#	ARTICLE	IF	CITATIONS
1	Computer Therapy for the Anxiety and Depressive Disorders Is Effective, Acceptable and Practical Health Care: A Meta-Analysis. PLoS ONE, 2010, 5, e13196.	2.5	1,103
2	Advantages and limitations of Internet-based interventions for common mental disorders. World Psychiatry, 2014, 13, 4-11.	10.4	833
3	Internet-delivered psychological treatments: from innovation to implementation. World Psychiatry, 2019, 18, 20-28.	10.4	390
4	Internet Treatment for Depression: A Randomized Controlled Trial Comparing Clinician vs. Technician Assistance. PLoS ONE, 2010, 5, e10939.	2.5	349
5	ICBT in routine care: A descriptive analysis of successful clinics in five countries. Internet Interventions, 2018, 13, 108-115.	2.7	273
6	Consensus statement on defining and measuring negative effects of Internet interventions. Internet Interventions, 2014, 1, 12-19.	2.7	267
7	Transdiagnostic internet treatment for anxiety and depression: A randomised controlled trial. Behaviour Research and Therapy, 2011, 49, 441-452.	3.1	245
8	Do guided internet-based interventions result in clinically relevant changes for patients with depression? An individual participant data meta-analysis. Clinical Psychology Review, 2018, 63, 80-92.	11.4	239
9	Psychometric Comparison of the PHQ-9 and BDHI for Measuring Response during Treatment of Depression. Cognitive Behaviour Therapy, 2011, 40, 126-136.	3.5	235
10	Improving Adherence and Clinical Outcomes in Self-Guided Internet Treatment for Anxiety and Depression: Randomised Controlled Trial. PLoS ONE, 2013, 8, e62873.	2.5	216
11	Internet Treatment for Generalized Anxiety Disorder: A Randomized Controlled Trial Comparing Clinician vs. Technician Assistance. PLoS ONE, 2010, 5, e10942.	2.5	215
12	Clinician-Assisted Internet-Based Treatment is Effective for Depression: Randomized Controlled Trial. Australian and New Zealand Journal of Psychiatry, 2009, 43, 571-578.	2.3	214
13	Internet Interventions for Adults with Anxiety and Mood Disorders: A Narrative Umbrella Review of Recent Meta-Analyses. Canadian Journal of Psychiatry, 2019, 64, 465-470.	1.9	212
14	Psychometric Comparison of the Generalized Anxiety Disorder Scale-7 and the Penn State Worry Questionnaire for Measuring Response during Treatment of Generalised Anxiety Disorder. Cognitive Behaviour Therapy, 2011, 40, 216-227.	3.5	211
15	Psychometric properties and clinical utility of brief measures of depression, anxiety, and general distress: The PHQ-2, GAD-2, and K-6. General Hospital Psychiatry, 2019, 56, 13-18.	2.4	199
16	Shyness 3: Randomized Controlled Trial of Guided Versus Unguided Internet-Based CBT for Social Phobia. Australian and New Zealand Journal of Psychiatry, 2008, 42, 1030-1040.	2.3	185
17	Disorder-specific versus transdiagnostic and clinician-guided versus self-guided treatment for major depressive disorder and comorbid anxiety disorders: A randomized controlled trial. Journal of Anxiety Disorders, 2015, 35, 88-102.	3.2	183
18	Transdiagnostic versus disorder-specific and clinician-guided versus self-guided internet-delivered treatment for generalized anxiety disorder and comorbid disorders: A randomized controlled trial. Journal of Anxiety Disorders, 2015, 36, 63-77.	3.2	182

#	ARTICLE	IF	CITATIONS
19	Effects of Internet-Based Cognitive Behavioral Therapy in Routine Care for Adults in Treatment for Depression and Anxiety: Systematic Review and Meta-Analysis. <i>Journal of Medical Internet Research</i> , 2020, 22, e18100.	4.3	180
20	Acceptability of Internet Treatment of Anxiety and Depression. <i>Australasian Psychiatry</i> , 2011, 19, 259-264.	0.7	162
21	Clinical and Cost-Effectiveness of Therapist-Guided Internet-Delivered Cognitive Behavior Therapy for Older Adults With Symptoms of Depression: A Randomized Controlled Trial. <i>Behavior Therapy</i> , 2015, 46, 193-205.	2.4	156
