#	Paper	IF	Citations
111	The evolving concept of health literacy. <i>Social Science and Medicine</i> , 2008 , 67, 2072-8	5.1	1389
110	WHO Health Promotion Glossary: new terms. <i>Health Promotion International</i> , 2006 , 21, 340-5	3	244
109	Exploring patient involvement in healthcare decision making across different education and functional health literacy groups. <i>Social Science and Medicine</i> , 2009 , 69, 1805-12	5.1	223
108	Schools as social complex adaptive systems: a new way to understand the challenges of introducing the health promoting schools concept. <i>Social Science and Medicine</i> , 2010 , 70, 1467-74	5.1	183
107	A decision aid to support informed choices about bowel cancer screening among adults with low education: randomised controlled trial. <i>BMJ, The</i> , 2010 , 341, c5370	5.9	161
106	Addressing health literacy in patient decision aids. <i>BMC Medical Informatics and Decision Making</i> , 2013 , 13 Suppl 2, S10	3.6	155
105	Improving health literacy in community populations: a review of progress. <i>Health Promotion International</i> , 2018 , 33, 901-911	3	134
104	Prevalence and associations of limited health literacy in chronic kidney disease: a systematic review. <i>Nephrology Dialysis Transplantation</i> , 2013 , 28, 129-37	4.3	116
103	Health promotion glossary. <i>Health Promotion International</i> , 1986 , 1, 113-27	3	111
102	Understanding childrensThealth behaviour: the implications for health promotion for young people. <i>Social Science and Medicine</i> , 1989 , 29, 317-25	5.1	107
101	Front-line management, staffing and nurse-doctor relationships as predictors of nurse and patient outcomes. a survey of Icelandic hospital nurses. <i>International Journal of Nursing Studies</i> , 2009 , 46, 920-7	5.8	95
100	Schools for health, education and development: a call for action. <i>Health Promotion International</i> , 2009 , 24, 68-77	3	83
99	Translating research for evidence-based public health: key concepts and future directions. <i>Journal of Epidemiology and Community Health</i> , 2012 , 66, 1187-92	5.1	80
98	Views of People With High and Low Levels of Health Literacy About a Digital Intervention to Promote Physical Activity for Diabetes: A Qualitative Study in Five Countries. <i>Journal of Medical Internet Research</i> , 2015 , 17, e230	7.6	78
97	Effects of the Heartbeat Wales programme over five years on behavioural risks for cardiovascular disease: quasi-experimental comparison of results from Wales and a matched reference area. <i>BMJ: British Medical Journal</i> , 1998 , 316, 818-22		77
96	Asthma, health behaviors, social adjustment, and psychosomatic symptoms in adolescence. <i>Journal of Asthma</i> , 1996 , 33, 157-64	1.9	71
95	A model for mapping linkages between health and education agencies to improve school health. <i>Journal of School Health</i> , 2000 , 70, 45-50	2.1	69

94	Achieving Best practice in health promotion: improving the fit between research and practice. <i>Health Education Research</i> , 1996 , 11, 317-26	1.8	67
93	Information needs and preferences of low and high literacy consumers for decisions about colorectal cancer screening: utilizing a linguistic model. <i>Health Expectations</i> , 2008 , 11, 123-36	3.7	64
92	Understanding and Responding to Health Literacy as a Social Determinant of Health. <i>Annual Review of Public Health</i> , 2021 , 42, 159-173	20.6	64
91	The health promoting school: closing the gap between theory and practice. <i>Health Promotion International</i> , 1992 , 7, 151-153	3	58
90	Insights into the concept and measurement of health literacy from a study of shared decision-making in a low literacy population. <i>Journal of Health Psychology</i> , 2013 , 18, 1011-22	3.1	50
89	How does evidence influence public health policy? Tackling health inequalities in England. <i>Health Promotion Journal of Australia</i> , 2003 , 14, 154-158	1.7	48
88	The importance of policy orientation and environment on physical activity participation--a comparative analysis between Eastern Germany, Western Germany and Finland. <i>Health Promotion International</i> , 2002 , 17, 235-46	3	42
87	The health promoting school: progress and future challenges in Welsh secondary schools. <i>Health Promotion International</i> , 1992 , 7, 171-179	3	42
86	IUHPE Position Statement on Health Literacy: a practical vision for a health literate world. <i>Global Health Promotion</i> , 2018 , 25, 79-88	1.4	41
85	Acknowledging educational perspectives on health promoting schools. <i>Health Education</i> , 2010 , 110, 240-251	3.8	38
