#	Paper	IF	Citations
139	Clinical communication skills learning outcomes among first year medical students are consistent irrespective of participation in an interview for admission to medical school. <i>Medical Teacher</i> , 2014 , 36, 640-2	3	3
138	Removing the interview for medical school selection is associated with gender bias among enrolled students. <i>Medical Journal of Australia</i> , 2014 , 200, 96-9	4	10
137	Access to cardiac rehabilitation does not equate to attendance. <i>European Journal of Cardiovascular Nursing</i> , 2014 , 13, 235-42	3.3	14
136	Measuring national accessibility to cardiac services using geographic information systems. <i>Applied Geography</i> , 2012 , 34, 445-455	4.4	28
135	The impact of subspecialization and dermatoscopy use on accuracy of melanoma diagnosis among primary care doctors in Australia. <i>Journal of the American Academy of Dermatology</i> , 2012 , 67, 846-52	4.5	38
134	Application of geographic modeling techniques to quantify spatial access to health services before and after an acute cardiac event: the Cardiac Accessibility and Remoteness Index for Australia (ARIA) project. <i>Circulation</i> , 2012 , 125, 2006-14	16.7	44
133	Using student-generated questions for student-centred assessment. <i>Assessment and Evaluation in Higher Education</i> , 2012 , 37, 439-452	3.1	15
132	Additional perspectives on transforming science into medicine. <i>Academic Medicine</i> , 2012 , 87, 1310; author reply 1311-3	3.9	1
131	Bullying in the Australian medical workforce: cross-sectional data from an Australian e-Cohort study. <i>Australian Health Review</i> , 2012 , 36, 197-204	1.8	53
130	The future of medical education: all about being connected. <i>Ochsner Journal</i> , 2012 , 12, 300-1	1.5	2
129	The clinical consequences and challenges of hypertension in urban-dwelling black Africans: insights from the Heart of Soweto Study. <i>International Journal of Cardiology</i> , 2011 , 146, 22-7	3.2	29
128	Predictive validity of the Undergraduate Medicine and Health Sciences Admission Test for medical students academic performance. <i>Medical Journal of Australia</i> , 2011 , 194, 341-4	4	27
127	Measuring performance in skin cancer practice: the SCARD initiative. <i>International Journal of Dermatology</i> , 2011 , 50, 44-51	1.7	8
126	Students generating questions for their own written examinations. <i>Advances in Health Sciences Education</i> , 2011 , 16, 703-10	3.7	8
125	Excellence in teaching and learning in medical schools. <i>Medical Teacher</i> , 2011 , 33, 95-6	3	10
124	Assessment for selection for the health care professions and specialty training: consensus statement and recommendations from the Ottawa 2010 Conference. <i>Medical Teacher</i> , 2011 , 33, 215-23	3	148
123	Expanded partnerships between medical faculty and medical students: Developing a Global Health curriculum as an example of student-led learning at the University of Queensland, Australia. <i>Medical Teacher</i> , 2010 , 32, 919-25	3	8

122	Factors contributing to incomplete excision of nonmelanoma skin cancer by Australian general practitioners. <i>Archives of Dermatology</i> , 2009 , 145, 1253-60		25
121	Effectiveness of 5-fluorouracil treatment for actinic keratosis--a systematic review of randomized controlled trials. <i>International Journal of Dermatology</i> , 2009 , 48, 453-63	1.7	66
120	How good are skin cancer clinics at melanoma detection? Number needed to treat variability across a national clinic group in Australia. <i>Journal of the American Academy of Dermatology</i> , 2009 , 61, 599-604	4.5	67
119	A time bomb of cardiovascular risk factors in South Africa: results from the Heart of Soweto Study "Heart Awareness Days". <i>International Journal of Cardiology</i> , 2009 , 132, 233-9	3.2	94
118	Self-sufficiency in intern supply: the impact of expanded medical schools, medical places and rural clinical schools in Queensland. <i>Australian Health Review</i> , 2009 , 33, 472-7	1.8	4