22	MindSpot Clinic: An Accessible, Efficient, and Effective Online Treatment Service for Anxiety and Depression. <i>Psychiatric Services</i> , 2015, 66, 1043-1050.	2.0	152
23	The first 30 months of the MindSpot Clinic: Evaluation of a national e-mental health service against project objectives. <i>Australian and New Zealand Journal of Psychiatry</i> , 2017, 51, 1227-1239.	2.3	150
24	Shyness 1: Distance Treatment of Social Phobia Over the Internet. <i>Australian and New Zealand Journal of Psychiatry</i> , 2008, 42, 585-594.	2.3	146
25	Clinician-Assisted Internet-Based Treatment is Effective for Panic: A Randomized Controlled Trial. <i>Australian and New Zealand Journal of Psychiatry</i> , 2010, 44, 599-607.	2.3	144
26	Transdiagnostic Internet treatment for anxiety disorders: A randomized controlled trial. <i>Behaviour Research and Therapy</i> , 2010, 48, 890-899.	3.1	143
27	Internet-delivered psychotherapy for depression in adults. <i>Current Opinion in Psychiatry</i> , 2011, 24, 18-23.	6.3	140
28	Culturally attuned Internet treatment for depression amongst Chinese Australians: A randomised controlled trial. <i>Journal of Affective Disorders</i> , 2012, 136, 459-468.	4.1	136
29	The Pain Course. <i>Pain</i> , 2015, 156, 1920-1935.	4.2	132
30	Effectiveness Randomized Controlled Trial of Face to Face Versus Internet Cognitive Behaviour Therapy for Social Phobia. <i>Australian and New Zealand Journal of Psychiatry</i> , 2011, 45, 337-340.	2.3	122
31	Clinician-Assisted Internet-Based Treatment is Effective for Generalized Anxiety Disorder: Randomized Controlled Trial. <i>Australian and New Zealand Journal of Psychiatry</i> , 2009, 43, 905-912.	2.3	119
32	Randomized controlled trial of Internet-delivered cognitive behavioral therapy for posttraumatic stress disorder. <i>Depression and Anxiety</i> , 2011, 28, 541-550.	4.1	110
33	Shyness 2: Treating Social Phobia Online: Replication and Extension. <i>Australian and New Zealand Journal of Psychiatry</i> , 2008, 42, 595-605.	2.3	108
34	Facebook as an effective recruitment strategy for mental health research of hard to reach populations. <i>Internet Interventions</i> , 2016, 4, 1-10.	2.7	108
35	A RCT of a Transdiagnostic Internet-Delivered Treatment for Three Anxiety Disorders: Examination of Support Roles and Disorder-Specific Outcomes. <i>PLoS ONE</i> , 2011, 6, e28079.	2.5	107
36	Status of Computerized Cognitive Behavioural Therapy for Adults. <i>Australian and New Zealand Journal of Psychiatry</i> , 2007, 41, 95-114.	2.3	99

#	ARTICLE	IF	CITATIONS
37	Remote treatment of obsessive-compulsive disorder: A randomized controlled trial. <i>Journal of Obsessive-Compulsive and Related Disorders</i> , 2013, 2, 375-384.	1.5	97
38	Transdiagnostic versus disorder-specific and clinician-guided versus self-guided internet-delivered treatment for Social Anxiety Disorder and comorbid disorders: A randomized controlled trial. <i>Journal of Anxiety Disorders</i> , 2016, 42, 30-44.	3.2	96
39	Randomized Controlled Trial of Web-Based Treatment of Social Phobia Without Clinician Guidance. <i>Australian and New Zealand Journal of Psychiatry</i> , 2009, 43, 913-919.	2.3	95
40	Clinical and Cost-Effectiveness of Therapist-Guided Internet-Delivered Cognitive Behavior Therapy for Older Adults With Symptoms of Anxiety: A Randomized Controlled Trial. <i>Behavior Therapy</i> , 2015, 46, 206-217.	2.4	94
41	The Acceptability of Internet-Based Treatment and Characteristics of an Adult Sample with Obsessive Compulsive Disorder: An Internet Survey. <i>PLoS ONE</i> , 2011, 6, e20548.	2.5	89
42	An RCT Comparing Effect of Two Types of Support on Severity of Symptoms for People Completing Internet-Based Cognitive Behaviour Therapy for Social Phobia. <i>Australian and New Zealand Journal of Psychiatry</i> , 2009, 43, 920-926.	2.3	88
43	Transdiagnostic Internet-delivered cognitive behaviour therapy in Canada: An open trial comparing results of a specialized online clinic and nonspecialized community clinics. <i>Journal of Anxiety Disorders</i> , 2016, 42, 19-29.	3.2	88
