#	Paper	IF	Citations
100	Identifying mechanisms for facilitating knowledge to action strategies targeting the built environment. <i>BMC Public Health</i> , 2017 , 17, 1	4.1	322
99	Health care utilization in non-traumatic and traumatic spinal cord injury: a population-based study. <i>Spinal Cord</i> , 2010 , 48, 45-50	2.7	82
98	Health system factors associated with rehospitalizations after traumatic spinal cord injury: a population-based study. <i>Spinal Cord</i> , 2009 , 47, 604-9	2.7	78
97	Characteristics of adults with incident traumatic spinal cord injury in Ontario, Canada. <i>Spinal Cord</i> , 2010 , 48, 39-44	2.7	73
96	Direct costs of adult traumatic spinal cord injury in Ontario. <i>Spinal Cord</i> , 2013 , 51, 64-9	2.7	63
95	Secondary health conditions and spinal cord injury: an uphill battle in the journey of care. <i>Disability and Rehabilitation</i> , 2013 , 35, 894-906	2.4	56
94	Determinants of research use in clinical decision making among physical therapists providing services post-stroke: a cross-sectional study. <i>Implementation Science</i> , 2010 , 5, 77	8.4	50
93	Factors influencing information seeking by physical therapists providing stroke management. <i>Physical Therapy</i> , 2009 , 89, 1039-50	3.3	45
92	Enriching qualitative research by engaging peer interviewers: a case study. <i>Qualitative Research</i> , 2016 , 16, 661-680	2.2	44
91	Physician utilization among adults with traumatic spinal cord injury in Ontario: a population-based study. <i>Spinal Cord</i> , 2009 , 47, 470-6	2.7	43
90	Physical therapists' perceptions and use of standardized assessments of walking ability post-stroke. <i>Journal of Rehabilitation Medicine</i> , 2011 , 43, 543-9	3.4	38
89	Is the emergency department an appropriate substitute for primary care for persons with traumatic spinal cord injury?. <i>Spinal Cord</i> , 2013 , 51, 202-8	2.7	34
88	Who Are the High-Cost Users? A Method for Person-Centred Attribution of Health Care Spending. <i>PLoS ONE</i> , 2016 , 11, e0149179	3.7	33
87	Development of a Chronic Care Model for Neurological Conditions (CCM-NC). <i>BMC Health Services Research</i> , 2014 , 14, 409	2.9	27
86	"In this together": Social identification predicts health outcomes (via self-efficacy) in a chronic disease self-management program. <i>Social Science and Medicine</i> , 2018 , 208, 172-179	5.1	26
85	An online community of practice to support evidence-based physiotherapy practice in manual therapy. <i>Journal of Continuing Education in the Health Professions</i> , 2014 , 34, 215-23	2.1	26
84	Social networks and secondary health conditions: the critical secondary team for individuals with spinal cord injury. <i>Journal of Spinal Cord Medicine</i> , 2012 , 35, 330-42	1.9	25

83	Level of disability, multi-morbidity and breast cancer screening: does severity matter?. <i>Preventive Medicine</i> , 2014 , 67, 193-8	4.3	24
82	The association between social cohesion in the neighborhood and body mass index (BMI): An examination of gendered differences among urban-dwelling Canadians. <i>Preventive Medicine</i> , 2017 , 99, 293-298	4.3	19
81	Application of the Andersen's health care utilization framework to secondary complications of spinal cord injury: a scoping review. <i>Disability and Rehabilitation</i> , 2012 , 34, 531-41	2.4	19
80	Cost-related nonadherence to prescription medications in Canada: a scoping review. <i>Patient Preference and Adherence</i> , 2018 , 12, 1699-1715	2.4	19
79	Prescription drug claims following a traumatic spinal cord injury for older adults: a retrospective population-based study in Ontario, Canada. <i>Spinal Cord</i> , 2018 , 56, 1059-1068	2.7	18
