

Ian A Scott

List of Publications by Year in Descending Order

Source: <https://exaly.com/author-pdf/6030487/ian-a-scott-publications-by-year.pdf>

Version: 2024-04-27

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
171	Appropriate use of transthoracic echocardiography in the investigation of general medicine patients presenting with syncope or presyncope.. <i>Postgraduate Medical Journal</i> , 2022 ,	2	1
170	Diagnostic features, management and prognosis of type 2 myocardial infarction compared to type 1 myocardial infarction: a systematic review and meta-analysis.. <i>BMJ Open</i> , 2022 , 12, e055755	3	0
169	Scoping Review of Studies Evaluating Frailty and Its Association with Medication Harm. <i>Drugs and Aging</i> , 2022 , 39, 333-353	4.7	1
168	Evidence-based medicine and machine learning: a partnership with a common purpose. <i>BMJ Evidence-Based Medicine</i> , 2021 , 26, 290-294	2.7	6
167	Impact of COVID-19 pandemic on utilisation of healthcare services: a systematic review. <i>BMJ Open</i> , 2021 , 11, e045343	3	139
166	Developing critical thinking skills for delivering optimal care. <i>Internal Medicine Journal</i> , 2021 , 51, 488-493.	1.6	1
165	Systematic review of machine learning models for personalised dosing of heparin. <i>British Journal of Clinical Pharmacology</i> , 2021 , 87, 4124-4139	3.8	1
164	Impact of pharmacist and physician collaborations in primary care on reducing readmission to hospital: A systematic review and meta-analysis. <i>Research in Social and Administrative Pharmacy</i> , 2021 ,	2.9	1
163	Low value care is a health hazard that calls for patient empowerment. <i>Medical Journal of Australia</i> , 2021 , 215, 101-103.e1	4	2
162	Medication use and cognitive impairment among residents of aged care facilities. <i>Internal Medicine Journal</i> , 2021 , 51, 520-532	1.6	0
161	Frequency, trends and institutional variation in 30-day all-cause mortality and unplanned readmissions following hospitalisation for heart failure in Australia and New Zealand. <i>European Journal of Heart Failure</i> , 2021 , 23, 31-40	12.3	4
160	Development and dissemination of the national strategic action plan for reducing inappropriate polypharmacy in older Australians. <i>Internal Medicine Journal</i> , 2021 , 51, 111-115	1.6	2
159	Patient harm from cardiovascular medications. <i>Therapeutic Advances in Drug Safety</i> , 2021 , 12, 20420986211027451	3.1	4
158	Reducing Medical Admissions and Presentations Into Hospital through Optimising Medicines (REMAIN HOME): a stepped wedge, cluster randomised controlled trial. <i>Medical Journal of Australia</i> , 2021 , 214, 212-217	4	7
157	Clinician checklist for assessing suitability of machine learning applications in healthcare. <i>BMJ Health and Care Informatics</i> , 2021 , 28,	2.6	15
156	Demystifying machine learning: a primer for physicians. <i>Internal Medicine Journal</i> , 2021 , 51, 1388-1400	1.6	2
155	Sociocognitive approach to behaviour change for reducing low-value care. <i>Australian Health Review</i> , 2021 , 45, 173-177	1.8	2

