#	Paper	IF	Citations
160	"Post-lockdown Depression": Adaptation Difficulties, Depressive Symptoms, and the Role of Positive Solitude When Returning to Routine After the Lifting of Nation-Wide COVID-19 Social Restrictions.. <i>Frontiers in Psychiatry</i> , 2022 , 13, 838903	5	2
159	The Association Between Views of Aging and Subjective Cognitive Complaints in Older Adults: Findings From Two Samples.. <i>Research on Aging</i> , 2022 , 1640275211065150	3	0
158	Vaccine and Psychological Booster: Factors Associated With Older Adults' Compliance to the Booster COVID-19 Vaccine in Israel.. <i>Journal of Applied Gerontology</i> , 2022 , 7334648221081982	3.3	2
157	Nursing aides' mentalization, expressed emotion, and observed interaction with residents with dementia: A quasi-experimental study.. <i>Geriatric Nursing</i> , 2022 , 45, 100-107	2.1	
156	Analyzing the Layout of Long-Term Care Facilities: A Psycho-Spatial Approach.. <i>Herd</i> , 2022 , 15, 22-42	2.4	
155	COVID-19 Vaccinations and Anxiety in Middle-Aged and Older Jews and Arabs in Israel: The Moderating Roles of Ethnicity and Subjective Age.. <i>Journal of Applied Gerontology</i> , 2022 , 7334648221092029	2.3	1
154	Making and Receiving Offers of Help on Social Media Following Disaster Predict Posttraumatic Growth but not Posttraumatic Stress. <i>Disaster Medicine and Public Health Preparedness</i> , 2021 , 15, 484-490	2.8	1
153	Fatalism and ICD-11 CPTSD and PTSD diagnoses: results from Nigeria, Kenya & Ghana. <i>Högskoleutbildning</i> , 2021 , 12, 1988452	5	1
152	The Moderating Role of Views of Aging in the Longitudinal Relationship Between Physical Health and Mental Distress. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2021 , 76, 871-880	4.6	3
151	Ageism, Personal and Others' Perceptions of Age Awareness, and Their Interactive Effect on Subjective Accelerated Aging. <i>Journal of Applied Gerontology</i> , 2021 , 40, 1876-1880	3.3	7
150	The Definition and Categories of Positive Solitude: Older and Younger Adults' Perspectives on Spending Time by Themselves. <i>International Journal of Aging and Human Development</i> , 2021 , 93, 943-962	1.8	11
149	The Moderating Role of the Hostile-World Scenario in the Connections Between COVID-19 Worries, Loneliness, and Anxiety. <i>Frontiers in Psychology</i> , 2021 , 12, 645655	3.4	1
148	No psychological vaccination: Vaccine hesitancy is associated with negative psychiatric outcomes among Israelis who received COVID-19 vaccination. <i>Journal of Affective Disorders</i> , 2021 , 287, 352-353	6.6	23
147	Event centrality and secondary traumatization among Holocaust survivors' offspring and grandchildren: A three-generation study. <i>Journal of Anxiety Disorders</i> , 2021 , 81, 102401	10.9	1
146	The Moderating Effect of Older Adults' Receptive Arts Engagement on the Association Between Resilience and Anxiety Symptoms During Coronavirus Breakout. <i>Journal of Nervous and Mental Disease</i> , 2021 , 209, 443-448	1.8	2
145	Attitudes to aging mediate the reciprocal effects of health anxiety and physical functioning. <i>Psychology and Health</i> , 2021 , 1-19	2.9	
144	COVID-19 related loneliness and sleep problems in older adults: Worries and resilience as potential moderators. <i>Personality and Individual Differences</i> , 2021 , 168, 110371	3.3	78

143	Subjective accelerated aging moderates the association between COVID-19 health worries and peritraumatic distress among older adults. <i>Global Mental Health (Cambridge, England)</i> , 2021 , 8, e16	3.9	3
142	Can subjective perceptions of trauma differentiate between ICD-11 PTSD and complex PTSD? A cross-cultural comparison of three African countries. <i>Psychological Trauma: Theory, Research, Practice, and Policy</i> , 2021 , 13, 142-148	7.8	1
141	Age-Related Differences in the Online Processing of Spoken Semantic Context and the Effect of Semantic Competition: Evidence From Eye Gaze. <i>Journal of Speech, Language, and Hearing Research</i> , 2021 , 64, 315-327	2.8	7
140	Vaccination anxiety when vaccinations are available: The role of existential concerns. <i>Stress and Health</i> , 2021 ,	3.7	6