117	Are N-of-1 trials an economically viable option to improve access to selected high cost medications? The Australian experience. <i>Value in Health</i> , 2008 , 11, 97-109	3.3	18
116	SELECTED DEMOGRAPHIC, SOCIAL AND WORK CHARACTERISTICS OF THE AUSTRALIAN GENERAL MEDICAL PRACTITIONER WORKFORCE: COMPARING CAPITAL CITIES WITH REGIONAL AREAS. <i>Australian Journal of Rural Health</i> , 2008 , 8, 327-334	1.3	
115	AMALGAMATION AND COLLABORATION IN RURAL GENERAL PRACTICES: EARLY EXPERIENCE WITH THE GP LINKS PROGRAM IN RURAL SOUTH AUSTRALIA. <i>Australian Journal of Rural Health</i> , 2008 , 9, 80-84	1.3	
114	INCREASING RURAL ACTIVITY AND CURRICULUM CONTENT IN THE ADELAIDE UNIVERSITY MEDICAL SCHOOL. <i>Australian Journal of Rural Health</i> , 2008 , 10, 220-228	1.3	1
113	Spectrum of heart disease and risk factors in a black urban population in South Africa (the Heart of Soweto Study): a cohort study. <i>Lancet, The</i> , 2008 , 371, 915-22	4.0	283
112	Predominance of heart failure in the Heart of Soweto Study cohort: emerging challenges for urban African communities. <i>Circulation</i> , 2008 , 118, 2360-7	16.7	128
111	Hot summers and heart failure: seasonal variations in morbidity and mortality in Australian heart failure patients (1994-2005). <i>European Journal of Heart Failure</i> , 2008 , 10, 540-9	12.3	26
110	Developing a rural workforce through medical education: lessons from down under. <i>Teaching and Learning in Medicine</i> , 2008 , 20, 53-61	3.4	10
109	Coping with increasing numbers of medical students in rural clinical schools: options and opportunities. <i>Medical Journal of Australia</i> , 2008 , 188, 669-71	4	28
108	Medical school selection criteria and the prediction of academic performance. <i>Medical Journal of Australia</i> , 2008 , 188, 349-54	4	77
107	Medical school selection criteria and the prediction of academic performance. <i>Medical Journal of Australia</i> , 2008 , 189, 234-235	4	4
106	Inequitable provision of optimal services for patients with chronic heart failure: a national geo-mapping study. <i>Medical Journal of Australia</i> , 2007 , 186, 169-73	4	50
105	Inequitable provision of optimal health services for patients with chronic heart failure: a national geo-mapping study. <i>Medical Journal of Australia</i> , 2007 , 187, 318-319	4	

104	Skin cancer surgery in Australia 2001-2005: the changing role of the general practitioner. <i>Medical Journal of Australia</i> , 2007 , 187, 210-4	4	45
103	Medical students and rural general practitioners: congruent views on the reality of recruitment into rural medicine. <i>Australian Journal of Rural Health</i> , 2007 , 15, 12-20	1.3	18
102	Prolonged effects of a home-based intervention in patients with chronic illness. <i>Archives of Internal Medicine</i> , 2006 , 166, 645-50		38
101	Mapping the emergence of heart disease in a black, urban population in Africa: the Heart of Soweto Study. <i>International Journal of Cardiology</i> , 2006 , 108, 101-8	3.2	40
100	Skin cancer medicine in primary care: towards an agenda for quality health outcomes. <i>Medical Journal of Australia</i> , 2006 , 184, 11-2	4	13
99	Skin cancer clinics in Australia: workload profile and performance indicators from an analysis of billing data. <i>Medical Journal of Australia</i> , 2006 , 185, 239-240	4	4
98	Skin cancer clinics in Australia: workload profile and performance indicators from an analysis of billing data. <i>Medical Journal of Australia</i> , 2006 , 184, 162-4	4	36
97	Prospective study of wound infections in dermatologic surgery in the absence of prophylactic antibiotics. <i>Dermatologic Surgery</i> , 2006 , 32, 819-26; discussion 826-7	1.7	100
96	Comparative academic performance of medical students in rural and urban clinical settings. <i>Medical Education</i> , 2006 , 40, 117-20	3.7	27
95	Empiric validation of the rural Australian Medical Undergraduate Scholarship Rural background Q criterion. <i>Australian Journal of Rural Health</i> , 2005 , 13, 137-41	1.3	11
94	"The more I give, the more I receive.". <i>Medical Journal of Australia</i> , 2005 , 183, 659-61	4	