78	Screening for cervical cancer in women with disability and multimorbidity: a retrospective cohort study in Ontario, Canada. <i>CMAJ Open</i> , 2014 , 2, E240-7	2.5	18
77	Impact of a chronic disease self-management program on health care utilization in rural communities: a retrospective cohort study using linked administrative data. <i>BMC Health Services Research</i> , 2014 , 14, 198	2.9	18
76	Patient and caregiver experience with delayed discharge from a hospital setting: A scoping review. <i>Health Expectations</i> , 2019 , 22, 863-873	3.7	17
75	Spanning boundaries into remote communities: an exploration of experiences with telehealth chronic disease self-management programs in rural northern Ontario, Canada. <i>Telemedicine Journal and E-Health</i> , 2013 , 19, 904-9	5.9	16
74	Developing quality of care indicators for patients with traumatic and non-traumatic spinal cord injury (SCI): A feasibility study using administrative health data. <i>Journal of Spinal Cord Medicine</i> , 2015 , 38, 765-76	1.9	15
73	An examination of objective social disconnectedness and perceived social isolation among persons with spinal cord injury/dysfunction: a descriptive cross-sectional study. <i>Disability and Rehabilitation</i> , 2021 , 43, 69-75	2.4	14
72	Prevalence of osteoarthritis in individuals with COPD: a systematic review. <i>International Journal of COPD</i> , 2018 , 13, 1207-1216	3	13
71	The use of self-management strategies for problem gambling: a scoping review. <i>BMC Public Health</i> , 2019 , 19, 445	4.1	10
70	Validation of Algorithm to Identify Persons with Non-traumatic Spinal Cord Dysfunction in Canada Using Administrative Health Data. <i>Topics in Spinal Cord Injury Rehabilitation</i> , 2017 , 23, 333-342	1.5	10
69	Characteristics of Non-traumatic Spinal Cord Dysfunction in Canada Using Administrative Health Data. <i>Topics in Spinal Cord Injury Rehabilitation</i> , 2017 , 23, 343-352	1.5	10
68	Toward a Person-Centred Learning Health System: Understanding Value from the Perspectives of Patients and Caregivers. <i>HealthcarePapers</i> , 2019 , 18, 36-46	0.7	10
67	"Talk with me": perspectives on services for men with problem gambling and housing instability. <i>BMC Health Services Research</i> , 2016 , 16, 340	2.9	9
66	The knowledge, attitudes, and practices of Canadian master of physical therapy students regarding peer mentorship. <i>Physiotherapy Canada Physiotherapie Canada</i> , 2012 , 64, 65-76	0.8	9

65	Gambling in the Landscape of Adversity in Youth: Reflections from Men Who Live with Poverty and Homelessness. <i>International Journal of Environmental Research and Public Health</i> , 2016 , 13,	4.6	9
64	Preventive care among primary care patients living with spinal cord injury. <i>Journal of Spinal Cord Medicine</i> , 2019 , 42, 702-708	1.9	9
63	Patient and caregiver experiences on care transitions for adults with a hip fracture: a scoping review. <i>Disability and Rehabilitation</i> , 2020 , 42, 3549-3558	2.4	9
62	The impact of hospital harm on length of stay, costs of care and length of person-centred episodes of care: a retrospective cohort study. <i>Cmaj</i> , 2019 , 191, E879-E885	3.5	8
61	Self-management of pain and depression in adults with spinal cord injury: A scoping review. <i>Journal of Spinal Cord Medicine</i> , 2020 , 43, 280-297	1.9	8
60	Impact of a chronic disease self-management program on healthcare utilization in eastern Ontario, Canada. <i>Preventive Medicine Reports</i> , 2015 , 2, 586-90	2.6	7
59	A comparison of cervical cancer screening rates among women with traumatic spinal cord injury and the general population. <i>Journal of Women's Health</i> , 2010 , 19, 57-63	3	7