84	Smoking and pupil attitudes towards school: the implications for health education with young people. Results from the WHO Study of Health Behaviour among Schoolchildren. <i>Health Education Research</i> , 1991 , 6, 415-21	1.8	36
83	Defining, measuring and improving health literacy. <i>Health Evaluation and Promotion</i> , 2015 , 42, 450-456	0.1	35
82	Research into health promoting schools. <i>Journal of School Health</i> , 2000 , 70, 257-9	2.1	35
81	The Welsh Heart Programme evaluation strategy: Progress, plans and possibilities. <i>Health Promotion International</i> , 1987 , 2, 5-18	3	34
80	Promoting health and preventing disease: an international perspective on youth health promotion. <i>Journal of Adolescent Health</i> , 1997 , 20, 396-402	5.8	32
79	Development and preliminary evaluation of a bowel cancer screening decision aid for adults with lower literacy. <i>Patient Education and Counseling</i> , 2009 , 75, 358-67	3.1	29
78	Rethinking the evaluation and measurement of Health in all policies. <i>Health Promotion International</i> , 2014 , 29 Suppl 1, i143-51	3	26
77	Assessing non-response bias: a case study from the 1985 Welsh Heart Health Survey. <i>Health Education Research</i> , 1990 , 5, 381-386	1.8	26

76	Progress in Implementing National Policies and Strategies for Health Literacy-What Have We Learned so Far?. <i>International Journal of Environmental Research and Public Health</i> , 2018 , 15,	4.6	26
75	Age, gender, social contacts, and psychological distress: findings from the 45 and up study. <i>Journal of Aging and Health</i> , 2013 , 25, 921-43	2.6	25
74	Development and field testing of a consumer shared decision-making training program for adults with low literacy. <i>Patient Education and Counseling</i> , 2015 , 98, 1180-8	3.1	23
73	What would the Ottawa Charter look like if it were written today?. <i>Critical Public Health</i> , 2008 , 18, 435-441	4.1	22
72	Adolescent drug use in Wales. <i>Addiction</i> , 1992 , 87, 227-33	4.6	22
71	Effects on Engagement and Health Literacy Outcomes of Web-Based Materials Promoting Physical Activity in People With Diabetes: An International Randomized Trial. <i>Journal of Medical Internet Research</i> , 2017 , 19, e21	7.6	22
70	Incorporating health literacy in education for socially disadvantaged adults: an Australian feasibility study. <i>International Journal for Equity in Health</i> , 2016 , 15, 84	4.6	22
69	Can adults with low literacy understand shared decision making questions? A qualitative investigation. <i>Patient Education and Counseling</i> , 2016 , 99, 1796-1802	3.1	22
68	Health education and health promotion revisited. <i>Health Education Journal</i> , 2019 , 78, 705-709	1.5	22
67	Building capacity for health promotion--a case study from China. <i>Health Promotion International</i> , 2005 , 20, 285-95	3	21
66	Health risk and behaviour of out-of-school 16-year-olds in New South Wales. <i>Australian and New Zealand Journal of Public Health</i> , 1997 , 21, 168-74	2.3	20
65	Evaluation of an Australian health literacy training program for socially disadvantaged adults attending basic education classes: study protocol for a cluster randomised controlled trial. <i>BMC Public Health</i> , 2016 , 16, 454	4.1	18
64	Priority actions for the non-communicable disease crisis. <i>Lancet, The</i> , 2011 , 378, 566-7	4.0	18
63	Effectiveness of musculoskeletal education interventions in people with low literacy levels: a systematic review. <i>Arthritis Care and Research</i> , 2013 , 65, 1976-85	4.7	17
62	A watershed for health promotion. <i>Health Promotion International</i> , 2017 , 32, 2-6	3	16
61	Enhancing communication skills for telehealth: development and implementation of a Teach-Back intervention for a national maternal and child health helpline in Australia. <i>BMC Health Services Research</i> , 2018 , 18, 162	2.9	16
60	Inter-sectoral action for health: making it work. <i>Health Promotion International</i> , 1994 , 9, 143-144	3	16
59	Health Promotion Glossary 2021. <i>Health Promotion International</i> , 2021 ,	3	16

58	Health Literacy and Shared Decision-making: Exploring the Relationship to Enable Meaningful Patient Engagement in Healthcare. <i>Journal of General Internal Medicine</i> , 2021 , 36, 521-524	4	16
57	Improving health literacy through adult basic education in Australia. <i>Health Promotion International</i> , 2018 , 33, 867-877	3	15