93	General practitioners with special interests: risk of a good thing becoming bad?. <i>Medical Journal of Australia</i> , 2005 , 183, 84-6	4	18
92	International Campaign to Revitalise Academic Medicine (ICRAM): what does it mean for Australia?. <i>Medical Journal of Australia</i> , 2004 , 181, 658-9	4	3
91	Does health service utilisation vary by remoteness? South Australian population data and the Accessibility and Remoteness Index of Australia. <i>Australian and New Zealand Journal of Public Health</i> , 2004 , 28, 426-32	2.3	33
90	Electronic medical records may be inadequate for improving population health status through general practice: cervical smears as a case study. <i>Australian and New Zealand Journal of Public Health</i> , 2004 , 28, 317-20	2.3	6
89	Treatment of maternal syphilis in rural South Africa: effect of multiple doses of benzathine penicillin on pregnancy loss. <i>Tropical Medicine and International Health</i> , 2004 , 9, 1216-21	2.3	19
88	Cancer and cancer risk in South Australia: what evidence for a rural-urban health differential?. <i>Australian Journal of Rural Health</i> , 2004 , 12, 61-6	1.3	36
87	Uncovering a hidden epidemic: a study of the current burden of heart failure in Australia. <i>Heart Lung and Circulation</i> , 2004 , 13, 266-73	1.8	44

86	Influence of HIV-1 coinfection on effective management of abnormal vaginal discharge. <i>Sexually Transmitted Diseases</i> , 2003 , 30, 1-5	2.4	13
85	Association between HIV-1 infection, the etiology of genital ulcer disease, and response to syndromic management. <i>Sexually Transmitted Diseases</i> , 2003 , 30, 241-5	2.4	30
84	Factors associated with rural practice among Australian-trained general practitioners. <i>Medical Journal of Australia</i> , 2003 , 179, 75-9	4	50
83	Prevalence of asthma and asthma action plans in South Australia: population surveys from 1990 to 2001. <i>Medical Journal of Australia</i> , 2003 , 178, 483-5	4	27
82	Self-reported patterns of health services utilisation: an urban-rural comparison in South Australia. <i>Australian Journal of Rural Health</i> , 2003 , 11, 81-8	1.3	11
81	Impact of undergraduate and postgraduate rural training, and medical school entry criteria on rural practice among Australian general practitioners: national study of 2414 doctors. <i>Medical Education</i> , 2003 , 37, 809-14	3.7	103
80	Evidence-Based Practice in Rural and Remote Clinical Practice: Where is the Evidence?. <i>Australian Journal of Rural Health</i> , 2003 , 11, 242-248	1.3	5
79	Rural doctors and rural backgrounds: how strong is the evidence? A systematic review. <i>Australian Journal of Rural Health</i> , 2003 , 11, 277-84	1.3	148
78	Are socio-economically disadvantaged Australians making more or less use of the Enhanced Primary Care Medicare Benefit Schedule item numbers?. <i>Australian Health Review</i> , 2003 , 26, 43-9	1.8	15
77	Increasing rural activity and curriculum content in the Adelaide University Medical School. <i>Australian Journal of Rural Health</i> , 2002 , 10, 220-8	1.3	3
76	<i>Trichomonas vaginalis</i> is associated with pelvic inflammatory disease in women infected with human immunodeficiency virus. <i>Clinical Infectious Diseases</i> , 2002 , 34, 519-22	11.6	201
75	Nonoxynol-9 for preventing vaginal acquisition of HIV infection by women from men. <i>The Cochrane Library</i> , 2002 , CD003936	5.2	12
74	Nonoxynol-9 for preventing vaginal acquisition of sexually transmitted infections by women from men. <i>The Cochrane Library</i> , 2002 , CD003939	5.2	15
73	Nonoxynol-9 fails to prevent STDs, but microbicide research continues. <i>Lancet, The</i> , 2002 , 360, 962-3	40	12
72	Nonoxynol-9 spermicide for prevention of vaginally acquired HIV and other sexually transmitted infections: systematic review and meta-analysis of randomised controlled trials including more than 5000 women. <i>Lancet Infectious Diseases, The</i> , 2002 , 2, 613-7	25.5	87