139	A storm in a teacup: older adults' low prevalence of COVID-19 vaccine side-effects and their link with vaccination anxiety. <i>International Psychogeriatrics</i> , 2021 , 1-3	3.4	3
138	Severe Covid-19 Vaccine Side-Effects are Rare in Older Adults yet are Linked With Depressive Symptoms. <i>American Journal of Geriatric Psychiatry</i> , 2021 ,	6.5	0
137	Factors associated with current posttraumatic stress disorder among COVID-19 vaccinated older adults in Israel. <i>Journal of Psychiatric Research</i> , 2021 , 142, 272-274	5.2	3
136	Posttraumatic Manifestations Among Older Adults. <i>GeroPsych: the Journal of Gerontopsychology and Geriatric Psychiatry</i> , 2021 , 34, 167-168	1	
135	Response to Van Orden's Commentary on "COVID-19 Related Loneliness and Psychiatric Symptoms Among Older Adults: The Buffering Role of Subjective Age". <i>American Journal of Geriatric Psychiatry</i> , 2020 , 28, 1208-1209	6.5	1
134	COVID-19-Related Loneliness and Psychiatric Symptoms Among Older Adults: The Buffering Role of Subjective Age. <i>American Journal of Geriatric Psychiatry</i> , 2020 , 28, 1200-1204	6.5	79
133	Ageism: can a museum exhibit make a difference?. <i>International Psychogeriatrics</i> , 2020 , 32, 777-780	3.4	4
132	COVID-19 health worries and anxiety symptoms among older adults: the moderating role of ageism. <i>International Psychogeriatrics</i> , 2020 , 32, 1371-1375	3.4	53
131	The loneliness pandemic: Loneliness and other concomitants of depression, anxiety and their comorbidity during the COVID-19 outbreak. <i>Journal of Affective Disorders</i> , 2020 , 275, 109-111	6.6	207
130	Evaluating a community fire as human-made vs. natural disaster moderates the relationship between peritraumatic distress and both PTSD symptoms and posttraumatic growth. <i>Anxiety, Stress and Coping</i> , 2020 , 33, 569-580	3.1	7
129	Playback theatre in adult day centers: A creative group intervention for community-dwelling older adults. <i>PLoS ONE</i> , 2020 , 15, e0239812	3.7	4
128	The moderating role of subjective nearness-to-death in the association between health worries and death anxieties from COVID-19. <i>Death Studies</i> , 2020 , 1-6	3.9	9
127	The associations between media use, peritraumatic distress, anxiety and resilience during the COVID-19 pandemic. <i>Journal of Psychiatric Research</i> , 2020 ,	5.2	7
126	Exploring gaps in positive solitude perceptions: older adults vs. gerontology professionals. <i>International Psychogeriatrics</i> , 2020 , 1-11	3.4	4

125	Synchrony in Old Age: Playing the Mirror Game Improves Cognitive Performance. <i>Clinical Gerontologist</i> , 2020 , 1-15	2.7	2
124	Positive mental health moderates the association between PTSD symptoms and subjective accelerated aging among older adults. <i>International Psychogeriatrics</i> , 2020 , 32, 885-889	3.4	4
123	A Network Analysis of Peritraumatic Distress Reactions and Their Relation to Posttraumatic Stress Symptoms in People Exposed to Community Fires. <i>Psychiatry (New York)</i> , 2020 , 83, 375-389	1	
122	Subjective Age and Emotion Covariation: Findings From Two Daily Experience Studies. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2020 , 75, 991-1000	4.6	8
121	Don't let me down: The effect of age and chosen music on mood is moderated by focus on emotions. <i>Journal of Positive Psychology</i> , 2020 , 15, 254-266	3.2	2
120	Which Factors do Older Adults Consider When Estimating the Time Left for Them to Live?. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2019 , 74, 69-73	4.6	8
119	Understanding the long-term connections between posttraumatic stress, subjective age, and successful aging among midlife and older adults. <i>Högre Utbildning</i> , 2019 , 10, 1583523	5	12
118	Close social relationships and loneliness: the role of subjective age. <i>International Psychogeriatrics</i> , 2019 , 1-5	3.4	11
117	Subjective traumatic outlook as a screening tool for psychological trauma: Cut-off values and diagnostic criteria. <i>Psychiatry Research</i> , 2019 , 273, 121-126	9.9	1
