#	ARTICLE	IF	CITATIONS
1	Which intervention design factors influence performance of community health workers in low- and middle-income countries? A systematic review. <i>Health Policy and Planning</i> , 2015, 30, 1207-1227.	2.7	356
2	How does context influence performance of community health workers in low- and middle-income countries? Evidence from the literature. <i>Health Research Policy and Systems</i> , 2015, 13, 13.	2.8	206
3	Patient participation as dialogue: setting research agendas. <i>Health Expectations</i> , 2010, 13, 160-173.	2.6	194
4	Performance of community health workers: situating their intermediary position within complex adaptive health systems. <i>Human Resources for Health</i> , 2017, 15, 59.	3.1	112
5	A qualitative assessment of health extension workers' relationships with the community and health sector in Ethiopia: opportunities for enhancing maternal health performance. <i>Human Resources for Health</i> , 2015, 13, 80.	3.1	108
6	Optimising the benefits of community health workers' unique position between communities and the health sector: A comparative analysis of factors shaping relationships in four countries. <i>Global Public Health</i> , 2017, 12, 1404-1432.	2.0	106
7	Patients' priorities concerning health research: the case of asthma and COPD research in the Netherlands. <i>Health Expectations</i> , 2005, 8, 253-263.	2.6	86
8	Patient-expert partnerships in research: how to stimulate inclusion of patient perspectives. <i>Health Expectations</i> , 2011, 14, 225-239.	2.6	83
9	Evaluating the 'return on patient engagement initiatives' in medicines research and development: A literature review. <i>Health Expectations</i> , 2020, 23, 5-18.	2.6	70
10	Exploring Maternal Health Care-Seeking Behavior of Married Adolescent Girls in Bangladesh: A Social-Ecological Approach. <i>PLoS ONE</i> , 2017, 12, e0169109.	2.5	64
11	Clinical performance and patient outcome after simulation-based training in prevention and management of postpartum haemorrhage: an educational intervention study in a low-resource setting. <i>BMC Pregnancy and Childbirth</i> , 2017, 17, 301.	2.4	62
12	How well does pre-service education prepare midwives for practice: competence assessment of midwifery students at the point of graduation in Ethiopia. <i>BMC Medical Education</i> , 2015, 15, 130.	2.4	59
13	Nutrition-Sensitive Agriculture: A Systematic Review of Impact Pathways to Nutrition Outcomes. <i>Advances in Nutrition</i> , 2021, 12, 251-275.	6.4	58
14	HIV Testing and Counseling Among Female Sex Workers: A Systematic Literature Review. <i>AIDS and Behavior</i> , 2018, 22, 2435-2457.	2.7	57
15	Involving burn survivors in agenda setting on burn research: An added value?. <i>Burns</i> , 2010, 36, 217-231.	1.9	56
16	Perceived barriers in accessing sexual and reproductive health services for youth in Lao People's Democratic Republic. <i>PLoS ONE</i> , 2019, 14, e0218296.	2.5	54
17	Stakeholder participation in health research agenda setting: the case of asthma and COPD research in the Netherlands. <i>Science and Public Policy</i> , 2006, 33, 291-304.	2.4	53
18	Just having a computer doesn't make sense: The digital divide from the perspective of mothers with a low socio-economic position. <i>New Media and Society</i> , 2019, 21, 2347-2365.	5.0	52

#	ARTICLE	IF	CITATIONS
19	Helping Mothers Survive Bleeding After Birth: retention of knowledge, skills, and confidence nine months after obstetric simulation-based training. <i>BMC Pregnancy and Childbirth</i> , 2015, 15, 190.	2.4	50
20	Social accountability in primary health care in West and Central Africa: exploring the role of health facility committees. <i>BMC Health Services Research</i> , 2017, 17, 403.	2.2	48
21	A realist synthesis of the effect of social accountability interventions on health service providers' and policymakers' responsiveness. <i>Systematic Reviews</i> , 2013, 2, 98.	5.3	47
22	Helping mothers survive bleeding after birth: an evaluation of simulation-based training in a low-resource setting. <i>Acta Obstetrica Et Gynecologica Scandinavica</i> , 2014, 93, 287-295.	2.8	47
23	Patient involvement in research programming and implementation. <i>Health Expectations</i> , 2015, 18, 2449-2464.	2.6	47
24	Health surveillance assistants as intermediates between the community and health sector in Malawi: exploring how relationships influence performance. <i>BMC Health Services Research</i> , 2016, 16, 164.	2.2	47
25	What Influences Adolescent Girls' Decision-Making Regarding Contraceptive Methods Use and Childbearing? A Qualitative Exploratory Study in Rangpur District, Bangladesh. <i>PLoS ONE</i> , 2016, 11, e0157664.	2.5	41
26	Social norms and family planning decisions in South Sudan. <i>BMC Public Health</i> , 2016, 16, 1183.	2.9	37