71	Uptake of health assessments, care plans and case conferences by general practitioners through the Enhanced Primary Care program between November 1999 and October 2001. <i>Australian Health Review</i> , 2002 , 25, 1-11	1.8	21
70	Variation in levels of uptake of enhanced primary care item numbers between rural and urban settings, November 1999 to October 2001. <i>Australian Health Review</i> , 2002 , 25, 123-30	1.8	9
69	Enumeration of non-communicable disease in rural South Africa by electronic data linkage and capture-recapture techniques. <i>Tropical Medicine and International Health</i> , 2001 , 6, 435-41	2.3	8

68	Positive impact of rural academic family practices on rural medical recruitment and retention in South Australia. <i>Australian Journal of Rural Health</i> , 2001 , 9, 29-33	1.3	19
67	Amalgamation and collaboration in rural general practices: early experience with the GP links program in rural South Australia. <i>Australian Journal of Rural Health</i> , 2001 , 9, 79-83	1.3	3
66	Estimating HIV incidence rates from age prevalence data in epidemic situations. <i>Statistics in Medicine</i> , 2001 , 20, 2003-16	2.3	55
65	Increasingly inequitable distribution of general practitioners in Australia, 1986-96. <i>Australian and New Zealand Journal of Public Health</i> , 2001 , 25, 66-70	2.3	42
64	A multi-sectorial committee in directing HIV/AIDS-specific interventions in the occupational setting: an example from South Africa. <i>AIDS Patient Care and STDs</i> , 2001 , 15, 153-8	5.8	5
63	Impact of HIV-1 infection on response to treatment of sexually transmitted infections. <i>Aids</i> , 2001 , 15, 542-3	3.5	
62	Effect of coinfection with STDs and of STD treatment on HIV shedding in genital-tract secretions: systematic review and data synthesis. <i>Sexually Transmitted Diseases</i> , 2000 , 27, 243-8	2.4	77
61	HIV heterogeneity and proximity of homestead to roads in rural South Africa: an exploration using a geographical information system. <i>Tropical Medicine and International Health</i> , 2000 , 5, 40-6	2.3	59
60	Impact on perinatal mortality of missed opportunities to treat maternal syphilis in rural South Africa: baseline results from a clinic randomized controlled trial. <i>Tropical Medicine and International Health</i> , 2000 , 5, 800-4	2.3	35
59	Inequitable distribution of general practitioners in Australia: analysis by state and territory using census data. <i>Australian Journal of Rural Health</i> , 2000 , 8, 87-93	1.3	34
58	Roles and activities of the Commonwealth Government University Departments of Rural Health. <i>Australian Journal of Rural Health</i> , 2000 , 8, 120-33	1.3	36
57	Selected demographic, social and work characteristics of the Australian general medical practitioner workforce: comparing capital cities with regional areas. <i>Australian Journal of Rural Health</i> , 2000 , 8, 327-34	1.3	11
56	Youth suicide trends in Australian metropolitan and non-metropolitan areas, 1988-1997. <i>Australian and New Zealand Journal of Psychiatry</i> , 2000 , 34, 822-828	2.6	10
55	Comparison of trends in method-specific suicide rates in Australia and England & Wales, 1968-97. <i>Australian and New Zealand Journal of Public Health</i> , 2000 , 24, 153-7	2.3	29
54	Geographic inequalities in mortality: a response to Booth and Smith. <i>Australian and New Zealand Journal of Public Health</i> , 2000 , 24, 555-556	2.3	
53	Inequitable distribution of general practitioners in Australia: estimating need through the Robin Hood Index. <i>Australian and New Zealand Journal of Public Health</i> , 2000 , 24, 71-5	2.3	25
52	Mortality variation across Australia: descriptive data for states and territories, and statistical divisions. <i>Australian and New Zealand Journal of Public Health</i> , 2000 , 24, 226-33	2.3	5
51	An unbridgeable gap? Comparing the HIV/AIDS epidemics in Australia and sub-Saharan Africa. <i>Australian and New Zealand Journal of Public Health</i> , 2000 , 24, 276-80	2.3	

50	Associations between rural background and where South Australian general practitioners work. <i>Medical Journal of Australia</i> , 2000 , 173, 137-40	4	30