116	'It is nothing more than a senior moment': the moderating role of subjective age in the effect of change in memory on self-rated memory. <i>Aging and Mental Health</i> , 2019 , 23, 272-276	3.5	10
115	Complex PTSD and its correlates amongst female Yazidi victims of sexual slavery living in post-ISIS camps. <i>World Psychiatry</i> , 2018 , 17, 112-113	14.4	19
114	Grip strength and quality of life in the second half of life: hope as a moderator. <i>Aging and Mental Health</i> , 2018 , 22, 1600-1605	3.5	0
113	A light in a sea of darkness: the moderating role of emotional complexity in the PTSD symptoms-successful aging association. <i>Aging and Mental Health</i> , 2018 , 22, 826-833	3.5	9
112	Perception Counts: The Relationships of Inner Perceptions of Trauma and PTSD Symptoms Across Time. <i>Psychiatry (New York)</i> , 2018 , 81, 361-375	1	9
111	On the edge: The association between extreme values of proportional felt-age and functioning. <i>Psychiatry Research</i> , 2018 , 270, 538-543	9.9	1
110	Subjective Age as a Moderator in the Reciprocal Effects Between Posttraumatic Stress Disorder Symptoms and Self-Rated Physical Functioning. <i>Frontiers in Psychology</i> , 2018 , 9, 1746	3.4	14
109	Conducting playback theatre with older adults: A therapist's perspective. <i>Arts in Psychotherapy</i> , 2018 , 60, 72-81	1.6	8
108	Ageism in Mental Health Assessment and Treatment of Older Adults. <i>International Perspectives on Aging</i> , 2018 , 241-262	0.5	32

107	Longitudinal associations between perceived age discrimination and subjective well-being: variations by age and subjective life expectancy. <i>Aging and Mental Health</i> , 2017 , 21, 761-765	3.5	20
106	Life-crossroads on stage: integrating life review and drama therapy for older adults. <i>Aging and Mental Health</i> , 2017 , 21, 1079-1089	3.5	23
105	Older Adults Exposed to Ongoing versus Intense Time-Limited Missile Attacks: Differences in Symptoms of Posttraumatic Stress Disorder. <i>Psychiatry (New York)</i> , 2017 , 80, 64-78	1	4
104	The theoretical and psychometric properties of the Subjective Traumatic Outlook (STO) questionnaire. <i>Psychiatry Research</i> , 2017 , 253, 165-173	9.9	5
103	Matter of will: The association between posttraumatic stress symptoms and the will-to-live. <i>Psychiatry Research</i> , 2017 , 249, 180-186	9.9	10
102	When the human spirit helps? The moderating role of somatization on the association between Olympic game viewing and the will-to-live. <i>Psychiatry Research</i> , 2017 , 257, 438-440	9.9	3
101	Negative and positive perceptions of media sources and PTSD symptoms among older adults exposed to missile attacks. <i>Personality and Individual Differences</i> , 2017 , 119, 185-188	3.3	8
100	Accelerated increase and relative decrease in subjective age and changes in attitudes toward own aging over a 4-year period: results from the Health and Retirement Study. <i>European Journal of Ageing</i> , 2017 , 14, 17-27	3.6	21
99	Changes in positive and negative affect as predictors of change in felt age: Results from the Health and Retirement Study. <i>Journal of Positive Psychology</i> , 2017 , 12, 605-612	3.2	8
98	The reciprocal relationship between depression and physical morbidity: The role of subjective age. <i>Health Psychology</i> , 2017 , 36, 848-851	5	31
97	Typhoon survivors' subjective wellbeing-A different view of responses to natural disaster. <i>PLoS ONE</i> , 2017 , 12, e0184327	3.7	6
96	Lower subjective life expectancy in later life is a risk factor for posttraumatic stress symptoms among trauma survivors. <i>Psychological Trauma: Theory, Research, Practice, and Policy</i> , 2017 , 9, 198-206	7.8	6
95	Motives of mentalization among older adults exposed in adulthood to potentially traumatic life events: A qualitative exploration.. <i>Traumatology</i> , 2017 , 23, 273-281	2.3	7
94	Accelerated increase and decrease in subjective age as a function of changes in loneliness and objective social indicators over a four-year period: results from the health and retirement study. <i>Aging and Mental Health</i> , 2016 , 20, 743-51	3.5	19