154	Exploring stakeholder attitudes towards AI in clinical practice. <i>BMJ Health and Care Informatics</i> , 2021 , 28,	2.6	5
153	Frailty, a multisystem ageing syndrome. <i>Age and Ageing</i> , 2020 , 49, 758-763	3	18
152	Prevention and treatment of pressure injuries: A meta-synthesis of Cochrane Reviews. <i>Journal of Tissue Viability</i> , 2020 , 29, 227-243	3.2	5
151	Optimising medication management during the COVID-19 pandemic. <i>Journal of Pharmacy Practice and Research</i> , 2020 , 50, 186-189	0.7	1
150	Promises and perils of using genetic tests to predict risk of disease. <i>BMJ, The</i> , 2020 , 368, m14	5.9	5
149	Author reply. <i>Internal Medicine Journal</i> , 2020 , 50, 1598	1.6	
148	Providing palliative care closer to home: a retrospective analysis from a remote Australian hospital. <i>Internal Medicine Journal</i> , 2020 , 50, 48-53	1.6	0
147	Pill testing at music festivals: is it evidence-based harm reduction?. <i>Internal Medicine Journal</i> , 2020 , 50, 395-402	1.6	11
146	Achieving greater clinician engagement and impact in health care improvement: a neglected imperative. <i>Medical Journal of Australia</i> , 2020 , 212, 5-7.e1	4	2
145	Preoperative and postoperative recommendations to surgical wound care interventions: A systematic meta-review of Cochrane reviews. <i>International Journal of Nursing Studies</i> , 2020 , 102, 103486 ^{5.8}		2
144	GP-Led Deprescribing in Community-Living Older Australians: An Exploratory Controlled Trial. <i>Journal of the American Geriatrics Society</i> , 2020 , 68, 403-410	5.6	5
143	Can AI help in the fight against COVID-19?. <i>Medical Journal of Australia</i> , 2020 , 213, 439-441.e2	4	5
142	SAFety, Effectiveness of care and Resource use among Australian Hospitals (SAFER Hospitals): a protocol for a population-wide cohort study of outcomes of hospital care. <i>BMJ Open</i> , 2020 , 10, e035446 ³		0
141	Diagnostic error: incidence, impacts, causes and preventive strategies. <i>Medical Journal of Australia</i> , 2020 , 213, 302-305.e2	4	4
140	Going digital: a narrative overview of the effects, quality and utility of mobile apps in chronic disease self-management. <i>Australian Health Review</i> , 2020 , 44, 62-82	1.8	36
139	Hope, hype and harms of Big Data. <i>Internal Medicine Journal</i> , 2019 , 49, 126-129	1.6	7
138	Going Beyond the Guidelines in Individualising the Use of Antihypertensive Drugs in Older Patients. <i>Drugs and Aging</i> , 2019 , 36, 675-685	4.7	20
137	Measuring 21 low-value hospital procedures: claims analysis of Australian private health insurance data (2010-2014). <i>BMJ Open</i> , 2019 , 9, e024142	3	10

136	Dysregulation of calcium metabolism in type 1 myotonic dystrophy. <i>Internal Medicine Journal</i> , 2019 , 49, 1412-1417	1.6	2
135	Response to: Sentinel lymph node biopsy for in situ melanoma is unlikely in Australia Sby Morton and Thompson. <i>BMJ Quality and Safety</i> , 2019 , 28, 255-256	5.4	1
134	Going digital: a checklist in preparing for hospital-wide electronic medical record implementation and digital transformation. <i>Australian Health Review</i> , 2019 , 43, 302-313	1.8	8
133	Low-value care in Australian public hospitals: prevalence and trends over time. <i>BMJ Quality and Safety</i> , 2019 , 28, 205-214	5.4	37
132	Machine learning in clinical practice: prospects and pitfalls. <i>Medical Journal of Australia</i> , 2019 , 211, 203-205.e1	4.5	11
131	Audit-based measures of overuse of medical care in Australian hospital practice. <i>Internal Medicine Journal</i> , 2019 , 49, 893-904	1.6	5
130	Derivation and validation of a risk score for predicting mortality among inpatients following rapid response team activation. <i>Postgraduate Medical Journal</i> , 2019 , 95, 300-306	2	1
129	Assessing concordance between patient preferences in advance care plans and in-hospital care. <i>Australian Health Review</i> , 2019 , 43, 425-431	1.8	3
128	The appropriateness of coronary investigation in myocardial injury and type 2 myocardial infarction (ACT-2): A randomized trial design. <i>American Heart Journal</i> , 2019 , 208, 11-20	4.9	30
127	Multicriteria decision analysis (MCDA) for health technology assessment: the Queensland Health experience. <i>Australian Health Review</i> , 2019 , 43, 591-599	1.8	7
126	Machine Learning and Evidence-Based Medicine. <i>Annals of Internal Medicine</i> , 2018 , 169, 44-46	8	18
125	Deconstructing the 4-h rule for access to emergency care and putting patients first. <i>Australian Health Review</i> , 2018 , 42, 698-702	1.8	2
124	Using EMR-enabled computerized decision support systems to reduce prescribing of potentially inappropriate medications: a narrative review. <i>Therapeutic Advances in Drug Safety</i> , 2018 , 9, 559-573	3.5	42
123	Developing indicators for measuring low-value care: mapping Choosing Wisely recommendations to hospital data. <i>BMC Research Notes</i> , 2018 , 11, 163	2.3	23
122	Effects of eHealth on hospital practice: synthesis of the current literature. <i>Australian Health Review</i> , 2018 , 42, 568-578	1.8	21
121	The gaps in specialists diagnoses. <i>Medical Journal of Australia</i> , 2018 , 208, 196-197	4	4
120	Ethics and site-specific governance approvals for multi-centre, inter-sector health care research. <i>Medical Journal of Australia</i> , 2018 , 209, 175-176	4	9
119	Comparison of nine coronary risk scores in evaluating patients presenting to hospital with undifferentiated chest pain. <i>International Journal of General Medicine</i> , 2018 , 11, 473-481	2.3	4

