#	Paper	IF	Citations
100	Medication Management in older people with Intellectual Disabilities (MEMID): a scoping review. <i>International Journal of Pharmacy Practice</i> , <b>2022</b> , 30, i44-i45	1.7	
99	A national initiative to promote public involvement in medicine safety in Scotland: the use of a population survey to identify candidate behaviours for intervention development. <i>International Journal of Pharmacy Practice</i> , <b>2022</b> , 30, i7-i8	1.7	
98	A systematic review using the Theoretical Domains Framework to identify barriers and facilitators to the adoption of prescribing guidelines. <i>International Journal of Pharmacy Practice</i> , <b>2021</b> , 29, 3-11	1.7	1
97	User-testing guidelines to improve the safety of intravenous medicines administration: a randomised in situ simulation study. <i>BMJ Quality and Safety</i> , <b>2021</b> , 30, 17-26	5.4	2
96	Multiplicity and complexity: a qualitative exploration of influences on prescribing in UK general practice. <i>BMJ Open</i> , <b>2021</b> , 11, e041460	3	1
95	Knowledge translation is everybody's business. <i>Journal of Controlled Release</i> , <b>2021</b> , 330, 461-462	11.7	
94	Costs and Cost-Effectiveness of User-Testing of Health Professionals' Guidelines to Reduce the Frequency of Intravenous Medicines Administration Errors by Nurses in the United Kingdom: A Probabilistic Model Based on Voriconazole Administration. <i>Applied Health Economics and Health Policy</i> , <b>2021</b> , 1	3.4	0
93	Prescribing of direct oral anticoagulants and warfarin to older people with atrial fibrillation in UK general practice: a cohort study. <i>BMC Medicine</i> , <b>2021</b> , 19, 189	11.4	1
92	A multi-stakeholder approach to the co-production of the research agenda for medicines optimisation. <i>BMC Health Services Research</i> , <b>2021</b> , 21, 64	2.9	
91	User Testing to Improve Retrieval and Comprehension of Information in Guidelines to Improve Medicines Safety. <i>Journal of Patient Safety</i> , <b>2020</b> , 18,	1.9	3
90	Using the behaviour change technique taxonomy v1 (BCTTv1) to identify the active ingredients of pharmacist interventions to improve non-hospitalised patient health outcomes. <i>BMJ Open</i> , <b>2020</b> , 10, e036500	3	4
89	Oral versus intra-vaginal imidazole and triazole anti-fungal treatment of uncomplicated vulvovaginal candidiasis (thrush). <i>The Cochrane Library</i> , <b>2020</b> , 8, CD002845	5.2	1
88	"What counts can't always be measured": a qualitative exploration of general practitioners' conceptualisation of quality for community pharmacy services. <i>BMC Family Practice</i> , <b>2020</b> , 21, 244	2.6	1
87	A qualitative exploration of the experiences of community dwelling older adults with sensory impairment/s receiving polypharmacy on their pharmaceutical care journey. <i>Age and Ageing</i> , <b>2019</b> , 48, 895-902	3	2
86	How does the public conceptualise the quality of care and its measurement in community pharmacies in the UK: a qualitative interview study. <i>BMJ Open</i> , <b>2019</b> , 9, e027198	3	7
85	Effectiveness and Safety of Direct Oral Anticoagulants versus Vitamin K Antagonists for People Aged 75 Years and over with Atrial Fibrillation: A Systematic Review and Meta-Analyses of Observational Studies. <i>Journal of Clinical Medicine</i> , <b>2019</b> , 8,	5.1	25
84	Specialist Clinicians' Management of Dependence on Non-Prescription Medicines and Barriers to Treatment Provision: An Exploratory Mixed Methods Study Using Behavioural Theory. <i>Pharmacy (Basel, Switzerland)</i> , <b>2019</b> , 7,	2	4

83	Using the Human Factors Framework to understand the origins of medication safety problems in community pharmacy: A qualitative study. <i>Research in Social and Administrative Pharmacy</i> , <b>2019</b> , 15, 558-567	2.9	10