56	Food and nutrition literacy (FNLIT) and its predictors in primary schoolchildren in Iran. <i>Health Promotion International</i> , 2019 , 34, 1002-1013	3	15
55	The importance of building trust and tailoring interactions when meeting older adultsThealth literacy needs. <i>Disability and Rehabilitation</i> , 2017 , 39, 2428-2435	2.4	15
54	Public knowledge and attitudes to AIDS. <i>Public Health</i> , 1989 , 103, 205-11	4	15
53	Improving health literacy in a Japanese community population-A pilot study to develop an educational programme. <i>Health Expectations</i> , 2018 , 21, 814-821	3.7	14
52	Informed choice in bowel cancer screening: a qualitative study to explore how adults with lower education use decision aids. <i>Health Expectations</i> , 2014 , 17, 511-22	3.7	14
51	Smoking in hospitals. <i>Lancet, The</i> , 1983 , 2, 94-6	4.0	14
50	Planning and evaluating population interventions to reduce noncommunicable disease risk - reconciling complexity and scientific rigour?. <i>Public Health Research and Practice</i> , 2014 , 25,	5.1	14
49	The prevention of HIV infection from injecting drug use--a review of health promotion approaches. <i>Social Science and Medicine</i> , 1991 , 33, 977-83	5.1	13
48	The concept of health promotion and AIDS prevention. A comprehensive and integrated basis for action in the 1990s. <i>Health Promotion International</i> , 1990 , 5, 233-242	3	13
47	Exposing the myth. What schools can and cannot do to prevent tobacco use by young people. <i>Global Health Promotion</i> , 1995 , 2, 11-4, 57		12
46	Towards a definition of health education and health promotion. <i>Health Education Journal</i> , 1984 , 43, 38	1.5	11
45	Indicators of adolescent health: expanding the framework for assessing health status among young people. <i>Global Health Promotion</i> , 1997 , 4, 10-5		10
44	Lessons from a review of publications in three health promotion journals from 1989 to 1994. <i>Health Education Research</i> , 1997 , 12, 491-504	1.8	10
43	Addressing health inequalities in the United Kingdom: a case study. <i>Journal of Public Health</i> , 2003 , 25, 281-7	3.5	10
42	Creating supportive environments for health: a case study from Australia in developing national goals and targets for healthy environments. <i>Health Promotion International</i> , 1995 , 10, 51-59	3	10
41	Qualitative insights into the experience of teaching shared decision making within adult education health literacy programmes for lower-literacy learners. <i>Health Expectations</i> , 2017 , 20, 1393-1400	3.7	9

40	Comprehensive Strategies for Health Promotion for Older People: Past Lessons and Future Opportunities. <i>Australasian Journal on Ageing</i> , 1998 , 17, 120-127	1.5	9
39	Translating Developmental Origins: Improving the Health of Women and Their Children Using a Sustainable Approach to Behaviour Change. <i>Healthcare (Switzerland)</i> , 2017 , 5,	3.4	8
38	Achieving population health goals: perspectives on measurement and implementation from Australia. <i>Canadian Journal of Public Health</i> , 1999 , 90 Suppl 1, S43-6	3.2	8
37	Nursing and allied health professionals' views about using health literacy screening tools and a universal precautions approach to communication with older adults: a qualitative study. <i>Disability and Rehabilitation</i> , 2020 , 42, 1819-1825	2.4	8
36	Validation of an Australian parenting health literacy skills instrument: The parenting plus skills index. <i>Patient Education and Counseling</i> , 2020 , 103, 1245-1251	3.1	7
35	A health promotion logic model to review progress in HIV prevention in China. <i>Health Promotion International</i> , 2015 , 30, 270-80	3	7
34	A stepped wedge cluster randomised trial of nurse-delivered Teach-Back in a consumer telehealth service. <i>PLoS ONE</i> , 2018 , 13, e0206473	3.7	7
33	Preventing chronic disease in patients with low health literacy using eHealth and teamwork in primary healthcare: protocol for a cluster randomised controlled trial. <i>BMJ Open</i> , 2018 , 8, e023239	3	7
32	Correlates of physical activity among Australian Indigenous and non-Indigenous adolescents. <i>Australian and New Zealand Journal of Public Health</i> , 2017 , 41, 187-192	2.3	6
31	Health risks among early school leavers: findings from an Australian study examining the reasons for, and consequences of, early school drop out. <i>Health Education</i> , 2001 , 101, 74-82	1	6
30	Teachers' views of the Smoking And Me Project. <i>Health Education Journal</i> , 1991 , 50, 107-110	1.5	6
29	England and Wales: perspectives in school health. <i>Journal of School Health</i> , 1990 , 60, 318-23	2.1	6