93	Positivity ratio of flourishing individuals: Examining the moderation effects of methodological variations and chronological age. <i>Journal of Positive Psychology</i> , 2016 , 11, 109-123	3.2	16
92	Predictors of Psychotherapy Use among Community-Dwelling Older Adults with Depressive Symptoms. <i>Clinical Gerontologist</i> , 2016 , 39, 127-138	2.7	5
91	Which category of lifetime adversity accelerates physical impairment among Israeli older adults?. <i>European Journal of Ageing</i> , 2016 , 13, 323-334	3.6	2
90	Subjective age and perceived distance-to-death moderate the association between posttraumatic stress symptoms and posttraumatic growth among older adults. <i>Aging and Mental Health</i> , 2016 , 20, 948-954	3.5	34

89	A Youthful Age Identity Mitigates the Effect of Post-Traumatic Stress Disorder Symptoms on Successful Aging. <i>American Journal of Geriatric Psychiatry</i> , 2016 , 24, 174-5	6.5	23
88	A cross-cultural longitudinal examination of the effect of cumulative adversity on the mental and physical health of older adults. <i>Psychological Trauma: Theory, Research, Practice, and Policy</i> , 2016 , 8, 172-179	7.8	1
87	Psychological effects following the Iran nuclear deal: Iranian nuclear threat salience moderates the relationship between PTSD symptoms and sleep problems. <i>Psychiatry Research</i> , 2016 , 243, 292-4	9.9	7
86	Comorbidity of Post-traumatic Stress Symptoms and Depressive Symptoms among Obstetric Nurses with Perinatal Death Exposure. <i>Israel Journal of Psychiatry</i> , 2016 , 53, 58-62		4
85	Quality of life attenuates age-related decline in functional status of older adults. <i>Quality of Life Research</i> , 2015 , 24, 1835-43	3.7	30
84	Gender differences in psychological reactions to Hurricane Sandy among New York Metropolitan Area residents. <i>Psychiatric Quarterly</i> , 2015 , 86, 285-96	4.1	25
83	The inoculating role of previous exposure to potentially traumatic life events on coping with prolonged exposure to rocket attacks: A lifespan perspective. <i>Psychiatry Research</i> , 2015 , 227, 296-301	9.9	18
82	Family Involvement and Holocaust Salience among Offspring and Grandchildren of Holocaust Survivors. <i>Journal of Intergenerational Relationships</i> , 2015 , 13, 6-21	1.2	5
81	Factors predicting risk for PTSD among highly exposed civilians: two longitudinal studies. <i>Psychiatric Quarterly</i> , 2015 , 86, 19-32	4.1	10
80	The recursive effects of quality of life and functional limitation among older adult cancer patients: evidence from the Survey of Health, Ageing and Retirement in Europe. <i>European Journal of Cancer Care</i> , 2015 , 24, 205-12	2.4	2
79	Emotional complexity and its effect on psychological distress as a function of chronological age and subjective distance-to-death. <i>Aging and Mental Health</i> , 2015 , 19, 1056-62	3.5	10
78	From Hiroshima to Fukushima: PTSD symptoms and radiation stigma across regions in Japan. <i>Journal of Psychiatric Research</i> , 2015 , 60, 185-6	5.2	22
77	When you're down and troubled: Views on the regulatory power of music. <i>Psychology of Music</i> , 2015 , 43, 793-807	1.2	16
76	Dispositional optimism and terminal decline in global quality of life. <i>Developmental Psychology</i> , 2015 , 51, 856-63	3.7	5
75	Predictors of the new criteria for probable PTSD among older adults. <i>Psychiatry Research</i> , 2015 , 230, 777-82	9.9	15
74	Association between Media Use, Acute Stress Disorder and Psychological Distress. <i>Psychotherapy and Psychosomatics</i> , 2015 , 84, 253-4	9.4	23
73	Global quality of life modifies terminal change in physical functioning among older adult women. <i>Age and Ageing</i> , 2015 , 44, 520-4	3	3
72	Aging with Trauma Across the Lifetime and Experiencing Trauma in Old Age: Vulnerability and Resilience Intertwined 2015 , 293-308		15

71	Cognitive appraisal and psychological distress among patients with irritable bowel syndrome. <i>Israel Journal of Psychiatry</i> , 2015 , 52, 54-9		8