58	Trends, Challenges, and Opportunities Regarding Research in Non-traumatic Spinal Cord Dysfunction. <i>Topics in Spinal Cord Injury Rehabilitation</i> , 2017 , 23, 313-323	1.5	7
57	Creation of an Algorithm to Identify Non-traumatic Spinal Cord Dysfunction Patients in Canada Using Administrative Health Data. <i>Topics in Spinal Cord Injury Rehabilitation</i> , 2017 , 23, 324-332	1.5	7
56	The financial burden of prescription drugs for neurological conditions in Canada: Results from the National Population Health Study of Neurological Conditions. <i>Health Policy</i> , 2017 , 121, 389-396	3.2	6
55	Physical activity and life satisfaction among individuals with spinal cord injury: Exploring loneliness as a possible mediator. <i>Journal of Spinal Cord Medicine</i> , 2020 , 1-7	1.9	6
54	Patients living with disabilities: The need for high-quality primary care. <i>Canadian Family Physician</i> , 2016 , 62, e457-64	0.9	6
53	Factors related to screening for problem gambling among healthcare and social service providers in Ontario, Canada: A concept mapping study. <i>Health and Social Care in the Community</i> , 2020 , 28, 791-802	2.6	6
52	Online peer support interventions for chronic conditions: a scoping review protocol. <i>BMJ Open</i> , 2017 , 7, e017999	3	5
51	Exploring the perspectives on medication self-management among persons with spinal cord injury/dysfunction and providers. <i>Research in Social and Administrative Pharmacy</i> , 2020 , 16, 1775-1784	2.9	5
50	Exploring deprescribing opportunities for community pharmacists using the Behaviour Change Wheel. <i>Research in Social and Administrative Pharmacy</i> , 2020 , 16, 1746-1753	2.9	5
49	Spinal cord injury and polypharmacy: a scoping review. <i>Disability and Rehabilitation</i> , 2020 , 42, 3858-3870	2.4	5
48	An alternate level of care plan: Co-designing components of an intervention with patients, caregivers and providers to address delayed hospital discharge challenges. <i>Health Expectations</i> , 2020 , 23, 1155-1165	3.7	4

47	Improving Health System Efficiency: Perspectives of Decision-Makers. <i>Healthcare Quarterly</i> , 2017 , 20, 10-13		4
46	An examination of perceived health care availability and unmet health care need in the City of Toronto, Ontario, Canada. <i>Canadian Journal of Public Health</i> , 2017 , 108, e7-e13	3.2	4
45	Models of Care Delivery from Rehabilitation to Community for Spinal Cord Injury: A Scoping Review. <i>Journal of Neurotrauma</i> , 2021 , 38, 677-697	5.4	4
44	A scoping review of patient engagement activities during COVID-19: More consultation, less partnership. <i>PLoS ONE</i> , 2021 , 16, e0257880	3.7	4
43	Medication adherence for persons with spinal cord injury and dysfunction from the perspectives of healthcare providers: A qualitative study. <i>Journal of Spinal Cord Medicine</i> , 2019 , 42, 215-225	1.9	3
42	Understanding perceptions of involving community pharmacy within an integrated care model: a qualitative study. <i>BMC Health Services Research</i> , 2020 , 20, 396	2.9	3
41	"The strategies are the same, the problems may be different": a qualitative study exploring the experiences of healthcare and service providers with medication therapy management for individuals with spinal cord injury/dysfunction. <i>BMC Neurology</i> , 2020 , 20, 20	3.1	3
40	The CanPain SCI clinical practice guidelines for rehabilitation management of neuropathic pain after spinal cord injury: 2021 update.. <i>Spinal Cord</i> , 2022 ,	2.7	3
39	Exploring transitions in care from pulmonary rehabilitation to home for persons with chronic obstructive pulmonary disease: A descriptive qualitative study. <i>Health Expectations</i> , 2020 , 23, 414-422	3.7	3