44	From Research to Practice: Ten Lessons in Delivering Digital Mental Health Services. <i>Journal of Clinical Medicine</i> , 2019, 8, 1239.	2.4	86
45	Characteristics of Adults with Anxiety or Depression Treated at an Internet Clinic: Comparison with a National Survey and an Outpatient Clinic. <i>PLoS ONE</i> , 2010, 5, e10885.	2.5	84
46	Treating anxiety and depression in young adults: A randomised controlled trial comparing clinician-guided versus self-guided Internet-delivered cognitive behavioural therapy. <i>Australian and New Zealand Journal of Psychiatry</i> , 2018, 52, 668-679.	2.3	82
47	Shyness Programme: Longer Term Benefits, Cost-Effectiveness, and Acceptability. <i>Australian and New Zealand Journal of Psychiatry</i> , 2009, 43, 36-44.	2.3	79
48	Randomized Controlled Trial of Internet Cognitive Behavioural Treatment for Social Phobia with and Without Motivational Enhancement Strategies. <i>Australian and New Zealand Journal of Psychiatry</i> , 2010, 44, 938-945.	2.3	79
49	An open trial of a brief transdiagnostic internet treatment for anxiety and depression. <i>Behaviour Research and Therapy</i> , 2011, 49, 830-837.	3.1	79
50	Treating anxiety and depression in older adults: randomised controlled trial comparing guided self-guided internet-delivered cognitive behavioural therapy. <i>BJPsych Open</i> , 2016, 2, 50-58.	0.7	72
51	The effects of traumatic brain injury on the predicted and actual performance of a test of prospective remembering. <i>Brain Injury</i> , 2005, 19, 19-27.	1.2	71
52	User characteristics and outcomes from a national digital mental health service: an observational study of registrants of the Australian MindSpot Clinic. <i>The Lancet Digital Health</i> , 2020, 2, e582-e593.	12.3	70
53	Disorder-specific versus transdiagnostic and clinician-guided versus self-guided internet-delivered treatment for panic disorder and comorbid disorders: A randomized controlled trial. <i>Journal of Anxiety Disorders</i> , 2016, 39, 88-102.	3.2	69
54	Rapid report: Early demand, profiles and concerns of mental health users during the coronavirus (COVID-19) pandemic. <i>Internet Interventions</i> , 2020, 21, 100327.	2.7	69

#	ARTICLE	IF	CITATIONS
55	Improving Adherence and Clinical Outcomes in Self-Guided Internet Treatment for Anxiety and Depression: A 12-Month Follow-Up of a Randomised Controlled Trial. <i>PLoS ONE</i> , 2014, 9, e89591.	2.5	68
56	An Internet administered treatment program for obsessive-compulsive disorder: A feasibility study. <i>Journal of Anxiety Disorders</i> , 2011, 25, 1102-1107.	3.2	67
57	Banbury Forum Consensus Statement on the Path Forward for Digital Mental Health Treatment. <i>Psychiatric Services</i> , 2021, 72, 677-683.	2.0	65
58	Use of Virtual Reality Tasks to Assess Prospective Memory: Applicability and Evidence. <i>Brain Impairment</i> , 2009, 10, 3-13.	0.7	63
59	An internet survey of emotional health, treatment seeking and barriers to accessing mental health treatment among Chinese-speaking international students in Australia. <i>Counselling Psychology Quarterly</i> , 2014, 27, 96-108.	2.3	62
60	Examination of an internet-delivered cognitive behavioural pain management course for adults with fibromyalgia: a randomized controlled trial. <i>Pain</i> , 2017, 158, 593-604.	4.2	62
61	Internet-delivered cognitive behavioural therapy for depression: A feasibility open trial for older adults. <i>Australian and New Zealand Journal of Psychiatry</i> , 2013, 47, 169-176.	2.3	61
62	The 10-Item Kessler Psychological Distress Scale (K10) as a Screening Instrument in Older Individuals. <i>American Journal of Geriatric Psychiatry</i> , 2013, 21, 596-606.	1.2	60
63	The effects of distraction on prospective remembering following traumatic brain injury assessed in a simulated naturalistic environment. <i>Journal of the International Neuropsychological Society</i> , 2006, 12, 8-16.	1.8	59