82	Quality indicators and community pharmacy services: a scoping review. <i>International Journal of Pharmacy Practice</i> , <b>2019</b> , 27, 490-500	1.7	6
81	A Theory Based Intervention to Enhance Information Exchange during Over-The-Counter Consultations in Community Pharmacy: A Feasibility Study. <i>Pharmacy (Basel, Switzerland)</i> , <b>2019</b> , 7,	2	2
80	Use of oral anticoagulants in older people with atrial fibrillation in UK general practice: protocol for a cohort study using the Clinical Practice Research Datalink (CPRD) database. <i>BMJ Open</i> , <b>2019</b> , 9, e032646	2.6	2
79	Do pharmacy intervention reports adequately describe their interventions? A template for intervention description and replication analysis of reports included in a systematic review. <i>BMJ Open</i> , <b>2019</b> , 9, e025511	3	11
78	Medication safety problems priorities in community pharmacy in Saudi Arabia: a multi-stakeholder Delphi study using the human factors framework. <i>BMJ Open</i> , <b>2019</b> , 9, e032419	3	9
77	"We're really not ready for this": A qualitative exploration of community pharmacy personnel's perspectives on the pharmaceutical care of older people with sensory impairment. <i>Disability and Health Journal</i> , <b>2019</b> , 12, 242-248	4.2	4
76	A mixed-methods evaluation of a community pharmacy signposting service to a commercial weight-loss provider. <i>Public Health Nutrition</i> , <b>2018</b> , 21, 2311-2319	3.3	1
75	Public risk perception of non-prescription medicines and information disclosure during consultations: a suitable target for intervention?. <i>International Journal of Pharmacy Practice</i> , <b>2018</b> , 26, 423-432	1.7	6
74	Interventions to enhance effective communication during over-the-counter consultations in the community pharmacy setting: A systematic review. <i>Research in Social and Administrative Pharmacy</i> , <b>2018</b> , 14, 979-988	2.9	12
73	Quality improvement of community pharmacy services: a prioritisation exercise. <i>International Journal of Pharmacy Practice</i> , <b>2018</b> , 26, 39-48	1.7	6
72	Has she seen me?: a multiple methods study of the pharmaceutical care needs of older people with sensory impairment in Scotland. <i>BMJ Open</i> , <b>2018</b> , 8, e023198	3	12
71	Medication adherence among patients with Type 2 diabetes: A mixed methods study. <i>PLoS ONE</i> , <b>2018</b> , 13, e0207583	3.7	30
70	Pharmacist services for non-hospitalised patients. <i>The Cochrane Library</i> , <b>2018</b> , 9, CD013102	5.2	20
69	'You are still a human being, you still have needs, you still have wants': a qualitative exploration of patients' experiences and views of HIV support. <i>Journal of Public Health</i> , <b>2018</b> , 40, e571-e577	3.5	0
68	Jugglers and tightrope walkers: The challenge of delivering quality community pharmacy services. <i>PLoS ONE</i> , <b>2018</b> , 13, e0200610	3.7	3
67	Development of a Theory-Based Intervention to Enhance Information Exchange during Over-The-Counter Consultations in Community Pharmacy. <i>Pharmacy (Basel, Switzerland)</i> , <b>2018</b> , 6,	2	5
66	Comparative, cross-sectional study of the format, content and timing of medication safety letters issued in Canada, the USA and the UK. <i>BMJ Open</i> , <b>2018</b> , 8, e020150	3	8

65	A scoping review of the pharmaceutical care needs of people with sensory loss. <i>International Journal of Pharmacy Practice</i> , <b>2018</b> , 26, 380-386	1.7	6
64	A simulated patient study assessing over the counter supply and counseling in Jordan: responding to headache complaints. <i>International Journal of Clinical Pharmacy</i> , <b>2018</b> , 40, 982-986	2.3	16
63	The effect of medications which cause inflammation of the gastro-oesophageal tract on cancer risk: a nested case-control study of routine Scottish data. <i>International Journal of Cancer</i> , <b>2017</b> , 140, 1828-1835	7.5	8
