	3.9	99
60	Exploring men's and women's experiences of depression and engagement with health professionals: more similarities than differences? A qualitative interview study. <i>BMC Family Practice</i> , <b>2007</b> , 8, 43	2.6	46
59	Does it matter if clinicians recruiting for a trial don't understand what the trial is really about? Qualitative study of surgeons' experiences of participation in a pragmatic multi-centre RCT. <i>Trials</i> , <b>2007</b> , 8, 4	2.8	55
58	Positive prevention: contemporary issues facing HIV positive people negotiating sex in the UK. <i>Social Science and Medicine</i> , <b>2007</b> , 65, 755-70	5.1	13
57	Minimizing delays in ovarian cancer diagnosis: an expansion of Andersen's model of 'total patient delay'. <i>Family Practice</i> , <b>2007</b> , 24, 48-55	1.9	58
56	Fertility issues: the perceptions and experiences of young men recently diagnosed and treated for cancer. <i>Journal of Adolescent Health</i> , <b>2007</b> , 40, 69-75	5.8	88
55	The specialist palliative care nurse: a qualitative study of the patients' perspective. <i>International Journal of Nursing Studies</i> , <b>2006</b> , 43, 1011-22	5.8	26
54	Men's accounts of depression: reconstructing or resisting hegemonic masculinity?. <i>Social Science and Medicine</i> , <b>2006</b> , 62, 2246-57	5.1	278
53	Gender, cancer experience and internet use: a comparative keyword analysis of interviews and online cancer support groups. <i>Social Science and Medicine</i> , <b>2006</b> , 62, 2577-90	5.1	203
52	Breast cancer in the family--children's perceptions of their mother's cancer and its initial treatment: qualitative study. <i>BMJ, The</i> , <b>2006</b> , 332, 998-1003	5.9	76
51	Why do general practitioners prescribe antibiotics for acute infective conjunctivitis in children? Qualitative interviews with GPs and a questionnaire survey of parents and teachers. <i>Family Practice</i> , <b>2006</b> , 23, 226-32	1.9	33
50	'Can I come off the tablets now?' A qualitative analysis of heart failure patients' understanding of their medication. <i>Family Practice</i> , <b>2006</b> , 23, 624-30	1.9	33
49	What people close to death say about euthanasia and assisted suicide: a qualitative study. <i>Journal of Medical Ethics</i> , <b>2006</b> , 32, 706-10	2.5	55

48	"The old me could never have done that": how people give meaning to recovery following depression. <i>Qualitative Health Research</i> , <b>2006</b> , 16, 1038-53	3.9	67
47	Making sense of qualitative data analysis: an introduction with illustrations from DIPEX (personal experiences of health and illness). <i>Medical Education</i> , <b>2006</b> , 40, 405-14	3.7	362
46	The choice is yours? How women with ovarian cancer make sense of treatment choices. <i>Patient Education and Counseling</i> , <b>2006</b> , 62, 361-7	3.1	34
45	What happened when Scottish women were given advance supplies of emergency contraception? A survey and qualitative study of women's views and experiences. <i>Social Science and Medicine</i> , <b>2005</b> , 60, 1767-79	5.1	29
44	"Not that sort of practice": the views and behaviour of primary care practitioners in a study of advance provision of emergency contraception. <i>Family Practice</i> , <b>2005</b> , 22, 280-6	1.9	12