49	High HIV Incidence and Prevalence Among Young Women in Rural South Africa: Developing a Cohort for Intervention Trials. <i>Journal of Acquired Immune Deficiency Syndromes (1999)</i> , 2000 , 23, 405-409 ¹	3.1	14
48	High HIV incidence and prevalence among young women in rural South Africa: developing a cohort for intervention trials. <i>Journal of Acquired Immune Deficiency Syndromes (1999)</i> , 2000 , 23, 405-9	3.1	20
47	Syndrome packets and health worker training improve sexually transmitted disease case management in rural South Africa: randomized controlled trial. <i>Aids</i> , 2000 , 14, 2769-79	3.5	35
46	Youth suicide trends in Australian metropolitan and non-metropolitan areas, 1988-1997. <i>Australian and New Zealand Journal of Psychiatry</i> , 2000 , 34, 822-8	2.6	42
45	Oral health in Hlabisa, KwaZulu/Natal--a rural school and community based survey. <i>International Dental Journal</i> , 2000 , 50, 13-20	2.2	7
44	Accessibility to general practitioners in rural South Australia: A case study using geographic information system technology. <i>Medical Journal of Australia</i> , 1999 , 171, 614-616	4	53
43	Medical students, their electives, and HIV. <i>BMJ: British Medical Journal</i> , 1999 , 318, 139-40		27
42	Simplified DOTS to improve tuberculosis control in Asia and the Pacific?. <i>Medical Journal of Australia</i> , 1999 , 171, 370-2	4	
41	Relapse and mortality among HIV-infected and uninfected patients with tuberculosis successfully treated with twice weekly directly observed therapy in rural South Africa. <i>Aids</i> , 1999 , 13, 1543-7	3.5	46
40	Routine reporting or sentinel surveys for HIV/AIDS surveillance in resource-poor settings: experience in South Africa, 1991-97. <i>International Journal of STD and AIDS</i> , 1999 , 10, 328-30	1.4	4
39	Spatial implications of the tuberculosis DOTS strategy in rural South Africa: a novel application of geographical information system and global positioning system technologies. <i>Tropical Medicine and International Health</i> , 1999 , 4, 634-8	2.3	31
38	Establishing a new university department of rural health: the first 2 years of the South Australian Centre for Rural and Remote Health. <i>Australian Journal of Rural Health</i> , 1999 , 7, 223-8	1.3	12
37	GIS/GPS to document increased access to community-based treatment for tuberculosis in Africa. Geographic information system/global positioning system. <i>Lancet, The</i> , 1999 , 354, 394-5	4.0	22
36	STD syndrome packets: improving syndromic management of sexually transmitted diseases in developing countries. <i>Sexually Transmitted Diseases</i> , 1999 , 26, 152-6	2.4	10
35	Twice-weekly, directly observed treatment for HIV-infected and uninfected tuberculosis patients: cohort study in rural South Africa. <i>Aids</i> , 1999 , 13, 811-7	3.5	20
34	HIV infection among pregnant women in the South African private medical sector. <i>Aids</i> , 1999 , 13, 1783	3.5	1
33	High incidence of early anaphylactoid reaction to SAIMR polyvalent snake antivenom. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1998 , 92, 69-70	2	37

32	Improved treatment of syphilis among pregnant women through on-site testing: an intervention study in rural South Africa. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1998 , 92, 348	2	11
31	Increasing frequency of tuberculosis among staff in a South African district hospital: impact of the HIV epidemic on the supply side of health care. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1998 , 92, 500-2	2	22
30	HIV infection among patients with sexually transmitted diseases in rural South Africa. <i>International Journal of STD and AIDS</i> , 1998 , 9, 736-9	1.4	15
29	Antiretroviral drugs as a public health intervention for pregnant HIV-infected women in rural South Africa: an issue of cost-effectiveness and capacity. <i>Aids</i> , 1998 , 12, 1675-82	3.5	34
28	Effect of preventive treatment for tuberculosis in adults infected with HIV: systematic review of randomised placebo controlled trials. <i>BMJ: British Medical Journal</i> , 1998 , 317, 625-9		84