62	Do patients have worse outcomes in heart failure than in cancer? A primary care-based cohort study with 10-year follow-up in Scotland. <i>European Journal of Heart Failure</i> , <b>2017</b> , 19, 1095-1104	12.3	119
61	Tele-pharmacy in rural Scotland: a proof of concept study. <i>International Journal of Pharmacy Practice</i> , <b>2017</b> , 25, 210-219	1.7	5
60	It's not what you do it's the way that it's measured: quality assessment of minor ailment management in community pharmacies. <i>International Journal of Pharmacy Practice</i> , <b>2017</b> , 25, 253-262	1.7	12
59	Barriers and Facilitators for Information Exchange during Over-The-Counter Consultations in Community Pharmacy: A Focus Group Study. <i>Pharmacy (Basel, Switzerland)</i> , <b>2017</b> , 5,	2	20
58	Motivational, volitional and multiple goal predictors of walking in people with type 2 diabetes. <i>Psychology of Sport and Exercise</i> , <b>2016</b> , 26, 83-93	4.2	5
57	Non-prescription medicine misuse, abuse and dependence: a cross-sectional survey of the UK general population. <i>Journal of Public Health</i> , <b>2016</b> , 38, 722-730	3.5	14
56	Managing Minor Ailments; The Public's Preferences for Attributes of Community Pharmacies. A Discrete Choice Experiment. <i>PLoS ONE</i> , <b>2016</b> , 11, e0152257	3.7	30
55	An evaluation of an intervention designed to improve the evidence-based supply of non-prescription medicines from community pharmacies. <i>International Journal of Pharmacy Practice</i> , <b>2015</b> , 23, 102-110	1.7	9
54	Pharmacist-led management of chronic pain in primary care: costs and benefits in a pilot randomised controlled trial. <i>BMJ Open</i> , <b>2015</b> , 5, e006874	3	16
53	Understanding the complex interplay of barriers to physical activity amongst black and minority ethnic groups in the United Kingdom: a qualitative synthesis using meta-ethnography. <i>BMC Public Health</i> , <b>2015</b> , 15, 643	4.1	30
52	Support for community pharmacy-based alcohol interventions: a Scottish general public survey. <i>Public Health</i> , <b>2015</b> , 129, 1431-8	4	7
51	Aspirin and other non-steroidal anti-inflammatory drug prescriptions and survival after the diagnosis of head and neck and oesophageal cancer. <i>Cancer Epidemiology</i> , <b>2015</b> , 39, 1015-22	2.8	23
50	Estimating the burden of minor ailment consultations in general practices and emergency departments through retrospective review of routine data in North East Scotland. <i>Family Practice</i> , <b>2015</b> , 32, 165-72	1.9	47
49	A cohort study of influences, health outcomes and costs of patients' health-seeking behaviour for minor ailments from primary and emergency care settings. <i>BMJ Open</i> , <b>2015</b> , 5, e006261	3	60
48	Aspirin and non-steroidal anti-inflammatory drug use and the risk of upper aerodigestive tract cancer. <i>British Journal of Cancer</i> , <b>2014</b> , 111, 1852-9	8.7	26

47	Using the theory of planned behaviour to develop targets for interventions to enhance patient communication during pharmacy consultations for non-prescription medicines. <i>International Journal of Pharmacy Practice</i> , <b>2014</b> , 22, 386-96	1.7	16
46	HSRPP 2014 Aberdeen [Foreword. <i>International Journal of Pharmacy Practice</i> , <b>2014</b> , 22, 1-1	1.7	
45	Provision of hormonal and long-acting reversible contraceptive services by general practices in Scotland, UK (2004-2009). <i>Journal of Family Planning and Reproductive Health Care</i> , <b>2014</b> , 40, 23-9		5
44	The effect of proximity, Tall Man lettering, and time pressure on accurate visual perception of drug names. <i>Human Factors</i> , <b>2013</b> , 55, 253-66	3.8	26
43	Pharmacist-led management of chronic pain in primary care: results from a randomised controlled exploratory trial. <i>BMJ Open</i> , <b>2013</b> , 3,	3	60
42	Are pharmacy-based minor ailment schemes a substitute for other service providers? A systematic review. <i>British Journal of General Practice</i> , <b>2013</b> , 63, e472-81	1.6	64