27	Food beliefs and practices among the Kalenjin pregnant women in rural Uasin Gishu County, Kenya. <i>Journal of Ethnobiology and Ethnomedicine</i> , 2017, 13, 29.	2.6	35
28	Setting Priorities for Optimizing Vascular Access Decision Making – An International Survey of Patients and Clinicians. <i>PLoS ONE</i> , 2015, 10, e0128228.	2.5	32
29	Research and innovation as a catalyst for food system transformation. <i>Trends in Food Science and Technology</i> , 2021, 107, 150-156.	15.1	32
30	Comparing patients' perspectives of 'good care' in Dutch outpatient psychiatric services with academic perspectives of patient-centred care. <i>Journal of Mental Health</i> , 2017, 26, 84-94.	1.9	30
31	Transforming Research and Innovation for Sustainable Food Systems – A Coupled-Systems Perspective. <i>Sustainability</i> , 2019, 11, 7176.	3.2	30
32	Research agendas involving patients: Factors that facilitate or impede translation of patients' perspectives in programming and implementation. <i>Science and Public Policy</i> , 2014, 41, 809-820.	2.4	28
33	Enhancing science-policy interfaces for food systems transformation. <i>Nature Food</i> , 2021, 2, 838-842.	14.0	28
34	The involvement of gynaecological patients in the development of a clinical guideline for resumption of (work) activities in the Netherlands. <i>Health Expectations</i> , 2015, 18, 1397-1412.	2.6	26
35	'We create our own small world': daily realities of mothers of disabled children in a South African urban settlement. <i>Disability and Society</i> , 2019, 34, 95-120.	2.2	25
36	'Do I need to become someone else?' A qualitative exploratory study into the experiences and needs of adults with ADHD. <i>Health Expectations</i> , 2016, 19, 39-48.	2.6	24

#	ARTICLE	IF	CITATIONS
37	Exploring the boundaries of "good" Participatory Action Research in times of increasing popularity: dealing with constraints in local policy for digital inclusion. <i>Educational Action Research</i> , 2021, 29, 20-36.	1.5	24
38	Implementation and scale-up of nutrition-sensitive agriculture in low- and middle-income countries: a systematic review of what works, what doesn't work and why. <i>Global Food Security</i> , 2022, 32, 100595.	8.1	23
39	Too afraid to go: fears of dignity violations as reasons for non-use of maternal health services in South Sudan. <i>Reproductive Health</i> , 2018, 15, 51.	3.1	21
40	Brain-Based Learning and Educational Neuroscience: Boundary Work. <i>Mind, Brain, and Education</i> , 2015, 9, 40-49.	1.9	20
41	Improvement of Quality of Antenatal Care (ANC) Service Provision at the Public Health Facilities in Lao PDR: Perspective and Experiences of Supply and Demand Sides. <i>BMC Pregnancy and Childbirth</i> , 2019, 19, 255.	2.4	20
42	How Poverty Shapes Caring for a Disabled Child: A Narrative Literature Review. <i>Journal of International Development</i> , 2017, 29, 1187-1206.	1.8	19
43	Stakeholder perceptions on patient-centered care at primary health care level in rural eastern Uganda: A qualitative inquiry. <i>PLoS ONE</i> , 2019, 14, e0221649.	2.5	18
44	Evaluation of patient engagement in medicine development: A multi-stakeholder framework with metrics. <i>Health Expectations</i> , 2021, 24, 491-506.	2.6	18
45	Conceptualizing playfulness for reflection processes in responsible research and innovation contexts: a narrative literature review. <i>Journal of Responsible Innovation</i> , 2017, 4, 43-63.	4.9	17
46	Gender relations and women's reproductive health in South Sudan. <i>Global Health Action</i> , 2016, 9, 33047.	1.9	14
47	Maternal health care-seeking behaviour of married adolescent girls: A prospective qualitative study in Banke District, Nepal. <i>PLoS ONE</i> , 2019, 14, e0217968.	2.5	14
48	Giving patients a voice: a participatory evaluation of patient engagement in Newfoundland and Labrador Health Research. <i>Research Involvement and Engagement</i> , 2020, 6, 39.	2.9	14
49	Unraveling the politics of "doing inclusion" in transdisciplinarity for sustainable transformation. <i>Sustainability Science</i> , 2021, 16, 1811-1826.	4.9	14
50	Gendered norms of responsibility: reflections on accountability politics in maternal health care in Malawi. <i>International Journal for Equity in Health</i> , 2018, 17, 131.	3.5	13
51	Do health care providers give sufficient information and good counseling during ante-natal care in Lao PDR?: an observational study. <i>BMC Health Services Research</i> , 2019, 19, 449.	2.2	13
52	Interactive learning and action: realizing the promise of synthetic biology for global health. <i>Systems and Synthetic Biology</i> , 2013, 7, 127-138.	1.0	12
53	Assessing post-abortion care in health facilities in Afghanistan: a cross-sectional study. <i>BMC Pregnancy and Childbirth</i> , 2015, 15, 6.	2.4	12
54	Inclusive deliberation and action in emerging RRI practices: the case of neuroimaging in security management. <i>Journal of Responsible Innovation</i> , 2016, 3, 26-49.	4.9	12