38	A qualitative study exploring the lived experiences of deconditioning in hospital in Ontario, Canada. <i>BMC Geriatrics</i> , 2021 , 21, 169	4.1	3
37	Enhanced communication between inpatient and community pharmacists to optimize medication management during transitions of care. <i>Journal of the American Pharmacists Association: JAPhA</i> , 2019 , 59, 79-86.e1	1.7	3
36	Prevalence of Prescribed Opioid Claims Among Persons With Traumatic Spinal Cord Injury in Ontario, Canada: A Population-Based Retrospective Cohort Study. <i>Archives of Physical Medicine and Rehabilitation</i> , 2021 , 102, 35-43	2.8	3
35	Prescription medications dispensed following a nontraumatic spinal cord dysfunction: a retrospective population-based study in Ontario, Canada. <i>Spinal Cord</i> , 2021 , 59, 132-140	2.7	3
34	"We could be good partners if we work together": the perspectives of health and social service providers on the barriers to forming collaborative partnerships with social housing providers for older adults.. <i>BMC Health Services Research</i> , 2022 , 22, 313	2.9	3
33	Managing Medication Cost Burden: A Qualitative Study Exploring Experiences of People with Disabilities in Canada. <i>International Journal of Environmental Research and Public Health</i> , 2019 , 16,	4.6	2
32	Satisfaction with life, health and well-being: comparison between non-traumatic spinal cord dysfunction, traumatic spinal cord injury and Australian norms. <i>Spinal Cord Series and Cases</i> , 2019 , 5, 50	1.4	2
31	Exploring deprescribing opportunities for community pharmacists: Protocol for a qualitative study. <i>Canadian Pharmacists Journal</i> , 2018 , 151, 228-232	1.3	2
30	Interactive Visualization Applications in Population Health and Health Services Research: Systematic Scoping Review.. <i>Journal of Medical Internet Research</i> , 2022 , 24, e27534	7.6	2

29	Prescription medication cost, insurance coverage, and cost-related nonadherence among people with spinal cord injury in Canada. <i>Spinal Cord</i> , 2020 , 58, 587-595	2.7	2
28	A qualitative study exploring individuals' experiences living with dysvascular lower limb amputation. <i>Disability and Rehabilitation</i> , 2020 , 1-9	2.4	2
27	Examination of the Relationships Among Social Networks and Loneliness on Health and Life Satisfaction in People with Spinal Cord Injury/Dysfunction. <i>Archives of Physical Medicine and Rehabilitation</i> , 2021 , 102, 2109-2116.e1	2.8	2
26	Tool development to improve medication information transfer to patients during transitions of care: A participatory action research and design thinking methodology approach. <i>Research in Social and Administrative Pharmacy</i> , 2022 , 18, 2170-2177	2.9	2
25	Cholesterol testing among men and women with disability: the role of morbidity. <i>Clinical Epidemiology</i> , 2016 , 8, 313-21	5.9	2
24	An Adapted Model of Cost-Related Nonadherence to Medications Among People With Disabilities. <i>Journal of Disability Policy Studies</i> , 2020 , 31, 35-45	0.9	2
23	Examination of social disconnectedness and perceived social isolation on health and life satisfaction in community-dwelling adults with dysvascular lower limb loss.. <i>Prosthetics and Orthotics International</i> , 2022 , 46, 155-163	1.5	2
22	Understanding the role of the physiatrist and how to improve the continuum of care for trauma patients: a qualitative study. <i>Disability and Rehabilitation</i> , 2021 , 43, 2846-2853	2.4	1
21	Advancing research and clinical care in the management of neuropathic pain after spinal cord injury: Key findings from a Canadian summit.. <i>Canadian Journal of Pain</i> , 2017 , 1, 183-190	1.5	1
20	Health and Community-Based Services for Individuals with Neurological Conditions. <i>Canadian Journal of Neurological Sciences</i> , 2017 , 44, 670-675	1	1
