## List of Publications by Year in Descending Order

**Source:** <https://exaly.com/author-pdf/7497125/lorea-manterola-publications-by-year.pdf>

**Version:** 2024-04-10

This document has been generated based on the publications and citations recorded by exaly.com. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