41	Community pharmacists' perceptions of barriers to communication with migrants. <i>International Journal of Pharmacy Practice</i> , <b>2012</b> , 20, 148-54	1.7	12
40	Patient versus healthcare professional spontaneous adverse drug reaction reporting: a systematic review. <i>Drug Safety</i> , <b>2012</b> , 35, 807-18	5.1	57
39	Incidence and drug treatment of emotional distress after cancer diagnosis: a matched primary care case-control study. <i>British Journal of Cancer</i> , <b>2012</b> , 107, 1644-51	8.7	25
38	Patient versus Healthcare Professional Spontaneous Adverse Drug Reaction Reporting <b>2012</b> , 35, 807		6
37	The provision of current and future Healthy Weight Management (HWM) services from community pharmacies: a survey of community pharmacists' attitudes, practice and future possibilities. <i>International Journal of Pharmacy Practice</i> , <b>2011</b> , 19, 106-14	1.7	30
36	Lightening the load? A systematic review of community pharmacy-based weight management interventions. <i>Obesity Reviews</i> , <b>2011</b> , 12, 897-911	10.6	36
35	Practice-based pharmaceutical services: a systematic review. <i>International Journal of Pharmacy Practice</i> , <b>2011</b> , 10, 225-233	1.7	21
34	Patient views and experiences of making adverse drug reaction reports to the Yellow Card Scheme in the UK. <i>Pharmacoepidemiology and Drug Safety</i> , <b>2011</b> , 20, 523-31	2.6	31
33	Pharmacist dispensing error: The effect of neighbourhood density and time pressure on accurate visual perception of drug names. <i>Proceedings of the Human Factors and Ergonomics Society</i> , <b>2011</b> , 55, 1621-1625	0.4	1
32	The feasibility of providing community pharmacy-based services for alcohol misuse: A literature review. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 17, 199-205	1.7	31
31	Exploring the safe and effective supply and use of non-prescription medicines. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 16, C5-C6	1.7	
30	Adverse drug reaction reporting in the UK: a retrospective observational comparison of yellow card reports submitted by patients and healthcare professionals. <i>Drug Safety</i> , <b>2010</b> , 33, 775-88	5.1	75

29	The evidence-based supply of non-prescription medicines: barriers and beliefs. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 12, 65-72	1.7	34
28	The training needs, attitudes and experience of pharmacy support staff in Northern Scotland. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 12, 191-197	1.7	3
27	Community pharmacists' attitudes to medicines management: a qualitative study. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 12, 217-222	1.7	5
26	Using the Medical Research Council (UK) framework for the development and evaluation of randomised controlled trials for complex interventions to improve health. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 14, 233-234	1.7	4
25	Why educational interventions are not always effective: a theory-based process evaluation of a randomised controlled trial to improve non-prescription medicine supply from community pharmacies. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 14, 249-254	1.7	6
24	Using theory to improve communication: designing a communication skills training package for medicine counter assistants. <i>International Journal of Pharmacy Practice</i> , <b>2010</b> , 15, 79-81	1.7	4
23	Simulated patient visits with immediate feedback to improve the supply of over-the-counter medicines: a feasibility study. <i>Family Practice</i> , <b>2009</b> , 26, 532-42	1.9	43
22	The feasibility of providing community pharmacy-based services for alcohol misuse: a literature review. <i>International Journal of Pharmacy Practice</i> , <b>2009</b> , 17, 199-205	1.7	13