70	How Do Meaning in Life and Positive Affect Relate to Adaptation to Stress? The Case of Firefighters Following the Mount Carmel Forest Fire. <i>Israel Journal of Psychiatry</i> , 2015 , 52, 68-70		3
69	Not so close but still extremely loud: recollection of the World Trade Center terror attack and previous hurricanes moderates the association between exposure to hurricane Sandy and posttraumatic stress symptoms. <i>Comprehensive Psychiatry</i> , 2014 , 55, 807-12	7.3	17
68	Fear of aging moderates post-traumatic stress disorder symptoms among older adults exposed to Hurricane Sandy. <i>American Journal of Geriatric Psychiatry</i> , 2014 , 22, 741	6.5	1
67	Trauma transmission through perceived parental burden among Holocaust survivors' offspring and grandchildren.. <i>Psychological Trauma: Theory, Research, Practice, and Policy</i> , 2014 , 6, 420-429	7.8	30
66	Age-related and death-related differences in emotional complexity. <i>Psychology and Aging</i> , 2014 , 29, 284-96	3.9	21
65	Previous exposure to the World Trade Center terrorist attack and posttraumatic symptoms among older adults following Hurricane Sandy. <i>Psychiatry (New York)</i> , 2014 , 77, 374-85	1	50
64	The effect of age on illness cognition, subjective well-being and psychological distress among gastric cancer patients. <i>Stress and Health</i> , 2014 , 30, 280-6	3.7	5
63	Concomitants of perceived trust in hospital and medical services following Hurricane Sandy. <i>Psychiatry Research</i> , 2014 , 220, 1160-2	9.9	8
62	The interactive effect of subjective age and subjective distance-to-death on psychological distress of older adults. <i>Aging and Mental Health</i> , 2014 , 18, 1066-70	3.5	67
61	The impact of perinatal death on obstetrics nurses: a longitudinal and cross-sectional examination. <i>Journal of Perinatal Medicine</i> , 2014 , 42, 75-81	2.7	17
60	¶Will Fear no Evil, for I Am with Me¶Mentalization-Oriented Intervention with PTSD Patients. A Case Study. <i>Journal of Contemporary Psychotherapy</i> , 2014 , 44, 173-182	2.3	9
59	Ongoing Cumulative Chronic Stressors as Predictors of Well-Being in the Second Half of Life. <i>Journal of Happiness Studies</i> , 2013 , 14, 1127-1144	3.7	8
58	Face it: collecting mental health and disaster related data using Facebook vs. personal interview: the case of the 2011 Fukushima nuclear disaster. <i>Psychiatry Research</i> , 2013 , 208, 91-3	9.9	11
57	In the eye of the storm or the bullseye of the media: social media use during Hurricane Sandy as a predictor of post-traumatic stress. <i>Journal of Psychiatric Research</i> , 2013 , 47, 1099-100	5.2	39
56	The association between self-reported change in vote for the presidential election of 2012 and posttraumatic stress disorder symptoms following Hurricane Sandy. <i>Psychiatry Research</i> , 2013 , 210, 1304-8	8.9	2
55	Against all odds: a preliminary study comparing hospital personnel and rescue personnel reactions to Haiti's earthquake. <i>General Hospital Psychiatry</i> , 2013 , 35, e1-2	5.6	9
54	Are ongoing cumulative chronic stressors associated with optimism and pessimism in the second half of life?. <i>Anxiety, Stress and Coping</i> , 2013 , 26, 674-89	3.1	7

53	Does the relationship between affect complexity and self-esteem differ in young-old and old-old participants?. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2013 , 68, 665-73	4.6	16
52	Associations of loneliness in older married men and women. <i>Aging and Mental Health</i> , 2013 , 17, 33-9	3.5	38
51	Reactions to the 2011 Tōhoku earthquake and tsunami: a preliminary matching study comparing nurses and civilians. <i>Journal of Nervous and Mental Disease</i> , 2013 , 201, 534-6	1.8	9
50	Subjective assessments of threats and their association to posttraumatic stress disorder symptoms: the case of the 2011 Japan earthquake and nuclear disaster. <i>Journal of Clinical Psychiatry</i> , 2013 , 74, 280	4.6	2
49	The Association of Disaster-Related Experiences and Self-Reported Recollections of National Trauma With Posttraumatic Stress Disorder Symptoms Following Hurricane Sandy. <i>Journal of Clinical Psychiatry</i> , 2013 , 74, 1265-1266	4.6	4