64	Brief internet-delivered cognitive behavioral therapy for anxiety in older adults: A feasibility trial. <i>Journal of Anxiety Disorders</i> , 2012, 26, 650-655.	3.2	57
65	Randomized controlled trial of internet-delivered cognitive behaviour therapy comparing standard weekly versus optional weekly therapist support. <i>Journal of Anxiety Disorders</i> , 2017, 52, 15-24.	3.2	54
66	Adult age differences in controlled and automatic memory processing. <i>Psychology and Aging</i> , 1997, 12, 565-573.	1.6	52
67	Measurement of Symptom Change Following Web-Based Psychotherapy: Statistical Characteristics and Analytical Methods for Measuring and Interpreting Change. <i>JMIR Mental Health</i> , 2018, 5, e10200.	3.3	49
68	Development and evaluation of a scale assessing therapist fidelity to guidelines for delivering therapist-assisted Internet-delivered cognitive behaviour therapy. <i>Cognitive Behaviour Therapy</i> , 2018, 47, 447-461.	3.5	48
69	The UniWellbeing course: A randomised controlled trial of a transdiagnostic internet-delivered cognitive behavioural therapy (CBT) programme for university students with symptoms of anxiety and depression. <i>Internet Interventions</i> , 2015, 2, 128-136.	2.7	47
70	The pain course: a randomised controlled trial comparing a remote-delivered chronic pain management program when provided in online and workbook formats. <i>Pain</i> , 2017, 158, 1289-1301.	4.2	47
71	Internet Treatment for Social Phobia Reduces Comorbidity. <i>Australian and New Zealand Journal of Psychiatry</i> , 2009, 43, 754-759.	2.3	46
72	Internet-based trauma-focused cognitive behavioural therapy for PTSD with and without exposure components: A randomised controlled trial. <i>Journal of Affective Disorders</i> , 2014, 162, 73-80.	4.1	45

#	ARTICLE	IF	CITATIONS
73	Consensus statement on the problem of terminology in psychological interventions using the internet or digital components. <i>Internet Interventions</i> , 2020, 21, 100331.	2.7	45
74	“Wish You Were Here”: Examining Characteristics, Outcomes, and Statistical Solutions for Missing Cases in Web-Based Psychotherapeutic Trials. <i>JMIR Mental Health</i> , 2018, 5, e22.	3.3	45
75	Depression is very disabling. <i>Lancet, The</i> , 2007, 370, 808-809.	13.7	44
76	Preference trial of internet-delivered cognitive behaviour therapy comparing standard weekly versus optional weekly therapist support. <i>Journal of Anxiety Disorders</i> , 2019, 63, 51-60.	3.2	43
77	Characteristics and Treatment Preferences of People with Symptoms of Posttraumatic Stress Disorder: An Internet Survey. <i>PLoS ONE</i> , 2011, 6, e21864.	2.5	43
78	Who benefits most from therapist-assisted internet-delivered cognitive behaviour therapy in clinical practice? Predictors of symptom change and dropout. <i>Journal of Anxiety Disorders</i> , 2018, 54, 24-32.	3.2	41
79	Comorbidity and Internet-Delivered Transdiagnostic Cognitive Behavioural Therapy for Anxiety Disorders. <i>Cognitive Behaviour Therapy</i> , 2013, 42, 180-192.	3.5	40
80	Internet-delivered treatment for older adults with anxiety and depression: implementation of the Wellbeing Plus Course in routine clinical care and comparison with research trial outcomes. <i>BJPsych Open</i> , 2016, 2, 307-313.	0.7	40
81	Internet-Delivered Cognitive Behavioral Therapy for Anxiety Disorders in Open Community Versus Clinical Service Recruitment: Meta-Analysis. <i>Journal of Medical Internet Research</i> , 2019, 21, e11706.	4.3	40
82	Intergenerational and cross-cultural differences in emotional wellbeing, mental health service utilisation, treatment-seeking preferences and acceptability of psychological treatments for Arab Australians. <i>International Journal of Social Psychiatry</i> , 2015, 61, 484-491.	3.1	38
83	Shyness 5: The Clinical Effectiveness of Internet-Based Clinician-Assisted Treatment of Social Phobia. <i>Australasian Psychiatry</i> , 2009, 17, 488-492.	0.7	36
