#	ARTICLE	IF	CITATIONS
1	Bites by the noble false widow spider <i>Steatoda nobilis</i> can induce <i>Latrodectus</i> -like symptoms and vector-borne bacterial infections with implications for public health: a case series. <i>Clinical Toxicology</i> , 2022, 60, 59-70.	1.9	12
2	Webslinger vs. Dark Knight: First record of a false widow spider <i>Steatoda nobilis</i> preying on a pipistrelle bat in Britain. <i>Ecosphere</i> , 2022, 13, .	2.2	4
3	Clinical evidence of necrosis following bites by the Noble false widow spider <i>Steatoda nobilis</i> – a response to Paolino & colleagues. <i>Clinical Toxicology</i> , 2021, , 1-2.	1.9	1
4	Vertebrate prey capture by <i>Latrodectus mactans</i> (Walckenaer, 1805) and <i>Steatoda triangulosa</i> (Walckenaer, 1802) (Araneae, Theridiidae) provide further insights into the immobilization and hoisting mechanisms of large prey. <i>Food Webs</i> , 2021, 29, e00210.	1.2	4
5	Synanthropic spiders, including the global invasive noble false widow <i>Steatoda nobilis</i> , are reservoirs for medically important and antibiotic resistant bacteria. <i>Scientific Reports</i> , 2020, 10, 20916.	3.3	17
6	Venomomics Approach Reveals a High Proportion of <i>Latrodectus</i> -Like Toxins in the Venom of the Noble False Widow Spider <i>Steatoda nobilis</i> . <i>Toxins</i> , 2020, 12, 402.	3.4	19
7	The kiss of (cell) death: can venom-induced immune response contribute to dermal necrosis following arthropod envenomations?. <i>Clinical Toxicology</i> , 2019, 57, 677-685.	1.9	16
8	Envenomation by the noble false widow spider <i>Steatoda nobilis</i> (Thorell, 1875) – five new cases of steatodism from Ireland and Great Britain. <i>Clinical Toxicology</i> , 2018, 56, 433-435.	1.9	17
9	Biting off more than one can chew: first record of the non-native Noble false widow spider <i>Steatoda nobilis</i> (Thorell, 1875) feeding on the native Viviparous lizard <i>Zootoca vivipara</i> (Lichtenstein, 1823) in Ireland. <i>Biology and Environment</i> , 2018, 118B, 45-48.	0.3	8
10	Occurrence, reproductive rate and identification of the non-native Noble false widow spider <i>Steatoda nobilis</i> (Thorell, 1875) in Ireland. <i>Biology and Environment</i> , 2017, 117B, 77.	0.3	10
11	Stabilising the Integrity of Snake Venom mRNA Stored under Tropical Field Conditions Expands Research Horizons. <i>PLoS Neglected Tropical Diseases</i> , 2016, 10, e0004615.	3.0	7