28	Involving consumers in health research: what do consumers say?. <i>Public Health Research and Practice</i> , 2018 , 28,	5.1	6
27	Social complex adaptive systems. A response to Haggis. <i>Social Science and Medicine</i> , 2010 , 70, 1478-1479	5.1	5
26	Policy- and system-level approaches to health promotion in Australia. <i>Health Education and Behavior</i> , 2001 , 28, 267-73	4.2	5
25	Advocacy and mediation in creating supportive environments for health. <i>Health Promotion International</i> , 1993 , 8, 165-166	3	5
24	Promoting health, preventing disease: what should the NHS be doing now?. <i>Health Education Journal</i> , 1983 , 42, 7-12	1.5	5
23	Developing Verbal Health Literacy with Adult Learners Through Training in Shared Decision-Making. <i>Health Literacy Research and Practice</i> , 2017 , 1, e257-e268	2.6	5

22	Evaluation of an Australian Health Literacy Program Delivered in Adult Education Settings. <i>Health Literacy Research and Practice</i> , 2019 , 3, S42-S57	2.6	5
21	Skills for Shared Decision-Making: Evaluation of a Health Literacy Program for Consumers with Lower Literacy Levels. <i>Health Literacy Research and Practice</i> , 2019 , 3, S58-S74	2.6	5
20	Building health literacy system capacity: a framework for health literate systems.. <i>Health Promotion International</i> , 2021 , 36, i13-i23	3	5
19	The impact of participation in the Rock Eisteddfod Challenge on adolescent resiliency and health behaviours. <i>Health Education</i> , 2007 , 107, 261-275	1	4
18	Re-orienting health services: moving from service management to health outcomes. <i>Health Promotion International</i> , 1991 , 6, 169-171	3	4
17	Introducing healthy catering practice into hospitals: a case study from Wales. <i>Nutrition and Health</i> , 1991 , 7, 101-10	2.1	4
16	The Impact of the Chronic Disease Self-Management Program on Health Literacy: A Pre-Post Study Using a Multi-Dimensional Health Literacy Instrument. <i>International Journal of Environmental Research and Public Health</i> , 2019 , 17,	4.6	4
15	Incremental yield of ECG screening repeated annually over 4 years in an adult Japanese population without prior atrial fibrillation: a retrospective cohort study. <i>BMJ Open</i> , 2020 , 10, e035650	3	4
14	Self-management of a musculoskeletal condition for people from harder to reach groups: a qualitative patient interview study. <i>Disability and Rehabilitation</i> , 2019 , 41, 3034-3042	2.4	4
13	Advancing Health Literacy Interventions. <i>Studies in Health Technology and Informatics</i> , 2020 , 269, 115-120.5	2.5	4
12	Health education in the National Health Service: the differing perceptions of community physicians and health education officers. <i>Health Education Journal</i> , 1984 , 43, 115-9	1.5	3
11	Literacy Levels Required to Understand Regularly Accessed Falls Prevention Websites Aimed at the Public 2013 , 1, 8-14		3
10	The Lifestyle Concept and Health Education with Young People. <i>Journal of the Institute of Health Education</i> , 1991 , 29, 98-103		2
9	Embedding a Health Literacy Intervention Within Established Parenting Groups: An Australian Feasibility Study. <i>Health Literacy Research and Practice</i> , 2020 , 4, e67-e78	2.6	2
8	Improving health literacy among older people through primary health care units in Brazil: feasibility study. <i>Health Promotion International</i> , 2020 , 35, 1256-1266	3	2
7	Putting the 'public' back in public health research. <i>Public Health Research and Practice</i> , 2018 , 28,	5.1	1
6	Learners' experience and perceived impact of a health literacy program in adult basic education: a qualitative study. <i>Public Health Research and Practice</i> , 2020 , 30,	5.1	1
5	From health education to digital health literacy - building on the past to shape the future. <i>Global Health Promotion</i> , 2021 , 17579759211044079	1.4	1

4	Developing performance-based measures of health literacy: A narrative case study and checklist of considerations. <i>Patient Education and Counseling</i> , 2021 , 104, 2406-2411	3.1	1
3	The continuing evolution of health promotion.. <i>Health Promotion International</i> , 2021 , 36, i1-i3	3	0
2	Health risks and behaviour of out-of-school 16-year-olds in New South Wales. <i>Australian and New Zealand Journal of Public Health</i> , 1977 , 21, 168-174	2.3	
1	A qualitative study to explore health literacy skills in older people from a disadvantaged community in Brazil.. <i>Global Health Promotion</i> , 2022 , 17579759211073327	1.4