27	The growth monitoring teaching aid rapidly improves mothers' understanding of growth curves. <i>Tropical Doctor</i> , 1998 , 28, 160-2	0.9	8
26	Screening for syphilis in pregnant women. <i>Tropical Doctor</i> , 1998 , 28, 120	0.9	
25	Improving quality of sexually transmitted disease case management in rural South Africa. <i>Aids</i> , 1998 , 12, 2329-35	3.5	26
24	Sexually transmitted disease syndromes in rural South Africa. Results from health facility surveillance. <i>Sexually Transmitted Diseases</i> , 1998 , 25, 20-3	2.4	24
23	On-site HIV testing in resource-poor settings: is one rapid test enough?. <i>Aids</i> , 1997 , 11, 377-81	3.5	56
22	Managing tuberculosis case-loads in African countries. <i>Lancet, The</i> , 1997 , 349, 882	40	4
21	Growth-monitoring teaching aid to improve mothers' understanding. <i>Lancet, The</i> , 1997 , 350, 562-3	40	5
20	Mother to child transmission of HIV infection: the reality and the promise. <i>Tropical Doctor</i> , 1997 , 27, 220-29	29	1
19	Nosocomial transmission of tuberculosis in Africa documented by restriction fragment length polymorphism. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1997 , 91, 318	2	14
18	Efficacy of twice weekly treatment for tuberculosis given under direct observation in Africa. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1997 , 91, 87-9	2	9
17	Epidemiology of syphilis in pregnancy in rural South Africa: opportunities for control. <i>Tropical Medicine and International Health</i> , 1997 , 2, 57-62	2.3	35
16	Coping with Africa's increasing tuberculosis burden: are community supervisors an essential component of the DOT strategy? Directly observed therapy. <i>Tropical Medicine and International Health</i> , 1997 , 2, 700-4	2.3	29
15	Molecular epidemiology and transmission dynamics of <i>Mycobacterium tuberculosis</i> in rural Africa. <i>Tropical Medicine and International Health</i> , 1997 , 2, 747-53	2.3	62

14	Diagnosing tuberculosis in a resource-poor setting: the value of sputum concentration. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1997 , 91, 420-1	2	27
13	Diagnosing tuberculosis in a resource-poor setting: the value of a trial of antibiotics. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1997 , 91, 422-4	2	22
12	Directly observed therapy for tuberculosis given twice weekly in the workplace in urban South Africa. <i>Transactions of the Royal Society of Tropical Medicine and Hygiene</i> , 1997 , 91, 704-7	2	18
11	Examination of attendance patterns before and after introduction of South Africa's policy of free health care for children aged under 6 years and pregnant women. <i>BMJ: British Medical Journal</i> , 1997 , 314, 940-1		21
10	Comparison of cost effectiveness of directly observed treatment (DOT) and conventionally delivered treatment for tuberculosis: experience from rural South Africa. <i>BMJ: British Medical Journal</i> , 1997 , 315, 1407-11		56
9	Lessons to be learned from tuberculosis control in China. <i>Lancet, The</i> , 1996 , 347, 835-836	40	2
8	Compliance with tuberculosis treatment in a rural district. <i>Tubercle and Lung Disease</i> , 1995 , 76, 180		
7	The district health system: a personal perspective from Zululand. <i>Tropical Doctor</i> , 1995 , 25 Suppl 1, 16-9	0.9	
6	Avoidable perinatal deaths in a rural hospital: strategies to improve quality of care. <i>Tropical Doctor</i> , 1995 , 25, 16-20	0.9	4
5	Use of thiacetazone. <i>Lancet, The</i> , 1995 , 345, 62-3	40	3
4	Obstetric services in a district health system in Zululand. <i>Tropical Doctor</i> , 1995 , 25 Suppl 1, 19-21	0.9	1
3	Tuberculosis treatment programmes in low-income countries. <i>Lancet, The</i> , 1994 , 344, 259-60	40	46
2	Sputum smear negative pulmonary tuberculosis. <i>Tropical Doctor</i> , 1994 , 24, 82	0.9	3
1	Statistics of perinatal mortality due to error or omission: a suggestion of how to improve care. <i>Tropical Doctor</i> , 1993 , 23, 119-21	0.9	5