118	Australia is responding to the complex challenge of overdiagnosis. <i>Medical Journal of Australia</i> , 2018 , 209, 332-334	4	12
117	Received care compared to ADP-guided care of patients admitted to hospital with chest pain of possible cardiac origin. <i>International Journal of General Medicine</i> , 2018 , 11, 345-351	2.3	1
116	Deliberate clinical inertia: Using meta-cognition to improve decision-making. <i>EMA - Emergency Medicine Australasia</i> , 2018 , 30, 585-590	1.5	10
115	Going digital: a narrative overview of the clinical and organisational impacts of eHealth technologies in hospital practice. <i>Australian Health Review</i> , 2017 , 41, 646-664	1.8	40
114	Stranded: causes and effects of discharge delays involving non-acute in-patients requiring maintenance care in a tertiary hospital general medicine service. <i>Australian Health Review</i> , 2017 , 41, 54-62	1.8	16
113	Review of structured guides for deprescribing. <i>European Journal of Hospital Pharmacy</i> , 2017 , 24, 51-57	1.6	25
112	Reducing Medical Admissions into Hospital through Optimising Medicines (REMAIN HOME) Study: protocol for a stepped-wedge, cluster-randomised trial. <i>BMJ Open</i> , 2017 , 7, e015301	3	10
111	Association of renin angiotensin antagonists with adverse perioperative events in patients undergoing elective orthopaedic surgery: a case-control study. <i>Internal Medicine Journal</i> , 2017 , 47, 999-1005	1.6	5
110	Perioperative management of new oral anticoagulants in patients undergoing elective surgery at a tertiary hospital. <i>Internal Medicine Journal</i> , 2017 , 47, 1412-1421	1.6	5
109	Statistical and clinical significance. <i>Medical Journal of Australia</i> , 2017 , 207, 187-189	4	2
108	Negotiating "Unmeasurable Harm and Benefit": Perspectives of General Practitioners and Consultant Pharmacists on Deprescribing in the Primary Care Setting. <i>Qualitative Health Research</i> , 2017 , 27, 1936-1947	3.9	40
107	Cognitive challenges to minimising low value care. <i>Internal Medicine Journal</i> , 2017 , 47, 1079-1083	1.6	3
106	Underuse of risk assessment and overuse of computed tomography pulmonary angiography in patients with suspected pulmonary thromboembolism. <i>Internal Medicine Journal</i> , 2017 , 47, 1154-1160	1.6	16
105	Prescribing in the oldest old inpatients: a retrospective analysis of patients referred for specialist geriatric consultation. <i>Internal Medicine Journal</i> , 2017 , 47, 1019-1025	1.6	2
104	Uniting emergency and inpatient clinicians across the ED-inpatient interface: The last frontier?. <i>EMA - Emergency Medicine Australasia</i> , 2017 , 29, 740-745	1.5	8
103	Cautionary tales in the interpretation of observational studies of effects of clinical interventions. <i>Internal Medicine Journal</i> , 2017 , 47, 144-157	1.6	8
102	The ED-inpatient dashboard: Uniting emergency and inpatient clinicians to improve the efficiency and quality of care for patients requiring emergency admission to hospital. <i>EMA - Emergency Medicine Australasia</i> , 2017 , 29, 363-366	1.5	10
101	Countering cognitive biases in minimising low value care. <i>Medical Journal of Australia</i> , 2017 , 206, 407-411	1.4	54