21	The feasibility of providing community pharmacy-based services for alcohol misuse: a literature review. <i>International Journal of Pharmacy Practice</i> , <b>2009</b> , 17, 199-205	1.7	
20	Detection of adverse events in a Scottish hospital using a consensus-based methodology. <i>Scottish Medical Journal</i> , <b>2008</b> , 53, 26-30	1.8	24
19	Exploring the supply of non-prescription medicines from community pharmacies in Scotland. <i>International Journal of Clinical Pharmacy</i> , <b>2008</b> , 30, 526-35		31
18	Adverse-drug-reaction related admissions to a hospital in Scotland. <i>International Journal of Clinical Pharmacy</i> , <b>2008</b> , 30, 854-62		27
17	Oral versus intra-vaginal imidazole and triazole anti-fungal treatment of uncomplicated vulvovaginal candidiasis (thrush). <i>The Cochrane Library</i> , <b>2007</b> , CD002845	5.2	34
16	Using linguistic analysis to explore medicine counter assistants' communication during consultations for nonprescription medicines. <i>Patient Education and Counseling</i> , <b>2007</b> , 65, 51-7	3.1	22
15	Theory-based communication skills training for medicine counter assistants to improve consultations for non-prescription medicines. <i>Medical Education</i> , <b>2007</b> , 41, 450-9	3.7	17
14	Patient evaluation of a community pharmacy medications management service. <i>Annals of Pharmacotherapy</i> , <b>2007</b> , 41, 1962-70	2.9	61
13	Medication and treatment use in primary care patients with chronic pain of predominantly neuropathic origin. <i>Family Practice</i> , <b>2007</b> , 24, 481-5	1.9	64
12	Does organisational culture influence prescribing in care homes for older people? A new direction for research. <i>Drugs and Aging</i> , <b>2007</b> , 24, 81-93	4.7	52

11	International Primary Care Respiratory Group (IPCRG) Guidelines: management of allergic rhinitis. <i>Primary Care Respiratory Journal: Journal of the General Practice Airways Group</i> , <b>2006</b> , 15, 58-70		93
10	Primary care nursing research and the Scottish School of Primary Care. <i>British Journal of Community Nursing</i> , <b>2005</b> , 10, 466-8	0.6	
9	Factors associated with being a false positive on the General Health Questionnaire. <i>Social Psychiatry and Psychiatric Epidemiology</i> , <b>2005</b> , 40, 402-7	4.5	31
8	Applying the theory of planned behaviour to pharmacists' beliefs and intentions about the treatment of vaginal candidiasis with non-prescription medicines. <i>Family Practice</i> , <b>2004</b> , 21, 670-6	1.9	48
7	Simulated patients in the community pharmacy setting. Using simulated patients to measure practice in the community pharmacy setting. <i>International Journal of Clinical Pharmacy</i> , <b>2004</b> , 26, 32-7		65
6	Evidence-based guidelines for non-prescription treatment of vulvovaginal candidiasis (VVC). <i>International Journal of Clinical Pharmacy</i> , <b>2003</b> , 25, 129-34		8
5	The development of evidence-based guidelines for over-the-counter treatment of vulvovaginal candidiasis. <i>International Journal of Clinical Pharmacy</i> , <b>2003</b> , 25, 177-81		13
4	Oral versus intra-vaginal imidazole and triazole anti-fungal agents for the treatment of uncomplicated vulvovaginal candidiasis (thrush): a systematic review. <i>BJOG: an International Journal of Obstetrics and Gynaecology</i> , <b>2002</b> , 109, 85-95	3.7	53
3	Educational strategies to promote evidence-based community pharmacy practice: a cluster randomized controlled trial (RCT). <i>Family Practice</i> , <b>2002</b> , 19, 529-36	1.9	77
2	Guidelines and educational outreach visits from community pharmacists to improve prescribing in general practice: a randomised controlled trial. <i>Journal of Health Services Research and Policy</i> , <b>2001</b> , 6, 207-13	2.4	23
1	Pharmacy students' experience of a novel government-funded experiential learning initiative: A mixed-method study (ACTp Study). <i>Pharmacy Education</i> , 466-476		0