48	Predictors of professional quality of life among physicians in a conflict setting: the role of risk and protective factors. <i>Israel Journal of Psychiatry</i> , 2013 , 50, 174-80		8
47	Somatization and psychiatric symptoms among hospital nurses exposed to war stressors. <i>Israel Journal of Psychiatry</i> , 2013 , 50, 182-6		4
46	Mental health and disaster related attitudes among Japanese after the 2011 Fukushima nuclear disaster. <i>Journal of Psychiatric Research</i> , 2012 , 46, 688-90	5.2	11
45	Self- and other-oriented potential lifetime traumatic events as predictors of loneliness in the second half of life. <i>Aging and Mental Health</i> , 2012 , 16, 423-30	3.5	30
44	Mental health consequences of the 2011 Fukushima nuclear disaster: are the grandchildren of people living in Hiroshima and Nagasaki during the drop of the atomic bomb more vulnerable?. <i>World Psychiatry</i> , 2012 , 11, 133	14.4	15
43	The effect of prolonged exposure to war-related stress among hospital personnel with different affect types: lessons from the Second Lebanon War and the Gaza "Cast Lead" operation. <i>Hogre Utbildning</i> , 2012 , 3,	5	6
42	Formal education level versus self-rated literacy as predictors of cognitive aging. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2012 , 67, 697-704	4.6	21
41	Vulnerability and resilience in a group intervention with hospital personnel during exposure to extreme and prolonged war stress. <i>Prehospital and Disaster Medicine</i> , 2012 , 27, 103-8	0.8	2
40	No place like home? Potential pathways to loneliness in older adults under the care of a live-in foreign home care worker. <i>Journal of Psychology: Interdisciplinary and Applied</i> , 2012 , 146, 189-200	2.7	16
39	How subjective well-being and meaning in life interact in the hostile world?. <i>Journal of Positive Psychology</i> , 2011 , 6, 273-285	3.2	40
38	Comorbidity of posttraumatic stress symptoms and depressive symptoms among gastric cancer patients. <i>European Journal of Oncology Nursing</i> , 2011 , 15, 454-8	2.8	17
37	Psychiatric symptoms and psychosocial functioning among hospital personnel during the Gaza War: a repeated cross-sectional study. <i>Psychiatry Research</i> , 2011 , 189, 392-5	9.9	25
36	The association between previous psychological trauma and mental health among gastric cancer patients. <i>European Journal of Psychiatry</i> , 2011 , 25, 122-133	1	5

35	Transgenerational effects of trauma in midlife: Evidence for resilience and vulnerability in offspring of Holocaust survivors. <i>Psychological Trauma: Theory, Research, Practice, and Policy</i> , 2011 , 3, 394-402	7.8	36
34	The relationship between demographic/educational parameters and perceptions, knowledge and earthquake mitigation in Israel. <i>Disasters</i> , 2011 , 35, 36-44	2.8	24
33	The relationships between daily optimism, daily pessimism, and affect differ in young and old age. <i>Personality and Individual Differences</i> , 2011 , 50, 1294-1299	3.3	24
32	Factors associated with mental health utilization among minorities following the second Lebanon war in Israel. <i>Psychiatric Quarterly</i> , 2011 , 82, 297-302	4.1	3
31	The positivity ratio and functioning under stress. <i>Stress and Health</i> , 2011 , 27, 265-271	3.7	22
30	For better and for worse: the relationship between future expectations and functioning in the second half of life. <i>Journals of Gerontology - Series B Psychological Sciences and Social Sciences</i> , 2011 , 66, 195-203	4.6	32
29	Functioning and Mortality of Holocaust Survivors: Physical Resilience and Psychosocial Vulnerabilities. <i>Journal of Loss and Trauma</i> , 2011 , 16, 67-83	3.9	16
28	World assumptions and psychological functioning among ultraorthodox and secular holocaust survivors.. <i>Traumatology</i> , 2011 , 17, 14-21	2.3	20
27	Resilience and Vulnerability Among Aging Holocaust Survivors and Their Families: An Intergenerational Overview. <i>Journal of Intergenerational Relationships</i> , 2011 , 9, 7-21	1.2	41