100	National Heart Foundation of Australia & Cardiac Society of Australia and New Zealand: Australian Clinical Guidelines for the Management of Acute Coronary Syndromes 2016. <i>Heart Lung and Circulation</i> , 2016 , 25, 895-951	1.8	146
99	Routine invasive strategies versus selective invasive strategies for unstable angina and non-ST elevation myocardial infarction in the stent era. <i>The Cochrane Library</i> , 2016 , CD004815	5.2	24
98	A multifaceted intervention to reduce inappropriate polypharmacy in primary care: research co-creation opportunities in a pilot study. <i>Medical Journal of Australia</i> , 2016 , 204, S41-4	4	9
97	Diagnostic errors in older patients: a systematic review of incidence and potential causes in seven prevalent diseases. <i>International Journal of General Medicine</i> , 2016 , 9, 137-46	2.3	45
96	Ensuring access to invasive care for all patients with acute coronary syndromes: beyond our reach?. <i>Medical Journal of Australia</i> , 2016 , 205, 112-3	4	
95	The National Emergency Access Target (NEAT) and the 4-hour rule: time to review the target. <i>Medical Journal of Australia</i> , 2016 , 204, 354	4	91
94	National Heart Foundation of Australia and Cardiac Society of Australia and New Zealand: Australian clinical guidelines for the management of acute coronary syndromes 2016. <i>Medical Journal of Australia</i> , 2016 , 205, 128-33	4	70
93	Algorithm of medication review in frail older people: Focus on minimizing the use of high-risk medications. <i>Geriatrics and Gerontology International</i> , 2016 , 16, 1002-13	2.9	14
92	Who is less likely to die in association with improved National Emergency Access Target (NEAT) compliance for emergency admissions in a tertiary referral hospital?. <i>Australian Health Review</i> , 2016 , 40, 149-154	1.8	14
91	Patient characteristics, interventions and outcomes of 1151 rapid response team activations in a tertiary hospital: a prospective study. <i>Internal Medicine Journal</i> , 2016 , 46, 1398-1406	1.6	13
90	Report on the 4-h rule and National Emergency Access Target (NEAT) in Australia: time to review. <i>Australian Health Review</i> , 2016 , 40, 319-323	1.8	39
89	Normalising advance care planning in a general medicine service of a tertiary hospital: an exploratory study. <i>Australian Health Review</i> , 2016 , 40, 391-398	1.8	14
88	Thrombolysis in acute stroke: ongoing challenges based on a tertiary hospital audit and comparisons with other Australian studies. <i>Australian Health Review</i> , 2016 , 40, 43-53	1.8	1
87	A medication review and deprescribing method for hospitalised older patients receiving multiple medications. <i>Internal Medicine Journal</i> , 2016 , 46, 35-42	1.6	37
86	Physicians need to take the lead in deprescribing. <i>Internal Medicine Journal</i> , 2015 , 45, 352-6	1.6	36
85	Reducing inappropriate polypharmacy: the process of deprescribing. <i>JAMA Internal Medicine</i> , 2015 , 175, 827-34	11.5	722
84	Systematic review of integrated models of health care delivered at the primary-secondary interface: how effective is it and what determines effectiveness?. <i>Australian Journal of Primary Health</i> , 2015 , 21, 391-408	1.4	75
83	High sensitivity-troponin elevation secondary to non-coronary diagnoses and death and recurrent myocardial infarction: An examination against criteria of causality. <i>European Heart Journal: Acute Cardiovascular Care</i> , 2015 , 4, 419-28	4.3	12