19	An exploration of perceived social isolation among persons with spinal cord injury in Ontario, Canada: a qualitative study. <i>Disability and Rehabilitation</i> , 2020 , 1-10	2.4	1
18	Web-Based Peer Support Interventions for Adults Living With Chronic Conditions: Scoping Review. <i>JMIR Rehabilitation and Assistive Technologies</i> , 2021 , 8, e14321	3.2	1
17	Lung Cancer Inequalities in Stage of Diagnosis in Ontario, Canada. <i>Current Oncology</i> , 2021 , 28, 1946-1956	6.8	1
16	Exploring medication self-management in community-dwelling adults with chronic medication experience: A concept mapping study. <i>Research in Social and Administrative Pharmacy</i> , 2021 ,	2.9	1
15	Prevalence of prescribed opioid claims among persons with nontraumatic spinal cord dysfunction in Ontario, Canada: a population-based retrospective cohort study. <i>Spinal Cord</i> , 2021 , 59, 512-519	2.7	1
14	Understanding transitions in care for people with major lower limb amputations from inpatient rehabilitation to home: a descriptive qualitative study. <i>Disability and Rehabilitation</i> , 2021 , 1-9	2.4	1
13	Initiatives for improving delayed discharge from a hospital setting: a scoping review. <i>BMJ Open</i> , 2021 , 11, e044291	3	1
12	Sex and gender differences in quality of life and related domains for individuals with adult acquired lower-limb amputation: a scoping review. <i>Disability and Rehabilitation</i> , 2021 , 1-27	2.4	1

11	Spinal cord injury/dysfunction and medication management: a qualitative study exploring the experiences of community-dwelling adults in Ontario, Canada. <i>Disability and Rehabilitation</i> , 2020 , 1-10	2.4	○
10	A developmental evaluation of an intraprofessional Pharmacy Communication Partnership (PROMPT) to improve transitions in care from hospital to community: A mixed-methods study. <i>BMC Health Services Research</i> , 2020 , 20, 99	2.9	○
9	"Clearly they are in the circle of care, but . . .": A qualitative study exploring perceptions of personal health information sharing with community pharmacists in an integrated care model. <i>Canadian Pharmacists Journal</i> , 2020 , 153, 378-398	1.3	○
8	Prevalence of Problem Gambling Among Women Using Shelter and Drop-in Services. <i>International Journal of Mental Health and Addiction</i> , 1	8.8	○
7	Medication Management Frameworks in the Context of Self-Management: A Scoping Review. <i>Patient Preference and Adherence</i> , 2021 , 15, 1311-1329	2.4	○
6	Caregiving for older adults with hip fractures: Exploring the perspectives of caregivers, providers and decision-makers in Ontario, Canada. <i>Archives of Gerontology and Geriatrics</i> , 2021 , 93, 104321	4	○
5	Recommendations made by patients, caregivers, providers, and decision-makers to improve transitions in care for older adults with hip fracture: a qualitative study in Ontario, Canada.. <i>BMC Geriatrics</i> , 2022 , 22, 291	4.1	○
4	Identifying priorities and developing strategies for building capacity in amputation research in Canada. <i>Disability and Rehabilitation</i> , 2021 , 43, 2779-2789	2.4	
3	Indicators of publicly funded prescription opioid use among persons with traumatic spinal cord injury in Ontario, Canada. <i>Journal of Spinal Cord Medicine</i> , 2021 , 1-8	1.9	
2	An exploration of attitudes and preferences towards medications among healthcare providers and persons with spinal cord injury/dysfunction: a qualitative comparison. <i>Disability and Rehabilitation</i> , 2020 , 1-8	2.4	
1	Medication Supports at Transitions Between Hospital and Other Care Settings: A Rapid Scoping Review.. <i>Patient Preference and Adherence</i> , 2022 , 16, 515-560	2.4