84	Procedures for risk management and a review of crisis referrals from the MindSpot Clinic, a national service for the remote assessment and treatment of anxiety and depression. <i>BMC Psychiatry</i> , 2015, 15, 304.	2.6	36
85	Increased skills usage statistically mediates symptom reduction in self-guided internet-delivered cognitive-behavioural therapy for depression and anxiety: a randomised controlled trial. <i>Cognitive Behaviour Therapy</i> , 2018, 47, 43-61.	3.5	36
86	A video-based procedure for the assessment of prospective memory. <i>Applied Cognitive Psychology</i> , 2001, 15, 61-83.	1.6	34
87	Examining self-guided internet-delivered cognitive behavior therapy for older adults with symptoms of anxiety and depression: Two feasibility open trials. <i>Internet Interventions</i> , 2015, 2, 17-23.	2.7	33
88	Examining internet-delivered cognitive behaviour therapy for patients with chronic kidney disease on haemodialysis: A feasibility open trial. <i>Journal of Psychosomatic Research</i> , 2016, 89, 78-84.	2.6	33
89	A systematic review of the efficacy of self-management programs for increasing physical activity in community-dwelling adults with acquired brain injury (ABI). <i>Systematic Reviews</i> , 2015, 4, 51.	5.3	32
90	The Pain Course: exploring predictors of clinical response to an Internet-delivered pain management program. <i>Pain</i> , 2016, 157, 2257-2268.	4.2	32

#	ARTICLE	IF	CITATIONS
91	A feasibility trial of an Internet-delivered and transdiagnostic cognitive behavioral therapy treatment program for anxiety, depression, and disability among adults with epilepsy. <i>Epilepsia</i> , 2016, 57, 1887-1896.	5.1	31
92	Is internet treatment for depressive and anxiety disorders ready for prime time?. <i>Medical Journal of Australia</i> , 2010, 192, S45-7.	1.7	30
93	Changes in risk-taking over the course of an internet-delivered cognitive behavioral therapy treatment for generalized anxiety disorder. <i>Journal of Anxiety Disorders</i> , 2012, 26, 140-149.	3.2	30
94	Exploring the efficacy and acceptability of Internet-delivered cognitive behavioural therapy for young adults with anxiety and depression: An open trial. <i>Australian and New Zealand Journal of Psychiatry</i> , 2014, 48, 819-827.	2.3	30
95	A feasibility open trial of guided Internet-delivered cognitive behavioural therapy for anxiety and depression amongst Arab Australians. <i>Internet Interventions</i> , 2015, 2, 32-38.	2.7	30
96	The Climate Sadness program: an open trial of Internet-based treatment for depression. <i>E-Journal of Applied Psychology</i> , 2008, 4, .	0.3	29
97	Internet-delivered cognitive and behavioural based interventions for adults with chronic pain: a systematic review and meta-analysis of randomized controlled trials. <i>Pain</i> , 2022, 163, e1041-e1053.	4.2	29
98	Self-guided internet administered treatment for obsessive-compulsive disorder: Results from two open trials. <i>Journal of Obsessive-Compulsive and Related Disorders</i> , 2014, 3, 102-108.	1.5	28
99	Self-guided internet-delivered cognitive behavior therapy (iCBT) for obsessive-compulsive disorder: 12 month follow-up. <i>Internet Interventions</i> , 2015, 2, 243-247.	2.7	27
100	Patient Perspectives on Strengths and Challenges of Therapist-Assisted Internet-Delivered Cognitive Behaviour Therapy: Using the Patient Voice to Improve Care. <i>Community Mental Health Journal</i> , 2018, 54, 944-950.	2.0	27
101	The Pain Course: 12- and 24-Month Outcomes From a Randomized Controlled Trial of an Internet-Delivered Pain Management Program Provided With Different Levels of Clinician Support. <i>Journal of Pain</i> , 2018, 19, 1491-1503.	1.4	27
102	Rapid report 2: Symptoms of anxiety and depression during the first 12 weeks of the Coronavirus (COVID-19) pandemic in Australia. <i>Internet Interventions</i> , 2020, 22, 100351.	2.7	27