82	National Emergency Access Targets metrics of the emergency department-inpatient interface: measures of patient flow and mortality for emergency admissions to hospital. <i>Australian Health Review</i> , 2015 , 39, 533-538	1.8	11
81	Rapid response teams in adult hospitals: time for another look?. <i>Internal Medicine Journal</i> , 2015 , 45, 1211-20	1.8	14
80	Polypharmacy, deprescribing and shared decision-making in primary care: the role of the accredited pharmacist. <i>Journal of Pharmacy Practice and Research</i> , 2015 , 45, 446-449	0.7	9
79	Improving access and equity in reducing cardiovascular risk: the Queensland Health model. <i>Medical Journal of Australia</i> , 2015 , 202, 148-52	4	17
78	Polypharmacy among inpatients aged 70 years or older in Australia. <i>Medical Journal of Australia</i> , 2015 , 202, 373-7	4	64
77	In search of professional consensus in defining and reducing low-value care. <i>Medical Journal of Australia</i> , 2015 , 203, 179-81	4	52
76	Use of benzodiazepines and association with falls in older people admitted to hospital: a prospective cohort study. <i>Drugs and Aging</i> , 2014 , 31, 299-310	4.7	34
75	Patient engagement and shared decision-making. <i>Journal of General Internal Medicine</i> , 2014 , 29, 562	4	4
74	Diagnostic sensitivity of carbohydrate deficient transferrin in heavy drinkers. <i>BMC Gastroenterology</i> , 2014 , 14, 97	3	24
73	Aiming to be NEAT: safely improving and sustaining access to emergency care in a tertiary referral hospital. <i>Australian Health Review</i> , 2014 , 38, 564-74	1.8	42
72	Ten clinician-driven strategies for maximising value of Australian health care. <i>Australian Health Review</i> , 2014 , 38, 125-33	1.8	11
71	First do no harm: a real need to deprescribe in older patients. <i>Medical Journal of Australia</i> , 2014 , 201, 390-2	4	65
70	Enabling the success of academic health science centres in Australia: where is the leadership?. <i>Medical Journal of Australia</i> , 2014 , 201, 636-8	4	2
69	Prescriber barriers and enablers to minimising potentially inappropriate medications in adults: a systematic review and thematic synthesis. <i>BMJ Open</i> , 2014 , 4, e006544	3	363
68	Quality of care factors associated with unplanned readmissions of older medical patients: a case-control study. <i>Internal Medicine Journal</i> , 2014 , 44, 161-70	1.6	19
67	Suggestions for improving guideline utility and trustworthiness. <i>Evidence-Based Medicine</i> , 2014 , 19, 41-6		18
66	Arise the systems physician. <i>Internal Medicine Journal</i> , 2014 , 44, 1251-6	1.6	4
65	Evaluation and outcomes of patients admitted to a tertiary medical assessment unit with acute chest pain of possible coronary origin. <i>EMA - Emergency Medicine Australasia</i> , 2013 , 25, 535-43	1.5	1

64	Deciding when to stop: towards evidence-based deprescribing of drugs in older populations. <i>Evidence-Based Medicine</i> , 2013 , 18, 121-4		75
63	Use of standardised assessment forms in referrals to hepatology outpatient services: implications for accurate triaging of patients with chronic hepatitis C. <i>Australian Health Review</i> , 2013 , 37, 218-22	1.8	11
62	Preoperative cardiac evaluation and management of patients undergoing elective non-cardiac surgery. <i>Medical Journal of Australia</i> , 2013 , 199, 667-73	4	10
61	Deciding when quality and safety improvement interventions warrant widespread adoption. <i>Medical Journal of Australia</i> , 2013 , 198, 408-10	4	3
60	The changing face of cardiovascular care in Australia. <i>Medical Journal of Australia</i> , 2013 , 198, 604-5	4	0
59	Difficult but necessary conversations--the case for advance care planning. <i>Medical Journal of Australia</i> , 2013 , 199, 662-6	4	98
58	Comparative effectiveness research - the missing link in evidence-informed clinical medicine and health care policy making. <i>Medical Journal of Australia</i> , 2013 , 198, 310-2	4	4
57	How to use a noninferiority trial: users' guides to the medical literature. <i>JAMA - Journal of the American Medical Association</i> , 2012 , 308, 2605-11	27.4	60
56	Minimizing inappropriate medications in older populations: a 10-step conceptual framework. <i>American Journal of Medicine</i> , 2012 , 125, 529-37.e4	2.4	79
55	Effects of a drug minimization guide on prescribing intentions in elderly persons with polypharmacy. <i>Drugs and Aging</i> , 2012 , 29, 659-67	4.7	7
54	Improving effectiveness of clinical medicine: the need for better translation of science into practice. <i>Medical Journal of Australia</i> , 2012 , 197, 374-8	4	13
53	Improving the effectiveness of clinical medicine: the need for better science. <i>Medical Journal of Australia</i> , 2012 , 196, 304-8	4	19
52	Highly sensitive troponin assays--a two-edged sword?. <i>Medical Journal of Australia</i> , 2012 , 197, 320-3	4	6
51	A review of hospital characteristics associated with improved performance. <i>International Journal for Quality in Health Care</i> , 2012 , 24, 483-94	1.9	47
50	When financial incentives do more good than harm: a checklist. <i>BMJ, The</i> , 2012 , 345, e5047	5.9	55
49	An adverse event screening tool based on routinely collected hospital-acquired diagnoses. <i>International Journal for Quality in Health Care</i> , 2012 , 24, 266-78	1.9	1
48	Triage of referrals to outpatient hepatology services: an ineffective tool to prioritise patients?. <i>Australian Health Review</i> , 2012 , 36, 443-7	1.8	2
47	Dose counter performance of mometasone furoate/formoterol inhalers in subjects with asthma or COPD. <i>Respiratory Medicine</i> , 2011 , 105, 979-88	4.6	18

46	Using hospital standardised mortality ratios to assess quality of care--proceed with extreme caution. <i>Medical Journal of Australia</i> , 2011 , 194, 645-8	4	36
45	Development of clinical-quality registries in Australia: the way forward. <i>Medical Journal of Australia</i> , 2011 , 194, 360-3	4	63
44	Clinical practice guidelines: the need for greater transparency in formulating recommendations. <i>Medical Journal of Australia</i> , 2011 , 195, 29-33	4	32
43	Impact of hospital-wide process redesign on clinical outcomes: a comparative study of internally versus externally led intervention. <i>BMJ Quality and Safety</i> , 2011 , 20, 539-48	5.4	8
42	Whole-of-hospital response to admission access block: the need for a clinical revolution. <i>Medical Journal of Australia</i> , 2010 , 192, 355-6	4	
41	Cautionary tales in the interpretation of clinical studies involving older persons. <i>Archives of Internal Medicine</i> , 2010 , 170, 587-95		63
40	Improving the accuracy of predicting cardiovascular risk. <i>BMJ, The</i> , 2010 , 340, c2334	5.9	2
39	Early invasive versus conservative strategies for unstable angina and non-ST elevation myocardial infarction in the stent era. <i>Cochrane Database of Systematic Reviews</i> , 2010 , CD004815		35
38	Preventing the rebound: improving care transition in hospital discharge processes. <i>Australian Health Review</i> , 2010 , 34, 445-51	1.8	63
37	Public hospital bed crisis: too few or too misused?. <i>Australian Health Review</i> , 2010 , 34, 317-24	1.8	28
36	Data linkage: a powerful research tool with potential problems. <i>BMC Health Services Research</i> , 2010 , 10, 346	2.9	117
35	The paradox of readmission: effect of a quality improvement program in hospitalized patients with heart failure. <i>Journal of Hospital Medicine</i> , 2010 , 5, 148-53	2.7	19
34	Non-inferiority trials: determining whether alternative treatments are good enough. <i>Medical Journal of Australia</i> , 2009 , 190, 326-30	4	47
33	Thigh circumference and risk of heart disease and premature death. <i>BMJ, The</i> , 2009 , 339, b3302	5.9	8
32	Effectiveness of acute medical units in hospitals: a systematic review. <i>International Journal for Quality in Health Care</i> , 2009 , 21, 397-407	1.9	129
31	The NHHRC final report: view from the hospital sector. <i>Medical Journal of Australia</i> , 2009 , 191, 450-3	4	2
30	Health care workforce crisis in Australia: too few or too disabled?. <i>Medical Journal of Australia</i> , 2009 , 190, 689-92	4	8
29	Evaluating cardiovascular risk assessment for asymptomatic people. <i>BMJ, The</i> , 2009 , 338, a2844	5.9	10

28	Errors in clinical reasoning: causes and remedial strategies. <i>BMJ, The</i> , 2009 , 338, b1860	5.9	73
27	Pay for performance programs in Australia: a need for guiding principles. <i>Australian Health Review</i> , 2008 , 32, 740-9	1.8	3
26	Comparing risk-prediction methods using administrative or clinical data in assessing excess in-hospital mortality in patients with acute myocardial infarction. <i>Medical Journal of Australia</i> , 2008 , 188, 332-6	4	10
